Companions, now that a new year has been launched we trust that one of your resolutions was to attend Fort Wayne Chapter No. 19 regularly. Our year starts off on January seventh with the conferring of the Royal Arch Degree on three candidates. On the fourteenth the Royal Arch will be conferred again and on the 21st is our stated meeting, followed by an oyster lunch in the kitchen. We are extending a hearty welcome to all officers and members of Sol D. Bayless Lodge No. 359 to be with us for this feed. We will have oysters any way you like them—raw, in stew or fried. We hope in this manner to partially repay the officers and members of Sol. D. Bayless No. 359 for their gracious hospitality in inviting us to join them for delicious lunches on two previous occasions, the last one being for "deerburgers." You Companions who missed this feed certainly did miss a real treat. Again let us thank you for this gracious expression of real brotherhood.

You Companions who haven't been attending Chapter regularly should start this year out right by coming down on Monday nights. Many of you, we feel sure, have been thinking about coming back to Chapter but just haven't gotten around ot it. Don't put it off any longer—Start Now!

Be sure and be with us on January 21st for oysters and if you haven't paid your 1952 dues yet, Companion George Gable will be there to greet you. Let's try to clean up our back dues one hundred per cent.

By the time you read this, no doubt, Christmas 1951 will seem so far away that many of you will be looking forward to the holidays of 1952, but just the same the memories of the lovely parties given throughout the chapter will still linger.

Very beautiful decorations prepared by Sister Helen Rinard and her husband and a huge Christmas greeting made by Brother William Schlacter set the mood for our Chapter Christmas meeting on December 20. After a brief business meeting, entertainment was provided by the Mellotones, and by the Reddy Kilowatts, each group singing special Christmas numbers as well as some of our other favorites. Refreshments were served on the mezzanine floor after the meeting, where the tables were gay with evergreens, miniature Christmas trees and candles. Although icy streets and extreme cold made it difficult for many to get out, there was a fine, warm "Christmassy" spirit at our party, which made those who could come, feel it very worthwhile.

The December sick list is fortunately small, and some reported early in the month have already recovered. Sisters Belva Krick, Ruth Baumgartner, Agatha Dengler, Opal Cook and Nellie Nave have been reported sick, together with Brothers Lester Helms and Cy Uebelhoer.

New babies were born to Sisters Treva Fradenburg, Louise Winn and Phyllis Buchan. Sisters Nolah Richards, Maude Webster and Carrie Burton are new grandmothers.

The husbands of Sisters Luella Goller, Ethel Weikel, Marie Luellen, Nola Richards and Fay Brennan were reported ill, as were the mothers of Sisters Florence Hindman and Ethel Stauffer.

The death of the father of Sister Helen Yingst and of the father of Sister Florence Hindman occurred during the past month.

The final holiday party of the season was held of January 8, when the Past Matrons and Past Patrons entertained their husbands and wives at a pot-luck dinner at the home of Clarence Comincavish. The officers of the Past Matrons were in charge of arrangements.

Sister Ruth Dunton entertained the choir in her home at 2110 Alabama on January 8, with the choir practicing extra hard for the initiatory work on Men's Night, which will be February 7.

On January 9, Sister Mary Knauer was hostess for the decorating committee in her home at 309 Lexington court. Sister Irene Slater assisted her. On February 13, Sister Margaret Best will entertain the committee in her home at 1226 Somerset, with Sister Jean Strecker assisting.

The Visiting Committee will meet on January 14 at the home of Sister Catherine Fries, 2940 Euclid avenue, with Sisters Bess Norris, Cleo Lentz and Lela Smith acting as hostesses.

New officers will be installed by Non Pariel at the meeting of January 15 in the home of Sister Marian Goff, 2202 Thompson avenue. Sister Mary Knauer will be president for 1952, with Sister Lina Buckles, vice-president, and Sister Mable McCorkle, secretary-treasurer.

The Social Committee will meet on January 28 on the mezzanine of the temple. The section in charge of Sister Mildred Rudasky will take over for the months of February and March.

The officers of the chapter will meet on Monday, January 28, with Sister Ruby Souers and Brother Clayton Herrick entertaining.

Sister Helen Lauterberg, general chairman of the social cammittee, has asken that all who have donations for the rummage sale, call her at A-76781, and she will arrange to have them picked up.

Huntertown honored their Past Masters at a social night on December 20th. They were entertained with moving pictures and served a fish supper afterwards. The crowd was not too large because of the ugly weather but everyone present agreed that they had thoroughly enjoyed the evening.

To the members of Huntertown Lodge, I want to take this opportunity to thank them for the honor they have bestowed on me by electing me to serve as their Master for 1952. I promise to do my best to uphold the honor and reputation of our Lodge, and the things for which it stands. And with the aid of our Supreme Master, I shall try to emulate the fine examples of our actual past masters. To do this I will need the assistance of every member and I hereby implore your help. You can best serve your lodge by attending and participating in the work. I want very much to have a large group to assist with the degree work, so if you will come I promise to find work for you to do.—Sincerely, Ralph Southern, W.M.

Nature has provided various ways for everything to perpetuate itself. Even the hardest, driest little seed has life concealed within the hard exterior, which when exposed to the proper environment will shoot forth a tender sprout and blossom into a fine, sturdy plant. Winter is the dullest time in the plant's life cycle. The Creator saw fit to invest in us that power to allow us to provide for our own environment. We need not wait for the warmth of spring to start life anew. We can, if we desire, keep on developing the entire year. All you need to do is to pick the proper environment. Can you think of a more wholesome place to do this than in the lodge or in your church? Don't hibernate, Keep Growing.

THE BEGINNING OF FREE MASONRY IN NORTHERN INDIANA

By Roy Welty

In Fort Wayne in the year 1823 there was only a cluster of cabins around the old Fort. The military garrison and the commander of the Fort were withdrawn in 1819. There was no white man's cabin to the North between here and the Michigan-Indiana state lines, and none between Fort Wayne and Chicago. At this time there were not one hundred voters in Allen County; the State was only seven years old; no news paper was published here and there was none within one hundred miles of Fort Wayne.

This country was on the frontier and adventurous Americans and others came here to hew out for themselves a livelihood or to gain their fortunes. They were a strong, hardy band of men who believed in their own destinies under God. They felt that the ideas of common freedom were worth while; and here they tried a new, bold evperiment and helped build the Old Northwest on the principles of Representative Government.

A group of these pioneers were Free Masons who belonged to Lodges in their former home towns. They met and decided to organize a Masonic Lodge at Fort Wayne. So together they petitioned the Indiana Grand Lodge, then only in its beginning, for a dispensation and charter to enable them to organize a Masonic Lodge. The Indiana Grand Lodge was at that time located on the Ohio River at Madison, Indiana.

On the 22nd of March, 1823, John Sheets, Grand Master of the Grand Lodge of Indiana, granted a dispensation to Alexander Ewing, Worshipful Master; John P. Hedges, Senior Warden; and Benjamin Cushman, together with all such Brethren who might thereafter become members, to form a Lodge to be known as "Wayne Lodge of Fort Wayne, County of Randolph, Indiana."

At the first lodge meeting held some time in May, 1823, there were present, in addition to those mentioned in the dispensation, Captain James Hackley; Benjamin B. Kercheval; Anthony L. Davis of Franklin Lodge No. 28 of Kentucky; Richard L. Britton of St. John's Lodge No. 13 of Ohio; John McCorkle, one of the proprietors of the "Old Plat" of the town of Fort Wayne, of Lodge No. 4 of Ohio; Robert A. Forsyth, a paymaster in the United States Army; and General John Tipton of Pisgah Lodge No. 5 of Corydon, Indiana.

General John Tipton, a notable character in the history of Indiana, was Past Master of the Grand Lodge of Indiana when he became the residing Indian Agent in Fort Wayne. He was a hero of the early Indian Wars and fought at the battle of Tippecanoe with General William Henry Harrison. He was a natural hero, a rough and ready uioneer without formal training, whose training was received in the wilderness school. He became a U. S. Senator for Indiana in the year 1828 when Andrew Jackson was elected President of the United States.

He lived in the Officers' quarters of the Old Fort and it was there, in his quarters in the Old Fort Place, that the first Masonic Lodge meeting in Northern Indiana was held.

The Lodge was opened in ancient form on the first degree with Alexander Ewing as Worshipful Master; John P. Hedges, Senior Warden and Secretary pro tem; Benjamin Cushman, Junior Warden; James Hackley, Treasurer; and B. B. Kercheval, Steward Tyler, pro tem. The next meeting was on the 6th day of June following, when Kercheval was appointed Treasurer; Charles W. Ewing, Secretary; James Hackley, Senior Deaocon; Robert Hart, Junior Deacon; and W. Hedges, Steward and Tyler; and those heretofore named became charter members of the Lodge. On the 10th of November of the same year the Grand Lodge granted the charter, and General John Tipton was authorized to constitute Wayne Lodge No. 25, which duty he performed November 17. The officers installed were Alexander Ewing, Worshipful Master; John Tipton, Senior Warden; B. B. Kercheval, Junior Warden; A. L. Davis, Treasurer; Charles W. Ewing, Secretary; James Hackley and . B. McKean, Senior and Junior Deacons; and James Wyman, Steward and Tyler.

The first regular election was held December 25th, and General John Tipton was elected Worshipful Master. He was re-elected every year until 1828, and was a faithful officer and a worthy member. When the office of Indian Agent was removed to Logansport, Indiana, he became the agent there. After he left Fort Wayne, he was elected for the second time as Grand Master of the Grand Lodge of Indiana.

Free Masonry in Northern Indiana had its beginning in the Oid Fort. For five years Wayne Lodge No. 25 met there in the rooms of General John Tipton. The Free Masons who organized the Lodge were leaders in the early life of Fort Wayne. It was in 1823 that the land sales began at the Fort Wayne Land Office; there were then traders and settlers around the old military post.

As we look at the Old Fort Place, we may always remember that Free Masonry here had its beginning in the best American tradition. It would be a worthwhile project for us to memorialize the Old Fort so that we may never forget the meaning of the early struggle that these men had to hand down to us the principles of Free Masonry.

Since this is my last article, I wish to thank everyone who has helped to make my term as Master Councilor such a success. First of all, I wish to thank "Dad" Riethmiller for all the things he has done for our chapter. The countless hours he has put into our functions can't be rewarded by any medal or degree. Also Mrs. Riethmiller's time, efforts, ideas and plans are irreplaceable and I sincerely wish to thank her for all these things. Next the Scottish Rite Bodies deserve more thanks than any of us or all of us can give them for their marvelous backing, as well as the Chapter Room for our regular meetings, the auditorium for our degrees and special occasions such as the Father-Son night, and the Ball Room for our dance and Mother-Son banquet. The entire dance at Christmas time is provided hy this group, which includes a swell orchestra. There are so many men's names I could put down at this time, but I believe two names stand out on the top from this body and they are Calvin Bimer and Byard Smith. Both of these men always try to attend our activities and give us that extra push when we start to slide sometimes. The Mothers' Club has done as they always do, more than we deserve, in getting our refreshments after some of the meetings, setting tables for the Father-Son night and making sure we had enough to eat, as well as on other special occasions. But to top it all off this year, we received one of the most undeserved, irreplacable, beautiful rostrum and altar cloths as well as a new red Bible. I want to thank Mrs. Wolf again for her individual time and excellent work she put into the making of both of the cloths. Also the Mothers' Club with Mrs. Miles Baker as president sure has meant a lot to our service men who are DeMolays from the Fort Wayne Chapter with their letters, birthday cards and presents at Christmas time. Next comes the Chevaliers who certainly showed what a chevalier is like, by the countless hours they put into our degree work as well as the other special occasions. They are Bob Locke, who always did an excellent job on the Flower Talk as well as assist wherever needed in the other degrees; Ronald Meeks who has been the ritualistic leader for our teams and has always seen that every little detail was taken care of; Ken Bradley who always assists on the degrees and this year took the group from our Chapter to the Conclave in Evansville; Hal Elzay, who did a wonderful job in the ritualistic work; and Tom Bell for his constant assistance and encouraging advice and also his excellent job as the Master Inquisitor in the DeMolay Degree and as an officer on the installing team. Thanks a lot to this entire group.

The second group begins with the officers Dan Sommers, senior councilor; Ed Clark, junior councilor; and Bob Strodle, scribe, as well as all the rest of the officers. They have done a wonderful job all the way and certainly made our chapter look extra special when we went to Angola, which was the best initiatory degree, and Angola night here in Fort Wayne when both degrees were conferred. Also for their unusually good attendance at our regular meetings. The Scottish Rite Choir and the Shrine Masquers can't go without recognition for all of the wonderful entertainment they have provided for us at various times, and Roger Hosfield members of the advisory council who has charge of entertainment.

Congratulations to Thomas Bell and Richard Elzey, Past Master Councilors, on being elevated to the Degree of Chevalier. Both certainly deserve this honor for I know we are all aware of the hours they have put into DeMolay. Congratulations also go to "Dad" Riethmiller on receiving the Legion of Honor Degree. We all know that "Dad" more than deserves this high honor.

I extend to the new officers, my best wishes for a highly successful term, who are Ed Clark, Master Councilor; Herb Snyder, Senior Councilor; Carlton Sheets, Junior Councilor; and all of the newly appointed officers. I am sure that the Mother-Son banquet and other events that Ed will lead will be highly successful. On January 3 these officers were installed by Emery Tucker and the entire installing team. Mr. Tucker also is another Mason who made this past year such a success with his

Also to two men who have always been on the side lines and never brought to the front are Brown Cooper, who has always given us a good write up in the Square and Compass, and Wayne Self, who is stage manager for our degrees in the auditorium.

Dick Willis and the entire softball team deserve all the credit for the trophies brought home this year. The 1951 DeMolay Champs as well as two trophies from the Sappenfield league.

I want to again thank "Dad" and the officers and members for the fine cooperation, interest and enthusiasm they have shown during the past term.

The most important news I have to offer is the notice that the play the Indianapolis Valley of Scottish Rite Masons is bringing to Fort Wayne on January 19th. This production is a drama built around the heroic personality of Nathan Hale, during the winter of 1778-79 at Valley Forge. The setting of the drama is the American Revolution, and includes a prologue in two scenes; Act one with two scenes and act two with three scenes.

We are staging this affair at the Quimby Auditorium; notices will be mailed to each Scottish Rite Mason in Fort Wayne Valley. Inasmuch as the seating capacity will be limited, we can give only two tickets to each request received — these are intended for you ard your lady — and "first come, first served." Please do not give these tickets to those who do not belong to Scottish Rite; if you do not intend to use them, please do not order them. There with be no charge to our brethren for this entertainment, and we are deeply indebted to our Indianapolis brethren for their courteous act in cooperating with our valley in this respect.

Convocation dates are set for April 15, 16 and 17; rehearsal dates will be announced soon, but petitions should be presented as early as possible. It looks as if we will have another capacity class.

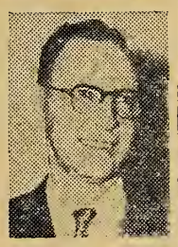
Brethren:

As I write this first message I must express my appreciation and gratitude to each of you. Being elected master of your lodge is certainly a distinction and an honor. I well realize the responsibility of this high office and will always endeavor to serve you well and faithfully.

We are fortunate in having a fine group of officers in the line. With the cooperation of all you brethren, I am sure that Sol D. Bayless lodge will enjoy a successful year in 1952.



The holiday season is behind us and I hope that for each of you it was a happy time. Now we must get back to work. With five candidates possible for the month of January, it looks like we will begin a busy year. With large classes in prospect, we ask all of you to come to the Temple as often as you can. All the help we can get is needed and appreciated. And, you will be pleasantly surprised at the real enjoyment you will have, in taking part in the conferring of the degrees. Remember, too, your attendance at the stated meetings is your opportunity to take part in the government of your lodge. We officers only carry out the wishes you express by your ballot on matters of business of the lodge.

The following committees have accepted appointments for the year: Masonic Home—W. E. Neuenschwander, P.M., E. E. Miles, P.M., and D. B. Evans, P.M. Auditing—David Dolson, Ralph Baumgardner and Kenneth Redding. Entertainment — Hugh Kelley, J.W., John Lukens, and Robert Butler. Publicity — Ed Klomp, J.D., and Robert Groh. Blood Donor Service — Clayton Herrick, S.S., Claude Reynolds and Howard Rohr.

I am sorry to report that Brothers Orman Coe, Earl Hart and John Stein are still on the sick list. We wish to each of them, a speedy return to good health.

Our sympathies go out to the family of Brother Nestor Fries who passed away on November 24, 1951.

Brother "South Gater,"

This will be my first article in the paper as your Worshipful Master for 1952. I hope you all had the most joyous of holiday seasons and I wish you all a very prosperous new year. It is the time of the year we make our "Resolutions" and I hope one of yours will be to attend lodge at least once a month. Do you know that if each of our members would attend one meeting a month we would average about 66 men per lodge night

This year also offers a challenge to your officers and also the membership. With Bro. Past Master Russell retiring from the East, he represents the last of the charter officers to pass thru the East. This means to all of us that our lodge has survived the "trials" of being new and that we are growing up. We have a fine set of line officers and each I know will do a splendid job in his office this year. Our new appointments for the year are Bro. Clarence Carlson Jr. as Junior Steward and Bro. Robert Marshall as Chaplain. These two brethren will do a fine job in helping the lodge to grow one year older.

One of the things of South Gate that makes your officers job so much easier, is the willingness of all to offer their help and services at a moment's notice. It seems you just turn around and someone is there to do anything that needs aken care of. This is indeed a noble act of Masonic Brotherhood.

I am happy to report that we are still getting contributions to the Masonic Home. Our drive last year was a huge success and we went over the top in our endeavor to get our three year contributions at one time.

As the dues come in and also some Home Contributions it gives us a warm feeling that our Brethren still think of our home without being asked. Many Thanks to you Brethren.

In closing I would like to say that it has been a great privilege for me to serve South Gate, and, as I assume the East, I will endeavor to do as good a job as all my predecessors have done. With all the help that you brethren are giving me with God's help we shall have a very successful year. We have degree work for the month of January and are looking forward to seeing everyone of you in lodge on Monday nights.

Be sure to notify us of any change of address.

This is my first message to you as your Worshipful Master. It comes in humble pride from one proud to be selected to serve you as your Worshipful Master.

I approach the task with humbleness, realizing that no man is sufficiently wise to be a good Master unaided.

I would like to say to all of you as I said at the installation: I accept this responsibility hoping that I will have the full cooperation of the membership.

To be the leader of a Masonic Lodge requires a lot of responsibility. The duties are many, decisions are required and they must be made for the good of the order. This I will try to do.

As your Master I will try to point the way. But success can only come by the labor and toil of every member of our lodge. Your presence at lodge will be greatly appreciated. Come and enjoy the good fellowship of your lodge.

I will do my utmost to see that you are made welcome and that you are not only needed but that you are a part of it. It is your lodge, so let's all get together and make it one of the best.

I would like to see you at our stated meetings. As you know, this is when we take care of all the business of the lodge and when we vote on petitions. We get a report on the sick. It might be that one of the petitions might be one of your old friends and you would like to come up and help put on the work when he takes his degrees. If you do not take part in the work don't feel that you are a sideliner because you are not. You are definitely a part of the degree. And the candidate will appreciate you being there.

Your officers for 1952 are: Mark A. Hennigh, 3120 Reed Street, H-82042, W.M.; Wilbur C. Hyde, R.R. 5, Westgate Drive, A-36011, S.W.; Fred L. Brethren, as there are five Wednesdays in January, We will have a pancake and sausage supper. You will receive a card in the mail as to the time we will be ready to serve you. So keep this date open and come and have a good time with us. The fellowcraft club will be there to see that you get all the cakes and sausages you can eat.

We have had a successful year in Fort Wayne Commandery, having Kuighted 19 new members and elected two by transfer. Our losses by death to December 17th have amounted to 16 and we have lost one member by demit, so that the total gain in memership, according to the records of your Commander, is four. We should have a very good year during 1952, as many who were made Royal Arch Masons during the last year intend to continue their Masonic Education by taking the Orders within a short time. We had many promises of those who want to be Knights Templar but could not get the work during the last year.

Our official Annual Inspection was held on Tuesday, November 27, 1951. A potluck supper was served for the Sir Knights and their ladies at 6:15 p. m. in the Masonic Temple dining room, under the supervision of the ladies of Fort Wayne Assembly No. 139 Social Order of the Beauceant. Following the supper the ladies of the Beauceant provided entertainment for the ladies attending the supper.

Following the supper the Sir Knights went to the auditorium on the fifth floor of the temple for the inspection. Sir Knight Wilbur Foster, P. C. of Raper Commandery No. 1 was our visiting inspection officer. Sir Knight Foster is Grand Sword Bearer of the Grand Commandery of Indiana. The inspection this year covered opening in full form on he Order of the Temple, then change to the conferring of the Illustrious Order of the Red Cross.

The inspector's report shows that 113 Sir Knights were present at the inspection; this is 27 per cent of our membership. All of the officers were present and 18 Sir Knights of the Drill Corps participated in the lines for the opening in full form on the Order of the Temple. Sir Knight Foster stated that it was the first time he had ever seen 18 Sir Knights in the lines of an inspection.

The distinguished guests attending the inspection were, Em. Sir Knight Samuel S. Geake, Grand Senior Warden, and Em. Sir Knight C. Wilbur Foster, Grand Sword Bearer of the Grand Commandery of Indiana; Sir Knight Orvis A. Dellinger, Past Grand Master of F. & A. M. of Indiana; Em. Sir Knight Everett E. Miles, Illustrious Grand Master of the Grand Council of Royal and Select Masters of Indiana; Em. Sir Knight Wilbur E. Neuenschwander, Past Grand High Priest of the Grand Chapter of Royal Arch Masons of Indiana, and Em. Sir Knight Edward Klomp, Grand Sentinel of the Grand Council of Royal and Select Masters of Indiana.

We are well pleased with the report of the inspection made by Sir Knight Foster and forwarded to the Grand Commander G. Max Fowler. I am quoting below a portion of a letter dated November 29, 1951, received from our Grand Commander Fowler.

"The report from Sir Knight Foster is so flattering, I scarcely need comment on it. May I add my sincerest congratulations to a very fine Commandery for a very fine full form opening and exemplification of the Illustrious Order of the Red Cross.

"In my estimation, Sir Knight Foster is unquestionably the best informed ritualist in Indiana in Templar Masonry and his wide knowledge of the Tactics is likewise outstanding. Wilbur is therefore well qualified in all phases of our work and you may be assured that when he gives you such grades, it is well deserved and I am most happy to note he has given you the highest rating possible straight across the boards."

That all Sir Knights may know what is on the report of inspection, I wish to state that the rating is "Excellent" all the way through. I am quoting below the statement on the report under "Remarks."

"The opening was exceptionally good. 18 Sir Knights in line. The Drill Team and Capt. General deserve lots of credit for the hard work put in practice in order to attain the proficiency shown. All officers were excellent and the work of the Standard Guard was outstanding. The Illustrious Order of the Red Cross was exemplified in an eycellent manner, and I am sure the two candidates were impressed. The officers in line appear to be interested and serious in the work, which bespeaks for good work in Fort Wayne Commandery for several years to come."

As your retiring Commander, I wish to thank the Officers and especially the Drill Corps for their loyal support, which made this excellent report possible. I want to especially thank Sir Knights Ed Ashton, J. W. Autentrieth, Belmont Beman and Linus Johnson, Drill

Corps members for many years, for their loyalty to our Commandery; they never failed to be present and take an active part each time we conferred the Orders. I also wish to thank Em. Sir Knights Charles D. Morrow, Everett E. Miles, Edward Klomp, Samuel S. Geake and Bruce Farmer for the help they gave me, a semi-invalid, during the past year. I must also thank Sir Knights Harry Brattain and Ben F. Bennett for the music during the conferring of the Orders.

I also thank Mrs. Genevieve Wagner, Worthy President of Assembly No. 139, Social Order of the Beauceant, for the help in serving the pot luck suppers April 2th and November 27th, the Easter Breakfast, the Commandery picnic in July, the Drill Corps picnic September 30th and the many luncheons for the Drill Corps.

Since the publication of the December Square and Compass four more of our Sir Knights have been admitted to the Asylum above. They are Sir Knights Harley H. Somers who died November 30th, Thomas V. Church who died December 1st, Fred S. Hunting who died December 17th, and Ralph J. Phillips who died December 7th. To the families of these Sir Knights we extend our sincere sympathy.

Officers for 1952 were elected and installed at the Stated and Annual Conclave on December 20, 1951. The new officers are as follows: John J. Breit, Eminent Commander; Carl L. Shroyer, Generalissimo; Robert Brecount, Capt. General; W. Harold Utterback, Senior Warden; Carter Palmer, Junior Warden; George G. Winning, Prelate; Everett E. Miles, Treasurer; George F. Gable, Recorder; Byron H. Somers, Trustee for three years; officers appointed as follows: Grey I. Wagner, Standard Bearer; Dexter Johnson, Sword Bearer; Stanley S. Putman, Warder; Arthur C. Stein, Sentinel. Em. Sir Knight Samuel S. Geake, Past Grand Commander, and Em. Sir Knight Edward Klomp, as Marshal, installed the new officers following the election.

Please give your officers your loyal support for a successful year 1952. Support and encourage our Drill Corps by becoming an active participating member. We must send a good Drill Team to the Grand Conclave in Lafayette in May, 1952, and we hope on to the Grand Encampment Triennial at New Orleans in September, 1952. This is our Commandery Drill Team let us all boost.

My brethren it is with the deepest feeling of pride and honor which I have in my heart, that I become the Master of your Lodge. I accept this responsibility with humblesness and the hope that each and everyone of you will accept your share of responsibility in continuing to keep Summit City Lodge the wonderful institution it is.

As I enter upon this great and important undertaking, I pray that some time during the next year I might have the privilege of seeing evtry member visiting lodge at least once.

Recall the charge of the Entered Apprentice degree that in our leasure hours, that we may improve in Masonic knowledge, we are to converse with well-informed brethren, who will always be as ready to give as we will be ready to receive instruction.

As the less-informed converse with the well-informed brethren he will learn that there are literally millions of Masons in the world—three and a half millions in the United States. He does not know them; they do not know him. Unless he can prove that he is a Mason he cannot visit a lodge where he is not known, neither can he apply for Masonic aid. If he does not know his work he cannot receive a proof any more than he can give it.

There are, I feel, many members of our lodge who are thus handicapped. It is to these brethren that I appeal that they attend lodge to refresh their memories and again earn the proud right to say, "I am a Master Mason and I can prove it."

I would also deem it a great pleasure to shake your hand when you make these visitations.

It is my expectation to keep these articles as interesting and informative as my ability will permit. Also I shall keep them as brief as possible, realizing that you have the time to read only that which is worthwhile.

Stated Meeting First Thursday

Paul W. Elzay, W.M.

Paul W. Elzay ..... W.M.
5404 Bluffton Rd. H-75913
Darrell N. Good ..... Secretary
3318 Bowser Ave. H-78954

Father Time has wound up another year, and that little guy in the three cornered pants has ushered in a new one. By the time you read this communication your new officers will have been installed. Paul W. Elzay, Worshipful Master; Nile W. Hake, Senior Warden; Kenneth E. Goller, Junior Warden; Dan I. Weikel, P.M., Treasurer; Darrell Good, Secretary, and Monroe W. Brosius, P.M., Trustee for three years. New appointments are Edward H. Kronmiller, Senior Deacon; Bernard L. Smith, Junior Deacon; Ned L. Neuman, Junior Steward; Ronald L. Meeks, Chaplain, and Grover C. Scheid, Acting Tyler.

These are the boys that will serve you and your Lodge for the next year and we ask the support of the membership to help make this year one of our best. Come to Lodge and assist them in their work, on the team or on the side as you know they do their best when we have a full house. Also the fellowship here is the best that you can find. The first impression that a new candidate receives is generally a lasting one, so come and show him what Masonry really is. It will also do you a lot of good.

On December 1st, we were host to Malta Lodge No. 465, of Grand Rapids, Mich. Brothers, those of you who missed seeing these Brethren confer the M.W. degree missed the most wonderful work that it has been my privilege to see. My only regret is that each and every one of you were not there. I wish to thank Brother Dan Weikel for his effort in bringing such a fine Lodge and group of men to Wayne Lodge.

Brethren, look well to your work. Because this spring we will return this visit to Grand Rapids and if we match their proficiency in portraying the work we will have to look sharp and be sharp. So please be present at all Fellowcraft meetings.

Our Tyler, Victor McFarland is still in the Lutheran hospital. He would like to have more of the Brethren visit him. We wish him a speedy recovery.

The annual dinner dance held December 15th was well attended and a good time was had by all. Your new officers are planning numerous entertainments for your pleasure for the coming year. They can be a success only by your presence.

We will have regular degree work during the month of January.

No one who knows or who will take care to inform himself what Masonry is and what it teaches, can for a moment doubt its beneficient influence on its own members or on the community in which it flourishes. Take stock of your Masonic edifice and mark well the men who go in and out of the Temple. What you see praiseworthy in others you may well emulate, what in them, may appear defective you can, in yourself amend. You have the plan, you have the tools, you have the incentive. Let the weight of your responsibility be your measure of your performance. Masonry depends on its members. Are YOU in there pitching?

The officers of Wayne Lodge wish you and yours a Prosperous and Happy New Year.

But, whatever your desires, never lose sight of the fact that it is only in giving and sharing and lightening the burdens of others that we attain any lasting rewards for ourselves.

Let each sister and brother also pledge their continued support of all Chapter activities and promote in every way possible the peace and harmony which has marked Trinity's history to date.

Our stated meeting of December 7th was well attended. On December 21st, NeCoWa Club was in charge of the Christmas entertainment and refreshments following the stated meeting. Our charter and jewels were draped in honor of our departed sister Lillian Keller.

Initiatory work was put on at the January 4th stated meeting for several candidates.

RESOLUTIONS

A little less impatient with those we deem too slow,
A illtle less of arrogance because of all we know,
A little more humility seeing our worth is slight,
We are such trival candles compared to stars at night.

A little more forgiving and swifter to be kind,
A little more desirous the word of praise to find,
A word of praise to utter and make a heart rejoice,
A little bit more careful to speak with gentle voice.

A little more true eagerness to understand each other,
A little more real striving to help a ship-wrecked Brother,
A little more high courage to each task that must be done,
These be our resolutions and God help everyone.

As we enter into the New Year, we find our membership discussing the many lovely parties that were experienced by many social groups in our organization.

The Patrol Girls had their Christmas Dinner Party in the Coral Room of the Hotel Van Orman. Every detail of the party was very complete in keeping with the season, including a gift exchange. Honor guests for the evening were Sojourners Hilda Hiatt and Fredia Brooks. Congratulations were extended to Carolyn Burwell and Kay Foster for planning such a lovely party.

The Orion Club had a plenned pot luck dinner at the home of Hazel Dehler. A delightful evening in keeping with the Christmas spirit was enjoyed by all. Following the dinner the monthly business meeting and gift exchange were held. Games were played with prizes awarded to Sojs. Jessie Sarver, Grace Summers ann Evelyn Hinton.

The members of the decorating committee were entertained at the home of Irene White. Assisting her were Annabelle Kurtz, Irene Gaff and Dorothy Jensen. Events of the evening (other than playing with the electric train) included, a great many Ah's and Oh's for the elaborate decorations both inside and outside the White home, a gift exchange, and games of bridge and canasta. A delicious and most attractive luncheon was served and everyone left the party with a great deal of renewed enthusiasm for the Yuletide.

The social committees were entertained at the home of Laura Clark. Various games were played, followed by a gift exchange. The W.H.P. was taken by sorprise when presented a large birthday cake, baked by the chairman, Mildred Steinbacker, and given to her with best wishes for her special day, on behalf of the committee. A tasty dessert and coffee were served and a most enjoyable evening was had by all. Assisting hostesses were Inez Houser, Enid Gahman and Edith Fitzpatrick. Plans were made for the "End of the Year Party" to be held in February.

The Ways and Means committee had a Christmas Dinner at the home of Hilda Fuzy with Routh White, Wanda McKenny and Willamine Stewart assisting. A gab-fest, the playing of carols, a gift exchange and a discussion of the end of the year party were the events of the evening. Hearty thanks to the hostesses for the delicious and expertly home-cooked dinner.

Soj. Jennie Bohen and Justine Miller were hostesses to the members of the Cheer committee at Jennie's home on December 17th. Refreshments were served, followed by a gift exchange, a business meeting and various games of cards. Plans were discussed for the distribution of gifts to our members who are shut-ins.

The Queen, her attendants and other honorary officers were entertained with a Christmas dinner at the home of Hilda Fuzy. The Christmas spirit was very evident at this party, as the entire group of girls joined in the singing of carols. Many different games and contests in keeping with the season were enjoyed and a gift exchange was held.

The following persons have been reported ill:

Illness in the membership art Belvie Krick, Lana Place, Gertrude Knight, Ferol Van Buskirk, Delpha Hile, Grace Shelley, Lily Lewellen, Rose and Harriet Treace.

Illness in the families: Blanche Ratrie's father died, Harriet Welch's husband and Mary Tilden's mother ill, Eva Lee's mother-in-law in the Gross Can. Home, Jennie Bohen's daughter hurt her back, Dorothy Stookey's father died and Wanda Niles husband died.

Deaths in our Shrine: Pauline Betz passed away December 6th, and Harley Somers died November 30.

We wish for those who are ill a very speedy recovery and to the families who are bereaved, we extend our deepest sympathy.

It is with regret that we announce to our membership that we have been requested by The House Committee of the Associated Masonic Trustees to relinquish our tenancy, due to the increased crowded schedule of meetings in the various lodge rooms of the Fort Wayne Masonic Temple, and in order to further carry out the intent of the "General Regulations for the Government of Masonic Lodges."

Hilda Hiatt W.H.P. wishes to extend her sincere thanks for the many courtesies and good wishes given to her during this past Holiday Season and for the New Year. Her wish for the members of Miriam Shrine is the best of good health and happiness throughout the year 1952.

Brethren, come to lodge and support these officers and committees.

All that your Lodge demands of you is a contribution to the Masonic Home. Yet is this all you expect of your Lodge? Are you satisfied just to carry a card or wear a Masonic emblem? Why don't YOU come to Lodge and enjoy the beautiful ceremonies that can only be seen behind the tyled doors of a Masonic Lodge? You are paying for this privilege, why not come to Lodge and enjoy it?

There are several important things to decide at stated meetings during 1952. For instance, how will the payment of the Temple debt effect dues? Shall we change meeting night to improve attendance? How many and what kind of social affairs do you want? What is our relation to the Corinthian Club and what are we going to do about it? These are things you should help decide, so don't miss a meeting.

Once again that time of year rolls around to make resolutions. Let each one of us make a few good, sound and down-to-earth resolutions and then keep them each and every one.

It would be well if every Mason would resolve to attend his Blue Lodge, Chapter, or Commandery, or all of them and listen to those beautiful lectures. Then, take those lessons home and meditate over them one by one. In this way, you can start the foundation of that Spiritual Temple.

A very distinct heritage has honored our Fraternity since the day the Pilgrims landed upon our Eastern shores. Many of our famous documents have been fostered and written by Masons. Many of the Presidents of our country have knelt at our Masonic altar and participated in our labors.

Those of our Fraternity who are now serving in the government of our country can well look to our Masonic altar and then resolve to do everything in his power to rid our government of the chislers, grafters, never-do-gooders who mooch a living from the tax-paying citizens.

Resolve to live a cleaner, purer and upright life that it may be a shining example within your neighborhood, community, or city.

Start a new year dispensing true Masonic light and knowledge among your less informed Brethren. First learn your lessons that you may be better able to teach.

Our Secretary, Companion Harry Haller, was able to be with us again at the stated meeting December 21st. Companion Roy Ratician, 209 McKinnie Ave., has been reported on the sick list.

Our last regular meeting was our Christmas party held on December 18th. We all had a really grand time. The choir was in charge of the program and presented a very humorous Christmas skit. This year, rather than our usual gift exchange, we all brought food for a basket for a needy family. The gifts of food were wonderful and I know that one more family had a very merry Christmas due to the co-operation of the girls. The committee for this meeting was Sylvia Huss and Ruth Havens, co-chairmen, Sharon Simmers and Rosalie Roof. They had the room very prettily decorated with little angels.

On December 20th we held our installation ceremony. The officers installed at this time were: Margaret Rohr, Honored Queen; Phyllis Voltz, Senior Princess; Betti Briggs, Junior Princess; Carol Schnieder, Guide; Laura Briggs, Marshal; Judy Adams, Chaplain; Ellen Anderson, Recorder; Nancy Waters, Treasurer; Emily Bailey, Musician; Sandra Ballard, First Messenger; Donna Beamer, Second Messenger; Patricia Miller, Third Messenger; Carol Ann Nichols, Fourth Messenger; Sue Turner, Fifth Messenger; Gloria Wilkerson, Senior Custodian; Marlene Campbell, Junior Custodian; Margaret Schell, Inner Guard; and Phyllis Williams, Outer Guard.

Mrs. Sally Parkison acted as the installing officer. Assisting her were Miss Ruth Boyer, Mrs. Nancy Byers, Miss Louann Rutherford, Mrs. Joanne Drake, Mrs. Lois Dugger, Miss Sharon Simmers, Miss Ruth Havens.

A lovely escort had been planned for me. The girls forming my escort were June Loveland, Mary Ann Mayer, Dottie Ziegler, Marlene Bloom, Mary Bojrab, Mary Breece, Janet Boltz, and Virginia Vosburgh. They carried large candy canes which they used to form an arch. Miss Sue Buckley sang "The Candy Cane Parade" very beautifully and I was thrilled to pieces.

We all had a perfectly marvelous time at the White Christmas Formal again this year. These dances highlight every year and we just can't thank the Scottish Rite enough for them. After looking forward all year, it was as beautiful as ever.

Our next meeting will be held on January 15th. This will be a stated meeting preceded by an officers supper and practice. I'd like to see a big crowd present to get our new term off to a good start. So goodbye now, I'll see you on the 15th.

Behold how swiftly the sands run and how rapidly another year of Masonic History is recorded in the Secretary's minutes.

A new staff of officers has been elected and appointed for the new year. They will be installed on the night of January 1, 1952. They are as follows: Zenno Brandom, Worshipful Master; Carl Roberts, Senior Warden; Ralph Rogers, Junior Warden; George Omo, Treasurer; George Koch, Secretary; Otho Gustine, Senior Deacon; Ross Knapp, Junior Deacon; Clem Wasson, Chaplain; Virgil Knapp, Senior Steward; Frank Love, Junior Steward; and Edwin Brandom, Tyler.

I'm sure that our retiring Worshipful Master, Hanley Gorrell, joins with me, Clifford Gorrell, your retiring Secretary, in expressing our sincere thanks and appreciation to the officers and members of this Lodge for the fine support you have given the Lodge during the past year. We hope that you will continue to give the same loyal support to your new Worshipful Master.

Traveling upon the level of time another Brother has gone to explore that undiscovered country from whence no traveler returns. On December 18, 1951, Brother Charles H. Stanger was summoned into the presence of the Grand Master of the Universe. Masonic Funeral Rites were conducted by this Lodge on December 21, 1951. Brother Stanger served as Worshipful Master of Harlan Lodge No. 296 F. & A. M. in 1926. In the measureless realm of time, how brief is our earthly life, yet how momentous and eternal are its issues. May we also, seeing the uncertainty of life, forget not that preparation which it is wisdom to make and weakness to defer. The Lodge extends its sympathy to the bereaved family.

The time has come for me to say Good-bye to the members of Harlan Lodge as concerns our visits through the medium of this publication, The Square and Compass. Our new Secretary is Brother George Koch, R. 1, Antwerp, Ohio. "Don't forget his name and address." I'm sure he will keep you well informed. You have made it a pleasure to serve the Lodge as Secretary.—Fraternally yours, Clifford Gorrell.

Another month has rolled around. Not only a new month is before us but a whole new year.

We wish each and every one of you a very happy and prosperous New Year. May our fraternity grow in numbers and may the spirit of Masonry take firmer hold on all of us.

The Christmas party was a success. The picture was well received and Santa went over big with the kids. This was the first Christmas party of it's kind that the lodge had held. We hope it will become an annual affair.

The annual installation of officers was held January 1st. Bro. A. D. Hines was installing Master. Bro. Wilmer Rediger, installing Marshall and Bro. Harold Rediger Chaplain.

The installation was well attended and the Stars did a fine job on the refreshments.

Bro. Al Hines regrets that this will be the last time that he will make one half of the reporting team of Hines and Rediger. He is moving to southern Illinois.

Until the new Master appoints another reporter Harold will carry on alone. He will appreciate your help.

REMEMBER: If he don't get it he can't print it.

Leo Lodge appreciates the good work that our retiring Master Brother Glen Myers has done and wishes the incoming Master Brother Duane Shidely all success.

As final request from the reporting staff. PLEASE can't we make the first meeting of the year a big one and get our new Master started with a bang?

MASONRY IN ENGLAND

Wylie B. Wendt, P. C., M. P. S.

The Masonic Temple in London is considered the finest building in England. It is a very large building, and some idea of its size may be obtained when it is known that 1200 persons lived in the basement during the "blitz" of World War II. A bomb falling on the roof would have to pierce 14 feet of concrete to hit the basement.

There are 1400 Blue Lodges in London, and there are 17 lodge rooms in this great Masonic Temple, where 17 lodges meet every night in the week. The lodges in England are small in membership when compared with the average American lodge, the average English membership being less than 100 members. This is done so that every brother who has aspirations to become the Master of the Lodge may accomplish his ambition, and also to be intimately acquainted with the entire membership. English lodges do not meet as frequently as American lodges, and it is quite the practice in England to have 100 per cent of the members present at each communication. Not so much time and attention is devoted to "degree work," but more time to friendly association around the dinner table and the presentation and discussion of papers on subjects of Masonic interest.

There are 652 Royal Arch Chapters in London, working under the Grand Royal Arch Chapter of England. This Grand Chapter has 1447 chapters working in the Provinces and 304 overseas. Our English brethren consider that the Master Mason's degree is incomplete without the Royal Arch, as they define Ancient Craft Masonry as consisting of the first three degrees, together with that of the Royal Arch.

There are over 200 Preceptories of Knights Templar in London, preceptories in England corresponding to commanderies in this country. English preceptories seldom number over 100 members. —Louisville Beauseant.

May the New Year find us ready for the work that lies ahead. May we be ambitious, earnest, tolerant and courageous in doing the tasks that will be ours this year. May we resolve to be more faithful in our attendance at the stated meetings this year.

December was a busy month for all of us. All the Committees had their Christmas parties and gift exchanges. The officers with their husbands and wives held a pot luck supper and Christmas party at the Gas Kitchen Friday evening, December 7th.

The Ways and Means Committee is holding a Rummage Sale Thursday, January 24th, at 1514 South Calhoun St. If you have rummage please call Nona Bonebrake, E-69704 or Mildred Dougherty, A2-9533. Note the change in date.

Our Worthy Matron, Sister Florence Wolverton, is entertaining all the Committees for their regular meetings in her home, 824 West Washington St. during the month of January. The two exceptions are the Hospital Committee which Sister Florence entertained at their Christmas dinner in December, and the Reserve Committee which she had previously entertained.

Our Worthy Matron Sister Florence and her husband Abner took Sister Leona Walker to the Masonic Home at Franklin, Saturday, December 29th. We also wish to report that their son has returned to this country from Korea.

The Reserve Committee will entertain after the stated meeting, January 24th. Let us have a good attendance at both of our stated meetings in January.

The Reserve Commitee will meet with Edith Howard, 1111 Lillie Street, January 15th at 8:00 p. m.

The Hospital Committee will meet at the Methodist Hospital, Wednesday, January 16th, at 10 a. m. for all day sewing.

Greetings and best wishes to all Companions. As we enter the New Year 1952 it is my hope that we all enjoy good health and prosperity.

Routine business was taken care of at our December meeting with the presenting three new petitions. They were elected to receive the degrees which we will expect to confer at the Stated Assembly on Wednesday, January 16. There is a good chance that a few more will be presented at that time and we may expect to have a large class since several others were already elected. Come to this meeting to again witness these beautiful degrees of Cryptic Masonry.

We again have a full line of officers with the announcement of Companion Eugene A. Roush as Chaplain.

Please attend the January meeting and give the officers encouragement. Our Steward, Companion Myers, may have refreshments if that would be an inducement.

As we move into a new year, a glance back over the year 1951 shows that our material gains have been noteworthy and that the year just closed has added a great many new brethren to our ranks for our journey during the coming years. Likewise, we note a number of familiar and loyal faces that have gone to the Supreme Council above to reap the reward of their labors. Naturally, we shall miss them in their usual places here, but we trust that having learned their lessons well, their joy is completed above.

How well we have accomplished our purpose during 1951 will be noted by future generations of Brethren. As 1952 dawns, let us try to fulfill those obligations and strive diligently to carry forward in this great Fraternity, adding glory to the edifice in which our predecessors have worked so faithfully to endow us with a heritage which will stand as a bulwark for the future.

THREE FAMOUS TEMPLES

By the Rev. Dr. Harry K. Eversull.

There were three Temples. Solomon was born about 990 B. C. the son of David and Bathsheba He was not the oldest son, but David had promised Bathsheba that her son would ascend the throne after him. In 970 B. C. Solomon became King. He was only twenty years of age when he began the construction of the Temple which was forever to be associated with his name.

Solomon was a great administrator and ruled for forty years, making Israel the greatest of all nations of his time. He made friends with Hiram, King of Tyre. The Phoenicians were artisans and traders. The Israelites were agriculturists. Solomon entered into a deal with Hiram whereby he would give Hiram of Tyre 220,000 bushels of grain per year and 180,000 gallons of oil. In return, the King of Tyre was to furnish the overseers and the skilled workmen and also a general superintendent and architect for the designing and construction of the proposed Temple.

King Hiram assigned Hiram Abiff, also referred to as Huram Abi and again as Hiram the Builder, to be the architect and general superintendent of building operations. The Temple stood on Mt. Moriah, which was 2,440 feet above sea level. More than 180,000 men were employed in building the Temple and the various palaces surrounding it. The operation took seven years for the other structures. The inside measure of the Temple was 104 feet long, 35 feet wide and 52 feet high. The walls were 10 feet thick at the base. All kinds of materials were used in its construction: marble, stone, cypress, cedar, gold, silver, brass, iron, onyx and precious stones.

Following Solomon's death in the year 930 B. C., Israel began to disintegrate. Some 400 years after Solomon's death the Temple was completely destroyed, 586, B. C., by the Chaldeans under Nebuchadnezzar.

Zerubbabel, Prince of Judah, who led the Jews back from Babylon to Judah, a lineal descendant of David, was the leader in the rebuilding of the Temple. Cyrus, one of the farseeing and kind-hearted statesmen of his day and, like the Medes and the Persians, a disciple of Zoraster, the great prophet of Persia, also had a deep regard for the Jewish faith. After liberating all the exiles, he directed that the sacred vessels taken from Solomon's Temple by Nebuchadnezzar be restored. Furthermore, he ordered that the Temple in Jerusalem be rebuilt at his expense.

The Temple of Zerubbabel stood for five centuries. Following the rise of Alexander the Great to world domination, the two great forces that have shaped our modern civilization came together; the philosophy, science, literature and art of the Greeks and the law and religion and faith of the Jews. In 168 B. C., Antiochus of Epiphanes sent an army to Jerusalem, and again the Temple was desecrated but not totally destroyed.

The Herod family had molested the Jews for five centuries. They were Idumaens, formerly called Edomites. Simon was a beneficent Jewish ruler who conducted the affairs of state from 141 B. C. to 135 B. C. He was succeeded by his son. John Hyrcanus, who was as ruthless as his father had been kind. He forced the Edomites to accept Judaism. The Herod family did not forget this. Ultimately, Octavius Caesar and Anthony appointed Herod King of the Jews He reigned from 37 B. C. to 4 B C. He rebuilt and enlarged the Temple of Zerubbabel to placate the Jews, but the good effects which this act would otherwise have had were lost when in order to curry favor with Rome, he placed the Roman Eagle over the Great Gate.

It was in the year 70 A. D. that Titus, the Roman General, and his soldiers, after a long siege, entered Jerusalem and destroyed the city and its famous Herod's Temple but in conquering Judea they were, nevertheless, not able to destroy Judaism.—The New Age.

We are happy to announce that Ill. Bro. Melvin M. Johnson, 33°, Sovereign Grand Commander, of Boston, will be our guest during the Spring Convocation which will be held on April 15, 16, 17, 1952. Invitations have also been sent to our new Deputy for Indiana, Ill. Bro. Frank C. Zaieck and F. Elmer Raschig. With these Brethren present, we are sure that a number of Deputies and Actives from other states will attend. Your Blue Lodge friends will want to be a member of this class.

The schedule calls for degrees to be presented by members from Jay, Adams, DeKalb and Wells Counties besides some of the most outstanding ones by our local Brethren. All in all, this will be a reunion long to be remembered.

The membership committee will soon attend a dinner in the cathedral and the work of securing a large class will be under way. You do not need to be a member of this committee to present your Blue Lodge friend's petition.

After some delay the dues notices are being sent out. If you do not have your current card, send in your check and the card will be sent to you.

On Saturday evening, February 23rd, the annual George Washington Ball will be held in the combined ballrooms of the Masonic Temple and the Scottish Rite Cathedral. Here is an opportunity to invite your Masonic friends as your guests. A 1951 or 1952 Blue Lodge card will be all that is necessary for admittance.

Here are the new DeMolay officers, elected and appointed, for the spring term: Master Councilor Ed Clark; Sr. Councilor, Herbert Snyder; Jr. Councilor, Carlton Sheets; Senior Deacon, Philip Kenner; Jr. Deacon, Norman Hessert; Chaplain, Robert Nelson; Marshall, Max Baker; Scribe, Robert Strodel; Treasurer, Louis Mangels; Senior Stewart, James Clark; Jr. Steward, Doug. Cunningham; Orator, William Pomp; Almoner, Thomas Gibson; Standard Bearer, William Willcutts; Sentinel, Charles Ray; Preceptors, Bob Ewing, John Mitchell, Leslie Cox, Robert Smith, Stanley Possell, Dean Stephen, Stanley Goeglein.

On December 17th the annual Father-Son Nite was held. There was a very good turn out despite the big snow fall we had. M.C. Louis Mangels introduced "Dad" Riethmiller, the Councilors-elect for the spring term, his own Father and the Father of the new Master Councilor. "Dad" Riethmiller, Mr. Mangels, and Mr. Clark responded with appropriate remarks on Father and Son relationship, after which the meeting took on a lighter complection.

Entertainment was provided by the Shrine Masquers. I am sure the whole Chapter will back me in thanking the Masquers for their "bang-up" job. We also want to thank the Mothers' Circle for serving the refreshments that everyone thoroughly enjoyed.

The annual White Christmas Formal Dance was a big social event of the season for DeMolay. Approximately 250 couples danced to the music of Woody Neff. The number of out of town guests was reduced by icy roads, but a few were present. Among those introduced were James L. Bean, the Scribe of Wabash Chapter; Donald Johnson, M.C. of Auburn, and Miss Margaret Rohr, present Honored Queen of Jobs Daughters Bethel No. 8.

The Chapter room was filled to capacity for the installation of officers on January 3rd. The performance of both the installing officers and installed officers was outstanding. A DeMolay choir directed by Bro. Dave Platt added much to the service of installation. Members of the choir in addition to Dave Platt were Bruce Gosney, Ralph Burch, Ken Goshert, Bob Montgomery, Chas. Seng, Paul Lewark, Dean Armstrong, Otho Mohler, Dick Borton and Keith Stephen. Solos were sung by Ralph Burch and Bruce Gosney.

Thanks are in order to Mr. Emery Tucker, the Installing officer and to Chev. P.M.C.'s Hal Elzea, Ken Bradley, Tom Bell and Robert Locke, who assisted him. At the close of the service "Dad" Riethmiller paid special tribute to the exceptional leadership provided by Louis Mangels during the fall term. Chev. P.M.C. Tom Bell presented Louis with his P.M.C. jewel.

Thanks are due to the new officers for the good performance at the first stated meeting of the new term on January 8th. It was evident that they are taking their ritualistic work earnestly.

On February 12th the Initiatory Degree will be conferred by the new officers. Refreshments will be served by the Mothers' Circle.

A stated meeting will be held on February 26th.

Here's what you have been waiting for, another DeMolay first! On February 29th there will be a FREE Sport Dance! Not only will it be free for members but you can also bring ONE COUPLE with you as guests. They MUST be with YOU when you present your dues card at the door. This means you MUST have your 1952 dues card, do not come without 1952 dues card.

DeMolay year begins October 1st, 1951 and 1952 dues were due at that time, ARE YOUR PAID? If not, WHY NOT?

They say "variety is the spice of life" so you will have both round and square dancing with an orchestra, which will play from 8:30 to 11:30 p. m. But watch out boys, IT IS LEAP YEAR.

IMPORTANT DATE: Mark your calendar for Church Sunday, March 16th. That day we will attend church at the Plymouth Congregational Church.

"Lives of great men all remind us
We can make our lives sublime,
And, departing leave behind us
Footprints on the sands of time."
—Longfellow.

Remember when you had to memorize the Psalm of Life? Does it mean the same to you as it did then? Have you left any footprints for the younger ones to follow? If you haven't, then maybe it isn't too late to start stepping a little harder, or turn your tfforts to a more fruitful plane. I never come to the month of February but this poem seems to present itself to my mind. Not because it is the shortest month, or that any more great men have been born in this month, but because of the way the poem was presented to me by a former teacher. The lives of Washington and Lincoln were used as examples to drive the thought home, and it is needless to say the life of Christ was also another of her examples. What did Longfellow mean by footprints? I believe he referred to any endeavor that would benefit humanity. To make a mark in this world is not difficult; the difficult part is in making a mark that is beyond reproach. Everyone makes a mark in this world. Some however are not the kind we would want a son of ours to follow. There must then be a cue or sign to indicate the past we should follow.

In studying the history of great men there are certain things that stand out as a pattern in all our lives. Courage to do the thing as God gives you ability to decide; integrity to fulfill the obligations that you have assumed; humility, to keep your head through all sorts of accomplishments, and to remember that you are only one of God's creatures in a vast universee; Perseverance, to fight the thing through to the state of glory; Loyalty, Honesty, Sincerity, and many more could be included, but I think these are the most important. "Behold how swiftly the sands of time pass through the hourglass," and we must realize that the footprints we are to leave as a path for the future generations is nothing more than our everyday efforts to live according to the plan of the Great Architect in the book of His teachings.

On January 3, P. M. Robert Jensen, assisted by P. M.s Walter Kell and Carl Dickes installed the officers for 1952. They did a grand job before a capacity crowd, after which fine speeches were heard. The new Master made his appointments and the rest of the evening was enjoyed with refreshments and games.

The new officers got off to a good start this past month by conferring the Fellowcraft degree on the tenth, the Entered Apprentice degree on the twelfth, and the Master Mason degree on the 24th. They did a very nice piece of work this last month and deserve the support of everyone, so let's get out and help make their year a success.

Don't forget that the dues are due and payable on or before the first of January. If you haven't paid yours yet, better see the secretary.

MASONIC TEACHINGS

The Mason who thinks that all his work is to be done within the sanctuary of the Lodge is making a serious mistake. The lodge room is simply the school where we learn the principles which should be the rule and guide for our conduct. If we do not carry into practice the precepts that we learn within the Lodge, then the teachings of the Craft have fallen on deaf ears.—Master Mason.

Companions, did you enjoy the oysters on January 21st? Let us know if you like these lunches and we'll try to serve your favorite dish. We counted 105 faces in the chow line that evening.

Work started off with a bang this month with the Mark Master and Past Master degrees being conferred on several candidates on January 28th. If everything goes according to schedule the Most Excellent Master Degree will have been conferred on February 4th and the Royal Arch Degree on February 11th. We certainly hope that we see a lot of new faces on the sidelines. It is encouraging to the officers and also to the candidates to have a large crowd watching the degree work. If you haven't watched the degree work recently be sure to come down and see what's going on.

On February 18th our regular stated meeting night, we hope all of you will attend. You owe it to yourself to take a part in the business affairs of your own Chapter.

Our Secretary reports that there are still some who haven't paid their back dues (that's 1951 and previous). Let's get these back dues paid up and put Fort Wayne Chapter on a current basis.

Keep those petitions rolling in. You all know Master Masons who should be putting in their petitions. We should do all we can to increase interest in York Rite Masonry in the Fort Wayne area.

Also, those of you who have not gone on to take the work in the Council and Commandery are missing some of the most beautiful degree work in all of Masonry. Plan now to take this work in 1952 if at all possible.

Brethren: Another month has passed and we are in the shortest one of the year. We must all keep busy to accomplish all that should be done before the month ends.

We have been very favorably impressed with the attendonce thus far and pleased to say that the degree work was put on in a very commendable manner. The officers have taken over their new duties in the proper spirit and enthusiasm and will do still better as time passes.

The first social event of the year was held on Tuesday, January 29th. Those who were there enjoyed a delicious roast beef dinner which was followed by an entertainment program.

On Tuesday, April 29th, we will honor our Past Masters. Plan to be there. Don't forget our annual "Early Bird Breakfast", date, Friday May 30th when we open lodge at 4:00 A. M., confer the M.M. degree on one candidate then have a ham and egg breakfast.

Your officers met with the Fellow Craft Team on January 22nd and were well pleased with interest and spirit of these brothers. They elected the following officers: Robert James, President; Herman Rausch, Vice President; Sam Masloub, Secretary; Claude Hamlet, Treasurer. Brother Robert James has consented to serve as coach. Committees appointed: Attendance, Herman Rousch, Harold Coleman, William Slyby Jr., Maurice Cook. Social: George Wralsted, Merle Morkoetter, Don Anspach, Sam Masloub. Ways and Means: Claude Hamlet, William Maloley, William Slyby Sr.

Brothers. this is your work—your concern in your lodge. Won't you come to the meetings and take part in them? Some seem to have had the idea that the work is limited to certain members. This is not true. We want as many as can and will to take part, as we know you will get more out of it that way and interest will increase. We sincerely invite new members, older members, Past Masters—all members to participate. Let us see you at the next meeting.

Preparations are under way for the Spring Convocation to be held on April 15, 16, and 17.

Rehearsals are starting early and the officers are ready to accept names of volunteers who would like to become active in the 15th and 16th degrees. Applicants may call Brothers George Gawehn, High Priest; Albert Spencer, Senior Warden; or George Hacker, Junior Warden. For the new cast numbers, a night will be arranged for interviews and trials.

For the regular workers in the 16th degree rehearsals will be held Monday, February 18th, Tuesday, March 18th, and Wednesday, March 6th, all at 8:00 P. M. It is imperative that all those who want to participate in this degree be present for these rehearsal dates or make arrangements with the presiding officer.

Ill. Brother Howard H. Etzold will preside in the 15th degree and Brother George Hacker will preside in the 61th degree at the convocation.

WHAT IS A COWAN?

During the ceremonies by which you were made a Mason a word was used which doubtless puzzled you. The word was "Cowan." It was applied to an individual and the inference was that you were to avoid and beware of such individuals. But did you know then what a cowan was? Did anybody tell you? Did you ever find out? Or did you think of the word as merely one that occurred in the ritual, written long ago and therefore of little significance today? If you did think that then it is likely you lost interest in the subject and consequently never did learn what a cowan was or is.

The present tense is used here because the cowan is still with us. Many of them, in fact, hold membership in our Lodges. This in spite of the fact that our ancient brethren held their Lodge meetings on a high hill or in a low dell the better to discover the approach of all cowans and eavesdroppers. Today we find them being accepted in membership freely. Why the change in attitude?

Perhaps it is because too few Masons know the meaning of the word cowan and therefore do not know to whom it should be applied. That it was considered important is proved by the fact that the word and thought appear in the ritual where every word and every thought is filled with meaning.

The word "cowan" is a difficult one to trace. Apparently it came from the Scotch since it is not found in any of the oldest English Freemason manuscripts but does appear in a scotch record bearing the date of 1598 which reads as follows: "That no Master or Fellow of Craft receive any cowans to work in his society or company, nor send one of his servants to work with cowans. This use of the word at that time indicates that it was commonly understood and therefore must have originated at a much earlier date.

From the dictionaries of the Scotch language we learn that a cowan was considered an intruder and the name was used as a term of contempt. Those were the days of Operative Masonry. Members of the craft in those times were actual builders, working in stone. It is but natural that others, not Masons but engaged in labor on the great projects then under construction, should learn something of the art. These were constantly in search of the Master's secrets. Obtaining those secrets would permit the cowans to travel and work as free masons. If such a thing succeeded or was permitted, then shortly all value of the Craft organization would be lost. Hence the strict provision made to prevent any such occurrence.

The cowan therefore was a man who wished to obtain the secrets and benefits of Freemasonry without the necessary preparation, without assurance of suitable character and conviction and without assuming any of the obligations real Masons willingly accepted. He was a fraud and a despoiler. For that reason true Masons were cautioned to avoid him and never under any circumstances permit him to gain entrance to a Lodge where the secrets of the Craft might be unlawfully obtained.

With the advent of Speculative Masonry in organized form the leaders recognized that this eosteric type of the fraternity would find itself confronted with the same threat. Observing the growing power and influence of the Craft, cowans who were not really in spmpathy with its principles would not be bound by them, would seek to gain entrance for whatever of prestige or personal benefit they could get out of it.

Therefore the word itself was incorporated into the ritual to warn the brethren of that time and future generations to beware of the imposter, the cowan. He might look like a Mason, he might gain a smattering of the secrets and so be able to deceive, yet at heart would be a cheat. The danger persists. It is with today. Let us look well that in making new members there are not some cowans among them. — Wisconsin Freemason.

DE MOLAY SPONSORS

The National League of Masonic Clubs, Inc., has voted to urge each affiliated group to sponsor a De-Molay chapter.

The program is being mapped under the supervision of Pres. Walter Lord of New York City, and a nation-wide committee just appointed by Brother Lord.

Robert Cauldwell, active member of the DeMolay Grand Council for the New York Metropolitan area, is assisting in organizing the campaign.

The DeMolay expansion program sponsored by the Masonic clubs is expected to add several hundred new chapters to the fast-growing international Youth movement.

January was a busy month with installation of officers, stated meeting, three fine degree nights and practice nights for your new officers. We enjoyed good support from the craft in all our labors, let's keep it up and bring a brother with you each night you attend.

As we go into February we are reminded of George Washington and our thoughts turn to the Masonic teachings which were reflected in his deeds and actions. For instance, he insisted that right thinking and righteousness be incorporated into the laws of our then new government. He gave unselfishly of his own time to serve his country when needed. He practiced brotherly love with his fellowmen as well as with governments of other countries. Truly he walked uprightly in his several stations before God and man. We would do well to reflect on our own thoughts and actions to see how we measure up to the high standards of behavior set by this eminent patriot and Mason.

February 16th has been set aside for a square dance at the Temple. February 18th we travel to Paulding, Ohio, to present the play "A Rose Upon the Altar." Then we are invited to confer the M.M. degree for Concord Lodge No. 556 at Spencerville, Ind. Date to be announced later.

Let us have the pleasure of meeting YOU at Lodge again.

FAREWELL TO THE BRETHREN

Brother Robert Burns, the great Scotch bard, is the author of this beautiful bit of verse. It is said that Burns sang the verses to his brethern of St. James' Lodge at Tarbolton.

Adieu; a heart-warm, fond adieu!
Dear brothers of the mystic tie!
Ye favour'd, ye enlighten'd few,
Companions of my social joy!
Tho' I to foreign lands must hie,
Pursuing fortune's slidd'ry ba',
With melting heart, and brimful eye,
I'll mind you still, tho' far awa'.

Oft have I met your social band,
And spent the cheerful, festive night;
Oft, honour'd with supreme command,
Presided o'er the sons of light;
And by that hieroglyphic bright,
Which none but craftsmen ever saw!
Strong mem'ry on my heart shall write
Those happy scenes when far awa'.

May freedom, harmony, and love
Unite you in the grand design,
Beneath th' Omniscient Eye above,
The glorious Architect divine!
That you may keep th' unerring line,
Still rising by the plummet's law,
Till order bright completely shine,
Shall be my pray'r when far awa'.

And you farewell! whose merits claim
Justly, that highest badge to wear
Heav'n bless your honour'd, nobl
name,
To Masonry and Scotia dear!
A last request permit me here,
When yearly ye assemble a',
One round—I ask it with a tear,—
To him, the Bard that's far awa

My Brethren: Those of you who were not able to attend the public installation ceremony on New Year's Day missed a grand affair; as the installation was performed in a very impressive manner. PAUL REVERE WAS REALLY A NOBLEMAN

That celebrated American patriot, noted for his daring exploits during the Revolutionary war, who eventually became Grand Master of the Grand Lodge of Massachusetts, whom our American neighbors know as "Paul Revere," even if he were born in Boston was really a nobleman, tht son of a French count, Monsieur Rivoire de Romagneu. After having suffered reverses of fortune, Paul's father became a silversmith in the capital of the Massachusetts colony. Becoming a tradesman was considered a disgrace by gentlemen of that period, so Monsieur de Romagneu, promptly "forgot" that part of his name that indicated nobility and became plain "Monsieur Rivoire." Titles of nobility being hereditary. Paul Revere was really Paul Rivoire de Romagneu—how Rivoire became Revere, we do not know—yet.—Montreal Masonic Light.

NAPOLEON AND FREEMASONRY

One of the most interesting problems which form the subject of Masonic research is whether Napoleon I was a Freemason. The late J. E. S. Tuckett devoted to it one of his best and most interesting papers in which he set forth all the evidence he had been able to collect. His conclusion was that Napoleon undoubtedly belonged to the Craft and that he was not merely "historically instructed," that is to say, informed of the nature of our Brotherhood without being entrusted with the secrets, but properly initiated in some of the various rites which were being practiced in France at the time. (He) was not, however able to determine the time and place of this initiation; and the decisive proof is, therefore, lacking. In spite of this, we may agree with his conclusions, for on the face of it it is extremely unlikely that a man like Napoleon would acquiesce in being kept in ignorance of the details of any institution within his Empire, which had the power to exert a considerable influence. Moreover, we know that most of his relations and generals were Freemasons and that Freemasonry was freely exploited by him to further his aims.—Miscellaneous Latomorum.

Associate editor's note: Bernard Fay, author of "Revolution and Freemasonry," is authority for the statement that Napoleon the Great, following the Great Revolution in France, took Freemasonry under his wing and filled the high Masonic dignities and the revived Grand Orient with his new imperial nobility and its new imperial family; that he made his brother Joseph the Grand Master, and filled with his Marshals and ministers the higer offices of the Grand Orient.—Masonic Review Digest.

Brethren,

With a new year just beginning, I feel the necessity of talking with you about the strength of our lodge. We can only be as strong, as you the membership, wish us to be. Strength lies in united effort. The efforts of your officers, and those faithful few who attend lodge regularly, are not enough. The help of every member is necessary. Your attendance at meetings and other lodge activities is necessary for that united effort. Participation in the degree work and other activities, by the most members, gives the officers the support they need to function at their best. Let us all resolve to put forth that united effort, be more regular in our attendance, and thus, add strength to our lodge.

Our Fellowcraft Club needs some of that strength. It needs your help. I well realize that it is not possible for all of you to attend every meeting. But, if you would just join the Fellowcraft Club and take an active part on the evenings you can attend lodge, it would be a big help. Once you get started, you will really enjoy good fellowship, through participation.

At a meeting for organization on January 14th, the following officers were eleited to head our Fellowcraft Club during 1952: Ralph Bumgardner, President; Ercil Stewart, Vice President; and Clarence Stroup, Secretary-Treasurer. A regular schedule of meetings was arranged, and Past Master Brother Gene Martz has agreed to continue to act as coach Contact any of these brothers, or the regular officers, and join this group. You will enjoy pleasure for yourself, and add strength to your lodge in so doing.

Your officers need help, too, in the matter of reports of sickness. Too often we learn of an illness, after the brother has recovered. If you know of any sickness or distress, report it promptly to one of the officers. We can only extend assistance and sympathy in those cases that come to our attention.

We wish a speedy recovery to Brother Carl Carter, who is confined to his home as the result of a broken leg, to Brother Orman Coe, who is still bothered by an injury to his back, received in an automobile accident, and to Past Master Brother Ollie Linn, who has returned from another visit to Mayo Brothers Clinic, for a check-up on his ailing knee.

Our most sincere sympathies to the families of Brother John Stein, who passed away on December 21st, and Brother Ray W. Bond, who died suddenly on December 28th. Services were not requested in the case of Brother Bond.

Fort Wayne Commandery No. 4 K.T.
Stated Conclave Third Thursday

John J. Breit ..... E.C.
R.R. 2, Woodburn, Ind. 1293
George F. Gable ..... Recorder

One petition was received at the stated conclave in January and will be balloted on in February. As we did not have any petitions to ballot on at the January meeting, the orders of the Commandery will not be conferred until the latter part of February.

However, this does not mean there will be no activity on the Commandery. The drill corps will be drilling every Tuesday evening and can use every Sir Knight who will come up and drill with them. A nice group has been present at each drill, but we can always use more, and this is essential if we are going to send a drill team to be entered in the competitive drill during the Grand Commandery next May. The Commandant, Sir Knight Harry Haller, is working hard toward that end and so are many of the Sir Knights but it also requires YOUR co-operation, and now there is not much time left.

Also some of the Thursday nights will be used for rehearsal, especially the order of the temple. The officers will appreciate it if the Sir Knights will attend on these nights, as we will need men in the lines. The dates will be announced at drill practice.

If anyone knows of a Sir Knight who is sick, please contact the recorder or Sir Knight Harl C. Bradley as a committee has been appointed and we would like to contact them in person if possible, or at least by mail. Also, if you know of the death of a Sir Knight, please let the committee know.

Upon invesigation it has been found that quite a numebr of uniforms are stored in lockers and belonging to Sir Knights who are dead, or have moved away from Fort Wayne or are no longer members of this Commandery. A committee consisting of Sir Knights G. Dexter Johnson, Grey I Wagner and George Gable has been appointed to try to procure these uniforms from the owners and resell them to the members of the drill corps. If you are interested please contact one of the members of the committee. Also, if you are interested in securing a locker, contact Robert Brecount.

The next stated conclave of the Commandery will be on February 21. Plan now to attend and take part in running the affairs of the Commandery. We would also like to have any ideas you may have to offer for the improvement of the Commandery. Don't forget to secure a petition from the blue lodge friend for the York Rite and bring it along.

On January 8, 1952, at the annual meeting of Fort Wayne Commandery No. 4 K. T. Drill Corps officers for 1952 were elected as follows: Paul H. Goldsmith, president; James J. Johnston, vice-president; Don K, Thrasher secretary; Charles D. Morrow, treasurer; Harry W. Haller, commandant; P. Martin Elberson, first lieut.; and Bobert Brecount, 2nd lieut.

The members of the Drill Corps decided that they would send a drill team to the Conclave of the Grand Commandery, which will be held in LaFayette, Ind., in May, 1952, to compete for the selection of a drill team to represent the Grand Commandery of Indiana at the Grand Encampment of Knigrts Templar in New Orleans, La., September 20 to 26, 1952.

In order to secure expense money for the trip to LaFayette it was decided to have square dances to be decided by a committee appointed by the Drill Corps president. The committee appointed was as follows: G. Dexter Johnson, Paul H. Goldsmith, Norman W. Hamilton, Harold O. Martin and Grey I. Wagner.

The revenue received from the square dances will be used only for paying the transportation expense of a drill team and a band to the Conclave of the Grand Commandery at LaFayette.

That the appearance of the drill team be improved, it was also decided it would be best if new uniforms were provided for every member of the team so that the coats would be of the same length, the swords all alike and the plumes of the Chapeau all the same size. Since there are no funds available for the purchase of uniforms it was decided to make collection of paper to be sold to provide the funds. A committee consisting of James P. Johnston, G. Dexter Johnson, Grey I Wagner and Norman W. Hamilton were selected to collect the paper.

The Drill Corps is asking all Knights Templar, their friends and Masons of Fort Wayne to help them by saving their newspapers and magazines and calling a member of the committee consistinf of Earl Lynn, H-55334; Grey I. Wagner, A-9337; Don A. Niebel, H-59204; or Paul R. Huth, H-91123, who will give paper donors information regarding the dates and time of collection, so

All funds from the sale of paper will be used for the purchase of Templar uniforms for members of the drill team. The uniforms will be the property of the Fort Wayne Commandery Drill Corps, to be worn by drill team members when representing Fort Wayne Commandery at conclaves and at other times when the Drill Corps may make public appearances.

Paper collections will be made January 26, 1952, after 2 p. m., and on the second and fourth Saturday of each month thereafter between 2 and 6 p. m.

Dear South Gater: As I write this article for the February issue of our paper I am reminded of what the month of February means to all of us. It could be called the Patriotic Month, as two of our great leaders were born in February. Ask any child what February means and he will say Lincoln, Washington, Valentines Day, or perhaps Groundhog Day. These names signify an individual person or event to children, and as they grow up, these same names will always come to mind when the month of February comes around. These individual events also serve to remind us of one of the basic principles of Masonry, that being the rights of the individual. The year 1952 is destined to be a year of many important decisions. We will elect a President, and the so-called war will be discussed time and again. Many more events may transpire, but behind all of them lie this important fact. If we as individuals and as Masons show by our own example that we believe in the Golden Rule seven days a week then we surely can weather the storm with God's help. So let us all as we progress through this patriotic month renew a pledge that we will strive to set an example by our everyday living. Thus we will prove to all people that we are truly interested in promoting brotherly love and friendship.

Your lodge has progressed well through January and your new officers are off to a great start. We had degree work in January and will also have work this month so come on down on Monday nights and get re-acquainted with your lodge brethren. Don't forget our motto: "We want to see you during '52." We hope each of you will average one meeting a month during the coming year.

Several of the officers and their wives called on Brother and Mrs. Ratican during the holideys. Roy sends his best wishes and would like to see any of you brethren who can stop and say hello.

In closing I would like to leave this thought with all of you. If we do the small tedious tasks well that sometimes seem immaterial and insignificant, the bigger ones will take care of themselves.

See you in lodge on Monday. Sincerely yours, Bill Turner.

SERPENT AND CROSS

Before the Israelites were permitted to inhabit the country assigned to them by covenant from Jehovah to their ancestor Abraham, a compound symbol, which was afterwards introduced into Freemasonry, was publicly exhibited as a type of salvation. I refer to the tau-cross and serpent. The Israelites were subjected to a plague of serpents, as the punishment of sin; and on their repentance Moses was directed to elevate a serpent of brass, that whosoever looked on it might be saved. Hence the cross became an emblem of life and salvation; and being, in a higher degree tripled amongst ourselves, signifies the Tetragrammaton, or Him who made the worlds, even the author of our redemption —Jesus Christ.—(Oliver).

FEZ ORIGIN

The red Zez, the official headgear of a Shriner, received its name from Fez, a city in Morocco where such caps were first made. Fez was long a seat of Arabian learning in Africa and is still regarded as a sacred city of Islam. Until recent times the city had a monopoly on the manufacture of Fez caps, it being supposed that the dye which gave the caps their dull crimson hue could not be obtained elsewhere.—Masonic World.

At our stated meeting on December 21, memorial services were held for Sister Lillian Keller who pased away on November 18. Resolutions were read and the chapter draped.

Following the meeting, NeCaWa Club entertained with a Christmas program, consisting of violin selections by a quartet from South Side High School composed of Udell Simmers, first violin; Alice Schlenker, second violin; Sharon Huxoll, violist, and Gerhard Salinger, cellist. They were accompanied by Georgette Gettle, pianist. Refreshments of hot mince pie and coffee were provided on the mezzanine. Attractive Christmas decorations were used on the tables.

A number of candidates were initiated into the Order at our January 4th stated meeting. We were happy to have had sister Sonoma as our guest in the East.

The officers were in charge of entertainment following our stated meeting of January 18th. They were fortunate in getting the Star of the East Drill Team to visit our Chapter. We thoroughly enjoyed the precision timing and intricate formations as they went through their drill, and at the close they displayed large green letters which spelled out the greeting of "Hi Trinity." The green hankies in their pockets we were told was in honor of our Worthy Matron who is a past Martha. Our guests and members then retired to the mezzanine where they were served dainty sandwiches and coffee. Our thanks go to the officers and to our guests for a fine evening.

During the meeting under good of the order, 25 year membership pins were awarded to Jessie Carlin, Mary Hamilton, Pearl Beaty and Donald and Leota Niles. Another qualiled member, Alvin Hall, was unable to be present.

After being escorted to the East, the Worthy Matron read a beautiful tribute to them. She then handed her gavel to the Worthy Patron and stepped to the floor in front of the group. From a small satin pillow borne by the Conductress, she lifted the 25 year pins which were a gift from Trinity Chapter, and as she personally fastened each pin, the Secretary read a brief Eastern Star history of that individual. As these members returned to their seats, the pianist played Auld Lang Syne.

The Choir will entertain the Chapter at our February 1st meeting. An affiliation ceremony will also be given.

On February 15th, we plan to initiate another class of candidates.

1/16 NeCaWa Club met at the home of Carmen Utterback, 267 Goshen Avenue, assisted by Edith Ball and Kathryn Dunlap. Although it was a stormy night, a record number of members attended.

1/28 The officers met with Mary Henninger, 528 Dayton Avenue, with Eugenia Wood assisting.

A Valentine Dessert Bridge, sponsored by the Ways & Means Committee is planned for Wednesday, February 6th, at the Gas kitchen Institute, at 1:30 p. m. There will be table prizes and special attendance prizes, including a permanent wave. Florence Amstutz, chairman, and Louise Wilkerson, co-chairman are selling tallies at 60 each.

Life is sweet because of the friends that we have,
And the things which in common we share;
We want to live on, not because of ourselves,
But because of the friends who care.

It's the giving and doing for somebody else,
Upon which all life's splendor depends,
And the greatest of gifts, when we sum it all up,
Is found in the possession of friends.

The month of January proved to be a very busy one for Miriam White Shrine Shrine. The various committees met as follows: Decorating at the home of LaVon Reim; Social day group at the home of Alvira Seilers with Luella Hilgeman, and the evening group at the home of Esther Horn; the Ways and Means met at the home of Teresa Gardner with Marjorie Edwards assisting.

The members of the choir met at the home of Matilda Littlefield with Gladys Coolidge as assisting hostess.

The Orion Club met at the home of Alma Craig for their monthly social and business meeting. We are very happy that soj. Alma Craig is again well enough to participate with the activities of the club.

Our January 7th meeting was friends' night and many of our stations were filled by past officers. It was indeed a pleasure to see so many sojourners present at this meeting. Following the meeting the members were served refreshments by the social committee on the mez.

The month of February is a very famous month for birthdays and so it is that Miriam Shrine is celebrating its 30th birthday. This month all of the committees will close their activities for this year with a dinner party. The various places selected for these parties will be announced to the members of each committee at the proper time.

The patrol girls were entertained at the home of Soj. Hildur Manecke for their social meeting of the month of February.

The following list of names has been reported to us: Illness in Shrine members include Emily Johnson, William and Hattie Schwartz, Lucinda Henline with a broken arm, Bertha Stoffragen, Clara Fahlsing, Mary Roe, Harriet Treace, Kitty Saul, Eva Mae Foster, Grace Shelley home from hospital, Doloris Pfeiffer with new son, and Helen Chism in auto wreck. Illness in families: Ben Bennett's half-brother passed away; Marguerit Swinford's husband in St. Joseph's hospital, and Jessie Sarver's son Paul is in the Veterans hospital.

Deaths in our Shrine: Nellie Nave, January 1; Mantie Baker, charter member, January 5.

We wish for those who are ill a very speedy recovery; and congratulations to the happy parents; and to those who are bereaved we extend our deepest sympathy.

In all fairness to all our sojourners, please report any illness that you know of in our Shrine to our Cheer committee chairman, Helen Lindemuth, H-3693. Thank you.

BROKEN COLUMN

The broken column is a very ancient and a most eloquent symbol of Freemasonry. (It speaks of the unfinished life of a man, after his existence has been broken by death. "The great design unfinished lies, our lives are incomplete." In Egyptian mythology, the goddess Iris was sometimes pictured weeping over the broken column which concealed the body of her husband Osiris, while the goddess of time stood behind her pouring ambrosia over her head. The ancient Jews used the column especially as a symbol of their princes or rulers. Hence the broken column indicated to them that a pillar of the state had fallen. —Kansas Masonic Digest.

CANADIAN RITUAL

There are several different rituals in various Lodges in Canda —all have the same symbolic basis, but there are slight variations in wording used. Most Canadian lodges use what is known as "the Cardinal ritual," which is a slightly modified form of the Emulation ritual. In the U.S.A. most lodges use what it known as the "York Ritual"—but all rituals are based on the same allegories.—Masonic Light, Montreal.

At the installation of your officers on January 2, I want to say at that time I was somewhat confused. I would like to apologise to Brothers K. Strong, J. Kayser and J. Lewis as installation officers. They did a grand job. Thank you, brethren.

Brethren, It looks like we are getting off to a good start in 1952. We had four candidates in January and it appears we will have a busy lodge in February. We have eight petitions to vote on at our stated meeting in February. Come up and cast your ballot, maybe you know some of these petitioners. And it is also your duty.

On January 30 we had a lovely pancake and sausage supper. If you missed this I can say you missed a real meal and a good social time. We will have more good times together, so look forward to them.

Each of us as a Mason is bound to consider the happiness and to promote the interest of his brother; to avoid everything offensive to his feelings, to abstain from reproach, censure or unjust suspicion; to warn him of the machinations of his enemies; to advise him of his errors; to advance the reputation and welfare of his family; to protect the chastity of his house; to defend his life, his property and that which is dear to a man of honor, his character, against unjust attacks; to relieve his wants and his distress; to instill into his mind proper ideas of conduct in the department of life which he is called to fill; and let me add, to foster his schemes of interest and promotion, if compatible with the paramount duties a man owes to the community.

These are words that might well be pondered by those of us who today wear the square and compasses. Love makes all work light.

The year 1952 is well on its way. We were pleased with the good attendance at the stated and committee meetings in spite of the unfavorable weather.

At the January 11 meeting we were glad to see so many present who had been unable to attend for some time.

The social hour was well attended and all had a good time. We are now looking forward to the advanced officers night on February 8. There will be initiation, so plan to be there.

Plans are being made for the meeting on Februard 22nd, with a box social after the meeting.

Honored Ladies, be sure to bring well filled baskets. Let us make this old fashioned social a success, both in attendance and fellowship.

Now we are advancing toward the close of the year. Let each of us call some member who has been absent for some time and remind them of our meetings. Our Royal Matron and Royal Patron will appreciate their attendance.

All the committees will meet on their regular nights in February. Places will be announced at the January 25th meeting.

Much honor and praise can be given to the chairmen of all committees, for they are working so diligently to make our year a success.

To those who have been reported in the meeting and the ones not reported, we wish them a speedy recovery.

Death has again come into our midst and we express sincere sympathy to the family of Hon. L. Nellie Nave.

May we again renew our 1952 resolutions in the following verse:

Let me be a little kinder,
Let me be a little blinder
To the faults of those about me.
Let me praise a little more;
Let me be when I am weary
Just a little bit more cheery—
Let me serve a little better
Those that I am striving for,
Let me be a little braver
When temptation bids me waver;
Let me strive a little harder
To be all that I should be;
Let me be a little meeker
With the brother who is meeker;
Let me think more of my neighbor
and a little less of me.

The annual Christmas party for the children sponsored by the Masons and Eastern Stars was a huge success. Santa Claus was there and distributed candy, oranges, etc., to all the youngsters. Brother George Bojrab did an excellent job of selecting entertainment. We are looking forward to next year's party.

Officers for the coming year year were installed at a public installation on New Year's Day. The ceremony was preceded by a pot luck dinner attended by the members and their families. Brother Al Hines acted as Installing Officer during the ceremonies, with Brother Frank Ivins as Marshal. Officers installed were:

Duane F. Shidler, W. M.
Wendall Black, S. W.
Robert Enslen, J. W.
William Warner, Treasurer.
Alvan Tharp, Secretary.
LaMoine Miller, S. D.
John Bireley, J. D.
Harold Rediger, Chaplain.
Robert Tharp, Sr. Steward.
Leonard Fletter, Jr. Steward.
Virgil Van Zile, Tyler.

The Serenaders, secured by Brother Mike Houser, entertained the lodge for the balance of the afternoon.

Brother Rollo Jump is still on our sick list. We know that he would enjoy visitors.

The Eastern Stars report that they made $80.00 on their white elephant sale. This will go toward paint, drapes, etc., to redecorate the lodge hall.

Brother Donald Tharp became the father of a boy on December 8. This automatically qualifies Brothers Al, Bob and Harry as grandfather and uncles respectively. Not even eight-foot snowdrifts stopped Brother Al from seeing his first grandchild.

This year, to create more interest in the work of the Lodge, we would like to see a Fellowcraft Team organized. If you are interested, contact Brother Harold Rediger for further details.

We would like to remind the Brethren that these articles cannot be written without news. If you run across anything that would be of interest to the Lodge, please report it to Brothers Robert Tharp, Frank Ivins or Duane Shidler.

To the Craft, Greetings,

As the new year is well under way our newly installed officers have accepted their respective stations with great honor and dignity. So, let us, as the craft, endeavor to support them during the year in the same respect.

During the month of January we have had several called meetings, conferring the work of all three degrees. Brothers Lawrence E. Foote and Glen A. Castle, of Harlan, have received the Master Mason degree. This brings our membership total to 120.

At our last meeting four Brothers, Max White, Kenneth Hanes, Simon Hanes and Howard Degler, of Maumee Lodge, were present to help confer the M.M. degree. It is always a pleasure to have visiting brethren in the Lodge and we wish to extend a hearty welcome to each and evryone.

Am sorry to report our Treasurer, Brother George Omo, has been confined to the hospital with a hernia operation. At the last report he is coming along fine and the Lodge wishes him a speedy recovery.

If the brethren have any news to report will you please notify the Secretary.

Be sure to notify us of any change of address.

SPRIG OF ACACIA IS SIGNIFICANT

The sprig of acacia is one of the most interesting and important of all the symbols of Freemasonry, yet there are many who do not have a clear idea of what it is, whence it comes and how it happened to hold such an important place in the Masonic ritual and tradition.

Botanically, the acacia is the Mimosa nolitica, and is called the Babul tree in India. It grew abundantly in the vicinity of Jerusalem in ancient times, where it is still to be found, and it is familiar in this day as the tree from which gum arabic is obtained. In ancient times the wood of acacia tree was considered sacred by the Hebrews. It was of this wood that Moses was ordered to build the Holy Place of the Tabernacle, the Ark of the Covenant, the tables of the Shewbread and the sacred furniture.

By the Jew, therefore it is only natural that the tree from whose wood the sanctuary of the Tabernacle and the Holy Ark of the Covenant had been constructed would ever be viewed as more sacred than other trees. The early Freemasons, with all these things in mind, likewise very naturally appropriated this sacred plant to the equally sacred purpose of a symbol which was intended to convey and teach an important truth in the ages that were to come.

The sprig of acacia, to the Freemason, is symbolic of immortality, which is one of the most important doctrines that it is the purpose of Freemasonry to teach. In our funeral service it is referred to as, "the emblem of our belief in the immortality of the soul." In our ritual of the Third degree, it is referred to as having been used to mark a spot at which the ancient craftsmen found that something for which he had long sought, and where he had laboured long and diligently. One of the basic tenets upon which Freemasonry is founded is an unfeigned belief in the one living and true God, and of the immortality of the soul, emblemized by this green sprig, "which bloomed at the head of the grave."—Ivanhoe News.

The famous John Cecil Rhodes, who pioneered Africa, and made available the Rhodes Scholarships, was a Master Mason.

Those of our membership who were fortunate enough to obtain tickets to the stage play, "Prelude to Victory" will not soon forget the excellence of the work as portrayed by our Indianapolis brethren, under the direction of Ill. Eugene C. Wilcox, dramatic director of the Indianapolis Scottish Rite. The enthusiastic applause and the many comments we have received would seem to indicate that Fort Wayne Scottish Rite Masons are interested in this new phase of our work. My thanks to all of the committee. and our Secretary and his office force, for making this one of the best coordinated affairs we have ever presented.

The Consistory will present the following degrees at our 1952 Spring convocation: 31st, Wednesday evening; 21st, Thursday morning; 26th and 32nd, Thursday afternoon. The dates will be April 15, 16 and 17. The Most Puissant Sovereign Grand Commander, Ill. Melvin M. Johnson, 33°, will bring our convocation to a fitting close when we will be privileged to hear him Thursday evening, April 17, at the banquet, according to word that was received last week. Rehearsals will soon be under way, in an endeavor to make this the best convocation ever—only one thing will be needed to make our plans come true—that is, another class such as we have had in the past two years. If you have a prospect in mind, better get busy right now, as all indications point to an early "class is filled" notice.

Our first meeting of this term as held on January 15th. It was preceded by a pot luck supper and officers' practice. The pot luck supper held for the officers, their mothers, and the council was perfectly delicious, a lot of fun, and it provided a grand opportunity for us all to get better acquainted. My officers started a the new term off in fine fashion by each doing a beautiful job with her ritual.

We held our Valentine Party on February 5th. This also proved to be a very nice meeting. The decorations were carried out with hearts, valentines, and red silhouettes of boys' and girls' heads on large white hearts. The girls each brought a valentine to the meeting and deposited it in a gaily decorated red and white valentine box. After the meeting our mailman, Pat Sieder, passed out the valentines while the girls enjoyed refreshments of valentine cookies and punch.

The committee for this meeting was Carol Ann Nichols, Chairman; Marlene Bloom, Pat Sieder, and Carol Barber. They were very co-operative and surely did a swell job. I want to say, "Thanks again" to them.

Our next meeting will be on February 19th when we will hold initiation. Following that on March 4th will be Mom and Dad's night and we've got a very special entertainment planned. So don't let us down girls. Bring Mom and Dad along to join in the fun on their own special night.

KING SOLOMON'S TEMPLE

Time—Foundation laid in 1012 B. C. Completed 7½ years later.

Place—Mount Moriah, a part of Mt. Zion ridge, which became a part of Jerusalem during King David's reign, and upon the same spot where Abraham offered up Isaac and where David made an acceptable offering to the Lord, and by faith saved Jerusalem from destruction. King David purchased the site for the purpose of erecting an altar on it.

Builders—King Solomon, son of King David, aided by Hiram, King of Tyre, and Hiram Abiff, the widow's son, with the cooperation of allied nations. 184,000 men were employed in the building of the Temple. The value of the metals used (gold, silver, brass and iron) exceeded five billion dollars.

The Temple retained its original splendor for only 33 years. From that time until its complete destruction 383 years later by Nebuchadnezzar, in the reign of Zedekiah, the history of the Temple is but a series of alternate spoilations and repairs.—The Eastern Star News.

ROBERT BURNS

Robert Burns — one of the world's most famous and best-loved bards—was born at Alloway, near the City of Ayr, Scotland, January 25, 1759. In his twenty-second year, in 1781, he was made a Freemason in St. David's Lodge No. 178, at Tarbolton. In 1787, in St. Abb's Lodge, Eyemouth, he became a Royal Arch Mason; and in the same year, he was vested with the poet-laureateship of the famous Canongate Kilwinning Lodge, No. 2, at Edinburgh. During his Masonic career he was a "joining member" of Lodge St. John, at Kilmarnock, and of Loudon Kilwinning Lodge at Newmilns. In 1788, he became a member of St. Andrew's Lodge. at Dumfries, and continued as such until his death at Dumfries, on July 21, 1796. Some of his most beautiful poems were inspired by his Masonic contacts and associations.

Brethren, the month of January has come to a close. It has been a very full month, with a very fine class, one of whom was a courtesy candidate for Bethlehem Lodge, Lynn, Mass. The officers appreciate the noticeable increase in attendance this month. Your Master would be very much pleased to be able to look down from his station and see all seats full, and, brothers, I am sure we can do it with very little effort. Let's give it a try. Bring that brother that first brought you.

The Square Dance on January 26th was a big success. The officers are very pleased that they can furnish you this opportunity to have this fellowship and spend the evenings in good entertainment.

From all appearances February is going to be another full month. Meetings will be every Thursday evening. The Fellow-Craft team will have their election of officers on February 7th. On Saturday, February 23rd, the Scottish Rite George Washington Ball will be held for all Blue Lodge Masons and their ladies.

SPECIAL ATTENTION: A Square Dance will be held March 15th with John Wright as caller. From 8:45 to 11:45. All Blue Lodge Masons and their ladies are invited.

To the sick: We wish you a speedy recovery and that we may see you back in lodge again soon. The following brethren have been reported ill: Brother Paul Sarver at the veterans hospital; Bro. Richard Schwabe at St. Joseph hospital; Bro. Carl Sproat at home; Bro. Victor McFarland at the Lutheran hospital; and Bro. Louis Lee at his home. If you know of any brothers who are sick, please notify one of the officers of the lodge.

To be of service is one of the greatest privileges of man. To be of service to the lodge will not only help your brethren, but will also help you.

"Well, what are you going to be, my boy,
When you have reached manhood's years;
A doctor, a lawyer, an actor great,
Moving throngs to laughter and tears?
But he shook his head as he gave reply,
In a serious way he said:
"I don't think I'd care to be any of them,
I want to be like my Dad!"

He wants to be like his Dad! You men,
Did you ever think as you pause,
That the boy who watches your every move
Is building a set of laws?
He's moulding a life you're the model for,
And whether it's good or bad
Depends on the kind of example set
To the boy who'd be like his dad.

Would you have him go everywhere you go?
Have him do just the things you do?
And see everything that your eyes behold,
And woo all the gods you woo?
When you see the worship that shines in the eyes
Of your lovable little lad,
Could you rest content if he gets his wish
And grows to be like his dad?

It's a job that none but yourself can fill;
It's a charge you must answer for;
It's a duty to show him the road to tread
Ere he reaches his manhood's door.
It's a debt you owe for the greatest joy
On this old earth to be had;
This pleasure of having a boy to raise
Who wants to be like his dad.

This month contains the birthdays of America's greatest men. Many lessons can be found in the study of their lives. Truth, honor, and love for their fellowmen was foremost in their lives.

First, they sought out the truth. This was not always an easy task, but the challenge was always met.

If every man would live by the example set by these great men our world today would be a much better place in which to live.

Masonry takes every man by the hand and leads him to our Holy Altar and points to the Holy Bible always open there. For upon those pages are written the Truths upon which our Fraternity is founded. By this Light of Truth we are guided through life.

(For more light in Masonry each Blue Lodge Mason should seek the truths taught in York Rite Masonry. Companions, my challenge to you is to dispense more Masonic knowledge and bring a brother's petition to Chapter.

Virgil Hartman Jr. was appointed Chaplain of the Chapter and filled that station at our last stated meeting.

The Chapter will have work this coming month. After our stated meeting in February we will have doughnuts and coffee in the kitchen.

The Worthy Matron has announced that installation for Fort Wayne Chapter will be held on March 21 at 8 p. m. in the Commandery Room.

During February the list of illness among our members was somewhat longer than it has been for some time, but we are happy to report that many have recovered by the time this report is written.

Sisters Marguerite Morris, Neola Schlie, Blanche Duryee, Betty Lare, Agner Stover, Vera Haydon, Alma Bailey, Emma Wehrmeister, Marguerite Bowers, Viola Adams, Mary Mays, and Audrey Martin have been sick, as well as Brothers Ralph Blue, Leslie Yeager, and Ray Roller. The death of Sister Emma Koopman occurred late in the month.

Sincere sympathy because of deaths in the families of several of our members is extended from the chapter; namely, to Sister Lottie Slater, whose brother died; to Sisters Katherine Ray and Ada Tustison, in the loss of their sons; and to Sisters Lorraine Tew and Inez Thrasher, whose mothers were taken.

New grandparents in the chapter are Sisters Charlotte Taylor, Una Brouwer, Josephine Gehl, Wanda Gething, Lucille Miller, Christine Tew and Ethel Stauffer; and Brother Clarence and Sister Velma Seslar.

Sisters Lorraine Tew, Mary Stauffer and Carol DeYoung are the new mothers among our members.

Illness has taken its toll among members of families, too, with the mothers of Sisters Glee McWhorter and of Brother Glenn Hedges; the husbands of Sisters Arlene Baumgartner, Genevieve Sheets and Garneta Stumpf; the brothers of Sister Selma Schlacter and of Brother Kenneth Kaeck; and the sister of Sister Lois King having been reported by the visiting committee.

In less than two weeks, your consistory will swing into action with degree rehearsals, prepatory to presenting another excellent convocation on April 15, 16, 17. The membership committee, Bro. Mel Ehrman as chairman, had its meeting recently and plans were completed to present another capacity class for this work.

The choir, under the direction of Robert Shambaugh, will present a public concert in Decatur on March 10; Randolph County will bring its Scottish Rite Club to Fort Wayne for an evenings entertainment on March 19; while the brethren of Warsaw will present the choir in a concert in the high school auditorium on March 26. These ambassadors of good will are doing an excellent job in bringing to the membership and the general public a part of our work which everyone enjoys, particularly in those localities where it is difficult for every Scottish Rite Mason to attend our convocations.

Please bear in mind that your blue lodge friend will appreciate you inviting him to be a member of this class. Don't wait too long, as indications are that we will soon have our limit in petitions. Get busy, NOW.

The consistory will present the new 31st degree (second appearance) on Wednesday night, with the re-cast 21st, under the direction of Ill. Bro. Edwin R. Thomas, to be exemplified on Thursday morning. Our brethren from Bluffton and Wells County are scheduled for Thursday afternoon with their 26th degree, to be followed by the 32nd degree, at which time there will be the official reception of our Sov. Gr. Comm. Ill. Bro. Melvin M. Johnson; the new deputy for the district of Indiana, Ill. Bro. W. Henry Roberts; the Grand Master of Indiana, Ill. Bro. Oswald A. Tislow, and other distinguished guests. Don't miss a single moment of this splendid three-day program.

As this issue goes to press, there is little authentic information to pass on to our sojourners concerning the immediate future of Miriam Shrine. Until and unless the Supreme Worthy High Priestess grants dispensation for a business meeting, we must remain in an inoperative status. All sojourners will be advised by mail of any Supreme directive. It is possible that our status may not change until Supreme Shrine convenes in Toronto on May 6th.

Even though we have been in and out of civil courts many times in the past months, we can tell you that our charter is still intact. Further, that DeEtta Arnold, who was appointed Worthy High Priestess by Meta Pointer on October 15, 1951, remains the official head of Miriam Shrine. All committees, both regular and special were to cease functioning on that date.

To the Sojourners who wonder if the White Shrine will continue to be represented in Fort Wayne, there is but one answer. It will be found in your own hearts.

Illnesses among Sojourners: Ethel Kimball (St. Joe Hospital, Lyda Close, Lillian Gocke, Agatha Engleking, Mildred Farlow, Mary Wilson, Ruth Bennett, Kittie Saul, Ethlyn Kelsey, Wilma Gilbert (in automobile accident).

Illness in Families: Mother of Ida Spencer, brother of Louise Wilkerson, son of Edith Ball (in hospital), son of Nellie Miller, son of Henrietta Englehart (in hospital).

New Babies: Edith McComb, Sadie Rousseau and Gladys Toy are new grandmothers.

Deaths: Sojourner Ella Ault on February 19. (She was a charter member.) Brother of Robert McClure, husband of Wilma Gilbert in auto accident at LaGrange, granddaughter of Sadie Rousseau. Soj. Maude Lechled died February 29th in St. Petersburg, Fla.

To those who have been ill, we wish for your speedy recovery, to those who have suffered bereavements we express our sincere sympathy and to the new grandparents, congratulations.

Brethren: Your excellent attendance at Lodge and the spirit you have shown have made my first two months as Worshipful Master very enjoyable indeed.

There was a very good turnout at a called meeting of the degree team on February 21st. Everyone there showed a great deal of enthusiasm toward learning new parts in the work. May I repeat again that each and every member is cordially invited and urged to take part in the work.

On February 19th, prior to the conferring of the Fellowcraft Degree on five candidates, approximately ninety-five members had a Syrian dinner that had been suggested and supervised by Brother Sam Masloub.

Don't forget to write April 29th on your calendar—that's the night we honor our Past Masters.

I presume that most of you know that our Tyler, Brother Clyde Barner has been confined at the Veterans Hospital here in Fort Wayne. He is improving nicely from his operation and we hope he will be home before you read this. I'm sure he would welcome a visit from you. Brother Jerome Hathaway is still in room 267 at the St. Joseph Hospital and he also appreciates visitors.

Our most sincere sympathy is extended to the families of Brothers George W. Birney, Reuben Earl Peters and LaVern E. Quinnell. Services were held for Brother Quinnell at Klaehn's at 7:30 P. M.

Hope to see you at the Temple Tuesday.

It is with deepest sorrow that we announce the death of two of our members since the first of the year. Br. Ed Preston of Duneden, Fla., and Mr. Wm. Dunfee of Fort Wayne. Our sympathy goes to their families in their hour of sorrow. Yet we understand that their sorrow is the reward of our departed Brothers.

Huntertown Lodge has enjoyed two very nice social evenings this past month, and also held one night of practice for the craft work held for the officers. Watch for your card informing you of the next work to be given, for there will be plenty and a chance for you to get in and help.

Bethel number 71 has been very active. Besides their work they have held a formal dance at the high school, entertaining the Bethels of Fort Wayne, Auburn and Kendallville. They also put on a program for the Past Matrons of the Huntertown O.E.S. We are proud of the girls and wish them much success in their second year. The Stars of Huntertown have not been shirking their work this winter either. Besides their own work, they have been making several visits to other lodges in Northern Indiana.

J. G. Holland once said: "God feeds every bird its food, but he does not throw it in the nest." I think that this a reminder is very timely and affords us the opportunity to meditate at this time of the year when we are not too busy with worldly problems. It is a suggestion that maybe some of us set for the better things of life to be presented on a golden platter instead of working for them. How can you expect your ship to come in, if you don't build a harbor for it It certainly cannot tie up if you don't build a wharf. Let us plan now for the coming year. The thing called "good luck" is nothing but a lazy man's estimate of a worker's success. We recall, "by patience and perseverance we can accomplish all things." Don't wait for it to drop in the nest; it is out there, go and get it.

It is with feeling of great sorrow that I must report the promotion to that Grand Lodge above of Brother Ray Johnston. The passing of Brother Johnson deprives us of the fellowship of a fine brother, who was very much beloved by all who knew him. I wish on behalf of myself and the lodge to express our heartfelt sympathy to Mrs. Johnston and folks close to brother Ray. I also wish to thank every brother Mason who helped in our sorrowful duty.

Proceedings are in progress to have Brother Arthur Sterheim's wife admitted to the home in the home in Franklin, where she can be with her husband.

Tuesday, February 19th, we enjoyed a Washington's Birthday party, with a fine group of brothers, their families and friends attending. Games and relays were played and delicious refreshments were served. Our thanks goes to Mrs. Irene Webster, WM of the Monroeville OES, who, with her committees, was responsible for the success of the event.

To all you brothers in distant states, you can drop us a line at any time, as we are always glad to hear from those who are unable to attend our meetings.

I am looking forward to having more of you brothers at our stated meetings to help us decide questions which concern each and every one of us.

At the stated meeting of Monroeville Chapter No. 209, February 15th, Sister Irene Webster, Worthy Matron, presiding, 25-year pins were presented to five members: Sisters Ella Peckham, Minnie Spake, Maud Griffith, Hilda Neimyer and Kathryn McIntire. They were escorted East and the Worthy Matron personally fastened each pin and read an appropriate poem. Worthy Patron Marvin Hively gave an impressive talk, stressing the true meaning of our obligation, after which he led the members in their renewal of the Obligation. A beautifully decorated cake, baked by Sister Helen Witte, in honor of the twenty-five year members and a silver vase for each, graced the dining room table. The cake was cut by one of our Charter Members, Sister Minnie Spake, and served to those present, together with salad, sandwiches and coffee. This proved to be a very nice meeting.

POPE PIUS IX — A MASON

Pope Pius IX — or as he was entered on the Masonic roll, Guiseppe Maria Ferrero Mastai Ferretti — joined Masonry in Santiago, Chile, in 1832, when as a young priest he visited South America as a secretary of the Papal Nunzio Muzzi. At the time of his admission to the Order three papal decrees had been issued from Rome condemning Masonry —in 1738, 1751, 1814. Many others were to follow and Pope Pius IX himself promulgated three such bulls — in 1847, 1865 and 1869.—Masonic Light, Montreal.

By the Plumbline, Level and Square, we erect uor Spiritual Temple. To many among our number the words are only applied to their use among operative masons.

At the rebuilding of King Solomon's Temple, these tools and many others were employed. Today, each one of us should seek out for himself where each one of the working tools can be used.

By the Plumbline we should chart our daily course. It is hard in this world today to be able to stand erect and waiver not when on every hand temptation assails you.

To chart a course by the Level is almost impossible, for the hills and valleys along life's pathway are many. With a level head for thinking, hills may be smoothed down and the valleys filled.

The hardest of all courses to chart is by the square. Pride and prejudices are terrible stumbling stones today. It hurts our pride to say we were wrong, and still be on the Square. To be square to ourselves and to our fellowmen takes a heap of charting.

With these working tools, each and every question should be measured before its answer is given. To this end must we all strive to make a better world in which to live.

LAMBSKIN BEST CONVEYS PRINCIPLE OF EVERYDAY LIVING

Much has been written of the symbolic character of the Masonic apron. This is as it should be. There is no one of the symbols of the Craft which conveys a principle of everyday life that is of more importance to the building of the soul Temple than that of the lambskin, or white leather apron. Though the apron is used in operative masonry to protect the clothing of the operator while he works on or sets the hewn stone, its symbolic significance reaches far back into the history of civilization. So universal has been the use of the apron or its equivalent as a mystic symbol expressive of purity, that it can be said to have been common to all nations in civic and religious honors and rites from the earliest periods.

The Japanese, in investing certain rites of initiation, invest their candidates with a white apron, bound around the loins with a girdle or belt. In Hindustan initiations, ceremonies of investitures were preserved, but a sash called the sacred zenner was substituted for an apron. In teaching the mysteries of Mithras of Persia, the candidate was invested with a white apron. In Egypt, Phoenicia and India, and throughout the ages, it has been a most exalted badge of distinction.

In the Masonic ritual, the first great lesson impressed upon the candidate is the gift of a lambskin apron, which is explained to him and which is the first material evidence of his admission into the fraternity, and which is designated as ever "the badge of a Mason." Made of lambskin, the apron which a Mason receives as a gift goes with him to the grave. By it he is reminded that, as the lamb is an appropriate emblem of innocence, so "the Mason is reminded of that purity of life and rectitude of conduct, which is so essentially necessary to gaining admission into the celestial Lodge above, where the Supreme Architect of the Universe forever presides."

The term "Innocence" in the Masonic ritual means "to do no hurt," as is true of a lamb, not an ignorance of evil," in a child-like sense. Injuring no one, the Mason's conduct is to be thenceforward gentle, patient, forbearing, charitable, and forgiving toward all. His life thus becomes a "spiritual dedication to the values and virtues of an uplift in behalf of humanity by which man alone rises above the brute, and the world is carried forward on an upward and better way.—S. The 1951 Allocution of our Sovereign Grand Commander, Ill. Melvin Mavnard Johnson, 33°, was a masterful and interesting address. The following paragraphs are excerpts from this Allocution:

"This is the Sesquicentennial of the Ancient and Accepted Scottish Rite, and such a date marks a point where we should stop and review the past, the present, and from them aid in building the future.

Let us take courage from our accomplishments and not be discouraged by our failures. Our balance is not in the red, it is in the black.

It is only within the lifetime of some of us that the Rite has begun to show the virtility and success which ought today to give us courage and belief in ourselves, leading us to look forward to being of far greater service to the world than we have been in these 150 years.

What the world needs even more than new discoveries in the physical sciences is a better understanding of human relationships. That is the goal toward which we strive."

* * * * * * * * *

A Master Mason can "achieve a better understanding of human relationships," by taking the Scottish Rite Degrees. The next convocation in the Fort Wayne Valley is scheduled for Tuesday, Wednesday and Thursday, April 15, 16 and 17. If you're interested, tell one of your Scottish Rite friends or see Sam Geake in the Scottish Rite office.

SUPREME COURT

Eight of the nine Justices of the Supreme Court are Master Masons and four of them are Scottish Rite Masons.

ACACIA

The word acacia is taken directly from the Latin and in the Latin it means thorn. The acacia is adapted to growth in a desert country, and therefore it is a fitting symbol of Christ in His humility "as a root out of dry ground." (Isaiah 53:2).

In addition to the historical reasons for its veneration, it was believed not to be liable to injury from attacks of insects or animals. It has been known, when planted as a doorpost, to take root again and to shoot out budding boughs over the threshold. By reasons of the perpetual renovation of the evergreen plant, its tenacious qualities of life, and its unchanging nature, it early became a symbol of immortality; and immortality is one of the most important doctrines of Freemasonry.

The ancient Hebrews adopted the custom of planting a sprig of acacia at the head of the grave of a departed friend. The Arabs used acacia wood to make the idol, "Al-Uzza," which Mohammed destroyed. With the Egyptians, the Hebrews and the Arabs, it was sacred, just as the lotus was among the Brahmans of India, and as mistletoe was among the Druids, or myrtle among the Greeks. It is also regarded as a symbol of innocence, and early became a symbol of initiation.

In Biblical times the acacia grew abundantly in the vicinity of Jerusalem, the final resting place of the Ark of the Covenant, and it still grows there. It also grows in Africa and Arabia, in the East Indies and Australia, in tropical America and generally in the hotter regions of the world. In India it is known as the babul tree. Scattered specimens are found in south Florida.

In all, there are some four hundred varieties, three hundred of which are to be found in Australia. Some of the Australian varieties attain a height of 30 feet.

Today, the acacia, as a flowering plant, brings beauty to our gardens, while, as a source of lumber and its by-products, it adds wealth to our commerce. Yesterday, the acacia, as the wood of the Ark of the Covenant, guided the footsteps of the wandering Jews and, as the Crown of Thorns, it drew the blood of the Christ. With such a heritage it could not be other than a sublime.—Masonic Tidings.

SIXTEEN SHRINERS' HOSPITALS

The members of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America own and operate sixteen (16) hospitals for underprivileged crippled children, irrespective of race or color.

The Chicago hospital is located on the western boundary of Chicago at 2211 North Park avenue, and is administered by a board of Governors, all members of the Shrine, appointed by the National Board of Trustees. Funds for the operation of all Shrine hospitals are obtained by annual assessment against every member. Sums are especially allotted to each hospital, as needed, based on a yearly budget.

An endowment fund is being established to carry on this humanitarian project, perhaps the greatest ever undertaken by any fraternal order. To assure perpetuation of this fine work and to meet the extra requirements for aid to children in this great metropolitan area many of the friends of the hospitals have made contributions.

Admission to the hospitals is by written application. on the recomendation, in writing, of a Shriner. The applicant must conform to the conditions prescribed. In the Chicago unit, 5,000 children have been hospitalized and materially benefited or rehabilitated. In the sixteen Shriners Hospitals for Crippled Children, over 125,000 children have received kind and skillful medical and surgical care, restoring them as happy and useful members of society. — Elkhart Temple Topics.

At the present it appears that we will have no work in the latter part of April. This is the first time that our Chapter has been dark since last summer. Let's keep working as hard as we can to keep those petitions rolling in.

Plans are now being made to have a banquet and entertainment on Saturday night, May 3rd, at which time we will honor the Past High Priest of Fort Wayne Chapter No. 19 and we also invite Master Masons who may be interested in starting in the York Rite.

The details of this party are being worked out by a committee consisting of Companions Thomas Connor, Chairman; Lawrence Miller, and Arthur Walda. Tickets will be printed in the near future and we hope that every member of Fort Wayne Chapter will buy two and bring a guest Master Mason.

Please mark this date of May 3rd on your calendar and save up a couple of "bucks" which will entitle two of you to an evening of fun.

Be sure to notify us of any change of address.

WOMEN IN THE ORDER

The best known case is that o the Honorable Elizabeth Saint Leger (1693-1775) who later be came Mrs. Aldworth. She was th daughter of Viscount Donerailles of Cork, Ireland. The Irish noble man was an enthusiastic Maso and, as was then customary, lodge were occasionally held in residence of brethren. Thus Irish affiliate met in the nobleman's home. It i said that in 1710, when Miss Saint Leger was 17, she hid herself in room adjoining the one in which a initiation was to be held. Due t repairs being made in the parti tions, the yoong lady was able t remove a brick from the wall sep arating the two rooms and wit nessed the entire ceremony o initiation.

In attempting to make her escap she inadvertently came across th Tyler who, armed with a sword stood barring her exit. Her shrieks caused the members of the lodg to rush to the spot, when (we quot from Mackey) after considerabl discussion and entreaty on th part of her brother, it was decide to initiate her into the order, an she became Mistress of the Lodge which was Lodge No. 95 on th Irish Register. This lodge sti meets at Cork, but there is n record existent of her initiation Yet it is known that she frequentl attended entertainments given un der Masonic auspices at which tim she wore full Masonic regalia When she died in 1775 at Cork she was accorded the honor of Masonic burial. Haywood state few Masonic authorities questio the truth of this story, thoug there are different versions.—Th Ohio Mason.

My Brethren: The officers of your lodge urge that as many of you as possible attend lodge this month. They are extremely anxious that you have a part in assisting them in exemplifying the degrees on this splendid class of candidates, whether it be actually performing some of the degree work, or enjoying yourselves on the side lines. With a large class such as this there is always plenty of work. If you have a favorite part in any degree that you especially enjoy doing, or any of the lectures you would like to give, please feel free to make this desire known and they will make every effort to see that your wishes are fulfilled. If you feel that you are not ready for any of the ritualistic parts, give them your support by sitting in the body of the lodge. This will not only be encouraging to them, but you will be repaid many, many times from the benefits derived from the numerous lessons that Masonry has to offer. Also, you will be enriched by the wonderful fellowship that is so prevalent in our lodge. There are many brothers, I am sure, who would like to be able to perform some of the degree work, but are either frightened of their first attempt, or they do not know how to go about getting the proper coaching. Above all, my brothers, do not be afraid that you will make an error. After all, we are all human, and, as we all realize, it is human to err. If it is coaching you desire, again let your wishes be known, for there are many brothers who will be always as ready to give as you will be to receive instructions. By working before the lodge you have an excellent opportunity to break down that old barrier called stage fright, which can be overcome only by practice. Where can a brother find a more sympathetic group in which to gain practice than in his lodge where his brothers are gaining this same experience? By reading this, I hope that you will realize that you have everything to gain and nothing to lose by attending your lodge and participating in the degree work.

Last month the Fellowcraft Club held their annual election of officers. The brothers elected by this group were John M. Young, Jr., president; Gary Bosselman, vice-president; Robert Porter, secretary; Neal E. A. Rupert, treasurer; and Abner R. Wolverton, P. M., director. With these capable officers to lead the craft we can look forward to the splendid degree work which they have been doing in the past. Summit City Lodge is fortunate to have such an active craft club, as they are always ready to assist in making their lodge a better lodge. If any member has a desire of becoming a part of this splendid organization, just contact any of the above officers and they will be most happy to see that you are made welcome.

A number of brothers have been inquiring as to the date Walter French Lodge of Lansing, Mich., will make its visit to our lodge. This date has been set for Saturday, May 7, with them conferring the Fellowcraft degree. This degree was selected since they have such a magnificent reputation for conferring this degree, which is far more elaborate than the Indiana version. More information regarding this visitation will be given in the next issue.

Brother Russell McClain, chairman of our visitation of the sick, wishes to thank all of the brothers who have been assisting him in making calls, and to report that that the sick brothers enjoy having these visitors call upon them. We are glad that all our shut-in brothers are getting along as well as can be expected. May they soon be able to be with us again. Note the bulletin board and if any of you brothers can call on any of these members, please do so.

Remember, brothers, we will be looking forward to seeing you in lodge sometime this month.

WOMAN FREEMASON

In America, as late as 1815, it is said a Mrs. Catherine Babington, of Kentucky, concealed herself in an adjoining room to that used by the Lodge at different times covering a period of 18 months, and was finally discovered by an uncle of hers and, upon finding out that she was well versed and familiar with much of the Masonic ritual, she was, we are told, clothed in a suitable uniform of red flannel and taken in the Lodge, where she was obligated as a regular Mason but was not admitted to membership. Mrs. Babington lived in North Carolina, and many incidents are related of her use of Masonic signs and words in her travels through Ohio, Pennsylvania, New Jersey, Virginia, Maryland, Tennessee and other states. Her biography was written by her son, J. P.Babington, himself a member of Lee Lodge No. 253, Taylorsville, N. C. —E. S. N.

Brethren,

February was a real month for our lodge. We had eight candidates and that is a big class. Thanks to the Fellowcraft team, you did a real job. And your officers are very appreciative of your help.

Our chaplain Brother Max White is in charge of seeing that the sick are remembered, but it seems no matter how hard we try some brother will get sick and before we hear about him he gets well and is back on the job. So if any of you hear or know of a brother that is sick please let one of the officers know. We will try and make a call on him. If you can you call and I know that it will make you and him feel a lot better.

Brethren once again I must make a plea to the members who have not made their contribution to the Masonic Home. This plea was made to you some time ago for three dollars over a period of three years. Our three years are almost gone and we have not made our quota. A building program which was necessary, due to the increase of young Boys and Girls, Master Masons, their dependents and mothers.

This home is for the victims of misfortune, and the only one they can look to for help are you and me. We who are enjoying good health and have good jobs, and a daily income to enjoy the good things of life.

Your contribution will help these boys and girls to become good Christian men and women and to obtain a good education. They will be an asset in the community where ever they may be. What more can we ask for three dollars?

This three dollar assessment was set up by the Grand Lodge, and as your Master it is up to me to see that we meet our quota. So brethren what do you say we put Maumee over 100%.

Remember that the best preaching is the acting of the gospel in our lives. All the world loves and honors a good man. And secretly strives to imitate him and his goodness. Therefore it behooves a Mason to endeavor to set a good example not only for their brethren but for all with whom they come in contact.

On March the twenty-sixth we will honor our charter members. Bro. Russ Miller and Bro. William H. Schwartz are in charge and they tell me that they have a real program in store for us. Keep this date open and come enjoy good fellowship with us. The junior warden will see that you do not go away hungry.

DID YOU KNOW?

That David Wooster, a Brigadier General in the Continental Army, was the first master of Hiram Lodge in Connecticut?

That General Nicholas Herkimer, a member of St. Patrick's Lodge of New York City, was a patriot of German descent, and was born in 1777, at Little Falls, New York, where he is buried and where a memorial to him is erected?

That General Hugh Merc famous General Officer of the R olutionary Army, was a memb of Fredericksburg Lodge No. 4, Virginia, the lodge in which Geor Washington was made a Mason?

That General William Whipp a signer of the Declaration of I dependence, was a member of S Johns Lodge No. 1, at Portsmou New Hampshire?

That Major General Arthur S Clair, who was commander of We Point and a member of the Cou that tried Major Andre, was member of N. C. Harmony No. in Ohio —Oklahoma York Rite.

WORK OF THE CYCLOPS

In the ancient cities of Tiryns and Mycenae are stone walls 25 feet thick and 60 feet high, built with blocks nine feet long and surfaced in such a way as to make very tight, thin joints, even without the help of mortar. We call the unknown builders of these great walls giants, or Cyclops.—Bernard E. Jones.

After the business meeting a delicious lunch was served by Mary Elizabeth Bird and her assistant hostesses, Beatrice Dauler, Lucinda Pettit and Betty Fortner. Edna Montoch, Secretary.

The Program committee held its January meeting at the home of Florence Geiger, with Mildred Reed and Virginia Ginder acting as assistants. The evening was spent in addressing invitations for the chapter birthday and 25th anniversary meeting February 12th. Our next meeting will be held February 28 and the home of Enid Gahman. Kathhyn Fuhrman, chairman.

The January meeting of the Allah Signet club was held at the Gas Institute Kitchen with hostesses Isabel Winifer, Bertha Piper, Zula Carney, Edna deBrular and Elizabeth Brindle. A delicious lunch of sandwiches and coffee was served at tables beautifulyy decorated in silver and blue. A short business meeting followed during which plans for our birthday dinner were made. This was February 19 at the Y.M.C.A. At his time Peg Cripe was introduced as a visitor. A social hour followed. Bridge prizes were won by Edna Senger and Bertha Amstutz. Pinochle prizes by Alverta Martz, and the attendance prize by Marie Stephans.

On January 22nd, it was the privilege of Allah Signet to entertain the chapter. A short program outlined the history and the meaning of the club. Bertha Piper was historian, and other members participating were Enid Graham, Mary Beaman, Elizabeth Bindle, Mildred Kelly, Helen Werker, Elizabeth Thomas, Bertha Amstutz, Ruth Peck, Edna Senger, Ruth Larimore Chambers, Alverta Martz, Roxie Wunderlich, Dorothy Vallance, Jean Braun and Edith Hennigh. After the meeting, refreshments were served on the mezzanine. Presiding at the serving table were the club officers, Mary Shafter, Gladys Coe, Lo Rheba Strong and Marie Stephan. Eleanor Coe, Publicity Chairman.

The January meeting of Ways and Means was held at the home of Ida Leipold on Edgewater avenue. Assisting Ida as cohostesses were Carrie Menges, Fern Elson and Ruby Russell. Final plans for the Valentine Bridge were made and the committees appointed. Following the business meeting, contest games were played and everyone had a lot of fun. At this meeting a surprise shower was given in honor of Ruth Larimore Chambers. It was a pleasant surprise for which I wish to thank you all. A delightful lunch was served by the hostesses. The February meeting of the Ways and Means committee was held at the Gas Kitchen. Hostesses were Mable Howenstein, Flora Fletter, Mary Jane Shirey and Bertha Piper. Following the business meeting games were played and a good time was enjoyed by everyone. Thanks to the hostesses for a nice lunch and the lovely evening. Ruth Larimore Chambers, Secretary.

On Thursday evening, January 31, Star of the East held a banquet in the dining room for their Worthy Matron, Eva Tucker. The hostesses were her chairmen and co-chairmen and committee members. More than 200 were present and enjoyed a delicious meal. The decorations were in keeping with the Worthy Matron colors of green and silver. She received many beautiful gifts, many special gifts, and since it was Eva's birthday, perhaps the largest birthday party she ever enjoyed, and will leave many memories which she will treasure in years to come. Special guests for the party were Kenneth and LoRheba Strong, Mary R. Browne, Sonoma Woodruff, and Eva's father and mother, Mr. and Mrs. Armor Bwegan, of Fairmount, Ind. Jennie Greek, Associate Matron.

One of the highlights of this year was our Birthday Party and Silver Anniversary, celebrated on February 12th, with almost 500 in attendance. The decorations were beautiful, carried out in the colors of green, white and silver, the last being a bower of palms and white gladioli with silver dewdrops. Silver seals bearing the numerals "25" were pinned on all present as

they entered the chapter room. Worthy Grand Patron Cecil Sible, Brother Ben Bennett, Sister Sonoma Woodruff, District Deputy Marie Hill and Sister Maude Lee (first Worty Matron of our chapter), were escorted to the east. Sister Maude now lives in Anderson. Appropriate messages from our Worthy Matron and songs from the choraliers were given during the escorting.

All charter members and past matrons and past patrons were escorted east and introduced. A short birthday program was given with charter members Ora Cripe and Catherine Doudt depicting the past; Jennie Greek and Cyrus Senger representing the present, and little Priscilla Ratican and Keith Michell taking the role of our future stars. Members were then escorted east to receive their 25 year pins. Maude Lee, Maude Jackson, Catherine Doudt and Sonoma Woodruff presented the pins to Nell Barley, Selma Briggs, Lula Bassett, Lula Brown, Zola Beaty, Gerald Beaty, Helen Bowman, Agnes Boeger, Helena Bryan, Nellie Craig, Joseph Craig, Brown Cooper, Ruth Chaussee, Iva Etter, Florence Edgerton, Edna Frech, Carl Frech, Opal Ferguson, Fern Gillispie, Marie Hayes, Elsie Hildebrand, Florence Hall, Katherine Hutchens, Nettie Hires, Clara Johnston, Janet Clubm, Opal Kaiser, Lelen LaFever, Vesta Lower, Eva Lee, Gertrude Maxfield, Wava Noe, Blanche Orr, Ida Mae Oldfather, Bertha Piper, Blance Ridenour, Dalls Ridenour, Grace Reising, Mae Richey, Doris Roebuck, Clara Rudy, Dorothy Rainier, Inez Rehorst, Catherine Shell, Grace Schlandroff, Marjorie Spencer, Edna Mae Steiner, Bereice Schaekelford, Pauline Summers, Genavieve Scott, Hazel Springle, Hattie Schwartz, Ruth Sprueur, Iva Scheeber, Lucille Spore, Mildred Schmidt, Lucille Thomas, Gladys Thompson, Laura Taylor, Gladys Walker and Katherine Whitehurst.

Our secretary for the entire 25 years. Elizabeth West, was presented at the altar and in a very impressive service was presented her 50 year pin by our Worthy Grand Patron. Elizabeth was then escorted east and presented golden anniversary gifts from the chapter and Past Matrons club, and a beautiful gift of yellow roses from this year's officers. Brother Judson West has previously received his 50 year pin and he and Elizabeth are at present our chapter's only 50 year members. Elizabeth gave a most interesting talk of her years in the Eastern Star. Short talks and words of congratulation were given by our guests. Maude Lee gave a very graphic description of the organization of our chapter. The Past Matrons club presented new purple ribbons for the Matron and Associate Matron, the Allah Signet and Madonna club presented beautiful silver candelabra, and the Leta Girls two beautiful silver trays. Following chapter, refreshments were served in the dining room. Shimmering green and silver provided the backdrop for the refreshment table with its appointments of silver and anniversary napkins. A large three-tiered birthday cake formed the centerpiece. It was truly a work of art with pasted green and silver decorations, white roses and silver and white bells. A large silver "25" adorned the top of the cake. The social committee served cake and coffee. All present received a sterling silver lapel pin as a favor from the chapter.

The Sewing committee met at the home of Mary Pratt. After a a short business meeting, the afternoon was spent in sewing. Attendance prizes were won by Audry Heluth, Laura Taylor and Rychie Smell. The next meeting will be held at the Y.M.C.A.

Stated Conclave
Third Thursday

John J. Breit, E.C.

John J. Breit ..... E.C.
R.R. 2, Woodburn, Ind. 1293
George F. Gable ..... Recorder
421 E. Pontiac H-76694

As we did not have any candidates this past month the orders of the commandery were not conferred. However, we did have two rehearsals on the Order of the Temple and the Drill Corps has been drilling every Tuesday night.

The drill meetings have been well attended and the Sir Knights are making good progress in learning the fundamentals of drilling and also several of the drill movements. However, we can still use more men in the line and if any of the Sir Knights are interested in participating in the drill, come to the Commandery Room on the 5th floor of the Temple on Tuesday evening about 7:30 and the commandant will find room for you.

As a further incentive, the drill corps is working on a plan whereby attendance at drill meetings and other affairs of the Commandery, that require the assistance of the drill corps members will be rewarded with a badge or emblem at the end of the year. To receive this award it will be necessary for the Knight to receive a certain per cent of the total of all points given for drilling and participating in the affairs of the Commandery. Additional awards will be given for the next three years to those receiving the necessary points. The plan for this award is not fully completed at this writing but will be in the near future. Attend the drill corps meetings and learn more of this plan and at the same time have a good time along with the rest of the boys.

We will have a petition to ballot upon at the February Conclave and some to present to be balloted upon in March. In view of this fact, and if things go as planned, the Commandery will be working every Thursday night from now until the stated Conclave in April.

The officers need you to assist in conferring the Orders. Even if you do not actually take part in the work your presence will act as an inspiration to those who are taking part and they will do an even better job.

Will be looking forward to seeing you soon.

The paper drive of the Drill Corps to obtain funds to purchase new uniforms for a Drill Team to represent Fort Wayne Commandery is progressing satisfactorily. We hope that calls will increase as time passes. The committee has been increased in size and now consists of JAMES P. JOHNSTON Phone H-1362; EARL LYMAN Phone H-55334; GREY I. WAGNER Phone A-9337; DAN A. NEIBEL Phone H-59204; PAUL R. HUTH Phone H-91123; PAUL H. GOLDSMITH Phone A-59262; DON K. THRASHER Phone E-4316, and DALE W. STEWARD Phone E-69561 or E-4937.

The committee would like to have all Sir Knights and their friends who donate their paper to tie it into bundles to facilitate handling; however do not hesitate to call if you have paper and no card or time to tie the paper in bundles as we are asking more Drill Corps members to volunteer to help with the paper drive.

Any Drill Corps or Band members who can give of their time on the second and fourth Saturdays of each month are asked to report dressed to help at the office of the Johnston Delivery Service on the corner of Murry and Clinton Streets not later than 2:00 P.M. each collection day, to help on the trucks making the pickup. Those who arrive late can be used to help unload and tie loose paper into bundles. Trucks used in making the collections are being donated by JOHNSTONS DEILVERY SERVICE, WAGNER MOTORS and DALE W. STEWARD of VENE-A-KLEEN SERVICE CO.

February was a busy and successful month in Three Rivers Lodge. We conferred the F. C. degree on three candidates as a courtesy to Concord Lodge No. 556 of Spencerville after which a light lunch was served in the kitchen. We also conferred the M.M. degree in full form on one candidate for the same lodge during the month. This was the first time some of the brothers had seen the M.M. degree in full form and they enjoyed it very much, some of them joining our Fellowcraft team in the work. On February 16th we had a very enjoyable square dance at the temple with punch and cookies served in the kitchen. On February 18th, we presented the Masonic Play, "A Rose Upon the Alter," at Paulding, Ohio. A fine dinner was served to members of the cast after which we retired to the lodge room where an overflow crowd of Masons from Indiana and Ohio, witnessed this fine play.

March also promises to be a full month. Stated meeting March 14th, with degree work to follow on succeeding Friday nights. Mark a ring on your calendar for April 26th, as this is the Spring dinner you have been waiting for. The Corinthian Club members will be our guests at this dinner, and your commitee is lining up some fine entertainment for the evening, (no dance).

Your officers are very happy with the support you have given us by your attendance. Keep on coming and bring a brother with you, each time you attend.

We wish a speedy recovery to our brothers who are sick. May you soon be able to be on the job again.

The "Ides of March" are upon us. As I write this article for March it is with high hopes that spring is just around the corner. That is probably the most important part of the month. We have had a long, cold winter and now with March comes the spring season (we hope!). Anyway, March 21st is the first day of spring and we can look forward to the flowers and trees starting to bud and the grass beginning to turn green. Old mother earth starts her spring housecleaning you might say in that she throws off the cold, dirty appearance of winter and blooms forth in all her beauty. March also ushers in the Lenten season, and it behooves us all to think of what the Lenten season means. It is emblematic of the 40 days our Saviour spent in preparation for the great sacrifice on Good Friday. As he felt that he needed spiritual strength to fulfill his destiny, so ought we all stop and renew our own mode of life. What better time to renew within ourselves a pledge to try to practice tolerance and brotherly love, and think twice before we lose our tempers. If people all over the world could only live together by these basic principles, then we would not have to hear of wars and armament races, etc. There would be no need for such acts of barbarism. We could then be proud to say that we are civilized.

The month of March is also kite flying time. It warms your heart to see the real young generation enjoy the age old sport. They have all the enthusiasm and zest of youth and care not for tomorrow. Wouldn't it be fine if we could have the wisdom of manhood and the energy of youth?

Your lodge has progressed well through the month of February. We had four brothers who received their Masonic degrees, and we have several petitions for March. We have had fine attendance all through February and are looking forward to seeing you in March. Don't forget we hope each of you will be down at least one meeting a month. Plans are being made for our Charter Night banquet. It will be held in the Temple on Monday evening, May 5. So mark this date down as a must night for attendance. More will be said in regard to it as the plans are completed.

In closing, May I say, thanks to all the brothers who have helped us get off to a flying start. We need your help in the degrees, so come down to lodge on Monday nights and get acquainted and get active. See you in lodge. Fraternally, Bill Turner.

I am grateful for the response to my message of February regarding our Fellowcraft Club. There has been plenty of much needed activity, and the Club really helped out with our large class during February.

March will not be too busy, so we can relax and get ready for our Family Night Party scheduled for Saturday, April 5. Brother Kelley and his Entertainment Committee are planning a real party. Something new for Sol D., a dinner, a short program of entertainment, and home early. You can bring the whole family and enjoy a pleasant evening. Children, under age 2, will be served dinner without charge. So, come one, come all, and enjoy this spring party.

Brother Arthur G. Rodgers underwent surgery at a Cleveland, Ohio, hospital early in February. A recent card says he is well on the way to recovery and will see us soon in Lodge. Brother True Sheets was released from Lutheran Hospital on February 19, after a short illness and will be back with us by the time this reaches print.

Our deepest sympathies to the family of Brother Herman P. Traxler who was stricken and died suddenly on February 4.

Another month is past, and we welcome you again. This coming month we are having a Lodge for instruction on the Master Mason degree. This will be held on the 20th of March at 7:30 p. m. Plan on being there. We can all learn a lot from these meetings.

Last month we had a Lodge for instruction of the Fellowcraft degree. This was enjoyed by all and we all profited very much from it.

The extensive redecorating program undertaken by the Eastern Stars is rapidly being completed. This consisted of painting the walls and woodwork of the lodge room, papering the dining room walls and re-conditioning the windows and hanging new drapes. We urge all of the brethren to attend lodge and enjoy these improvements.

Brother "Dune" Van Zile has purchased and assumed active management of the former Canary Inn, now Van's Cafe, located across the street from the lodge hall. This gives promise of many impromptu get-togethers after lodge meetings.

This is all the news turned in this month. We would still appreciate any news items of interest to the craft.

WHAT THE WORLD SHOULD SEE

A Mason who lives up to the teachings of the ritual and the monitor will be a man without reproach, not only among his brethren, but among his neighbors who do not know Masonry.

He will be noted as an examplary citizen in all relations.

He may not be a member of any church, he may not profess faith in any particular creed, but he must profess faith and trust in God.

He will deal honorably, justly and generously with his neighbors.

He will be true to his family, and if need be sacrifice every personal and selfish gratification that he may the better protect and provide in every way for those dependent upon him.

He will be careful in his business dealings and always make his word and his bond of equal value in the estimation of those with whom he has business connections.

He will be ever courteous and considerate of others, ready to assist as the case may require when and where assistance is needed.

The reputation of the fraternity to a greater or lesser degree is in the keeping of each member. It is within the power of every Mason to glorify or nullify the institution. The public never reads Masonic books nor Masonic philosophy. Its idea of the fraternity is not well defined, and the sole basis of judgment it falls back upon is the character of the men who are supposed to exemplify its teachings.

When it does not read books, it does read men.—Square and Compass, Denver.

With the coming of March we are reminded of spring and how swiftly time flies in this fast moving world of today. March also reminds us of an obligation in Masonry. That easy to forget item of payment of dues. Let us try to make our Lodge one hundred per cent on this obligation as soon as possible.

The Harlan Chapter O.E.S. has invited all Masons and their families to a family nite party to be held Saturday night, Februay 23, at the Harlan lodge hall.

Something to remember: Harlan Lodge will be host to Leo and Huntertown Lodges on April 24, 1952, for the purpose of the Grand Lecturer's inspection. This is a meeting we should all plan to attend.

On Februady 11, the Harlan Chapter, O.E.S. entertained the Past Matrons and thePast Patrons. An evening of enjoyment was spent by about 40 members.

Brother Ira Crum has been reported ill at the Veterans hospital. The Lodge wishes him a speedy recovery and we hope to see him back soon.

WHY?

In my sanctum the other day I was just thinking — just letting thoughts pass through my mind. A word, a little three-letter word, fastened itself upon my thoughts. It is a word that occurs frequently in our Ritual. We are required to answer many questions beginning with this little word "why."

These thoughts occurred to me:

Why did we petition the Masonic Institution for admission

Why did we take the several obligations?

Why do we continue to serve Masonry instead of letting others bear the burden?

Why do we travel 100, 200 or 300 miles to attend a meeting which lasts only a few hours at best?

Oh, how many times can we ask ourselves, Why?

Then another word entered my mind, one we also often hear in our Ritual—"because."

The answer to many of our questions:

Because we love Masonry.

Because we love our fellowmen.

Because we love our Lodge.

Because we love our town, our state and our nation.

So we man continue to meet, act, and

Because ours is a labor of love.

Because we love our families, our schools and our God.

May this privilege be ours until the day when the Great Architect shall intercede and raise us to that eternal Lodge where we shall meet to part no more.

Finally, let us all give thanks to our Benefactor and Protector for the many blessings bestowed upon us as men and Masons and at this holiday season may we share our blessings with others less fortunate. "Faith, Hope and Charity, and the greatest of these is Charity."

Message of Don Carpenter, Past Grand Master of Masons in Iowa.

The last date to receive petitions for the Spring Convocation will be at the April 1st stated meeting. As the class will be limited to size, we suggest that the petitions be presented at the March 18th meeting to insure membership in this spring class.

A large number of our members and their ladies enjoyed the square dooms of the Scottish Rite Cathedral and the Masonic Temple on the evening of Saturday, March 8th. The music and entertainment were furnished by the Mizpah Shrine Masquers. We are greatly indebted to Chairman Wm. H. Schwartz and his efficient committee for the good times they have provided for us at these square dances.

Your program that you will soon receive will give in detain all the information about degrees, committees and distinguished guests of the 1952 Spring Convocation of the Scottish Rite Bodies of the Valley of Fort Wayne, which will be an outstanding event in the Masonic history of this community.

ONE JOB ONLY FOR MASONRY

For more than two centuries Freemasonry, as we know it, has pursued its peaceful way alone. It has sought no public acclaim; it has asked no help from outside its circle; it has permitted the world to think what it may about its object and its works. Its best advertisement has been the fact that it does not advertise itself or its works. It has had, and today has only one reason for existence.

That job is to take the material that comes to it; make good men out of that material. Everything else, our charities, all our works are incidental to that one purpose.

If Masonry does that job—if it works at it honestly, even with only a measure of efficiency, it has lived up to its purpose and fulfilled its highest ideals.—Master Mason San Diego.

MASONIC MONUMENT WORLD'S HIGHEST

What is said to be the tallest monument of its kind in the world was erected by the Grand Lodge of Texas to commemorate the battle of San Jacinto, which gave Texas her freedom from Mexican rule. It is known as the San Jacinto Masonic Memorial, and is 570 feet and four inches tall. The monument is in the form of a Corinthian pillar surmounted by a figure of Gen, Sam Houston. One gets an idea of the great height of this monument when it is compared to the city hall tower in Milwaukee, which it 350 feet high exclusive of the flag pole which adds another 40 feet. The San Jacinto Masonic Memorial is also a museum in which are preserved many interesting exhibits pertaining to the early history of Texas. —Wisconsin Freemason.

Job's Daughters' activities for 1952 are really in full swing now.

On February 19th we held initiation for fourteen girls, Judy Osborne, Norma Jean Scharlach, Mary Wilkens, Janice Thomas, Faye Ann Mathison, Marilyn Tennant, Carol Ann Stiegler, Sandra Bell, Judy Emmerson, Geraldine Waters, Charlene Cook, Mary Cook, Betty Kintz, and Mary Ryan.

At our last meeting we honored our parents with Mom's and Dad's night. During the program each Job's Daughter proudly introduced her Mom and Dad; every parent was presented with a small gift. Following the meeting our honored guests were entertained by an old fashioned minstrel show.

The cast of the minstrel show was: Interlocuter, Barbara Bogenschutz; Mr. Bones, Sharon Simmers; Mr. Jones, Margaret Rohr; Rosie Riddle, Hope Thimler; Peter Hoehandle, Phyllis Williams; Parson Brown, Janet Schook; Twirling Tessie, Enecya Bickle; Accordion Annie, Beverly Custance; Singing Susie, Phyllis Voltz; Can-Can Cutie, Donna Jean Rabel; The Brown Sisters, Betti Briggs, Phyllis Voltz, Barbara Hursh, Virginia Vosburgh, Ellen Anderson, Janet Boltz, Carol Timma, Sharon Earl, Judy Goller.

We had given the minstrel show twice previously for Eastern Star Chapters, first for Trinity and then for Shiloh. Mrs. Simmers has been in charge of the show. I want to thank her for her hard work and patience in its behalf. We've surely had a good time with it.

The hard working committee in charge of Moms' and Dads' night was Sandra Ballard, chairman; Nancy Waters, Carolyn Schell, and Margaret Schell. The committee decorated the room by placing two large and very unique negro faces on the front curtain. Above the heads were the names "Mammy" and "Pappy". They really did a splendid job.

Plans for our annual square dance are now well under way. It will be held on March 29th in the Scottish Rite Ballroom. Ticket Chairmen are: General Chairman, Carol Schneider; Central, Mary Breece; North Side, Carol Noll; South Side, Enecya Bickle; Elmhurst, Sue Turner; Grade Schools, Sharon Simmers. Tickets may be obtained from the chairmen and many other girls. Let's all come out and make this year's square dance the biggest success ever.

You might also start planning for our skating party which will be held on April 21st at the Roller Dome.

Our next meeting has been changed from a stated meeting to initiation. This change was necessary as a result of the change of our inspection date from April 29th to June 4th.

Our April Fools Day meeting will be one you'll not want to miss. We are going to have a backwards party at this time. Every girl is required to come wearing her clothes backwards, otherwise she will have to pay an "enif."

"The sands of Time flow rapidly through the hour glass of Destiny, and we stand at the close of another year which has given us a wonderful opportunity to prove to others that our work means the building of a Temple of Service, Charity and Lovingkindness.

This year of years will remain one of the brightest pages in my book of Memory. As the curtain is lowered upon my administration, I wish to express my appreciation to all of you for your loyalty and friendship. May blessings, rich and abundant, be yours." Your Worthy Matron, Florence Wolverton.

With the month of February we realized that the end of another year was fast approaching. February 4th the new members of the past year, several of the officers and several other members met at the Y.W.C.A. for a dinner meeting. Sisters Mabel Filley and Faye Wake were co-chairmen. Our Worthy Matron gave as her message how the Order of Eastern Star originated. The Square Dance Set of which Mable Filley and her husband are members entertained with their dancing.

The Points Party was held on the Mezzanine, February 19th when all of the officers and members of the various committees meet together for an evening of good fellowship to honor our Worthy Matron Sister Florence Wolverton and our Worthy Patron Brother Floid Brake. Sister Florence's husband Abner and Brother Floid's daughter, Sister Margaret Whittenberger escorted them to the honor table. Following dessert and coffee Sister Florence was presented a pair of mahogany end tables and to Brother Floid a pair of book ends and a gold sigarette case with the Masonic emblem. The entertainment committee presented a mock wedding with the following taking part: Minister, Wilbur Stocks; bridegroom, Emmet Young; bride, Walter Craig; mother of the bride, Walter Felger; father of the bride, Harold Hart; best man, John Thomas; brides maid, Owen Overly.

We all enjoyed the program given by the Choir after the stated meeting, February 28th. The North West Section of the Social committee served refreshments after the program.

The six sections of the Social Committee will have a dinner party at the Y.W.C.A. Tuesday, March 4, at 6:30 p. m. Velma Roush and Lillybelle Michelfelder are serving as co-chairmen of arrangements. The decorations are being planned by Evelyn Heine and Jeanette Droege.

The Choir will have a dinner party in the Ships Cabin at the Y.M.C.A. Monday, March 17, at 6:30 P. M.

The Registration Committee will have a dinner party Thursday evening, March 20, at 6:30 P. M. at the home of Geraldine Ault, 3021 Webster St.

The Sunshine Committee will have a dinner party at the Y.W.C.A. at 12:30 for a dinner party.

The Reserve are having an end of the year party, the time and place to be announced.

Election of Officers will be held at the stated meeting, March 13. There will be a stated meeting, March 27 and Saturday evening, March 29 will be the installation of our new group of officers.

Congratulations to all the new officers for their superb job of conferring the initiatory degree. In addition to the fine job done by the officers, the choir composed of Bob Montgomery, Ken Goshert, Dean Armstrong, Paul Lewark, Bruce Gosney, Chas. Seng, Ralph Burch put on the finishing touches. Solos were sung by Ralph Burch, Bruce Gosney and Chas. Seng, while the accompaniment was taken care of by Mike Brutton. "Thanks" are certainly in order to Walt McCall for devoting his time and interest in leading the choir.

Incidently, Walt would certainly be glad to have some more boys in the choir, so any of you fellows that would like to sing, be sure to let us know. Let us get back of Walt and show him we do appreciate his efforts.

It was nice to see the Chapter room full for the degree, in addition to the DeMolays present, there were over twenty Masons present, most of them were fathers of candidates. Among the Masons present were Judge Paul G. Jasper, Active Member of the Grand Council of the Northern District of Indiana; Byard Smith, President of the Advisory Council of DeMolay, both made appropriate remarks.

On March 11th there will be a stated meeting and refreshments will be served.

IMPORTANT! Remember Church Sunday, March 16th. We will go to the Plymouth Congregational Church, corner of Fairfield and Berry—meet in the narthex of church at 10 a. m. PROMPT. Let us make this the most successful Church Sunday we have ever had. At our last Church Sunday there were over 100 boys in attendance and we met at the First Presbyterian Church.

On March 25th the Initiatory Degree will be given to 14 candidates. This will make a total of 92 who have received the degree so far this year.

On April 8th, the DeMolay Degree and Flower Ceremony will be conferred on 42 candidates.

DeMolay wants to thank the Masons for their attendance at our Ritualistic work and also for furnishing us with candidates, as a larger per cent of our new members are sons of Masons. We will welcome more candidates as we wish to continue our fine outstanding record, as we rank exceptionally high in the 1667 Chapters of DeMolay.

MOTHERS CIRCLE — The Mothers Circle had their annual Tea in the Chapter Room on February 20th for the mothers of the new members. There were over 60 in attendance and many joined the Circle, which now has a membership of 107 mothers.

The Circle met at the home of Mrs. Paul Wolf with Mrs. Lyle Dougherty, Mrs. Alice Fleck, Mrs. Warren Jackson, Mrs. W. N. Klingler, Mrs. Dave Lansky, Mrs. W. J. Pomp, Mrs. True Sheets and Mrs. M. Winefer as assisting hostesses. There were 60 mothers in attendance and all enjoyed a lovely evening. The next meeting will be held March 24th with Mrs. Miles Baker as hostess, assisted by Mrs. Guy Allread, Mrs. Ludwig Belbutoski, Mrs. Lloyd Harshman, Mrs. Chas. McCormick, Mrs. Fred Shappell, Mrs. Frank S. Smith, Mrs. Paul Stevenson and Mrs. Albert Walda.

The new officers of the DeMolay Mothers Circle are: President, Mrs. Roger Stroble; Vice President, Mrs. R. G. Strobel; Secretary, Mrs. J. Beckstein; Treasurer, Mrs. D. Corbitt; Corresponding Secretary, Mrs. True Sheets; Chaplain, Mrs. H. Burch; Flower Chairman, Mrs. G. Arnette.

Every member of the two casts should make every effort to attend all rehearsals and be on time. One or two members coming in late can delay the rehearsals and inconvenience the rest of the cast.

Attention, Ladies! Is your husband a Knight Templar? If so, let us give you a petition for the Social Order of Beauceant. If not, talk him into becoming a Sir Knight.

At our second meeting in March we will exemplify the initiatory work.

Our Worthy President and her committee, Marie Thompson, Inez Thrasher, Helen Brecount and others served refreshments for the Drill Team at its square dance. It was a most enjoyable evening, and they are sponsoring another square, April 18. Tell all your friends and tickets will be available soon.

Come to assembly the first and third Tuesdays. We need your help. Also sugestions for a good project to raise money for our robes. We would like very much to have them for our annual inspection when our Supreme Worthy President will be here.

Let us keep encouraging our Sir Knights to go to drill on Tuesday nights and other nights if they decide it is necessary.

The committees are:

Executive: Willadean Todd, Genevieve Wagner, Emma Schell.

Paraphenalia: Inez Thrasher, Lelah Evans, Thelma Adams.

Examining: Lillian White, Wanda Rippe, Elsie Ashton.

The Convocation for Scottish Rite Masons in the Fort Wayne Valley is only a few days away, and all the members are looking forward to a reunion with their Brethren. An opportunity to renew old acquaintances, to meet again with those who were in our own classes, and to greet the new Brethren will be afforded.

As you know, a real program has been arranged for the edification of the craft and for the benefit of the brethren.

Degree work rehearsals have been going on for some time and we trust the exemplification of the Council Degrees will be both satisfying and instructve.

The last month has held a lot of good times for the Job's Daughters. We initiated tleven girls on March 18th. They were Carolyn Howenstine, Lydia Martindale, Elizabeth Shaffer, Carol Ice, Carolyn Johnson, Carole Beeler, Sharon Myers, Nancy Baker, Norma Jacobs and Diane Roe. The committee in charge of this meeting was Barbara Hursh, chairman; Janice Thomas and Marlene Masel. You were swell, girls! Thanks a lot.

Our April Fools Day meeting was a big success, too. Following the meeting we held a backwards party. The girls came wearing their clothes backwards. A prize was given to the most original costume. The program consisted of backward relay races. Prizes were given to the winning team. The room was decorated with comic backward figures. The thanks for our good time go to the committee of Linda Schmidt, chairman; Judy Garmann, Sharon Tew and Sandra Cain.

We had a really wonderful time at our annual square dance on March 29th. I want to thank the square dance committee that did such a wonderful job handling both the tickets and decorations. The committee was Carol Schnieder, chairman; Carol Noll, Mary Breece, Eneyce Bickel, Sue Turner and Sharon Simmers.

A good many Job's Daughters attended a very lovely formal dance at Huntertown on March 14th. The dance was given by the Huntertown Bethel, and they issued our Bethel an invitation. We had a wonderful time on this evening also.

I'm looking forward to having a big group present for my Church Sunday, girls. This will be on April 20th at West Creighton Avenue Christian Church. The service will start at 10:30 a. m. Bring your whole family to help observe this day.

You'll also want to be sure to attend our skating party on April 21st at the Roller Dome. Tickets will be available from officers and many members.

I hope that everyone knows that our April 15th meeting was cancelled because of the Scottish Rite convocation, and our next meeting will be May 6th, when we will have past guardians, associate guardians and queens night.

I'm looking forward to seeing every one of you at our future meetings and activities. And to those who haven't been in regular attendance lately, won't you come down and join our good times? We would like very much to have you.
—Margaret Rohr.

April is the month of sunshine and Easter. Easter Sunday, the day set aside to commemorate the Rising of Our Lord from the Grave. He arose from the grave to make a place in Heaven for us.

Each of us should takeinventory of our stock, making sure that our Temple has been built of the best material.

We of the Masonic Fraternity, must live the Temple we build as our every move is watched by those outside, whose only hope is to tear us down at the slightest mis-step.

The lessons taught in our many ritual lectures contain all the material on which to build a righteous life.

Companions, let us each one talk to a Brother and get his petition for the York Rite degree.

The officers have been meeting and practicing the various degrees this month.

The end-of-the-year parties announced in the March issue of the Square & Compass are now memories. Each party was well attended and the chairman, co-chairman and hostess of each committee is very deserving of a big and hearty thank you. They did a nice job. Next important date to remember is the installation on April 5 at 8 p. m. Then A. R. M. Georgia Garrett and A. R. P. Elmer Chalfant will assume their new duties for the coming year. Congratulations, R. M. Georgia and A. P. Elmer, and to all the new officers we wish a very successful year.

Court meeting, Friday, April 11, 8 p. m. Be there and greet other new officers. In the month of April comes the rains that make the trees and grasses green, grow the flowers fair. It seems to wash the dusty air, and freshen everything, and with it—Easter!

This is our creed: That God's own Son was sent on earth to pay —the price of our salvation, and to show lost souls the Way—buying our redemption on the cross of Calvary—making out the path of wisdom, peace and charity.

This is our faith: That Mary found an empty sepulchre—and as she wept in sorrow, there the Lord appeared to her — He the Christ had risen in the quiet morning hour. He the King of Light and Life had broken Death's dark power.

This is Eastertide, the Resurrection Day. He has proved the final truth of immortality. Love survives the change called Death. Love lives eternally.

SYMBOLS

The Masonic term, Cable-tow was derived from the Hebrew word "Kla-Ble-Tu," his pledge (see Ezekiel 18:7). In the ancient Mysteries the initiate was invested with a sacred sash. It consisted of a cord of three time three strands twisted together and fastened together at the ends.

The rite of Circumambulation was a prominent feature of the ceremonies of the Mysteries. It was in imitation of the apparent course of the sun from East to West by way of the South.

The apron was worn by the Kings, Priests and Scribes of Egypt. It is frequently found on Egyptian monuments.

The twenty-four inch gauge was an Egyptian implement for measuring; it was also an emblem of a day divided into three parts—for labor, refreshments and reflection and sleep.

It was the practice of the Egyptians to build their temples facing the East, and lay the cornerstone at the northeast corner. It is said the cornerstone of King Solomon's Temple was laid in the northeast corner.

The form of the Masonic Lodge is copied from the Tabernacle; and the Tabernacle was copied by Moses from the Egyptian temples.

The square originated in Egypt, its form being suggested by the division of a circle into four equal parts by lines drawn at right angles to each other. It was the Egyptian land measure, and it also became an emblem of justice, because by its aid the boundaries of land that were in dispute were adjusted and determined.

The compasses originated in China more than 4,000 years ago. One of the oldest words in the Chinese language is literally "square and compasses."

One of the principal symbols of the ancient Mysteries was a ladder of seven rounds, the steps being colored so as to represent the seven planetary spheres. The mystic ladder leads to the "seven stars," of Pleiades, at the golden gate of spring and thence outward and upward to the Royal Arch of Heaven.

The mosiac pavement was originally used as flooring in Egyptian temples. It represented the variegated face of the earth.

The ancients used the "point within the Circle" to represent the earth, around which the sun appears to revolve annually. The parallel lines are the Tropics of Cancer and Capricorn. These two lines are erroneously placed in a vertical instead of a horizonal position.

The triangle is the true symbol of the Masonic science, Geometry. It is the same in form as the ancient Egyptian D. The triangle with a Jod in the center was one of the original symbols of Masonry, but finally the explanation of this symbol was lost, and the initial of the English word "God" took its place.

The ancient Egyptians emblematically represented the sun god Osiris, by the figure of an open eye, emblematic of the sun, the All-Seeing Eye of Masonry.

The hour glass was one of the sacred astronomical emblems of the Egyptians.

Our chief emblems came originally from Egypt. In all the legends of Freemasonry, the line of descent leads with unerring accuracy back to the Orient. Documentary evidence, Craft Symbolism, and oral traditions alike take us back to Egypt and the East.—The Sandusky Masonic Bulletin.

ENGLAND'S GRAND MASTER INSTALLED

In London, England, on November 8th, 1951, at a meeting in Royal Albert Hall, about 7,000 Masons, including delegates from Canada and the United States, were present at the installation of the Earl of Scarborough as Grand Master of the United Lodge of Free and Accepted Masons of England. This ceremony was to have been conducted by King George VI, who is a past Master, but his illness prevented his participation; therefore, the Earl of Derby, Deputy Grand Master, officiated. The Earl of Scarborough succeeds the Duke of Devonshire in this high Masonic position.

The Earl of Scarborough, a Mason for the past 30 years is a Past District Grand Master of Bombay.

A member of Parliment of 14 years, representing Kingston-on-Hull from 1922 to 1929 and York from 1931 to 1937, he served as Governor of Bombay from 1937 to 1493.

He was appointed Deputy Grand Master in September, 1947, and installed in April, 1948.

Born in 1896, Lord Scarborough was educated at Eton, Oxford and the Royal Military Academy. A veteran of both World Wars, he served with the 11th Hussars from 1916 to 1918 and the Yorkshire Dragoons from 1921 to 1937. In World War II he attained the rank of Major-General.—Canada's Freemason.

Another month has passed and I am pleased to state that we conferred the two beautiful and enlightening cryptic degrees on three more petitioners. Because of absence in the line it was neccessary to use substitutes and they very capably upheld the tradition of performing the duties of their office. Again, many thanks to you, and I am sorry that there were not more in attendance to enjoy it. Also, our Steward served refreshments, which we all enjoyed. Better come next time and see what I mean. Stated Assembly only in April, Wednesday, April 16, but probably degree work again in May.

I am very sorry to announce that because of suspension in the Chapter for non-payment of dues, it was necessary, according to Grand Council Regulations, to declare these same Companions suspended in the Council. Won't those of you who have lost these rights and privileges please pay the dues in arrears and petition for reinstatement? We are so sorry to lose you. It may have been an oversight on your part.

THE STS. JOHN

St. John the Baptist was a stern and just man; intolerant of shame, of pretense, of weakness; a man of strength and fire, uncompromising with evil or expediency, and yet withal courageous, humble, sincere, magnanimous. A character at once heroic and of rugged nobility; of him the Great Light says: "Among them that are born of woman, there hath not arisen a greater than John the Baptist."

Of St. John the Evangelist a thousand books have been written, and student has vied with minister, teacher with historian, to find words fitly to describe his character. St. John the Evangelist is recognized the world over as the apostle of love and light, the bringer of comfort to the grief ridden, of courage to the weak, of help to the helpless, of strength for the falling.

We do not know just when, or just how, Freemasonry adopted the Sts. John. Their "days" are the Christian adaptation of pagan festivals of a time when man worshipped the sun as the supreme god. So when we celebrate our festival days on June 24 and December 27, we walk eye to eye and step by step with ancient ancestors, worshipping as they worshipped, giving thanks as they did; they to the only god they knew of the glory of summer, the beginning of the period when days lengthened; we to the G.A.O.T.U., that our gentle Craft took for its own austere but loving characters of two among the greatest of the saintly men who have taught of the Father of all mankind.—From The Short Talk Bulletin,—M S A

The Huntertown Craft has been very active this past month, having put on two entered apprentice nights, and one fellowcraft night. The next month is equally busy. The boys have been doing some excellent work and it will do you good to come out and help them, they will appreciate it immensely.

The condition of Brother Jim Houser at the Garrett Hospital is some better at this time. He has been hospitalized since his automobile accident in Fort Wayne last month. He underwent surgery March 15, for an injury to his back and is some better since then. Our best wishes for your complete recovery Jim.

Our Job's Daughters are still keeping very active, and are looking forward to the months ahead. Besides their regular work they are planning for their inspection and banquet on May 23rd. Keep up the good work girls. Their formal dance was well attended and they may well look ahead to another such evening.

For our thought this Easter season I would like to present this thought for your meditation. We often speak of our future and plan for some sort of security. Do you take time to think just what you are doing to bring about the type of future you want. Nobody ever quite realizes how his life is being woven day by day out of thousands of invisible threads. But every influence, act and thought are shaping that life and also forming the future. The commonplace present is seldom noticed because of the prospects of a rosy future or by the dreaming of the past, and hoping for some wonderful thing that may happen to us. Yet all the time, in spite of us, the future is being made out of the present, and that future will be of exactly the same substance we are weaving into our everyday threads of life. "And in age we may reflect on a well spent life."

March 5th we boys of the Lodge had the great pleasure of seeing the Masonic play, "Greater Love Hath No Man," put on by Decatur Lodge 511. We all know from whence the title of this ploy came. It brought home to each and every one of us dramatically the lesson Christ has given us.

Brothers —J. B. Marquardt and G. C. Gilbert, who have been on the sick list, are on the road to recovery. Please accept my apology for having failed to sse you during your illness.

We would also like to say hello to Brothers Roger Neimeyer and Gail Stephenson, who are now serving Uncle Sam in the armed services. A letter from you boys would be real welcome.

The regular meeting of March 19th we had the pleasure of having with us Brice Counterman, Master of Poe Lodge 298. Several questions of educational value were discussed and his comments were greatly appreciated.

There are many fine bits of Masonic information in the Square & Compass, and I hope you brothers get as much pleasure from it as I do. Melvin Fuelling.

I am indeed grateful for the very wonderful turnout at the last practice of the fellowcraft team. I was particularly impressed by the fact that a number of brothers who have only recently become Master Masons were so very willing and eager to assist in exemplifying the degrees. It is enthusiasm such as this that surely helps to make our Lodge a better lodge.

During the month of March we had four brothers who received the Masonic degrees.

We are looking forward I am sure to the 29th, when we will honor our Past Masters at a dinner. Let's all attend and make it a huge success.

Then, too. don't forget to circle May 30th on your calendar. On that day we will enjoy an Early Bird Breakfast of ham and eggs after conferring the Master Mason degree on a candidate.

Brother James Lucas has recently undergone surgery, and I am sure will be back with us by the time this reaches print.

Our sympathy is extended to the families of Brother Charles McKinney, who died on February 29, and Brother Lacy Shore, who passed away March 4th. Scottish Rite services were conducted for Brother Shore.

For the next few weeks Fort Wayne Chapter is experiencing a spring vacation. No petitions were voted on at our March stated convocation, nor were any new petitions presented, so it looks like we will be "dark" until after the stated convocation in May. We must all work a little harder to get our Master Mason friends started through York Rite. Just look how busy we would be if each Royal Arch Mason would bring in only one new petition a year. Don't sit idly by waiting for someone else to bring in petitions. Your friend will probably join if you ask him.

On Saturday evening, May 3rd, Fort Wayne Chapter is sponsoring a Past High Priests' Night, with a dinner starting promptly at 6:30 p. m. During the dinner hour we will be entertained with music, furnished by Pote's Little Symphony. After dinner the former heads of our Chapter will be recognized and we will be entertained further by a very reputable York Rite speaker. This promises to be a very enjoyable evening, and we hope you all can be there. The tickets are $1.00 and we hope to have each Chapter member buy two tickets and bring a Master Mason guest. Here is a real opportunity to get a lot of men acquainted with our work. The women of the Beaucceant are going to prepare and serve this meal, so you Sir Knights of Fort Wayne Commandery No. 4 will have additional reasons to be with us.

The committee in charge of this affair consists of Companions Thomas Cannon, chairman; Laurance Miller and Arthur Waldo. Be sure to see one of these men for tickets, or you may buy them from any of your Chapter officers or from Henry Hoffman at the cigar counter. All men attending this program will be given a free copy of a booklet recently published by the York Rite Association of Indiana, and which briefly explains York Rite to our less informed brethren.

May we all stimulate the growth of the York Rite by bringing a guest to the Temple on Saturday, May 3rd, The program will start promptly at 6:30.

THE ALTAR

The position of the altar in a Masonic lidge is by no means accidental, but is very significant. It is a symbol of what Masonry teaches the altar should be in actual life, a center of union and fellowship and not a canse of division, for Masonry is neither a religion nor a sect, but a worship in which all men may unite. It does not attempt to explain or dogmatically settle those issues by which men are so frequently divided.—Square & Compass.

Those of you who were unable to attend the Family Party on April 5th really missed a wonderful evening. The dinner was excellent and the entertainment was of the highest quality. Brother Kelley and his committee are to be congratulated for an outstanding job.

Early next month your Master and Wardens will journey to Indianapolis to attend the annual session of Grand Lodge. It is at this meeting that the problems of Freemasonry in Indiana are discussed, and the solutions arrived at. It is my duty, as your representative, to carry your requests and problems to the Grand Lodge meeting and bring back answers. If you have any such questions, problems or requests, they should be in may hands by the stated meet- of May.

On Wednesday, April 23rd, Sol D. Bayless Lodge will hake part in an inspection by our Grand Lecturer, Brother Lenic Firestine. We will receive instructions on the Entered Apprentice Degree by observing the inspection of Maumee Lodge. I hope that many of you can attend, since these meetings are the source of authentic Masonic knowledge.

I find it necessary to again solicit your help in the matter of reports from the sick. Brother Glen Magner suffered a broken leg on January 16th, and it did not come to our attention until March 12th. So, please brethren, get those reports to us as soon as possible. Brother Leonard Kinley is confined to his home by illness, and to him we wish a speedy recovery.

Our sincere sympathies to the fomily of Brother Joe Allen Barber, who was taken from our midst on March 13th.

"A good name is better than precious ointment; and the day of death than the day of one's birth.

It is better to go to the house of mourning than to go to the house of feasting; for that is the end of all men; and the living will lay it to his heart.

Sorrow is better than laughter; for by the sadness of the countenance the heart is made better.

The heart of the wise man is in the house of mourning; but the heart of fools is in the house of mirth.

It is better to hear the rebuke of the wise, than for a man to hear the song of fools.

For as the crackling of thorns under a pot, so is the laughter of the fool; this also is vanity.

Surely oppression maketh a wise man mad; and a gift destroyeth the heart.

Better is the end of a thing than the beginning thereof; and the patient in spirit is better than the proud in spirit.

Be not hasty in thy spirit to be angry; for anger resteth in the bosom of fools.

Say not thou, What is the cause that the former days were better than these for thou dost not enquire wisely concerning this.

Wisdom is good with the inheritance; and by it there is profit to them that see the sun.

For wisdom is a defense; and money is a defense; but the excellency of knowledge is, that wisdom giveth life to them that have it.

Consider the work of God; for who can make that straight, which he hath made crooked?

—Ecclesiastes 7: 1-13

The past month has been a busy one. We have had good attendance, which is good, both for the lodge and the candidates. Good attendance creates good fellowship. Come and spend an enjoyable evening with us.

At our stated meeting we had ten petitions. That means a big class for the month of Auril. If you can come up and help us with the degrees. We will need all we can get and it will be greatly appreciated.

We have on our sick list Brothers Joseph J. Stier, Willard Byers, Fred Peters, Elmer H. Ross, Ralph J. Lullen and Ralph Masterson. We are wishing you all a speedy recovery and a return to lodge.

If any of the brethren can make a call on these sick brothers, I am sure it will be greatly appreciated. You might be in the same situation sometime yourself, and you would like for someone to come and see you. It is your duty.

Our sympathy goes to the family of Carl W. Bowen. Brother Bowen was an affiliated Past Master. His counsel and advice will be greatly missed. Brother Bowen was one you could always count on when you needed help. He was a great ritualist and his work in the lodge was always very impressive.

The Fellowcraft Club elected Brother Ivan R. Osterman, president; Theron F. Twigg, vice president; and Paul H. Goldsmith foreman. Brother Clarence H. Jacobs, 3602 S. Hanna street, has been appointed chaplain.

On March 26, we honored our Charter Members with a banquet. The speaker, James K. Eyer, had a message both timely and good. He certainly gave us something to think about, and we as Masons should well remember his warning.

IRISH MASONRY

By Burl E. Taylor

Irish Lodges conduct their business in the EA degree; however, to hold office a member must have attained the MM degree.

The ritual and the method of their work differs somewhat from that used in the United States except that Pennsylvania uses a ritual practically identical with Ireland, which has no such bodies as Shrine, the Grotto or Masonic clubs or similar groups basing their membership on that of being a Master Mason. The jurisdiction of Pennsylvania does not confer any courtesy degrees and by the same token asks none.

The Irish Grand Lodge provides for the chartering of military lodges, which cannot initiate any civilian in any part of the British Dominion if there is a lawfully constituted civilian lodge within ten miles of the place where the civilian resides or where the military lodge meets. On the other hand, no civilian lodge can initiate any enlisted man if there is a military lodge in the regiment or garrison to which the man belongs.

A candidate for the Royal Arch degrees must have been a Master Mason for six months, except in the case of military or naval brethren, when one month is deemed sufficient. The Cryptic degrees are not worked in that country.—The Oklahoma Mason.

My Brethren: At our stated meeting in April another 50-year award of Gold was presented to Brother William Robinson, who had the distinct and rare privilege of enjoying Masonry for half a century. This presentation was made in behalf of the Grand Master by our Right Worshipful Junior Grand Warden, Brother Elmer E. Forks, who performed this ceremony in a most impressive manner.

In the last six months Summit City Lodge has been honored to have had six of its members become eligible to receive this token of loyal service to the fraternity; it is of inestimable worth because of what it represents. To qualify for this gift from the Grand Lodge a brother must have been a devoted Mason. Without the slightest doubt Brothers Forest Arney, Clinton Hollopeter, August Koehn, Charles Lyons, William Robinson and Samuel Shive were duly qualified because, as their Masonic records show, they could not have remained such faithful members for so long a period of time were Masonry not in their hearts and their hearts not with their lodge. It has been well said: "Happy for us if the grace of God enables us to live so that we retain the innocency and freshness of character down to old age." This, it seems to us, they have done. It is also an added satisfaction to have it recognized by the Grand Lodge by giving them the right to wear this button that all may see the honor to which they are entitled. We believe it will be a never-ending reminder of the Craft of Freemasonry which they have loved and which, in turn, has loved them. Finally, I wish to assure them I speak from the heart of this lodge and all of its members when I wish them many, many years of health and happiness to enjoy its wearing.

The arrangements for the visitation of Walter French Lodge of Lansing, Mich., are progressing and shaping up in a very fine manner. Note carefully the date—SATURDAY, MAY 17th. You will have an opportunity of witnessing an interesting and excellent exemplification of the Fellowcraft degree. The manner in which Walter French Lodge performs this ceremony is complete in every respect. It has drama, color, showmanship and will be worthwhile to every Mason. The afternoon session will begin at approximately 3:00 Saturday afternoon with Summit City Lodge conferring the Fellowcraft degree according to the Indiana version. Dinner will be served in the Masonic dining hall at 6:30, after which Walter French Lodge will take charge of the degree, using the Michigan version. The dinner tickets will be $1.00 per plate and may be obtained from any officer or from the cigar counter in the social room of the temple. The deadline for purchasing tickets will be May 10th. During our visit with Walter French Lodge last fall they had 25 different masters present representing various Blue Lodges throughout their state, and over 100 guests besides your lodge. Because of their warm hospitality, the many courtesies shown us, and their excellent turnout at our visit, I hope that each member will take the responsibility of assisting the officers of your lodge in helping to make their visit with us an enjoyable as ours was with them. Pass this information on to your Masonic friends and welcome them to attend this affair with you, however be sure that tickets for the dinner are purchased as soon as possible to insure your reservations. If it is impossible to attend the dinner you may still witness the Michigan work which will begin at eight o'clock in the Auditorium of the Temple.

Brother Lenis N. Firestine, the Grand Lecturer, will hold a Lodge of Instruction for Summit City Lodge Tuesday, April 22nd, at 7 o'clock P. M. All members are invited to attend this session and to bring to him any Masonic questions that they would like to have answered.

We wish to extend our sincere thanks to the Scottish Rite for the George Washington Ball, and to the Shrine for the Mizpah Band concert which they sponsored for the benefit of all Blue Lodge Masons, their ladies and families. Both of these affairs were well attended, and all enjoyed some very fine entertainment.

Remember brothers I urge you to attend lodge whenever poshible.

PENNSYLVANIA

The Grand Lodge of Pennsylvania has exclusive control over the degrees of Past Master. At one time the Royal Arch body in the state had to obtain permission from the Grand Lodge to confer that degree in its Chapters.

Plans for the "pot luck" dinner were discussed, and also plans to have their own baby cards made up were discussed. Cherry pie, ice cream and coffee were served and after the luncheon the rest of the evening was spent trying to recognize each other from baby pictures, which proved to be quite a job. Scottish Rite Cathedral . A-6495

For three years (six convocations) I have been telling you of the progress your consistory has been making in the improvement of degree work, and in the long-term goal of establishing alternate casts. Now, close to the end of my term, I am happy to report that both of these goals are closer to attainment than ever before. Most of the principal characters are protected by two men—in another year, you should see the establishment of two casts for each degree of the consistory. The consistory has more new men in degree work than ever before.

Our convocation is just a step away—all arrangements and plans have been completed to make this the best of them all. Not only will you witness four interesting and impressive degrees in the Consistory, but our banquet program is one that will interest all members of Fort Wayne Valley. The Sov. Gr. Commander Ill. Melvin M. Johnson, 33°, will be the principal speaker while our new deputy, Ill. W. Henry Roberts, 33°, and the Grand Master of Indiana, Ill. Oswald A. Tislow, 33°, will also have a few remarks to offer.

If you can't get away from your job in the daytime, let me urge you to attend Tuesday, Wednesday and Thursday night programs. And April 1 is the last date to present petitions for this class. Don't delay—do it now.

Stated Conclave
Third Thursday

John J. Breit, E.C.

John J. Breit ..... E.C.
R.R. 2, Woodburn, Ind. 1293
George F. Gable ..... Recorder
421 E. Pontiac H-76694

The Orders of the Commandery were conferred upon two candidates this past month. They received the Order of Malta at Columbia City Commandery. Their Prior was sick and they requested that we send someone over to fill the station. Columbia City did an excellent job of conferring the work and your Commander enjoyed filling the Prior's station and working with them.

Seven petitions were received at the February Conclave and will be voted upon in March. Unless circumstances require a change, the Order of the Red Cross will be conferred on March 27, Order of Malta on April 3 and Order of the Temple on April 10. However, due to the number of petitions we have, the date of the Order of the Temple may be changed.

The Commandery will again celebrate the Reserection of the Blessed Emmanuel with a service on Easter morning, beginning at 7:00 o'clock, in the auditorium of the Temple. This service will be under the direction of our Excellent Prelate, Eminent Sir George Winning. Breakfast will be served immediately after the service is over in the dining room and will be under the direction of Sir Knight Don Thrasher. I would like to urge all Sir Knights to attend this service and bring your family. This service is open to all Masons, their families and friends.

May this Easter time again remind us of the glorious conclusion of that hallowed sacrifice offered by the Redeemer of the world to provide a way of salvation to fallen man. Let each of us pause for a moment, at this sacred time, from our daily tasks, and meditate upon the meaning of Calvary to each of us personally. Then remembering His words and His example, so live our lives that when our course on earth is run we may hear from His lips, "Well done thou good and faithful servant."

We have received an invitation to confer the Order of Malta in full form at Van Wert, Ohio, on April 25. It has been a long time since Fort Wayne Commandery has visited at Van Wert, but we are pleased to accept their invitation and plans are being made to go there. As the details are not yet worked out they will be announced in the Commandery.

The stated conclave in April will be Thursday the 17th at 7:30 p. m.

IN MEMORIAM
ANDREW D. AGNEW
Most Eminent Grand Master
1934-1937

One of Templary's outstanding leaders, Andrew Davidson Agnew, Most Eminent Past Grand Master of the Grand Encampment of Knights Templar of the United States of America, died at his home North Lake Drive, Whitefish Bay, Wisconsin, on Thursday, December 20, 1951. Services were held at 2 p. m. Saturday at the Scottish Rite Cathedral, Milwaukee, under auspices of 33rd Degree Masons. Burial was at the Forest Home Cemetery. Sir Knight Agnew is survived by his wife, Harriet E.

He had a long and distinguished Masonic record which began in 1894, when he was raised a Master Mason in Kilbourne Lodge No. 3, F. & A.M. in the City of Milwaukee, July 16, 1894. He was created a Knights Templar in Wisconsin Commandery No. 1, K.T. of Milwaukee, November 27, 1900, and in 1909 was elected its Eminent Commander.

In 1920 Sir Knight Agnew was elected Grand Commander of the Grand Commandery Knights Templar of Wisconsin. In 1922 he was appointed Grand Warder of the Grand Encampment and successively held the offices of Grand Junior Warden, Grand Senior Warden and Grand Generalissimo.

On the death of Grand Master Harry Clay Walker in 1922, Sir Knight Agnew became Acting Grand Master, and at the San Francisco Conclave in 1934 he was elected Most Eminent Grand Master.

He received a 33rd Degree and Honorary membership in the Supreme Council at Saratoga, New York, on September 19, 1911, and was crowned an active member on September 23, 1920. In 1927 he was elected Deputy of the Supreme Council for the State of Wisconsin.

His most recent Masonic Order came in 1940 when he was elected Grand Senior General of the Red Cross of Constantine.—Grand Encampment Review.

MISSISSIPPI

Mississippi received the report of a special committee to study the advisability of establishing a Masonic Hoome for the Aged, in which it was recommended that such a home not be established, but that the outside relief plan be used instead.

In all probability when this publication is received this column is turned to first by most of brethren. We think this is especially so of the brothers living in distant places. So in the light of the above we would like to keep it interesting and enlightening. However, you who read it will probably feel like the uncle of a young preacher who had just finished his first sermon. They were on their way home and the young man wondered why his uncle had nothing to say about the sermon. Finally re could wait no longer so he said, "Well, uncle, what did you think of my sermon?" The uncle hardly knew what to say, so after some fast thinging he said, "Well, I have heard worse sermons, but dog-gone few."

We will keep you informed as to our new members and any other activity that might be of interest to you. We also invite your suggestions as to what you would like to have in this column and urge you to make your ideas or desires known to either the Secretary or the Master.

On the evening of February 23, a party was given by the Harlan Eastern Star Chapter for Masons and their families, and a very enjoyable evening was had by those present We wish at this time to thank the ladies for this very pleasant and enjoyable evening.

We have quite a lot of degree work in the next few weeks and would like to see as many attend lodge as can.

Again, let us say that any contributions to this column will be warmly welcomed.

Brother Southgater: "April Showers Bring May Flowers." As the month of April rolls around, I hope in one respect the above adage does not hold true. It seems that the old groundhog knew his weather forecasting, as March was a blustering, cold and rainy month. With the month of April comes the Easter season and all the thoughts of new bonnets for the ladies and new togs for the rest of the family. I sincerely hope you all have the finest of the Easter Season, and yould just like to remind all of you not to forget what Easter means to the Christian World. It is the day we are reminded Our Lord came back from the grave to give us all Eternal Life. It is perhaps the greatest religious holiday of the year, with the exception of Christmas.

April promises to be a fine Lodge month. We have had five candidates for March and more petitions for April. So come dawn on Monday nights and lend your assistance in presenting the degrees.

We are planning a square dance for the night of April 19. This dance will be open to you and your friends, so come on down and enjoy a fine evening of fellowship. Light refreshments will be served in the kitchen during the evening.

Our plans for our charter night celebration are rapidly taking shape. Don't forget it will be held Monday night, May 5th in the dining room. We have a fine evening planned and will present several 25-year pins to those brothers who were not eligible the last times we gave them. We are privileged to have the Rev. L. E. Olson, pastor of the First Baptist church of Fort Wayne as our speaker for the evening. If you have never heard the Rev. Olson speak, you have missed some fine talks. The time will be 6:30 p. m. and we hope to be through at an early hour. Two-way cards for reservations will be sent through the mail and it will be open only to Masonic members and their Masonic friends. So be sure to reserve May 5th for the Lodge.

I am sorry to report one of our Past Masters, Bro. Ed Purcell, has been ill and confined to his home. So we hope when this goes to press he will be "back in the harness" again. Bro. Roy Ratican continues to improve and is always glad when you stop and say hello.

In closing, I would like to remind you again of our square dance on April 19, and also our charter night banquet, May 5th. Hope you will also try to visit us at least one Monday night each month.

I AM A MASON

By R. R. Kreps
Minister Havelook Methodist Church, Lincoln, Neb.

I am a Mason. There are two ways in which such a statement can be made. The first is a matter-of-fact declaration. It means that one has entered, past and raised. It means also that one has taken upon himself the obligation, du and privileges of a Mason. means that he is in good stan in a working fellowship calle Lodge. The second way suc statement can be made is wit note of pride and a feeling of v being. To such a man, bein Mason is more than initiation, tendance of paying dues. To Masonry is a philosophy of lif way of living. He takes prid what is commonly called "work" of the lodge. He en the fellowship of those who v with him. The signs and the s bols have meaning for him, they are not ends in themsel They are a part of the whole w is called Masonry.

The Mason who accepts Mas as a way of life and who lives cordingly will use whatever m are available to increase his ficiency. The plans and des upon the trestleboard of his life are of such a character a ennoble his life and to mak his professions, and enable hi build wisely not a theory, but p tice.

"I am a Mason." This stater was made to the writer by two ferent men just recently. The made it as a statement of fact his tone implied that he was a son in name only. With the se man it was a different story. T was a ring of pride in his voic he described his home lodge the fellowship he enjoyed wor with his "brothers." To him sonry was not another orga tion to which he belonged. It a way in which others had trav before him, and which he by as ance and through his own deavors was making more plai those who would come after —The Blue Lodge Ma

This is the Easter season, the time of the year when things take on a new life, flowers bloom, trees have a new coat, yes even the birds seem to have a new song. Mother wears her new bonnet to church, and dad has a friendly smile for everyone. What is the meaning of this new life? We learn in a prayer there is hope of a tree if it be cut down that it will sprout again and that the tender branch thereof will not cease.

The message of the Resurrection is our hope and assurance that there is an Easter ahead for all men who are moral and upright before God and of good repute before the world.

Don't forget the Dinner on April 26th when we entertain the Corinthian Club. Tickets are available from your officers or from any member of the ticket committee.

Also remember that we have degree work each Friday night and we need the help of YOU members if we are to continue to do this work as you like it.

On April 23rd the Grand Lecturer will be here and you will want to see this lodge of Instruction. The E. A. degree will be exemplified by Maumee Lodge No. 725 on this occasion.

The month of March has been a busy one with end-of-the-year parties and the election of officers for the coming year. The election was held March 13. The following were elected to lead us during the coming year: Pauline Dinius, worthy matron; Harold Hart, worthy patron; Alta Current, associate matron; Russell Sloan, associate patron; Florence Obetz, secretary; Frieda Brooks, treasurer; Ellen Kolmerton, conductress; Edna Elzay, associate conductress.

The various committees enjoyed their last get togethers as committees at their end-of-year parties. They will long be remembered by those who were there. With a chapter as large as Shiloh, we expect to see some new faces on the committees, as that is one way for our members to get acquainted.

On April 1 the six sections of the social committee will enjoy a potluck luncheon on the Mezzanine of the Temple at 12:30. The other committees will meet their new chairmen, except the Hospital committee, which meets at the Methodist hospital for an all day sewing the third Wednesday of the month.

April 10 will be a stated meeting, followed by a reception for the new officers, who will be installed March 29.

The relationship between Freemasonry and the Church is a matter of concern to every true Mason. An article which appeared in a recent issue of the News-Letter of the Supreme Council contained some heartening news. The article read as follows:

The remarkable advance of the churches is a source of real satisfaction to Freemasonry. Most of our leaders are also prominent in the churches of their choice. Recent statistics reveal that there are now 281,511 local churches with a membership of 86,830,490 —the highest totals ever reported. The Christian Herald classifies 58.5 per cent as Protestant; 33.2 per cent as Roman Catholic; 5.8 per cent as members of Jewish congregations, and all others 2.5 per cent.

Those who complain that there are too many churches and that Protestantism it too much divided will be comforted by a closer analysis. 76 per cent of all Protestants are enrolled in denominations of more than one million each, and the 38 Protestant denominations which have over one hundred thousand members each enroll 96 per cent of the members of the 221 denominations. In a country like ours—with full religious liberty—any group, large or small, can organize another denomination—and the complete list of 221 includes a very large number of small, independent and uninfluential groups.

"My work is over, my day is done,
My star has faded and set is my sun.
My record is made, my battle is won,
The tide has gone out, the sands have all run.

If words of mine have cheered one failing heart,
Or kindled anew one fading fire,
My work was not a failure.
If cords were touched,
They shall re-echo from the Angel Choir."

March, the month of change for mbers of Eastern Star chapters, past, but the beautiful cere- nies and lovely parties which rked the ending of the year's tivities will not be soon forgotten members of Fort Wayne Chap- r.

But before we tell you about the ection and installation of new icers, let us think about those whom the month brought some happy hours. For to help those trouble is as much out duty as enjoy fellowship is our privilege. e members who were ill during e month were: Sisters Pauline anneman, Cecelia Stabler, rothy Sonnenberg, Hester Hall, nnie Hemrick, Catherine Fries, d Nolah Richards. The sisters Sister Mollie Koopman and ster Mary Budde; the mother of ster Ruth Summers, and the ther of Brother Arthur Rode- yer were taken by death. The sbands of Sisters Erma Lucas, ble McCorkle, Hester Hall and one Crumm, the sons of Sisters pe Dumford and Harriet Rine- rt, and the daughter of Sister len Brindle were ill. On the ppier side, is the report of new bies coming to Sisters Marion um and Marjorie Wherry; while sters Mildred Steinbacher. Eva Tigges, Gypsy Dent, and Margaret Scott became new grandparents.

A large attendance marked the meeting of March 6 when the following officers were elected: Worthy Matron, Sister Helen Herrick; Worthy Patron, Brother Clayton Herrick; Associate Matron, Sister Hope Dumford; Associate Patron, Brother Edward Woolridge; Secretary, Sister Marian Goff; Treasurer, Sister Ethyl Williamson; Conductress, Sister Eythel Smiley; Associate Conductress, Sister Helen Howard.

On Friday, March 21, the Auditorium of the Temple was well-filled with members of the chapter, their families and friends as the always impressive ceremony of installation was conducted under the leadership of Sister Sonoma Woodruff, Past Grand Matron, Indiana Grand Chapter. She was assisted by Brother Cecil Sible, Grand Patron, Indiana Grand Chapter, who gave the obligation to the new officers. These honored guests, together with Sister Lettie Dickey, Grand Ruth, General Grand Chapter, and Sister Marie Hill, district deputy, were escorted to the east, with appropriate music sung by the choir for each guest, and suitable honors accorded to every one.

A garden scene, centered by a large floral star, formed a most attractive background for the lilies and palms banked around the east, while a brilliant azalea surrounded with greens stood at the west.

As Sister Glennys Schwartz, Grand Marshal, escorted Sister Helen to the east, an escort of Satellite members wearing crowns, formed an arch with scepters under which the new matron walked, to be greeted by her mother and father, who gave her a sheaf of lilies, in remembrance of her year as Esther. Brother Clayton joined her at the entrance of the arch, while the choir sang, "The Loveliest Night of the Year."

But Brother Clayton's friends Adah, Sister Mable Poorman; Ruth, Sister Marguerite Bowers; Esther, Sister Edith Gordon; Martha, Sister Vera Hayden; Electa, Sister Ruth Dunton; Warder, Sister Irene Woolridge; Sentinel, Brother Gerald Klopfenstein; and Marshal Sister Selma Schlacter.

As Sister Selma started to her new station as marshal, her son Bill met her, as Brother Harry Schlacter sang, "Unforgettable." As they continued their way, an escort was formed by members of a group of friends of long standing and her son's wife Doris, each one dear to the heart of our recent matron so that the flowers with which they presented her meant a gift of love as well. Little Gayle met her mother at the end of the road with a charming little verse, welcoming "Mother back into the home circle."

The entire installation ceremony was high-lighted by unusual family loyalties, as both the out-going matron, and the incoming matron and patron are blessed with having those closest to them in the home as members of Eastern Star as well, so those dearest ties were very much in evidence on this momentous occasion.

Sister Helen inspired us all with new desire to follow the precepts of our order as she talked briefly at the close of the evening, and urged us to remember love and friendship as our guiding lights for the coming year.

Each of the guests expressed their thanks for the pleasures of had planned a special welcome for him, too, as he went to the east as Worthy Patron, and a snappy guard of fellow postal employees escorted Brother Clayton and his mother to the east, while Melvin

Honeck sang, "My Task."

In addition to the elective officers installed, the following appointive officers were inducted: Organist, Sister Bess Carlson; Chaplain, Sister Helen Lauterberg; the evening briefly, but graciously, and the ceremonies concluded with the singing of the Lord's Prayer by Melvin Honeck.

Sister Josephine Cecil was chaplain during the installation ceremony, while Sisters Bess Carlson and Vera Sesslar, presided at the piano and organ respectively.

"I am sincerely grateful for the opportunity of serving Fort Wayne Chapter as Worthy Matron during this past year. I want to thank those who added anything to the happiness and success of the year. There is a comforting thought at the end of the year
When I could feel kind of sad
That sort of gets hold of the strings of my heart
And makes me feel merry and glad.
I'll take time out and I'll thank each of you
And I'll be thrilled through and through
'Twill be the sweet memories that chance this refrain
I am glad I touched shoulders with you."

Selma Schlacter.

JAMES HOBAN

James Hoban, the man who built the U. S. Capitol and the White House was a devout Catholic and an ardent Mason. Federal Lodge No. 1, Washington, D. C., was formed under his leadership by a group of Irish Catholics and Scottish Presbyterians, and Brother Hoban was the first Master.

WHAT IS IMPORTANT?

In the work of Masonry there are many fields of endeavor, all a part of our plan "to improve ourselves in the way of life." One brother may outline in appropriate words the duties that are ours as Masons. His words inspire us.

Another brother may not have the same ability to put his ideas into words, but he knows with equal certainty about his duties as a man and Mason. If he learns of a brother who is sick, or in distress, he understands, and it is more than an understanding of duty, it is the understanding of the principles of Love and Brotherhood, which quickens the desire into action, and sends him to the sick or the distressed.

One brother may be a good ritualist, another a student of symbolism, and still another a good worker on any committee.

Each brother doing the special task for which he has the greatest ability results in the success of the Lodge and Masonry.

There are no special degrees of importance. Doing what we can in the work assigned to us is the important thing. — Mason's Messenger.

THE BADGE OF A MASON

"More ancient than the Golden Fleece or Roman Eagle, more honorable than the Star and Garter." In these words the ritual seeks to impress upon him who has been invested with the white lambskin apron its value and importance.

The Order of the Golden Fleece was founded by Philip, Duke of Burgandy, in 1429. The Roman Eagle was Rome's symbol and ensign of power and might a hundred years before Christ. The Oorder of the Star was created by John II of France in the middle of the Fourteenth Century. The Order of the Garter was founded by Edward III of England in 1349 for himself and twenty-five other Knights.

It is commonly supposed that the apron became the "badge of a Mason" because stonemasons wore aprons to protect their clothing from the rough contact of building material. But the apron is far, far older than the Golden Fleece or Roman Eagle, than the Star or Garter, than the stone cutters of the Middle Ages—aye, older than the Comacine Masters, the Collegia of Rome, the Dionysian Artificers who preceeded them. The Hebrew prophets wore aprons and the high priest was so decorated.

—Louisville Beauseant

MONTANA

Montana recently repealed the law requiring one year to elapse before one may petition for the so-called higher degrees of Freemasonry.

BALTIMORE & OHIO

On February 28, 1827, the Maryland legislature granted a charter to the Baltimore & Ohio railroad, who asked the Masonic Grand Lodge of Maryland to lay the foundation stone marking the starting of construction.

Accordingly, on July 4, 1828, following a Masonic and civic parade witnessed by some 60,000 people, the foundation stone of the railroad was laid with full Masonic ritual by the Grand Master of Maryland, assisted by the Grand Masters of the Grand Lodges of Pennsylvania and Virginia.—Western Stamp Collector

By the time you receive this we will have ended the Lenten season and once more have enlightened our minds and souls with the wonderful story of the Crucifixion and Resurrection of Jesus Christ. This story being retold so many times, always leaves us with something new, which we haven't experienced before.

On April 18th, the Drill Team will have another one of those square dances, refreshments and floor show in between, consisting of a black light exhibition sponsored by the Canada Dry Ginger Ale Company. Come and bring your friends.

On May 3rd the Royal Arch Masons will have Past High Priest night. Now you know that we will serve for this dinner. Please say, "I'll be glad to help," and come right along and join in the work and the fun with the other Ladies of the Beauceant. We'll call you soon.

May 20th will be another big night for the Beauceant. Our Worthy President has invited Warsaw Assembly No. 164 to be our guests for Friends' Night. This meeting will be started by all meeting on the mezzanine for a carry-in supper at six o'clock. Please come with a covered dish and we will try to show them a very enjoyable evening of good fellowship and fun. Rolls and coffee will be furnished by the Assembly.

That Drill Team is coming along swell. Still need you. Be there every Tuesday. That is, "See that your husband gets down to drill." Don't forget, the Ladies always have a fine time at the Conclave, and New Orleans sounds very wonderful.

To those who have illness in their families, we wish a speedy recovery.

See you in New Orleans!

Everyone who got into the spiril of the occasion couldn't have helped having a wonderful time at the "Free" Dance. There were 125 couples present. In addition to the attendance prizes there were prizes given to the boys with the the loudest shorts and the girls with the brightest skirts.

At the March 11th meeting there was a welcome surprise, Mr. Edward Schaefer offered to sponsor a DeMolay Rifle Club. Twenty-one boys signed up. Three meetings have been held since, and officers elected and the fellows started their first instructions. Dean Stephens was elected President, so if you would like to join, phone H-39953.

Church Sunday, March 16th, was held at the Plymouth Congregational church with about 100 attending. We want to thank Plymouth for their kind hospitality and Dr. Voelkel for his appropriate sermon.

The initiatory degree was conferred on 13 candidates, March 25th. The officers gave their work swell The Orator Bill Pomp gave the symbolism of the DeMolay pin in a fine manner and William Fuzy, one of the members of the class, was presented a DeMolay pin which had been worn by his dad, Joseph Fusy, a former DeMolay 27 years ago. Mr. Fuzy presented it in a very impressive ceremony.

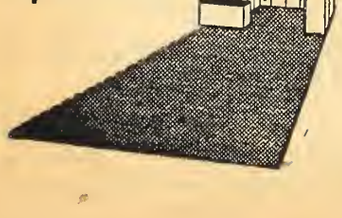
Dean Stephen spoke about the program of the Rifle Club, and Dick Willis gave a talk on softball and baseball. Meetings are scheduled for both of their activities. Softball and hardball will both be sponsored if enough members are interested. Walt McCall gave a short talk on forming a new singing group as our last group are all Seniors and are going into the armed forces or to college next fall. If you are interested, phone Walt McCall, H-77044.

On April 8th we will have a business meeting. The DeMolay degree planned for this date is cancelled. Activities will be discussed and membership committees considered. SURPRISE refreshments by Mothers' Circle.

April 22nd is last date for petitions for candidates who wish to join DeMolay this term. The DeMolay Degree that was scheduled for April 8 will be given along with the other degree and Flower Talk in the Auditorium on May 27th. Out-of-town Chapters will be invited to participate.

On May 1st, the officers and Chev. Robert Locke will give the Flower Ceremony in the Masonic Temule for the Fort Wayne Chapter, Order of the Eastern Star, who are having a special Mothers Day program.

A Mother and Son Banquet will be held on May 15th. Swell entertainment, good food, all details a little later.



May 13th is election nite. Time surely does fly, so be thinking this over.

The DeMolay Mothers' Circle entertained at the Recreation room of the Gas company, with 67 mothers in attendance. The hostesses for the evening were Mrs. Miles Baker, Mrs. Guy Allread, Mrs. Ludwig Belbutoski, Mrs. Lloyd Harshman, Mrs. Charles McCormick, Mrs. Clarence Rhoda, Mrs. Frank Smith, Mrs. Paul Stiverson and Mrs. Albert Walda. After the business meeting cards were enjoyed and beautiful plants were the table prizes. This group of Mothers, with the president, Mrs. Roger Stroble, served refreshments for the boys at their last meeting. The next Circle meeting will be April 28 at the Dehler-Hughes hall.

There was a good turnout at the April 8th meeting, probably due to the announcement that the Mothers Circle was to furnish refreshments. Well, we certainly were not let down. There was an abundance of home-made cake, ice cream and cake for everyone. I am sure everyone will beck me in thanking them for the wonderful feed. The Master Councilor, Ed Clark, and Jim Fuzy were fortunate in getting the lucky numbers and each carried home a beautiful big Easter cake

It's time to start thinkink about who will make good councilors for next term, because the election of officers is coming up on May 13th. Candidates should be considered on their ability to fill the position elected to, leadership, and personality, also if they will be available all next term. School affiliation should not be considered, as we are all De Molays with one thought in mind, a successful chapter, and to keep our standing in the state and community.

Mother-Son Banquet is May 15th and we are looking forward to a large attendance. The Scottish Rite Choir will entertain with others assisting. There will also be plenty of good food. The calling committee will try to remind the members of this fine affair, so fellows, ask your mother NOW, and when you are called you can make your decision, tickets are $1.50 each and can be purchased from any officer or can be picked up at 6 o'clock the night of the banquet. You DO NOT have to wait until you are called to make your reservation, you can call "Dad" Ruthmiller now at H-3689. All reservations must be made by May 13th. If you make a reservation and do not cancel by May 13th you are expected to pay for same.

The De Molay Spring Conclave will be held in the Scottish Rite Auditorium, Tuesday, May 27th, at 7:20 p. m. All degrees will be given. Advisors from all parts of the state will attend and we will have about 100 candidates from Fort Wayne, Auburn, Angola, Portland, Wabash, Peru, and Marion. De Molays whose fathers are Masons are invited to attend, as are all Masons from the Fort Wayne and surrounding lodges. Let's fill the auditorium. The degree teams are working hard and you will be surprised at the fine work the fellows will do.

Installation of officers will be held June 6th in the Chapter room, all De Molays, parents and friends are invited, this is a beautiful ceremony.

June 10th is the final meeting for this term and plans will be completed for a membership drive when school starts in the fall, under the direction of Walt McCall.

The Soft Ball team under the direction of Dick Wilson is rounding into form. Arrangements are also made for hard ball, and all who signed up will be contacted at the proper time, we expect to have two teams.

The Rifle team under the direction of Edward Schaffer is progressing satisfactorily and will start on the outdoor range in the near future. Any members who are not taking part in these activities and wish to, please call "Dad" R. H-3689.

It is indeed with a great deal of sadness that I write this column. Fort Wayne Masonry has lost a champion. Our Scribe, Companion Robert (Bob) Brecount, heard the Supreme Architect's call, Sunday morning, April 20th. His friendly smile, his inspiration to ever do better "We've got-it-in-us" spirit, will be missed by all who knew him. He was revered by all who came in contact with him.

If the world today contained more men like Companion Bob, both morally and spiritually, how much better the world would be to live in. The strife, grief, and greed would only be meaningless words and unknown to mankind.

He set us a mark and made a challenge ever onward and upward. His suggestions were always timely and his criticisms constructive and well meant for the benefit of the craft.

He built a spiritual temple, stone by stone, which will never decay nor crumble. He labored diligently in the quarries, hewing and carving out his life to a design laid out on the Master's trestle board.

When he heard the Supreme Architect's call, he laid down his tools without a murmur, clothed himself in a clean, white apron, and went to the Great Throne Room, where he heard these words: "Well done, good and faithful servant, take a seat at my right hand, for many are called but few are chosen."

The officers and members wish to extend their sympathy to Companion Bob's family in the loss of their loved one.

The Spring Convocation of 1952 will be one long to be remembered. We were highly honored to have so many distinguished guests including our sovereign grand commander, Ill. Bro. Melvin M. Johnson, of Boston, who was with us the entire time of the reunion. Also present were the presiding officers of the York Rite bodies and the Grand Master of the Grand Lodge, Ill. Bro. Oswold A. Tislow of Indianapolis.

The annual meetings of the Scottish Rite bodies will be held on Tuesday evening May 20, 1952, at 7:30 o'clock, in theAuditorium of the Cathedral. This will include Fort Wayne Lodge of Perfection, Darius Council P. of J. and Emanuel Chapter Rose Croix. For the Consistory it will be the triennial meeting. In all the bodies officers for the ensuing year or years will be elected. A financial report will be presented in the Lodge of Perfection meeting from the Secretary, Treasurer and Board of Trustees. Here is an opportunity to see how your Scottish Rite is operated.

It is the hope of your officers that a large number of our members will attend. None of the meetings will be long and it is the duty of each one of us to help select the officers who will be responsible for carrying on the work of the Rite. Following the meetings, a lunch will be served in the banquet room.

We regret to report the death of two of our faithful workers. Brothers Robert Brecount and C. Everett Myers. Both took active parts in the recent reunion and their loss will be felt by many Masons in all branches of our Craft. We can ill afford to lose men like these two. We offer our deepest sympathy to their bereaved families.

After a two month vacation we will be putting on the Chapter Degrees on several candidates after the stated meeting in May. and this will wind up our degree work until September, when a new High Priest will be taking over.

Many of you were present at our Past High Priest's banquet, and heard Reverend Kenneth Thorne, Minister of Speedway Christian Church of Indianapolis, and former Grand Chaplain of the Grand Chapter, give his fine address on "The Structure of Masonry." We must all remember that there are many Masons who know very little about the York Rite and it is up to us to get these men and see that they understand the story of the Rite and invite them to join us.

We wish to express our thanks to the Companions who warked so hard to make a success of this banquet which was held on May 3rd. Our special thanks go to the committee consisting of Companions Thomas Cannon, Laurence Miller, Arthur Walda and Eugene Rausch; also to the ladies of thes Beauceant who so graciously gave of their time and efforts that our party might be a success. We appreciate all of this very much.

Our hearts were saddened at the death of our wonderful Companion Bob Brecount, the Scribe of Thomas R. Marshall Chapter. We, of Fort Wayne Chapter, will miss Companion Bob very much and our deepest sympathies are extended to his family.

Companion Laurance Miller, onr Principal Sojourner, is recuperating nicely from a serious operation and we will be very glad when Larry can be with us again.

Plan now to be with us when we confer the Chapter degrees the latter part of this month and the early part of June. Remember, this will be the last work conferred by your officers in their present stations.

On Wednesday, April 9, we had a joint Lodge of Instruction for Monroeville and Poe Lodges. Monroeville, as host lodge, exemplified the E. A. degree. Brother Lenis N. Firestine, Grand Lecturer, was pleased with our work. I was pleased wiith the attendance and sorry that some of our brothers missed this fine meeting. The Eastern Star ladies served lunch to approximately 60 at the social period which followed lodge.

Several of our brothers were home on leave from the services for the Easter holiday. There were also some from Monroeville lodge who spent April 15-16-17 at the Scottish Rite Conclave in Fort Wayne.

Any news from the brothers will be greatly appreciated, as I can assure you that I'll manage to find time between housecleaning and fishing to take care of the news. Have you taken care of your dues yet?

Installation of officers of Monroeville Chapter No. 205, Order of the Eastern Star took place Saturday evening, March 29th. A very clever skit was given by the outgoing Worthy Matron, Irene Webster, and the Worthy Patron, Marvin Hively, by giving them each a small suitcase; singing to them, "Pack up your memories in your little suitcase and smile, as you leave the East." Then they were escorted around and given gifts from their officers, to put in these suitcases.

The outgoing Worthy Matron, Irene Webster, assisted by her niece, carrying a large decorated basket, with beautifully wrapped gifts, presented each of her officers a gift.

The following officers were installed: W. M., Ella Peckham; W. P., Howard Fugate; A. M., H. Witte; A. P., Lee Witte; Secy., Doris Fuelling; Treas., Wanda Fugate; Cond., Hilda Reber; A. C., Farol Van Buskirk; Chaplain, Harry Vondran; Marshal, Irene Webster; Organist, Gladys Webster; Adah, Dorothy Adams; Ruth, Winifred Shaffer; Esther, Ruth Grogg; Martha, Eleanore Bowyer; Electa, Josephine Crates; Warder, Mary Magner; Sentinel, Zenda Lopshire. The new Worthy Matron, Ella Peckham, was escorted to the altar and her daughter Linda sang to her, "May the Good Lord Bless and Keep Yuu," and she was escorted to the East by her twin sons Larry and Terry, through an escort of Eastern Stars who presented her with a vase of lovely flowers. Harry and Velma Robinson, of Fort Wayne, acted as installing Worthy Matron and Worthy Patron, they having initiated Sister Ella 25 years ago when they were Worthy Matron and Worthy Patron of Monroeville Chapter. One of our charter members, Sister Minnie Spake, acted as Chaplain. Installing Officer was Doris Fuelling. Our treasurer for 21 years, Sister Ada Bauserman, was presented to the East and given a gift from the Chapter in appreciation of her long service to the Chapter. A delicious lunch of salad, sandwiches, ice cream and coffee were served to all present.

The month of April was a very busy one. The attendance has been improving each month. As you know, an active lodge is a prosperous lodge. Your officers are very pleased with this renewed interest.

Those of you who were not at the Annual Homecoming missed a very enjoyable evening. Nineteen members who have had the privilege to be Masons for 25 years received their 25-year awards. We wish to congratulate you all for your many years in the fraternity and your activity in the lodge. We hope that each and every one of you will continue to enjoy our fellowship and the work of the craft. May you have many years of health and happiness.

May promises to give us all a chance to continue this great and good wark. There will be degree work every Thursday. Also, the Fellowcraft are making plans to go to Huntertown Lodge on the fifth Thursday night, May 29, to confer the Master Mason degree.

Won't you make your plans to be with us each one of these nights?

The annual Easter service of Fort Wayne Commandery was well attended in spite of the bad weather. The commander would like to thank the Sir Knights and all of those who attended this service, for making the effort as your presence was necessary to make it a successful service. I would also like to take this opportunity to thank our prelate, Sir Knight George Winning, who has had charge of the service, for his efforts, and Rev. J. Luther Seng, pastor of St. Luke's Lutheran church for participating in this service and for his fine message. Also, Sir Knight Don K. Thrasher, who was in charge of the Easter breakfast, for a job well done, and the Sir Knights who helped out in various ways, and to the ladies in the kitchen who prepared the breakfast, my sincere thanks and deep appreciation. It is this fine spirit of co-operation from the Sir Knights that make the station of Commander a much easier one during the year.

We were honored by having with us Right Eminent Grand Commander, Sir Knight G. Max Fowler at our stated conclave in April. This was an unexpected visit, and it also was an unexpected pleasure for Fort Wayne Commandery. We appreciated his timely remarks and suggestions on several matters that have been troubling us for some time. R. E. Sir Knight Fowler also reminded us of the Annual Conclave of the Indiana Grand Commandery at Lafayette on May 13, 14 and 15. He informed us that the prospects of a good attendance at this conclave are bright and he is looking forward to a good representation from Fort Wayne.

Wednesday, May 14, is the dav that most of the Sir Knights will be interested in attending the Grand Commandery, as the exhibition drill will be held at 2 p. m., the competitive drill at 3, and the parade at 8 p. m. It is my hope that Fort Wayne will be well represented at this conclave.

DOUBLE-HEADED EAGLE

The eagle with extended wings has always been deemed the emblem of imperial power. As such the single-headed eagle became the standard of the Roman empire. At the division of the Roman dominions into the eastern and western empires, the double-headed eagle became the emblem of the double empire; one head looking, as it were, to the west, and the other to the east. The double-headed eagle was likely adopted by the council of "emperors of the east and west" when they formulated the Scottish Rite degrees in Paris. It not only referred to the double jurisdiction that this council assumed, which was of the ancient as well as the Scottish Rite degrees, but also had reference to Emperor Frederick II of Prussia.

The jewel of the 33° Mason is a double-headed eagle, a crown resting on both heads. The crown distinguishes the 33° from the 32°. —Thornburg.

Brethren: As we get well into our year's work we learn more and more about the spirit of co-operation and the will to work together. These are the intangible things that make Masonry the great institution that it is. These, too, are the things that keep your officers heartened and working the harder to operate your Lodge at a high level of efficiency and success.

Our attendance has improved and with help being plentiful, our classes of candidates have been taken through the degree work in a smooth efficient manner. Our Fellowcraft Club is making progress. A lot of new faces are noticeable and the group does an excellent job with the ritualistic work.

Thanks to all of you for this splendid help. Your officers appreciate it greatly.

We have news that Brother Ed Yaney is confined to the Veterans hospital by illness. To him we all wish a speedy recovery. We lost another faithful Brother in the death of J. Wier Shumaker, and to his family we extend our deepest sympathies.

My Brethren: One of the greatest obligations you owe to your lodge and to the future of the fraternity is your wholehearted effort when appointed to serve as a member on an investigation committee. If chosen to perform this duty, do it thoroughly, keeping in mind that many of the members depend on your report as to how they should cast their ballot. It has been my practice, and I give you my solemn pledge to continue, to avoid sending a member of a committee any further from his daily routine than is absolutely necessary. If given the privilege to serve as a member of this committee and, for some just cause, it is impossible for you to make the investigation, you should immediately notify the Master or Secretary so that another member may be selected. Remember, brothers, it is a Masonic offense to ignore a communication of this kind. There is no greater embarrassment to a Master than to have the Secretary inform a petitioner who is anxiously awaiting his report from the lodge that he must wait another 30 days because the committee, without just cause, failed to make their report. In a bulletin from St. John's Lodge, of Washington, D. C., I came across some rules which will be beneficial to those given the responsibility of serving on this committee. They are as follows:

1. Visit the man in his home where you can judge his character better. Note the attitude of his family toward him.

2. Examine his motives. What does he expect of Masonry? What may it expect of him. Is he willing to serve the Lodge? Will he try to learn the lessons Masonry has to teach?

3. How well do his recommendors know him? A slight acquaintanceship is of doubtful value and you should be more careful than ever. See his references, but get facts about him from others.

4. Do not let a previous rejection prejudice you against him. He may have been rejected by some mistake in a report rendered by committeemen through spite or for some other unjust reason.

5. Has he enough mental, as well as moral, capacity to appreciate the lessons of Masonry? To learn these he must think. Can he? Better to lose one "dues payer" than to gain one who will add no strength to the Lodge or Fraternity.

6. Feel proud of the confidence reposed in you in your appointment on a committee.

7. You cannot get the necessary information in the last day or two. Show your appreciation of this trust by going to work promptly and doing it thoroughly. Report before the next stated meeting, unless you require further time. Your information is confidential and should not be discussed with anyone but the Master.

8. Let your attitude toward the petitioner be such that his opinion of Freemasonry will be even more favorable, whether he is elected or rejected.

9. Above all, remember that upon your report rests the strength of Masonry in the future.

When completed you will be well paid. A "Master's Wages" await you when you shall have done your work. Paid not in any metal coin, or anything of material value, but in the finer coin of consciousness of honorable and responsible duty well done, the inner happiness which comes when you may truly say to yourself, "Masonry has been helped forward by my work," the knowlendge that your Lodge is a better Lodge because you have paid back, in a small measure at least, the interest and the labor your brethren have invested in you.

The arrangements for the visitation of Walter French Lodge, of Lansing, Mich., are progressing with much enthusiasm from the members. From all indications we will have a splendid representation, not only from our members, but from various surrounding lodges. By the time you receive this communication you should still have time to purchase tickets for the banquet at $1.00 per person, to be held in the temple at 6:30 P. M., Saturday, May 17. The dead line on purchasing tickets will be May 10, so get yours early that you may enjoy the delicious dinner which is being planned for this occasion.

Make a date now to attend your lodge sometime this month.

Brethren: Just do what you can. It's not enough merely to exist. It's not enough to say, "I'm earning enough to live and to support my family. I do my work well. I'm a good father. I'm a good husband."

That's all very well. But you must do something more. Seek always to do something more Seek always to do some good, somewhere.

Every man has to seek his own way, to make his own self more noble and to realize his own true worth

You must give some time to your fellow man. Even if it is a little thing. Do something for those who have need of man's help, something for which you get no pay but the privilege of doing it.

For remember you can't live in a world all your own. Your brothers are here too.

Another month has passed away and I am going to report that the attendance has been very good.

Masonic funeral services were held on April 4 for Brother Gerald Snowberger, who died April 2, 1952. Our heartfelt sympathy goes to the bereaved family. The light of friendship is like the light of phosphorus, seen when all around is dark.

Brethren, as this is the month of May and it won't be long before you golfers will be thinking about your annual golf tournament, Brother Wilbur Hyde and Brother Jerry Mock are in charge, so come up to lodge and see these boys and let them know your wishes. I am sure they will have a good program lined up.

At our stated meeting in April we elected nine petitions. Due to having a lodge of instruction on the 23rd, I held over four. That means we will have a big class in May, and that we will need help. If you can, come and give us your support. Maybe some of the candidates are your fellow workers and would appreciate having you help confer the degrees.

Wishing our sick brethren a speedy recovery and a return to lodge. It is better to light a candle than to curse the darkness.

Brethren: Our Lodge is strongly cemented with love and friendship, and every brother is duly taught good fellowship. Yes—good fellowship. Won't you plan on coming to our Early Bird Breakfast on Memorial Day and partake of this companionship—this good fellowship?

This Month the Fellow Craft Degree will be conferred on Thursday, the 22nd, instead of Tuesday, the 20th, since your Master and Wardens will journey to Indianapolis to attend the annual session of Grand Lodge on the 20th and 21st.

Our Lodge was to have been inspected on April 22nd by our Grand Lecturer, Brother Lenis Firestine, but due to a death in the family of Brother Firestine, the inspection was cancelled.

During the month of April, two brothers received the Masonic degrees.

I am sorry to report that we have on our sick list Brothers Sam Masloub, C. Everett Meyers, Tom Walheiser, Laurance Miller, Eugene White, and Ralph Schroeder. May you all have a speedy recovery.

INDIAN TALE FROM MASONIC HISTORY

More than one Masonic writer has opined that the most extraordinary appropriation of Lodge of which there is a record was the voting of money to purchase a slave by a Lodge in South Africa some three-quarters of a century ago, but for almost opposite reasons it may be judged that an even more extraordinary appropriation was one made by Union Lodge No. 5, Connecticut in 1797.

The young son of a member of the Lodge, Brother Josiah Utter, was stolen by Indians and taken away into the wilderness. When Brother Utter's own funds were exhausted by the search, and he and his family were in despair, the Lodge voted $20 to assist him. It was a sum equal to more than $100 in present day money. The historian of the Lodge states that "after searching in vain for many years for traces of the lad, the father at last met with success.—Iowa Masonic Library, Masonic Tribune.

Thursday May 15th, an evening will be set aside to honor the Past Masters of Leo Lodge. We will endeavor to have an interesting program for the evening.. You will want to attend this meeting.

In the last issue of the Square and Compass we had planned a chicken dinner for April 19th. Due to the confusion caused by remodeling, it was decided to postpone the dinner for the time being. We regret any inconvenience this change in plans may have caused our membership.

The trustees have informed us that the furnaces have been purchased and will be installed as soon as the chimney has been rebuilt. In the meantime, work will be started on the new plumbing. Due to the cost of this project, labor will have to be furnished by the membership.

If you have some free time please contact Brothers Ed Martin, Keith Wolfe and Duane Shidler.

On May 20th, Leo Chapter No. 273, Order of the Eastern Star, will celebrate its 50th anniversary. An interesting program is being planned to commemorate this event by the Worthy Matron, Doris Rhonemus. Those of you who are members of the O. E. S. will not want to miss this event.

A MASONIC SHRINE

The George Washington Masonic Shrine at Tappan, New York, is Masonry's own memorial in that state to the father of our country. It is maintained by the sale of Christmas cards, and last year the sum of $10,038 was collected from this source. The 250-year-old house at Tappan (known as the De Witt house, after one of its early owners) was General Washington's headquarters at various times during the Revolutionary War, including those dark days of the trial and conviction and execution of Major Andre for espionage. It was built by a Mr. Daniel DeClark with bricks imported from Holland, and the figures of the year 1700 are still plainly visible, worked into the design of the south wall. The grounds have been beautifully landscaped in recent years and the house restored to its condition when Washington knew it, with the proceeds of the annual Christmas card sales.

The Grand Lodge has owned the property since 1932, when the then Grand Master Charles S. Johnson recommended that the fraternity take it over as a patriotic shrine rather than allow it to be opened as a road house. A heating system has been installed to prevent cracking and sagging of the stone foundation and brick walls of the 250-year-old house, and the fraternity is giving good account of its patriotic custodianship. — New York Masonic Outlook.

Once again spring is in the air. On every hand signs point to mother nature being active and bringing forth new life to her countless trees and plants. We as Masons might well take this as a lesson, teaching us to become more active in the teachings of our ancient and honorable institution and also in the work of our own lodge. O, Yes, it also looks like it is time for chain letters, judging from the number floating around. Now chain letters are not only contrary to the principles of Masonry, but they are also against the postal laws of our government. I would like to see all take their Masonry seriouly enough to CUT THEM OUT.

We take pleasure in welcoming into our fraternity brothers Kenneth Stotler and Robert Cummins, who were made Master Masons on April 1st, and wish them every success. We have several candidates to finish with the work before we close for the summer, so let us urge that as many attend lodge as can.

WHAT IS DEMOLAY?

Many people ask all the time, just what is DeMolay? What can it offer you? What are its requirements for membership? And many other questions. I would like to answer as many of these questions as i possibly can.

The Order of DeMolay was founded in 1919 by Frank S. Land and a group of nine high school boys in Kansas City, Mo. Today more than a million and a half young men have been accepted into DeMolay.

A DeMolay chapter is sponsired by Masonic bodies, but in no way is it connected with the Masonic order and it does not promise future membership in Freemasonry. The requirements to join this order are to have attained the age of 15 years and not more than 21. Ask your Master for petitions. This may be signed by a DeMolay and a Freemason. The petition is then investigated and voted upon by the chapter.

The reason I have left the purpose of the DeMolay and what it can offer you to the last is because I wanted you first to become acquainted with this offer. The purpose of DeMolay is to teach clean and manly living, the virtues of comradship, reverence, love of parents, patriotism, courtesy, clealiness and fidelity. The main effort of DeMolay is to create leadership and character, because a boy who is a DeMolay shall not fail as a citizen or a man.

DeMolay can offer you only what you put into it. This means, by participating in DeMolay activities, you will acquire life-lasting friendships, you will gain self-confidence and self-reliance, also you will find an inspiration of the highest ideals. Your pin and membership card will bring you friends, no matter where you go.—Masonic News, Flint, Mich.

Brother Southgaters: Another month has gone by and May is here again. We at least can feel that summer is almost here and can again plan all the enjoyable weekends and evenings we have talked about all winter. I know many of you have already tried out the golf clubs this spring and are again breaking par around the course. Well, anyway, in some of the holes! I know many of you with school children hear them telling about being out soon and are planning all their freedom from school books for another season..

As May rolls around again, it reminds me of the annual meeting of Grand Lodge to be held inIndianapolis on May 20 and 21. It will be a real thrill for me to represent South Gate this year and observe all the pomp and ceremony that goes with this occasion. Many things will be discussed, among them our fine Indiana Masonic Home. I am very happy to report that South Gate has been on the top for almost a year in our donations, and still we receive more contributions. It is certainly gratifying that our brethren remember the aged, widows and orphans. It is with pride that again I can say that South Gate met the challenge and continues forward.

We had a very enjoyable time at our Square Dance in April, and those of you who could not attend missed an enjoyable evening. We also had a splendid turnout for our Charter Night celebration. It doesn't seem possible that we are going on five years old. We have grown by leaps and bopnds since May of 1948. But it is not surprising with all the help we have had from all the brethren. I would like to especially thank all the new officers who have done a splendid job in their new stations this year. I cannot thank too much Secretary Brother Sam Gregory, who has been so faithful and has done such a fine job since we started. He is always about three jumps ahead of your Master when it comes to having things done. Again, Sam, many thanks. I would like to thank Brother Joe Clevenger, Past Master, for the fine colored movies he showed us of his trip to Mexico. They were certainly beautiful and interesting to see.

I am sorry to report that Brother F. B. Spurgeon has been confined to the hospital and then his home with illness. He will be bedfast for several weeks, so any of you Brethren who can call on him, I know he will welcome your visit. He lives in New Haven at 105 Scott street. so why not stop by and say hello? Brother Lon Rhodes has returned from California and is looking fine. He is not able to get around much at night, so he looks forward to your visiting with him too.

We have had a fine class of candidates for April and will have work in May, so why don't you come down on Monday nights and visit with us? We certainly have had fine attendance and always enjoy meeting you again. So don't forget, "One night a month means 70 a week." See you in lodge. Fraternally, Bill Turner.

This report will be one of appreciation. The Rose Croix degree was exemplified on April 16th during the Spring Convocation. Thanks are due to many people for their help in putting on the degree.

The officers and members of the cast were faithful in their attendance at rehearsals and proficient in their work.

Particular credit should be given to the members of the guard who contributed so much to the degree. Behing the scenes, the workers on the stage and in the robing room did their usual excellent job. The Scottish Rite Choir was never better. Their music was an important part of the degree.

Special thanks are due Brother Arthur Rodemeyer, Past Most Wise Master, who served as Associate Director of the degree. He was very much on the job, taking care of the innumerable details. So once again, your Most Wise Master says thanks to all for a job well done.

It is with deep regret that we report the death of our Senior Warden, Bro. C. Everett Myers. Bro. Myers was a splendid ritualist and faithful worker in the Rose Croix. We shall miss him greatly.

THREE RIVERS — — — — —

Behold how swiftly time passes. By the time this issue is out, Grand Lodge will probably be a thing of the pst. Five months have passed and we have not yet accomplished all the things we set out to do. However, we have been busy with candidates each month and our Corinthian Club Dinner is past. I would like to take this opportunity to thank everyone who helped make this party a success. Those who arranged fine meals, the entertainment, the decorations, and that tireless band who sold tickets. I also want to thank the officers of the Corinthian Club for their co-operation.

We regret very much that the Grand Lecturer had to cancel inspection and we wish to express sympathy to Bro. Firestine for the circumstances which caused the cancellation.

Let's make these last weeks before vacation good ones by coming to lodge and helping your officers finish up all degree work so that we can really enjoy the summer months.

We wish to congratulate all of the members of the 15th and 16th degree casts for the splendid manner in which they gave their parts. We don't know when the Council degrees seemed to have had such an impressive effect on the members of a class. We were very pleased to have had Most Illustrious Brother Melvin M. Johnson witness these degrees from one of the Auditorium boxes.

We hate to record the great loss that was sustained in the personnel of our 15th degree cast. The two brethren who sat on the right hand of King Cyrus were both called to their last awards by the Great Architect of the Universe within a few days of each other. Brother Robert L. Brecount, who was the Master of Cavalry, died at his home, Sunday morning, April 20th. Brother C. Everett Myers, who played the part of Daniel, died at the Lutheran hospital, Thursday morning, April 24th. Both deaths were due to heart trouble. One week we see these two brethren happiiv doing their parts; the next week they are both gone.

April has been an active month for the Job's Daubhters, even though we were short one meeting due to the Scottish Rite convocation.

Our Church Sunday was held April 20th at the West Creighton Avenue Christian Church. I was really thrilled by its success. We had about 150 girls and parents in attendance. The officers wore their robes to church and closed the service by forming our closing cross. I want to sincerely thank every single girl and parent who came out and supported this occasion. You were wonderful.

On the following night, April 21st, we held our skating party at the Roller Dome. Although we had a rather small turnout, every one who did come had a grand time. The committe in charge of the party was Patty Miller general chairman; Gloria Wilkerson, Central; June Wallace. South Side; Pat Fleming, North Side; and Barbara Bogenschutz, grade schools. Thanks a lot girls for your help.

The inspectoin committee has been working hard, too We are looking forward to having a nice banquet and meeting. The date for inspection has been changed again; we now have it definitely set for June 5th. Start planning now to attend this meeting, girls. Don't let wour committee and officers down on this very important occasion. I know you will enjoy it.

Our meeting on May 6th will be Past Guardians and Queens night. It will certainly be a thrill to have all these distinguished guesth in attendance.

It's almost time for election again. This meeting will be May 20th. You all know what an important meeting this is, so be thinking seriously about which girl you consider most deserving to be started in the line, then be there to cast your vote.

Margaret Rohr, Honored Queen.

Random thoughts during the the banquet program of our 1952 spring convocation. Promptly at 6:30 we start the last program under the direction of the present officers. Ill. Bro. Richards orchestra never sounded better than it does tonight. Ill. Bro Edw. C. Miller and his dining room and kitchen crews again have things clicking, so that our service is at the peak as usual. Looking back over the last three days of degree work, it is interesting to note that all degrees went on schedule. That is what makes the work interesting to everyone. Table decorations, as supervised by Bro. Edgar B. Hall, were unusually attractive. Our hospitaler, Bro. Chas. E. Lewis, distributed those flowers to our shut-ins and widows. The Scottish Rite choir, under the direction of Robert F. Shambaugh, has been doing noble work in the concert field this spring, and tonight they have again captured the hearts of those assembled in this dining room with their music. What a reception they were given tonight! I can't recall when the presiding officers, as well as their line officers, have worked in such harmonious cooperation as this spring Every detail of this convocation was covered thoroughly and satisfactorily by all of them. Degree work was at a new high level of enthusiasm that is bound to result in still better work in the future. Bro. Al-Britton, of Peru, class orator, is certainly making an impression on his audience. Our grateful appreciation ao our new deputy, Ill. W. Henry Roberts, active Ill. Frank C. Zaieck for their remarks at the banquet. The Sov. Gr. Commander, Ill. Bro. Melvin M. Johnson, certainly proved that he is worthy of all the honors he has received in Masonry. A worthy head of our organization. Ill. Bro. Sam Geake, our most efficient and genial secretary, as usual has performed his duties with the utmost satisfaction. Now the close of my last convocation program, with sincere thanks to all who have made these three years full of memories that will remain always. It has been a real pleasure to serve as your Commander-in-Chief. It is my hope that the succeeding Commander-in-Chief will receive the same generous co-operation and hearty friendship that has been accorded me.

We have been very active this past month, having conferred the Master Mason degree once, the Fellow Craft twice, and the Entered Apprentice twice since the last writing. The officers and and you should come out and enjoy it. That is the best way to show them how much you appreciate their work. The craft can always work better if the room is well filled. If there are others that want to do some of the parts, just come up and let me know. We have plenty of work this spring, so don't feel that you are crowding anyone out by taking part.

It is with regret that we announce the death of our departed brother, Mr. Lloyd Clark, of Wallen. His many friends and brothers extend their sympathy to his wife and relatives. He was a tireless worker for his church, lodge and community, and his efforts will long be remembered.

As a citizen of America it is the duty of everyone to exercise his right and privilege of voting. To the people to run his government. This is done by the ballot, and far too many people ignore this duty that was placed in their hands when the constitution was written. It is also his duty as a citizen to question the candidates before the time of the primary election, as it is the duty of the candidate to enlighten the public as to his beliefs in government affairs. Each citizen is paying taxes to hold the elections, why waste money if you are not going to help in the selection of the governing body? This should be a must for everyone, because it is the underlying principle of a democracy, and only by participating can we have a government of, by and for the people. If the majority of citizens should exercise their privilege of voting, we wouldn't hear so much about the selfish and unscrupulous acts of those who are unfit for their elective offices. There are millions of good people, willing to uphold those who are trying to defend the American heritage. All they need is your loyal support. This is not a partisan situation, but one that both parties should try to correct. Some writers are trying to tell us that it is a sign of the nation reaching maturity and they sight instances in history to prove their point. I would like to sight one fact to disprove the same. The difference is the fact that the other nations and churches they sighted were not democracies. In America the people have the power to change the inefficient officeholders and replace them with honest ones. Moral integrity is the very foundation of a democracy, and is the safeguard of our government. So vote in the spring primary and in all other elections when the opportunity prestnts itself. Then you can truthfully say that you have been true to your government and just to the country in which you live.

Sincerely, Geo. L. Fryback.

Once again we are beginning a new year of activities in the life of Shiloh Chapter. Saturday evening, March 29th, Sister Florence gave her last message as our efficient Worthy Matron, and with Worthy Patron Brother Floid Brake closed their outstanding year as our leaders. Our honored guests included Sister Lettie Dickey, Worthy Grand Ruth of General Grand Chapter, Past Worthy Grand Matron of Indiana Grand Chapter, and Past Worthy Matron of Shiloh Chapter; and Brother Ben Bennett, Past Worthy Grand Patron of Indiana Grand Chapter and Past Worthy Patron of Shiloh Chapter. Dr. Gerald H. Jones, of Wayne Street Methodist Church, gave the invocation.

The Commandery Room was beautifully decorated for the occasion. A large Star made of natural flowers in the colors of the Order with an open Bible in the center adorned the wall in the East. White Easter lilies and yellow gladioli arrangements helped to beautify the room.

Sister Lettie was the installing officer. Her assistants were Worthy Grand Marshal Faye Ice; Worthy Grand Chaplain Elva Maggart; Worthy Grand Organist Lucile Mumaugh; Leona Shady gave the obligation to the new officers. Our new Worthy Matron, Sister Pauline Dinius, was escorted to the East by her husband Myron and her two daughters Carolyn and Charlotte, while the choir sang "Our Prayer For You." There they were met by her Sister Points and the 1952 officers who wearing yellow scarves and carrying clumps of barley formed an aisle for her to approach the East. The gavel made by Brother Emmett Young was presented to Sister Pauline by her Worthy Matron Sister Leona Shady. Our new Worthy Patron Brother Harold Hart, was escorted to the East by his daughter Phillys while the choir sang. A group of his Navy club formed an aisle for him to pess through. Other officers installed were Associate Matron, Alta Current; Associate Patron, Russell Sloan; Secretary, Florence Obetz; Treasurer, Frieda Brooks; Conductress, Ellen Kolmerton; Associate Conductress, Edna Elzay; Chaplain, Faye Severns; Marshal, Florence Wolverton; Organist, Dorothea De-Forest; Adah, Bettie Hall; Ruth, Justine Miller; Esther, Grace Klein; Martha, Louis Curless; Electa, Mabel Filley; Warder, Jean Boehrrr; Sentinel, Rozella Glocke. Sister Florence was presented the Past Matron's jewel by Ethel Felger, her Worthy Matron, while her points presented yellow roses. Rose McGraw, a sister point of our Worthy Matron, presented keys to the new points: to Adah, the Key of Fidelity; Ruth, the Key of Constancy; Esther, the Key of Loyalty; Martha, the Key of Immortality; Electa, the Key of Fervency. Our Worthy Matron's Motto for the coming year will be, "Courage, Constancy and Charity."

Following the stated meeting, April 10, a reception was held for the new officers on the mezzanine. Our Worthy Matron, Worthy Patron and Associate Matron, along with several members of our Chapter, will be in attendance at Grand Chapter in Indianapolis, April 23 and 24. Florence Wolverton and Floid Brake will serve as Worthy Matron and Worthy Patron; Verna Bloom as Associate Matron and Fay Ice as Marshal, at the stated meeting April 24. The entertainment committee composed of some of our mem members will entertain the Chapter.

The Ways and Means Committee is sponsoring a card padty, Friday evening, May 23, at 7:30 p.m. in the ballroom of the Masonic Temple. There will be table and attendance prizes. Call Buelah Gutman, E-1620, or Evelyn Huffman, K-3398, for tallies. No tallies will be sold at the door.

THE BATTLE OF ACRE

Long and terrible was the contest under the burning sun of Palestine. The sun rose high over the contending hosts hidden in the blinding clouds of dust in which Moslem and Christian struggled and died. The crooked scimitar of the Moslem struck fire from across hilted brand of the crusader. The iron mace and heavy battle-axe of the Norman and English knight fell with the force of a catapult on turbaned heads, while the cross bows of the Genoese infantry, and the cloth-yard shafts of the Nottingham bowman, sent many a Turkish barb galloping riderless toward Acre. The English heavily armed knights hewed deep into the Turkish host again and again, as the countless hordes of their enemies gave way and closed around them, front, flank and rear, but the red cross knights, nothing daunted, showered their blows like rain wh,ile ever and anon arose the hoarse cry of "Saint George for Merrie England," echoed back from the walls of Acre with the wail of "Allah! Allah! Hu!." The red sun was declining westward when the disordered ranks of the French and English chivalry rallied for a final charge, but the clouds of dust were suddenly dispelled by the desert breeze, and the wearied squadrons of the crusaders saw the Moslem host in utter rout, and their retreating pennons fluttering in the distance.—Exchange.

SCOTTISH RITE MASONRY MOVES FORWARD

Scottish Rite Masonry has moved forward in the Valley of Fort Wayne during the past three years and we can be proud of the part our Consistory played in that advancement.

We joined wholeheartedly in the acclaim when our illustrious brother Melvin G. Honeck was honored at our recent triennial meeting for his leadership of our body through the last three years. Our sentiment endorsed every word uttered by Edgar H. Kilbourne, 33°, who presented the beautiful past Commander-in-Chief Jewel to Mr. Honeck, in his tribute to the qualities that have made Mel an able and trusted leader.

A note of sadness was injected into the meeting by the announcment that Arthur L. Aiken, who was Second Lieutenant Commander, and Eugene Wells, Orator, are withdrawing from the Consistory line upon the urgent recommendation of their physicians. They have served for years and many of us remember their stirring parts in several degrees at the time we entered the Rite. Their willing and competent influence will remain with us and we hope they may be able to take some of the less arduous parts in future convocations.

Al L. Hastings, who was elected First Lieutenant Commander, and John E. Hoffman, Jr., who was elevated to Second Lieutenant Commander, have earned their spurs by their response in serving and their capable performance in degree work over the past few years. Their ambitions for the Consistory are high and conscientious.

Our conference has caused me to appoint the following Consistory officers: Orator, Dean B. Needham; Chancellor, Harold W. McMillen; Hospitaler, Charles E. Lewis; Engineer and Seneschal, William Darling; Master of Ceremonies, Emery E. Tucker; Standard Bearer, Cal Shoyer; Guard, Harry Haller; Tyler, Edward H. Ashton.

The officers of the other three Scottish Rite bodies have been outstanding workmen in the vineyard of Fort Wayne civic progress for years as well as ardent laborers in Masonry. We are devoted to them as friends and admire their generous natures and I am confident that the leaders in four branches of the Rite will go forward hand in hand.

In his closing address our past Commander-in-Chief was most earnest in his gratitude for the support you gave him during his term of office. In true Masonic faith I expect your continued loyalty and help.

As you campanions read this article, most of you will be enjoyin summertime activities of one kind or another and undoubtedly thinking very little about Royal Arch Masonry. To those of you who have been active during the year we have greatly appreciated your presence and your help. To those of you who have been unable to attend our meetings occasionally we wish to state that we have missed you, and there have been times when we could have used your assistance. However, we have had a good year in general and we trust that you will include Fort Wayne Chapter in your plans for next year. Would n't it be wonderful if, through our individual efforts, 500 Master Masons could be started into the York Rite next year? This is by no means an impossibility. It is less than an average of one new man per member. If each member of Fort Wayne Chapter would attempt to secure one new member, the new High Priest, who is elected in September, will have a very prosperous year. Let's make this a goal and let's get started right away. We need to receive a lot of petitions during July and August so that our new Chapter officers can start out with a bang in September.

Don't forget our stated meetings on the third Monday of July and August. With several of our officers on vacation we will need a lot of help.

In closing, I wish to state that I am very grateful for having had the privilege of serving you as your High Priest during the past year. It has been a grand honor and I have enjoyed evey minute of it. I wish personally to extend my most sincere thanks to the group of officers that I have had the pleasure of working with. No one could ask for a finer or more co-operative group of men.

Again I say, thanks to all, and I'll be seeing you in the Egyptian room on Monday nights next year.

Companions, we again conferred the Council degrees on candidates at our May Stated Assembly. This was an unexpected call in order that the newly made componions would be eligible to receive the Super Excellent Masters degree at Muncie on May 24, and the officers did a commendable job with the able assistance of Excellent Companion W. J. Adams, who substituted for the Principal Condutor of Work. Fort Wayne Council No. 4 was well represented at Muncie and the Companions who were fortunate to go report an excellent time.

It is our expectations that we will again have degree work at the June Stated Assembly on Wednesday, June 18, and that will wind up the activity for the summer. There will be no meeting during the months of July and August. My sincere hope for you all is a safe, sane and enjoyable vacation.

This being my last article, I want to thank all my officers for their co-operation, also "Dad" Reitmiller, Walt McCall, Ron Meeks and Bob Locke for their tireless efforts in advising and helping us this term.

At the May 13th meeting the election of officers was held. Ed Pettibone was elected Master Councilor; Mike Bretton, Senior Councilor; Bob Nelson, Junior Councilor. Congratulations, Fellows.

The largest crowd ever turned out for the Mother-Son Banquet. The Scottish Rite Choir under the direction of Robert Shambaugh; Harry Brattain, accompanist; Melton Honeck, business manager; entertained us for over an hour and it was very much appreciated by everyone. James McGrau with piano ramblings, his wit and his magic, was exceptionally fine, and a repeat performance should be in order at some future date.
Bill Pomp gave the symbolism of the pin. Bruce Gosney and Charles Seng sang solos. We want to thank these fellows for their efforts, and also the Job's Daughters, who did a very good job of serving us.

Among those present were four DeMolay service men who just returned from active duty in Korea, Bob Mee, Jack Olinski, Jack Wolf and Ron McDougall. James Lund, the state Master Councilor, was present. A group from the Auburn chapter attended.

110 INDUCTED INTO DEMOLAY CHAPTERS HERE

One hundred and ten candidates were initiated into eight chapters of DeMolay at the annual spring conclave sponsored by the Fort Wayne chapter at the Scottish Rite Temple. Edward Clark, Fort Wayne, Master Councilor of the DeMolay, conferred the degrees.

Following the initiation exercises, the flower ceremony was conducted.

The Scottish Rite choir under the direction of Melvin Honeck, Fort Wayne, played the ceremonial music.

The advisors of each chapter accompanied their candidates to the ceremony. They included: H. F. Riethmiller Fo,rt Wayne; Charles Howard, Wabash; Lester Gordon, Huntington; Roger McNair, Marion; Robert Norford, Auburn; Wilbur Stevenson, Portland; Don Messmore, Peru, and Robert Laird, Angola.

Distinguished guests attending the conclave were Paul G. Jasper of Fort Wayne, Judge of the Indiana Supreme Court, representing the Grand Council of DeMolay for Northern Indiana, and former Superior Court Judge Ralph Hamill, Indianapolis, representing the Grand Council of Southern Indiana.

The Soft Ball Team, under Manager Dick Willis and Assistant Jim Burt, is coming along fine. The weather has sure been against this activity.

The team is entered in the Tappanfield League which plays Friday nights, and also the Commercial League which plays Monday nights. The support of the Masons and Chapter members will be appreciated. It is really a fine team with plenty of pep and is certainly a credit to the Chapter. Watch the newspapers and attend the games.

Each High School will have a membership chairman, and members from each class will be on this committee to try to interest young men to join DeMolay. We do need a large class in the fall to replace the sixty members who reached 21 the past year and became senior members. Each DeMolay is expected to try to interest a fine outstanding young man, especially those just entering high school, to petition DeMolay. What organization can offer as much—two free dances, mother and son banquet, father and son night, and also many other advantages including the DeMolay fellowship?

Our first fall activity will be the Fall Maul Hayride. Don't miss this event.

"Dad" Rietmilller hopes you all have a fine vacation and will be full of pep and ready to go to town with DeMolay in September.

Be sure to notify us of any change of address.

As Sister Helen Helms and Brother William Knauer were being conducted to the East, they the "Bells of St. Mary's." Sister Helen and Brother Clayton Harrick greeted them and presented each with a gift.

Brother Clayton welcomed the past matrons and past patrons who formed a large semicircle behind Esther's chair. The star points then paid tribute to them after which they were escorted to the East by the conductresses and presented gifts from underneath the beautifully decorated Chapter birthday cake.

After having practiced singing "Happy Birthday" to the Chapter at the banquet, members honored Fort Wayne Chapter's oldest member, Sister Norian Byerly, who is also a past matron, by singing and dedicatini this song to her upon the occasion of her birthday. Sister Vera Eizinger provided music during the banquet.

Brethren: Here it is almost vacation time. This year is surely slipping by very fast. With Grand Lodge and "Early Bird Breakfast" meetings over, plans are being made for our Tri-State Visitation to be held here in Fort Wayne, Saturday, October 11th. Also we have a date at Delaware Lodge in Muncie to give the second section of the third degree on Saturday, November 22.

Home Lodge was well represented at Grand Lodge and we enjoyed very much the manner in which the Grand Master (now Past Grand Master) Brother Oswald A. Tislow conducted the Grand Lodge proceedings. Those who are acquainted with him know that he is a very capable and likeable Brother and he conducted Grand Lodge as he filled his office throughout the vear, very satisfactorily. We hope his successors will be as pleasing as he.

Our own Brother Elmer C. Forks Past Master of Home Lodge, was advanced in the Grand Official line by being elected Senior Grand Warden. We are happy to have Brother Forks and Home Lodge honored in this way.

We had a fine class of six candidates for the degrees of Masonry in May and hope to have three this month. While we are taking in new members it seems that we must lose some of the older ones. Death claimed Bro. Elmer E. Vail and Bro. Eugene H. White during the past month. Our heartfelt sympathy to the bereaved families and friends.

It is nice to report that many of those who were ill and injured are much improved and out again, and we wish a rapid recovery for all who are afflicted.

Remember and attend the stated meetings the first Tuesday of each month. A very happy summer to all.

At the annual meeting held last month all of last year's officers were re-elected to serve another year. We want to thank these officers for their efficient work and we know that the degree work of our Council will be in capable hands for another year.

We wish all of our members a delightful summer and we shall be glad to see them at the 1952 Fall Convication, a program for which will be in the mail during the next few months.

MASONIC WAGES

There was an old tradition among the English Masons, that the men were paid in their Lodges by sheckels— a silver coin of about the value of fifty cents—and that the amount was regulated by the square of the number of the degree that the workman had attained. Thus the Entered Apprentice received one sheckel per day; The Fellow Craft, who had advanced to the second degree, received the square of 2, or 2x2 equals 4 sheckels; and the Mark Man, or third degree, received the square of 3, or 3x3 equals 9 sheckels; whilst the ninth degree, or Super Excellent Mason, received the square of 9 9x9 equals 81 sheckels.

According to this tradition the payroll would be as follows:

	Sheckel	
Entered Apprentice received	1—	$00.50
Fellow Craft received	4—	2.00
Mark Man	9—	4.50
Mark Master	16—	8.00
Master Mason	25—	12.50
Architect	36—	18.00
Grand Architect	49—	24.50
Excellent Mason	64—	32.00
Super Excellent Mason	81—	40.50

The traditions in reference to the pay of the Fellow Crafts have been preserved in the ritual of the Mark Master's degree.

According to these traditions, there were two divisions of Fellow Crafts. The first or higher class worked in the quarries, in finishing the stones, or, as we say in our lectures, "in hewing, squaring and numbering" them; and that each one might be able to designate his own work, he was in possession of a mark which he placed upon the stones prepared by him. Hence, this class of Fellow Crafts were called Mark Masters, and received their pay from the Senior Grand Warden, whom some suppose to have been Adoniram, the brother-in-law of Hiram Abif, and the first of the Provosts and Judges. These Fellow Crafts received their pay in money, at the rate of a half-sheckel of silver per day, equal to about twenty-five cents. They were paid weekly, at the sixth hour of the sixth day of the week, that is to say on Friday, at noon. And this hour appears to have been chosen because, as we are taught in the third degree, at noon, or high twelve, the Craft were always called from labor to refreshment, and hence the payment of their wages at that hour would not interfere with or retard the progress of the work.

But there was another, and it is probably a larger, class of Fellow Crafts, younger and more inexperienced men, whose skill and knowledge were not such as to entitle them to advancement to the grade of Mark Masters. These workmen were not, therefore, in possession of a mark. They proved their right to reward by another token, and received their wages in the middle chamber of the Temple and were paid in corn, wine and oil agreeable to the stipulation of King Solomon with Hiram of Tyre —Oklahoma York Rite.

June, the month of vacations, is here once again. June is also the month of Love.

Companions, Love one another. It is this love which is necessary to cement the peoples of the world together. This is not an easy task and will require around-the-clock practice.

In a war-torn world where hate, greed and distrust rule the thoughts and reasoning of the people it behooves us each and every one to practice what we preach and teach in the many lessons found in our rituals. Study these lessons and apply them in your every dealing with mankind.

Brethren:

By the time this copy reaches you, our trip to Grand Lodge will be past and our review of the proceedings will have been given to the Lodge. I will be able to give you more detailed information on the Grand Lodge sessions in a later issue. I know that it will be of interest to you.

With five petitions in process for the June meetings, we will wind up the first portion of our year with a busy month. Our activities for the first six months have been heavy and we can look forward to vacation. As is our custom, we will convene for stated meetings only, in July and August, with any degree work being deferred until September. I hope you will all enjoy a good vacation season, and will be ready to join in the work of your lodge with the return to activities in the fall.

We may begin to look forward to a pleasant fall season, even at this early date. Your Entertainment Committee is busy already with plans for a Round and Square Dance in mid-October, and, of course, our Annual Past Masters and Old Timers Night in November. You will hear more about these activities later on.

We are saddened by the death of Bro. George S. Ashley, to his beloved ones we extend our sympathies.

As this is the month of June and that means that our year is half gone, we have had good attendance, and a lot of visitors. On our Master Degree in April we had thirty-one visitors, some came over a thousand miles to see their friends raised. That means Brotherly Love.

The Fellow Craft team did a fine job in conferring the second section of the Third Degree. Thanks Boys.

At our stated meeting, May 7th, we elected four candidates as we held over four from April, that gave us a class of eight for the degrees in May.

I am proud to say that we had good help and all the degrees were put on in good form.

Brother Howard Degler had the misfortune of an accident. He and an automobile tried to be on the same spot at the same time. Result: Bro. Degler a broken arm. Being the good Brother that he is, he was in attendance and gave us some real help. Thanks Bro. Degler.

Masonic funeral services were held for Bro. Ralph Masterson on April 22nd at the Klaehn Funeral Home at 7:30 P. M. Our heart felt sympathy to the bereaved family.

Help thy brother's boat across and lo!
Thine own has reached the shore.

On Thursday, June 26, Maumee will hold its Annual Golf Tournament at the Elks Country Club, rain or shine. Play will start at 1 P. M. Play till ? Dinner at 6:45 P. M. You can have your choice of steak at $2.50 per; Chicken, country style, $2.25 per; Golf, $1.25. For those who do not play golf there will be a putting tournament. Brother Wilson Hyde is in charge and informs me that there will be many prizes. So Brethren try and attend this affair and enjoy the good fellowship of your lodge. Please phone your reservations to Brothers: Wilbur Hyde, A-36011; Clarence Jacobs, H-59401; Paul Hayden, E-36305; Jerry Mock, H-75116.

Dwight M. Myers ..... Secretary

The third, and what I hope to be the final solicitation for your voluntary contribution to the Masonic Home is now under way. In 1950 it was resolved by your Grand Lodge that a voluntary contribution be requested from the membership. One dollar per year for the next three years was to be made to assist the financial condition of your Masonic Home. I am proud to report that 70 per cent of the members of Summit City Lodge have fulfilled their obligation. However, to insure the success of this campaign it is absolutely necessary that the remaining 30 per cent cooperate to the fullest extent. I assure you this program is urgently needed and it must succeed if we are to discharge our full Masonic responsibility to our Masonic orphans, the aged and the needy. The Indiana Masonic Home is the heart of Freemasonry in Indiana, and through it we have pledged ourselves to provide a home for those needy who would, but for us, have no home and no one to care for them. This is our sacred obligation. There are approximately 375 guests at the Home and yet there is a waiting list of needy and deserving of about sixty for whom there is no room. We may well be proud of this home, but the hospital is old, and outmoded for modern care of the aged and sick. There should be constructed, as soon as possible, a new and modern infirmary and the dormitories should be expanded to care for the additional guests who are now on the waiting list. Again I repeat, this can only be accomplished when all the brethren cooperate to the fullest length of their cable-tow. I sincerely hope that each of you, who have not as yet made your contribution, give it your serious and prayerful consideration and send your $3.00 to our Secretary, Dwight M. Myers, 1217 Packard Ave., today.

The recent visitation from Walter French Lodge of Lansing, Mich., was indeed a tremendous success with more than 350 brethren witnessing their magnificent exemplification of the Fellowcraft degree. The manner in which they conferred this degree was both interesting and instructive. The wonderful fellowship and many friends that were made during their visit will be long remembered and cherished by us all. To all the brethren who worked so faithfully and diligently to make this affair the success that it was, I extend my sincere and heartfelt thanks of appreciation for their cooperation.

It was indeed a privilege and an honor, as your Master, to represent you and your lodge, at the Grand Lodge session May 20 and 21 at Indianapolis. There were many important matters pertaining to laws, business, and regulations, concerning the welfare and progress of Masonry, derived from this meeting. These will be discussed within the lodge that you might become familiar with them. We were fortunate to have had the privilege of serving under such a distinguished a person as our Junior Past Grand Master, Brother Oswald A. Tislow. His activities as the Grand Master of Masons in Indiana were numerous, and all performed with his unusual personality and high regards for the craft. His greatest achievement may be expressed in his constant urge for the craft to strive for "nobler deeds, higher thoughts and greater achievements." Our newly installed Grand Master, Brother Ralph E. Legeman, comes to us from Evansville and has all the qualifications to travel and work as your Grand Master. We wish his success in this new undertaking and pledge to him our wholehearted cooperation.

This will be the last article until after the summer vacation. I hope all of you who are planning touring trips, outings at the lakes, etc. will have an enjoyable and restful experience. However, as your Master, I caution you to use the utmost care and good judgment in all your engagements that no harm may come to you and that we may all be happily united again next September.

THE SILENT MASON

The silent Mason is one who lives and acts out his principles in all his intercourse with his fellow man. We believe in Masonry that acts silently. We want no loud cry in the market place or vain pomp and show. The Mason who tries to live our principles without ostentation will be a pillar of strength to the noble institution. The humblest craftsman who has been made a Mason in his heart is worth more than any number of distinguished members to whom its teachings are mere verbiage.—A. J. Morris.

Fort Wayne Commandery No. 4 K.T.

Stated Conclave Third Thursday

John J. Breit, E.C.

John J. Breit ..... E.C.
R.R. 2, Woodburn, Ind. 1293
George F. Gable ..... Recorder
421 E. Pontiac H-76694

The past month has been a very busy one for the Commandery. However true to life, we have had to accept unpleasant along with the pleasant. On Sunday, April 20, word was received by the Sir Knights that our Captain General, Sir Knight Robert Brecount, had unexpectedly passed away early that morning at his home. On behalf of Fort Wayne Commandery I would like to extend our sincere sympathy to Mrs. Brecount and his family. In Sir Knight "Bob's" passing his family not only lost a good husband and father but Masonry lost an ardent worker. He could always be depended upon to do the task that was assigned to him. Fort Wayne Commandery had learned to lean heavily on "Bob" during the years he had been an officer. Your Commander especially appreciated his wise council in matters pertaining to the Commandery and also as a personal friend.

Our drill team, with Harry Haller, as Commandant, participated in the competitive drill with Raper of Indianapolis and South Bend. Although we came out third the boys did an excellent job and were not far behind in their score. Many of our Sir Knights are new men and have only been drilling a short time. Keep it up boys and you will be able to take first next year.

During the business session of the Grand Commandery several motions were passed that will affect the Constituent Commanderies. We will receive notice of them in due time. Also your Commander had the pleasure of placing in nomination the name of Sir Knight Samuel S. Geake for Grand Captain General and he was duly elected without opposition. Congratulations! Sir Knight Sam, Fort Wayne Commandery is proud of you.

Right Emminent Sir Knight Alfred E. Braam was elected Grand Commander of the Grand Commandery of Indiana.

We will not be conferring the Orders again until September, but we can still remain on the job and bring in new petitions so that we will have a big class when they are conferred again. Remember the class never gets too big for us to handle.

Remember the stated conclave on the 19th of June.

Here we are in the month of June.

"What is so rare as a day in June,
Then if ever comes a perfect day,
Heaven tries earth if it be in tune,
And over it all her warm ear lay."

June will be another busy month with all committees activities as follows:

Cheer Committee will be entertained at the home of H.L. Bertha Pawlisch, 3202 S. Webster St., Monday afternoon, June 2nd. July 7th meeting will be a picnic at H.L. Mary Jones' cottage and August 4th meeting may be at H.L. Blanch Rasmus' cottage.

Past Royal Matrons Club will be Monday evening, June 2nd.

Program Committee will be entertained at the home of either H.L. Mable McCorkle, Florida Apartments, B4, or at H.L. Frieda W. Brooks, 2230 Alabama Ave., Monday evening, June 9th.

Red Rose Club (Social Committee) will be Wednesday, June 11th. All members will be notified as to where and the exact time.

Decorating Committee will be entertained at the home of H.L. Ferol Van Brskirk, Monroeville, Tuesday afternoon, June 17th.

G.C. Club (Ways and Means) will be Monday evening, June 23rd. No definite place planned. All members will be informed.

The Amaranthians Club will meet Sunday evening, June 22nd.

Illness—H.L. Clara Kirby is still confined to her home. H.L. Edna Biddle is at home recuperating from her long spell of illness. H.L. Arilla Fortney and H.L. Ruth Bennett have been mostly confined to their homes. During July and August, don't forget to report all illnesses of our members or members of their families to H.L.s Blanch Rasmus, Florence Nahrwold or our Royal Matron Georgia Garrett. Unforgotten? When one is ill, it helps a lot to know that one is not forgotten. A little card will prove all right, that they are in mind, though not in sight. To those who have been ill or are now, we wish them a speedy recovery and to those in sorrow, our deepest sympathy.

At our stated meeting of June 13th, we will hear reports of Grand Court, which was held May 25, 26 and 27th, in Indianapolis. Many of our officers and members attended this session and was greatly enjoyed by all. H.L. Esther Cook was installed as Grand Associate Matron. Other members who have been honored with Grand appointments will be announced later.

In the month of May we paid honor to Our Mothers. In June we do honor to Our Fathers.

We pause to pay due homage
to you Dad,
Three lusty cheers for all the
years
Of happiness we have had
You cheered us and guided us all
Along the upward way and
Your smiles have helped to keep
us gay.

June is also a month of roses, a very beautiful month, thrilled with new adventures for some, beginning of vacations, picnics, etc., so Best Wishes to all for a pleasant restful vacation and when we meet again at our first stated meeting of September 12th, we can start our Back to Court activities. Our first meeting will be preceded with a Pot Luck, so bring your best well-liked dish and have a good time.

Don't forget our Rummage Sale, June 4th, at 2028 S. Hanna St. Contact H.L.'s Myona Binkley, Tel. H-20732, or Ruth Peek, Tel. H-59315, if you have any rummage. June 20th we will have a bake sale at Wolf & Dessauer. Call H.L.'s Myona and Ruth if you can donate, or will, any bake goods. The Ways and Means will sponsor an Ice Cream Social, July 21st. This will be announced later. Watch for this in our lodge news of our city papers.

June 6th meeting will be Patrol Nite and an entertainment called Summer Daze will be sponsored by our Program Committee at our June 20th meeting.

Altho July and August, there will be no Lodge meetings, but other activities will be going on to keep us all in touch with one another. Picnics and fun for all.

TO MEMBERS OF ANTHONY WAYNE COURT NO. 3

On the second and fourth Fridays,
Eight o'clock is the time,
Just one flight up to the Court room
It isn't much of a climb
If we park our cares and worries,
At the entrance on Washington
street,
We can climb those stairs much
easier;
And our members we greet,
With a smile and a word of welcome;

No frowns our visage to mar—
Then our hearts will respond to the teachings exemplified.
And when our meetings are over,
Our hearts will be light and gay,
And those troubles we parked at the entrance
Will have quietly drifted away.

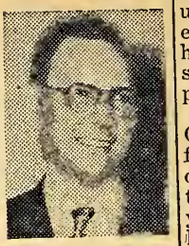
SMITHSONIAN INSTITUTION



May 1, 1947, marked the centennial of the laying of the cornerstone of the Smithsonian Institution in Washington, D. C. This institution was made possible by a legacy of $515,000 left by James Smithson, a British subject, "for the increase and diffusion of knowledge among men. He never visited the United Statee, but he laid the foundation for the greatest institution of its kind, probably in the world. Greatly enlarged by the erection of a monumental structure, it is visited annually by tens of thousands of people from all over the United States and many parts of the world.

For an institution "for the increase and diffusion of knowledge among men," it was most fitting that the Masonic fraternity, an institution for the enlightenment of the mind and the development of the soul, should have been asked to lay the cornerstone of the structure. Some 6,000 persons were at the imposing Masonic ceremony which was performed by Benjamin B. French, Grand Master of the Grand Lodge of the District of Columbia, assisted by Charles Gilman, Grand Master of the Grand Lodge of Maryland; Col. James Page, Grand Master of the Grand Lodge of Pennsylvania; and President James K. Polk, a member of Columbia Lodge —o. 31, Columbia, Tennessee.

At the conclusion of the ceremony, Grand Master French told the audience that the gavel he used was the one used by George Washington in laying the cornerstone of the United States Capitol, and that the apron he wore was the one worn by Washington at that time and which had been presented to him by the Grand Lodge of France. —The New Age.

"What i s so rare as a day in June." After all the rain we had in May I know you all are hoping June will usher in the summer season. At least June 21 will be the first day of summer. That tends to remind me that this will be my last article for the paper for the summer. As you all know the Lodge will only have stated meetings during July and August and also the Square & Compass will not be published during these two months. I would like to take this opportunity to wish each of you and your families the most happy and pleasant of summer vacations. If you are planning any trips or lake vacations be sure to take "Safety First" with you whereever you go.

Our Lodge has prospered well during the first six months of this year. We have had five candidates every month and the manner in which the work was portrayed speaks well of all who work. I would like especially to thank all the officers again for the splendid cooperation they have given me, especially on early lodge nights.

It is with regret that one of our charter members Bro. Harold Owen was called to the "celestal lodge above" on May 15. He was well loved by all who knew him and a wonderful family man. His untimely death leaves a place of emptiness among all who knew him. To his family we offer our sincerest condolances and sympathy.

I am happy to report that Bro. Glen Horn is rapidly recovering from an operation he underwent on May 9. He has been under the weather so to speak for several years and we have missed him in lodge the past few months due to his illness. I know Glenn is looking forward to a rapid recovery so he can again be with us this fall. I would again like to remind each of you to let us know of any of the Brethren are ill. We try no to miss calling on all who are sick and appreciate knowing about all who are ill for any time at all. I we have missed anyone we are sincerely sorry.

In closing I would again like to wish all of you a very enjoyable vacation season and will look forward to seeing you in Septembe when we will again confer degree work. In closing I would like to dedicate this poem to all th Masonic wives. It's called "Od to a Masonic Widow."

She sits at home on every Lodg night,
And misses him with whom sh fights;
With dishes sitting and J crying,
She tears her hair while h goes flying
To some secluded place away,
Where he finishes out the day.
She stamps her feet and say again,
Not another meeting will he a tend.
But when he returns and pats h cheek,
And tells her how she looks sweet;
She knows it's just another dod
So he again can go to lodge.

Work on the Lodye Hall is pro gressing fairly good. Brother Robret Tharp has about one-half of the chimney rebuilt in spite of a bout with the flu bug.

Brother Bill Warner has a very good start on the plumbing. The septic tank is in and buried.

Brother Frank Ivins reports that he has another three days work to do on the rest rooms and they will be ready for plaster.

We are sorry to report that not many of the brethren are taking an interest in the rebuilding program. We especially need help in getting the painting completed. Since this involves only the windows and trim, it wouldn't take too long if enough would help. Those of you who can spare a few hours now and then, contact Brother Charles Smead, our painting foreman.

The "Stare" report that their fifty year celebration was a huge sucess. The main celebration was held in the Leo High School gym and refreshments were served at the Lodge Hall dining room.

News of the brethren has been very slow. If you have anything to report, please contact any of the Lodge Officers.

THE INVESTIGATING COMMITTEE

While serving as a Worshipful Master of a blue lodge in Fort Wayne, Indiana, I learned there are three extremely important officers of any lodge that are quite often overlooked. It is the general opinion that the Worshipful Master and the Wardens are the most important officers of the fraternity. They are, in so far as line officers are concerned. The responsibility of selecting these three men as committee members rests upon the Worshipful Master He must choose with care and forethought. The duty of these three men is to act at once when assigned to investigate a petitioner. They should contact more than one or two persons and call upon the applicant himself. You have realized by now that I am referring to the investigating committee. They are responsible for safeguarding our Lodge against those who should not become members of our Great Fraternity. It is the sacred duty of the committee members to faithfully investigate a petitioner, because upon their word and report turned into the Lodge, you and I are governed by the way we should use the ballot. Every member who casts a ballot for a candidate does not know him personally, so must rely upon the report of the investigating committee. The Worshipful Master appoints three men to each petition and by all means each man should make an honest effort to do his part. It is equally true that if anyone approaches us for a petition and we know deep down in our heart that he is not desirable for membership in our Lodge it is your duty not to sign his petition or recommend him for the degrees of Masonry.

,In this manner our reputation and honor will be firmly established and the world at large convinced of our good effect. —Melvin L. Westbrook, Past Master of Sol D. Bayless Lodge No. 359.

By the time this issue is received there will be just one more opportunity to attend your lodge before the summer vacation. We have been having a good attendance but it always can be better. The lodge welcomes another new member in Elvin Lavern Mull, who was made a Master Mason on the 6th of May.

We wish to thank all of the Brethren who have so generously contributed to the Indiana Masonic Home rebuilding fund. This is a very worthy and badly needed program. Harlan Lodge has contributed to this fund 100 per cent for the the past three successive years.

The Worshipful Master and Senior Warden were in Indianapolis, May 20 and 21 attending the annual meeting of Grand Lodge.

Plans are to be made this summer for some badly needed repairs on our lodge building. Don't forget we are closed during July and August, so we will see you in lodge next fall.

BRIEF ACCOUNT OF YORK CONSTITUTION

A brief account of the York Constitution by John Turnough, Liverpool, England, 1788. It is characterized by the uncritical historical attitude of the time, but it is interesting as giving the York legend upon which English Freemasonry is founded.

Previous to the invasion of Britain by the Romans (55 B. C.), under the Druids, who were the Priests of the Celts and Cymri and had amongst them many customs like those of Masons, the history of our Order is obscure.

The wars between the Romans and Britons gave a check to its increase. It revived, however, under the Emporor Carausius , who shook off the Roman yoke. He held the Masons in great estimation, and made his steward Albanus, who was the first to suffer martyrdom on account of the Christian religion in Great Britain, superintendent over their Assemblies.

Under him, Albanus, the lodge of the Fraternity were regularly carried on, and through his influence a Charter was obtained from the Emperor Carausius to hold a general council, to which name Assembly was afterwards given, at which he presided in person as Grand Master, so that the first Grand Lodge was held at York, Roman name Eboracum, in Britain, in the year A. D. 287. From this time to the year A. D. 925, due to the constant wars with the invading Jutes, Danes, Scandinavians, and Saxons after the Roman troops had been withdrawn from Britain by the Emperor Constantine, Masonry sometimes flourished, and others not. In this year King Athelstan began to reign He appointed his brother, Prince Edwin, Patron of the Masons. He granted them likewise a Charter, empowering them to meet annually at York; and in the city the first Grand Lodge of England was formed in the year 926 A. D., at which Prince Edwin presided as Grand Master.

The reason for it, the Grand Lodge, being formed at York was that Athelstan for a considerable time kept his court there and received embassies from foreign Princes in that city. From this time to revival of the Grand Lodge in the year 1717, Masonry was sometimes patronized, sometimes persecuted, and sometimes neglected. Lodges however met in different parts of England, particularly at York, under the Charter granted them by King Athelstan; now and then they held communicables; but York being in a remote part of the Kingdom, is was many years ago thought proper, for the convenience of the Fraternity, to remove the Grand Lodge from York to the Metropolis.

In the reign of Queen Anne, Masonry being at a low ebb, the annual festivals, communications, etc., were entirely neglected. On the ascension of George I, the lodges, zealous for the welfare of the society and anxious to see it under proper direction, resolved to unite under a new Grand Master, to be elected annually as in former times; to revive the festivals and communications; to regulate the ancient usages and customs of the Fraternity, and to establish such modes only as might correspond with the practices of the members, of which the lodges were principally composed; and the Grand Lodges were revived. Anthony Sayer, Esq., elected Grand Master June 24, 1717. Since which time patronized by men of first rank and most amiable characters, Masonry has flourished, and is now propagated and reverenced throughout the whole world. —Genesee Masonic News.

With the coming of June we are reminded that we have reached the half-way mark of the year. We are also reminded of vacations and will need a lot of help to finish all degree work so that we won't have anything but stated meetings in July and August.

Your Worshipful Master enjoyed the two days at Grand Lodge on May 20 and 21. We were impressed with many things, such as the newly decorated Grand Lodge Hall, the many visiting dignitaries and their remarks, the full dress apparel of our own Grand Lodge officers, the easy manner of conducting business, and the easy grace of presiding displayed by our retiring Grand Master.

We wish to express our deepest sympathy to Brother John Zerminski in the death of his wife, and to Brother Wayne Scherrer in the death of his father.

Remember now, let us live our Masonry during the summer, so that we will be fit to resume our Masonic labors in September.

Don't forget our St. John's Day banquet this month. It is to be held at Wallen this year. Watch the mail for the announcement and where to get your tickets. Brother John Lahr is chairman for the big affair. Plan now to attend.

Our calendar is filled up to the time of closing for the two summer months. The boys have been working overtime to take care of all the work this spring. It certainly is gratifying to see so many showing an interest in the principles for which our institution was formed. We should always remember that our everyday actions and behavior may influence others to practice the same. Don't you want to come over and help the officers with their work?

Brother Wm. Bryan has been hospitalized for some time but is ome better at this writing. Brother Jim Houser is also improving and o both we wish a complete recovery soon. Brother Walter Thrush as also been ill this spring and we xtend the same for him.

For a thought to carry along this nonth, I would like to remind you f the beauty of spring, and the apid growth of plants and trees. he most rapid growers generally re the ones that reach maturity, lossom, bear fruit or seed and hen perish. But the others, such s the tree has both. In the spring hen moisture is plentiful it rows rapidly, forming large open ores in the cambium layer just nder the bark. Then as summer pproaches and the moisture is uch less, the tree forms another layer of very close pores. This is partly because of the thickening of the sap in the tree, thus we have formed the annual growth rings by which we may count the age of a tree. This type of growth also adds strength to the tree, and enables it to withstand the rigors of winters and takes life again in the spring to repeat the same cycle. Eventually the tree reaches maturity and then sets in another cycle of years when it is adding nothing to its stature (just existing). Yet it is still able to display its beauty to the world.

As human beings we are similar in some respects to the tree. We have that same type of slow growth and ability to protect ourselves. We have certain life cycles and functions to perform. Yet there is one significent ability we have that the tree does not. We have the ability to move about, and need not wither and die as an ugly old tree that is about to fall down. We have the opportunity to keep growing in knowledge and wisdom. If we keep up this practice of mental growth, it will enable us to display that beauty of character which so glorifies age.

SAINT MARK THE EVANGELIST

The symbol of St. Mark is the winged lion, referred to in Revelation 4, 7ff. The Lion is used to represent St. Mark because of the reference in the opening chapter of his gospel (Mark 1, 3) to the "voice of the crying in the wilderness," symbolized by the lion. Numerous scripture references to the lion indicate that this "king of the beasts" roamed the wilds of Palestine in ancient times.

The lion is also used as a symbol of our Lord (Revelation 5, 5) and is referred to as the Lion of the Tribe of Judah. When used as a symbol of our Lord Jesus the lion is indicated with a three-rayed nimbus signifying his divine nature, in distinction from the lion of St. Mark, which is represented with an ordinary nimbus. The lion is also used as a symbol of the resurrection. This symbol is based on the ancient belief that the lion cub was born dead (their eyes are closed at birth), and was brought to life by the breath of the lioness, or by her voice.

This month has been a busy one even tho we haven't had any degree work.

On May 16th, Brother Lee Witte and I visited the Three Rivers Lodge. The E.A. degree was exempliled on two candidates, Brother Lee having the privilege of obligating one of them. We will have degree work in our Lodge in the near future and would be glad to have any of the Three Rivers brothers be our guests.

Brother Lloyd Youse, of Poe, and I attended the Grand Lodge together. Grand Master Tislow conducted the very interesting session and we appreciated the opportunity of attending.

At our last stated meeting, Brother Arthur Stairhime of the Masonic Home gave a short talk about life at the Home. Brother Ed Crabill was reinstated. We are glad to have you "back in the fold," Brother Ed, and will be pleased to have you attend regularly and renew old acquaintences. We are also glad to hear that Brother Kenny Spieth is doing well in California and would appreciate hearing from him.

Brother Dale Spieth and Brother Noble Peckham and I visited with Brother David Van Meter and Brother Charles Beahrs who have been seriously ill for the past several weeks. To them we wish a speedy recovery.

Another year of Job's Daughters fun and activities is nearly gone. We surely have a lot of golden memories of good times had and friends made.

The last month has held a lot of good times for our girls.

Our May 6th meeting was past guardians', associate guardians' and queens' nights. We were really pleased by the number of guests in attendance.

After the meeting our guests were entertained by a game of "You Bet Your Life." Judy Adams kept us all laughing as she presided in the part of Groucho.

The Marion Bethel invited five of our officers to take part in their Friends' Night. This meeting was held on May 12th. The officers attending were Phyllis Voltz, senior princess; Betti Brigs, junior princess; Patty Miller, third messenger; Gloria Wilkerson, senior custodian; and myself. We and the other guest officers gave the initiatory work for five candidates. The Marion girls were so sweet and friendly that we certainly had a nice time and an evening which will be long remembered

Star of the East Chapter, O. E. S. honored us with an invitation to present our work for them. We gave our opening and closing ceremonies for them on May 13th. All the officers and choir were there to take part. I was especially proud on this evening as Star of the East is the chapter to which my mother and I belong. The ladies showed us a very nice time afterwards when they presented us with lovely gifts and served refreshments of hot dogs and cokes.

Again this year we had the pleasure of serving for the De-Molay mother and son banquet. It was a lovely banquet and we certainly enjoyed lending a hand to our frineds, the De Molay. Thirty-two girls came out to help us on this occasion. Thanks, kids!

We held our election of officers on May 20th. Job's Daughters elective officers for the coming term will be Phyllis Voltz, honored queen; Betti Briggs, senior princess; Carol Schneider, junior princess; Laura Briggs, guide; and Lindy Schmidt, marshal. Congratulations and gest wishes, girls. I know that each of you will do a splendid job.

Our choir had a terrific wiener bake at the home of Alice Shiek on May 27th. We had a wonderful time and all we could eat. We surely owe Alice and her family many thanks for such a good time.

We had two successful projects during the month of May. On May 24th we held a rummage sale and on May 31st a bake sale. Both projects turned out swell and I want to thank all the girls and mothers who turned in rummage and baked goods.

The committees in charge of these events did grand jobs, too. The rummage sale committee was Carol Noll, chairman; Alice Shiek, Carol Nichols and Gloria Wilkerson. The bake sale committee was Sharon Earl, chairman; Emily Bailey, Phyllis Williams and Enecya Bickel.

By the time this article appears our inspection will be overwith. We are having inspection by our Grand Guardian, Mrs. Edythe C. Moffitt, on June 5th. Our banquet which will precede the meeting will have a Hawaiian theme. The tables will be decorated with lies, flowers, pineapples and Hawaiian girls. The head table will be backed by long multi-colored streamers descending from the balcony.

The committee for inspection has been perfectly wonderful. It has taken a lot of work, but they have been very faithful. These girls are Betti Briggs, chairman Phyllis Voltz, Laura Briggs, Caro Schneider, Judy Garman, Evellyn Van Fossen, Barbara Engelman and Suzy Fawcett. All our thanks for such a nice banquet go to these girls, and of course for the tireless efforts of Mrs. Briggs. We also want to thank the mother for preparing and serving our meal.

During the meeting eight girls will form a lovely escort for our Grand Guardian. Four girls will be attired in grass skirts, halter and leis. They will dance for a while four "boys" dressed in white shorts and brignt Hawaiian shirts strum on their ukeleles Miss Phyllis Voltz will sing "Blue Hawaii."

It's nearly time for our long awaited trip to Evansville. We are taking a whole bus load of girls and we can hardly wait. We will be gone June 19th to 22nd. Among the activities we will take part in are a park and zoo party a theatre party, a formal banquet and a formal dance. We will also take part in the opening ceremony and the installation of officers. I don't believe that anything is more fun than a bus trip, so I'm sure we'll really have a splendid time.

On June 2 we will have initiation. There are three candidates. June 17th we will have our last Assembly Meeting before the dark months.

The serving of the banquets were well turned out, and thank you all so much. The robe fund has grown and we are now ready to consider purchasing materials and getting someone to make them.

The Assembly will meet in Kansas City the last week in September. This meting is open to every member, so be thinking about this and maybe we can have a number of representatives this year.

Come to your assembly and get a petition for the lady of a Knight Templar that we do not have as a member of our Social Order of the Beauceant.

PROUD TO BE A MASON

By Hon Arthur Capper
U. S. Senator from Kansas

I am proud to be a Mason with a record of 24 years. I am proud to be a Mason because it typifies as no other organization the best American ideals and because of its responsiveness to the great moral interests.

No other influence has had a more far-reaching effect in shaping the destiny of this nation than has Masonry. No other group is working harder for the highest type of American citizenship, and no other body of men or women can do as much to crystallize the public sentiment of this country back of a program that makes for national safety and national honor and the perpetuation of American ideals than this great Masonic organization of ours. No other organization has in its ranks so large a per centage of men not content with acceptance of privileges of citizenship without active participation in meeting responsibilities of citizenship. More and more we are realizing that if this nation is to endure and occupy its just place of power and prestige among the nations of the world, we must stand squarely and without evasion or modification for those great principles which the fathers of the nation believed so vital to the stability of the Republic, and which are the foundation upon which the Great Masonic Body rests.

We must combat all organizations whose purposes are to undermine, sap, overthrow or otherwise destroy the principles of the American government.

The church, the home and the school are the cornerstones upon which the republic rests. And today, as never before, we must turn back to these ideals of our forefathers and do our part to foster these ideals, do our part to preserve the sanctity of the home, the church and the school. The hope of this nation lies in our public school system, because in it we have the greatest agency for teaching the fundamentals of American citizenship. No other organization is giving stronger support to the cause of public education.

At no time in the history of our nation has there been so great need as now of this active, personal patriotism which places country above the individual, the common good above selfishness. We are given to flattering ourselves with the thought that we are God's chosen people, and that the destiny of the human race will be worked out by us in this new world.

And in this complacent satisfaction lies our danger.

Both as Americans and as Freemasons, we believe in democracy. We believe in the brotherhood of man. We believe in equality of opportunity. We believe in help for the weak and in charity for the unfortunate, and we are pledged to the principles of justice to all men—not the cold justice of stern, forbidding law which decrees "an eye for an eye and a tooth for a tooth," but justice tempered by the loving kindness that encompasses the whole world.

So long as we have two million Masons in America who are faithful to the principles of our Order, who are true Masons and true Americans, teaching and practicing loyalty to our flag, tsaching the utmost respect for our inherited institutions, and teaching due regard for our constitutional authority, I have no uneasiness as to the security of our nation.—Masonic Tidings.

Brethren, it is well that we should practice out of the Lodge those great moral duties which we are taught in it. At this time with the world in a state of unrest and the moral degeneration in high places, we can in our small and humble way do our part to help correct this situation. Remembering to do unto others as we wish him to do unto us.

The past month has been a very busy one with many enjoyable activities. Your Worshipful Master is very pleased with the ever increasing attendance and increased interest and effort of the Fellow Craft team. The square dance on the 24th was again the usual big success and a good time was had by all. On May 29th your officers and the Fellow Craft team went to Huntington Lodge and conferred the M.M. degree. I wish to express my appreciation to W.M. Ralph D. Southern and his officers for a very enjoyable evening and the (Southern) hospitality that was extended to us.

Your Worshipful Master and Wardens attended Grand Lodge on May 20th and 21st. I wish to report that your new Grand Master elected is Bro. Ralph E. Legeman who I am sure will serve us well this next year.. After attending this meeting one can but marvel at the speed and efficiency and harmony that the business of so large an organization can be conducted in two short days. If it were only possible for all business to be conducted on these principles what a wonderful world this would be to live in.

Brethren, June will be the last month the degree work will be put on before summer vacation. Let each one of us make a special effort to be present as your help is needed.

To all our sick brothers we wish a speedy recovery and hope to see you back in lodge soon.

Our sincere sympathy is extended to the family of Bro. Paul R. Sarver who passed away on April 26, 1952, and to the family of Bro. Oliver J. Boldt who passed away on May 2, 1952.

RALPH E. LEGEMAN INDIANA'S NEW GRAND MASTER

Ralph E. Legeman, one hundred--second Grand Master of Masons in Indiana, is a native of Evansville, born July 2, 1904, the son of Charles R. and Mary T. Digel Legeman.

He was graduated from Central High School in Evansville and prepared himself for his profession by enrolling in engineering courses in the Extension Division of the University of Wisconsin. He began the practice of architecture with the firm of Clifford Shopbell, and continued in this position until January, 1926, when, at the age of 22, he opened his own office. Since that time he has become recognized as an authority on the construction of public buildings, particularly schools and churches. During world war II he designed equipment for handling LST ships under construction.

Brother Legeman was married September 21, 1935, to Mary L. Stratton, who died in 1948. They were the parents of a son, Ralph Don, now eight years old. In 1949, Brother Legeman was married to Martha . Stratton. Mrs. Legeman is the mother of two daughters by a former marriage, Lois and Deborah Jane Stratton.

The Grand Master is a member of St. John's Evangelical Church in Evansville.

Brother Legeman became a Mason on December 10, 1928, in Evansville Lodge No. 64. He served as Worshipful Master of his Lodge in 1945.

He also is a member of Evansville Chapter No. 12, R.A.M.; Simpson Council No. 23, R.&S.M., in which he now holds the office of Principal Conductor of Work, and of LaValette Commandery No. 15, Knights Templar. He received the grades of the Ancient Accepted Scottish Rite in the Valley of Evansville in April, 1929, and served as Thrice Potentate Master of Evansville Lodge of Perfection from 1947 to 1949. He was crowned as an Honorary Member of the Supreme Council 33° on September 24, 1947 at Cincinnati, Ohio.

Grand Master Legeman is a member of St. James Conclave No. 16, Red Cross of Constantine; of Hadi Temple, A.A.O.N.M.S.., in which he formerly served as band director, and is a Past Monarch of No. Ruz Grotto, M.O.V.P.E.R.

In 1949 he was commissioned as Grand Representative for the Grand Lodge of Prince Edward near the Grand Lodge of Indiana.

Brother Legeman was appointed Junior Grand Deacon by Grand Master Henry W. Roberts in 1947, and has advanced regularly through the stations of the Grand Lodge to become Grand Master on May 21, 1952.

The fall convocation of the Fort Wayne Scottish Rite Bodies will be held on November, 12, 13, 1952. The degree work will start on Tuesday afternoon November 11, and close Thursday afternoon November 13, with the conferring of the 32°. Following this the convocation banquet will be held at 6:30 o'clock.

The committee on banquet arrangements has announced that our speaker will be Ill. Bro. W. Henry Roberts, 33° the Deputy for Ind.

The schedule of degrees has not as yet been completed, however, several degrees that have not been given for several years will be on the program. Rehearsals for the work will start soon and any members who wish to take part should contact the Scottish Rite office or the presiding office of the body in which he would like to have a part. There is always room for everyone and your help is needed.

The Scottish Rite choir will start rehearsals on Monday night September 9 at 7:30 o'clock in the cathedral. Several out of town trips will be made for concerts besides preparing for the fall reunion. There are openings in the first bass section and if you can sing and would enjoy working with this splendid group of men under competent direction contact Ill. Bro. Melvin G. Honeck or the office and an early meeting will be arranged for you. This organization is very important in our Scottish Rite work and if you join the choir you will be helping the Rite and have a good time in doing it.

The membership committee will meet soon and start the work of enrolling a large class of candidates. Each one of us should be a member at large and contact our Blue Lodge friends and have them sign a petition for the fall class. The last date to receive petitions will be at a special meeting to be held on Tuesday evening, October 28 at 7:30 o'clock.

The office wishes to announce that the 1953 cards are now ready. Also there are a few current cards that have not yet been picked up. Do this now and save yourself time and standing in line during the convocation.

The fall Convocation of The Scottish Rite of the Fort Wayne Valley will be Tuesday, Wednesday and Thursday, November 11, 12 and 13.

We are happy to announce that the Marion brethren will put on the 27th degree. This is one of the impressive degrees with a large cast and the dramatic leaders of Marion have exemplified this work or several occasions. During the past two years a new Masonic lodge has been organized and is now well established but its founding has taken much time of several of the strong characters in this degree so we have been denied the pleasure and benefit of its forceful message.

Members of the Scottish Rite classes of the past two years will be happy to know that the strong 27th degree is to enact for them this fall and we hope most of them will come back in reunion spirit to be uplifted by the dramatic pageanty of this degree which impressed the virtues of "Humility, Temperance, Chastity, Generosity and Honor."

Several of the Spring Class members this year asked when the 20th degree is to be exemplified. That "patriotic degree" as it is popularly known is one of the most vivid of all the Rite. Early patriots enact parts in the trying and glorious days of the Revolutionary War that sets the blood of every free man tingling.

There are to be slight changes in the 20th degree ritual this year that will interest members of long standing as well as brethren who were more recently inducted. The rather lenghty "Opening" and "Closing" of the former ritual are omitted. There is but one ritualistic lighting of the symbolic lights and the text of the ceremonial section has been made more dramatic.

Work will be starting soon in preparation for the Consistory degrees to be enacted and I hope every brother who is called upon to take a part will respond in true Masonic spirit.

It is a good time to start letting your Blue Lodge brother know that you will be pleased to take his petition.

As our vacation period comes to a close we hope that all of our Companions have had a safe and enjoyable rest. Soon we will be getting back to work and since the September meeting is our Annual Stated Convocation and election of officers we hope that most of you will be able to attend. Plan now to start the fiscal year out right by attending our convocations regularly.

The new officers who will be elected in September will appreciate your support.

We also urge you at this time to get busy and bring in the petitions of your friends who have not yet started through York Rite. There are hundreds of men attending meetings here in our Temple who need only to have York Rite explained to them. May we ask your support in the movement of having each Companion bring in one new petition.

Our sympathies are extended the family of our deceased Companion Lawrence Achleman.

There's a Masonic Club at Ford plant in Detroit, and 324 Bibles have been presented to members on receiving their M. M. degree.

Vacation time is over and we all hope you had a summer of pleasure. Let's all get back in the swing of things again. School—athletics, clubs, frolic nites and of course De Molay.

The officers elected and appointed for this term are:

Edward Pettibone, Master Councilor; Michael Brulton, Senior Councilor; Robert Nelson, Junior Councilor; Donald Rife, Senior Deacon; Charles Ray, Junior Deacon; Dean Stevens, Senior Steward; Stanley Possell, Junior Steward; Carl Rinne, Chaplain; Robert Strodel, Scribe; Carlton Sheets, Treasurer; John Mitchell, Marshal; William Pomp, Orator; Barry Hindman, Almoner; Theodore Lulton, Standard Bearer; James Frey, Sentinel.

"Preceptors"—James Ford, Ben Fuhrman, Paul Jasper Jr., Terry Day, James Lowe, Keith Walda, and Bruce Snyder.

This new group of officers are ready to go but a successful chapter must have your co-operation and support and that means new members to replace the ones who become 21 years of age and we again have sixty this year.

Our membership drive announced last June should be in full swing at start of school. Each High School has co-chairmen and under them each class will have a chairman. Co-chairmen at North Side are Carl Rinne and Jim Ford; South Side—Mike Brulton and Bob Nelson; Central—Carlton Sheets and Bill Pomp; and Elmhurst—Charles Lowen and Stan Geoglein.

Every member of De Molay is of course on the Committee, so do your part and bring in a candidate.

Opening meeting will be held September 9, next meeting September 23, with refreshments.

The first Social activity will be the "Annual Fall Maul" hayride, wiener roast, and square dance with Paul Giesler as caller. It will be held at the Bullerman Farm on the Trier Road Saturday, October 4, 7:30 to 9:30. Tickets $2.00 per couple. Directions to farm:- go out North Anthony or Crescent Ave. to North edge of Kirkwood addition which is just about 50 feet south of the signal light. This is Trier Road. Turn right or go out Road 427, turn on California Road, cross Johnny Appleseed bridge turn south at signal light. Go about 50 ft., this is Trier Road, turn left, go about 1½ miles. You can't miss it. Everything will be there. All officers have tickets for sale. There will be other Hay Rides of course but De Molay's is tops and De Molays should patronize their own as the profit from this event is used for a "Free Dance" later in the year.

The Initiatory Degree will be given October 28, and all petitions must be in by September 23, to go in this class. So let's get on the ball and have another successful year.

Brethren, vacation season is past, and since it is time to get back to work we will look forward to seeing all of you in Lodge soon. Come to the Temple and enjoy participation in the work of the Lodge. Our work season will resume with the Entered Apprentice degree on Monday September 8.

I am extremely happy to announce that our Grand Master, Most Worshipful Brother Ralph E. Legeman, has accepted an invitation to address our Annual Past Masters and Old Timers meeting on Monday November 24. I know it will be a most enjoyable occasion and I'm sure our Grand Master will have an inspiring message for us. Be sure to set aside that date, and be ready to mail in your reservation when you receive it. Let's make this a big evening in honor of our Grand Master, our Past Masters, and our Old Timers.

Don't forget the Round and Square Dance to be held at the Temple on Saturday October 18. Get your set together and join in the fun. Our Junior Warden, Brother Kelley, has promised a large evening and his committee will be contacting you soon.

I am pleased to report that, in the main, those Brethren who were reported sick during the summmer months are up and going again. One Exception, is our good Past Master Brother Ollie Linn who has been confined to St. Marys Hospital at Rochester, Minn. To Brother Ollie we all wish a speedy recovery.

The vacation season has been saddened by death, too. We extend our deepest sympathies to the families of Brothers John E. Bryie, Ross A. Hindman, John H. Davis and Louis Ungerer.

Summer is almost gone and Fort Wayne Commandery has a busy schedule for the fall and winter months. We already have several candidates elected to receive the Order of the Commandery and will therefore start to confer the work after the stated conclave on Sptember 18. There will also be a school of instruction for this district in October; the exact date of which will be announced later.

Plans are being made to have our annual inspection on December 6. This inspection will be different than in previous years in that the Order of the Temple will be conferred in the afternoon followed by a dinner. In the evening the program will consist of the reception of the Grand Commander or his representative and his staff. The evening program will be open to all Masons their families and friends. All of the commanderies in this district will be invited to attend.

This program has been used in Ill., and was recommended to us by our own Grand Commander. We will be looking forward to having our Grand Commander, Right Eminent Sir Knight Alfred E. Braam with us on this occasion.

We will need a lot of help from all of the Sir Knights to keep things going so be sure to attend the conmmandery on Thursday nights and give us a hand.

At the stated conclave in June a special election was held to fill the station of Captain General, which was made vacant by the death of Sir Knight Robert Brecount and also to fill any other station that may have been made vacant because of advancement. All of the line officers were moved up one station from Captain General on down and Sir Knight Don K. Thrasher was appointed Sword Bearer.

In spite of our heavy schedule we can still use more petitions as the conferring of the Orders is our main objective. The Commandery can only continue to exist when there is a constant flow of candidates to replace those who are removed from our ranks by death. We should also strive to not only fill the vacancies in our ranks but also to show an increase. So keep on the lookout for prospective candidates and have a petition handy.

Be sure to notify us of any change of address.

Hi, Everybody!

It's been a long time since we've been together, hasn't it? Haven't seen most of you since my installation in June. I was very happy to see so many of you girls there. Thanks so much for coming.

The formal installation was held on June 24, 1952, in the Bethel room. Since the theme was "Somewhere Over the Rainbow," a backdrop of a colorful rainbow was used surrounded by garden flowers. I was thrilled when my Dad escorted me to my seat while 14 of our past officers made an arch of rainbow colored umbrellas. And, I thonght my nephews added the finishing touch when they gave me a lovely basket of flowers. Also, I don't want to forget our Job's Daughters Octette who sang the theme song so sweetly.

Lou Ann Rutherford deserves a great thanks for the wonderful job she did as being our installing queen. The officers she installed were: Seniok Princess, Betti Briggs; Guide, Laura Briggs; Junior Custodian, Carol Noll; Senior Custodian, Beverly Constance; First Messenger, Judy Goller; Second Messenver, Sharon Tew; Third Messenger, Barbara Bogenschutz; Fifth Messenger, Sharon Earl; Musician, Emily Bailey; Librarian, Carol Hendricks; Recorder, Evelyn Van Fossen; Treasurer, Alice Sheak; Chaplain, Pat Miller; Inner Guard, Diane Murray; and Outer Guard, Lou Ann Matthews. Carol Schneider, Lindy Schmidt, and Enecya Bickel will be installed at our September 2 meeting.

Now that vacation is over, we are ready to start another new term with plans made for good times that I am sure you will not want to miss.

Get out your calendar and encircle our big date, September 2, which will be the pot luck supper for our new officers, their mothers, and the council, to be followed by a practice for the officers. The meeting itself will be a regular stated meeting, but committees will be appointed for the rest of our September activities.

The next highlight will be our "Suppressed Desire" Party on September 16. I'll bet you are curious, aren't you? Well, for further details be at our first meeting.

On Saturday, September 27, will be a big day for all teenagers, for that's the date of our annual Job's daughters hayride at Bullerman's farm. Tickets will be $1.00 each and may be sold by all of you, Also, a wiener roast and square dance is planned after the ride. So tell your friends all about it and everyone plan to be there for the fun.

All this will happen in just a month's time, and I know you won't want to miss out on all the big times.

We'll be seeing you soon.

"BACK TO COURT"

We hope everybody had a wonderful time, vacations, etc. during the summer and will now be ready for the "Fall Roundup".

Our first stated meting will be Friday, Sept. 12th. Starting with a Pitch-in Supper, honoring our S. K. Alfred Schell, Grand Lecturer who will be at the meeting for offiicial inspection.

"When the dinner bell rings
And the coffee is hot.
If you come and I come
We'll meet on the Spot."

Time, 6 o'clock; Place, K. of P Dining Hall,

Bring your service ware and favorite covered dish and enthusiasm to start fall activities in deep earnest. Bring your Smiles and a word of Welcome and park your troubles at the downstairs entrance, so when we leave, we will feel that it was good to have been there.

Activities have been many during the summer. Marriage bells rang for H. L. Kay Foster Marshall in the East, whose marriage took place June 14th. On July 13th was Grand Royal Matron. H. L. Pansy Wile's reception. July 20th, School of Instruction at Indianapolis. Many of our officers and members were there. It was a terrible hot day, but everybody had a good time as well as instructive. Aug. 17th was the State Picnic at Noblesville, Ind. The Officers Club was entertained at the lake cottage of S. K. Paul and H. L. Merl Paul at Lake Webster, the three trustees were the hostesses. Cheer Committee were entertained by H. L. Mary Jones at H. L. Pearl Phillip's lake cottage.

Committee meetings for September, as follows:

Social (Red Rose Club) will have to be announced at our first meeting.

Ways and Means (G. C. Club) will meet at the home of H. L. Alice Reece, Sept. 22nd, at 220 E. Foster Parkway.

Cheer Committee will be at H. L. Florence Nahrwald's lake cottage at Rome City, Monday September 15th.

Program Committee at H. L. Loretta Rippe's home, 817 W. State, Monday evening September 8th.

Officers Club at H. L. Alice Reece's home, 220 E. Foster Parkway, Wednesday evening Sept. 25th. H. L. Ruth Peek, assisting hostess.

Decorating Committee will be Sept. 16th. Place of entertainment to be announced later.

Amaranthians (Men's Club) will be announced later.

Illness, during the summer:

H. L.'s Nola Bailey, Irene Irmscher, Irma Clapsattle, Arizona Beach, Agnes Wilkening, Flora Etzold, Ruth Bennett, Mildred Steinbeacke, Carolyn Burwell and S. K. Carl Rippe. Some of these members have been in hospitals but are now home and recuperating. In the families, the mother of H. L. Georgia Garrett; the daughter of H. L. Blanch Rasmus. A new son for H. L. Joan Hand of Peru, Ill., born June 7th, and is also the grandson of H. L. Hazel Dehler.

To these members and to those who have not been mentioned, we wish them a speedy recovery and will welcome them back to Court as soon as they are able to come. And to those who have been in sorrow. we extend our heartfelt sympathy.

On our stated meeting of September 19th, we will have a reception in honor of Grand Associate Matron, our own H. L. Esther Cook, also other Grand Appointive officers of Anthony Wayne Court.

We are sorry to lose one of our officers. H. L. Mable McCorkle who served as "Truth." She served her station well and on some of the committees and we do hate to see her leave us. She will be replaced by H. L. Gladys Gipord, for which we offer our congratulations. H. L. Mable is leaving the city and as we accepted her resignation with deepest regrets, we wish her much happiness and good luck in all new adventures.

Now, don't forget our first meeting on September 12th, which will be a full evening—Pitch-in Supper—official visit of our Grand Lecturer for inspection and initiation. And, Oh yes! I almost forgot to mention our second rummage sale of October 13. So have your rummage and contact H. L.'s Ruth Peek, Dorothy Binkley, Myona Binkley and Lana Ploce.

Be seeing you all September 12.

Brethren: Since the vacation season is over and it is time for more Lodge activities again, we hope all of you have had a pleasant summer, and are ready for the things ahead.

As there is much to be done, may each one show his interest, by taking some active part in completing the job. September includes this month's duties, as well as, plans for October.

Home Lodge will be host to Lodges of several states at the Annual Tri-State Visitation which will be held on Saturday October 11. Those who attended these meetings at Danville, Ill. in 1950 and at St. Louis, Mo. in 1951 are still talking about the hospitality, fellowship and general good times had at those meetings.

We have arranged with Humboldt Lodge No. 476 of Columbus, Ohio to confer the third degree in ancient form after the banquet. This Lodge is known all over the country for their very exceptional work by the cast of one hundred and twenty with their special floor covering, lighting, precise performance etc. In fact it is very outstanding and will be the biggest event we have had for a long time.

Brethren this being here in Ft. Wayne it will be convenient for you to attend, so reserve this date and get your tickets now as there is a limited seating capacity.

For those who like to go out of town we shall travel to Muncie, Ind. on Saturday November 22, to confer the second section of the third degree.

REMEMBER THESE DATES.

Hope to see you in Lodge.

Best Wishes and a quick recovery to the ill, and our sincere sympathy to the bereaved.

The man that you dislike
Is the man you do not know,
Since everyone has virtues,
Though they do not always show.

When you really know a man
You will see so much to praise,
You'll overlook his little faults
And admire his better way.

In your travels today
Look for virtues, not for sins;
The man of noble vision
Is the man who always wins.

THE PARTING OF THE WAYS

Reprinted by permssion, Sunday Digest, David C. Cook Publishing Co., Elgin, Ill.

"Go down to the LaSalle Street station at the edge of Chicago's loop, and at a certain hour of the day you'll see two magnificant trains standing side by side. They look exactly alike, and are headed in the same direction. Look down the two tracks, and they run parallel as far as you can see.

" 'They must be going to the same place!' you exclaim. But get aboard one and travel a few miles. You will notice they begin to diverge a little, then grow farther apart, and finally they are lost to the view of each other."

That thought comes to mind as one contemplates the two principal faiths that dominate America, the Protestant and the Roman Catholic. These two great spiritual "trains" look alike and run parallel in many other ways. They accept the one true God as Creator and Ruler of the universe, and as the Father of mankind; they believe and proclaim the virgin birth of Jesus, the Saviorhood of Christ, the atonement on the Cross, the resurrection and ascension; and the coming of the Holy Spirit as God dwelling among men after Christ's earthly ministry was over. They acknowledge Jesus Christ to be the Founder of the Christian Church.

The real divergence starts with the nature of the Church. Both branches, strangely enough, have a common foundation in a saying of Jesus; when Peter proclaimed, 'Thou art the Christ, the Son of the living God," the Master answered, "Thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it."

Seems incredible, doesn't it, that a split dividing hundreds of millions of people should eventuate from such a seemingly simple, clear statement? The Roman Catholic Chuch affirms that Peter is the Rock; Protestantism says it is Peter's statement, "Thou art the Christ, the Son of the living God," which is the Rock. On its interpretation, the Catholic Church has built its doctrine that Peter was commissioned thereby to be Jesus' successor, the first pope, and the commission descends from one pope to another, like rulership of a nation through a line of kings. That is called "apostolic succession," and it applies to bishops as well as to popes. In the pope is lodged the assigned powers of God, and he rules exclusively in the spiritual realm in the name of and by the authority of God. The only approach to God is through the church and its priests.

Protestantism, on the other hand, holds that the Great Principle which Peter proclaimed, namely, 'Thou art the Christ, the Son of the living God," is the foundation of the spiritual, invisible Church, composed of all true believers, regardless of creed or denominational affiliation, who accept Jesus Christ as Lord and Savior, and seek to do his will. The visible church is the voluntary organization of Christians for richer fellowship, for unfolding the Scriptures, for better worship, for more effective service in bringing in the Kingdom of God.

How does it all work out? Let us give both divisions due credit for vast works of charity; for sincere, holy zeal on the part of millions of devout; for sacrificial humility by missionary clergy in faraway, desolate places of the earth, thousands of whom through the centuries have been martyrs to the Cross; for exalting Jesus Christ as Savior and Lord; and for countless specific acts of merit.

Yet the divergence is too sharp, The chasm is too wide to stop there. Why don't the two great faiths get together? Because two fundamental principles of belief and action are in conflict. Let us look at some of the essential differences.

The Catholic Church claims to be exclusively the "true church," and none other is valid. It talks of church union, but union consists of all other groups returning to "Mother Church." It asserts that no other faith has a right to exist under the name of Christian, and it refuses any co-operation with any other branch of Christendom except the Greek-Catholic and similar bodies. It will join no city, state, nation or world federation of churches. It tells its members not to participate in the worship of any other denomination. The priests may not even belong to a Rotary Club.

It exercises a dictatorship in spiritual matters. No marriage o

a Catholic to a non-Catholic by a Protestant minister is recognized. A Catholic may marry a Protestant if the priest performs the ceremony, and the Protestant promises the children shall be brought up Catholic, and if the Catholic party to the marriage promises to work with unflagging zeal to convert the other to Catholicism.

Catholic doctrine is established by the Church, and no member can question it with impunity. A doctrine, like the late "bodily assumption" of Mary, into heaven, is officially announced and every true Catholic must believe it, without regard to any mental reservation or wonderment regarding it. The church, in matters spiritual, thinks for you.

Protestantism, on the other hand, is not authoritarian, but democratic. It is not a religion of compulsion, but of voluntary thought and action. It seeks nothing of anyone save only what the free will of that person offers. It invites, and urges, people to think for themselves. It offers direct approach to God by any human soul, with Jesus Christ the only intermediary. It does not claim a corner on, but a share in, salvation. It believes in equality before God; judgment for sin, and salvation by faith and repentance, accorded impartially to all. Ministers are not delegated rulers, but preachers of the gospel and servants of the people.

In Protestantism there is large co-operation among many of the divisions within the Christian faith. It is a popular statement that there are 250 denominations within Protestantism. Technically that may be true, counting every group of dissenters who establish a communion of a few hundred or a few thousand members. But take the mass of 80,000,000 Protestant "population"—including church members, Sunday-school pupils and adherents—in America, and you will find a large proportion of them in less than a score of denominations. Within these groupings are subdivisions, some doctrinal, others historical or organizational, but often working together in many fields of promotion and missionary service. And the common activities of all Protestanism in the field of human betterment are amazing and impressive.

This setup has little of the efficiency and practically none of the discipline of the Roman Church. It has the inefficiency and the slowness of democracy in action, but it does have its roots in the longings, wishes and judgments of a free people. And, in the long run, it produces progress. The human race is made for self-determination, for freedom of choice and action, for direct access to God in prayer, forgiveness, and inspiration without human intervention.

How does all this work out for you and me? Well, the era of scientific advancement, of the development of human freedom, of unfettering of the mind from tradition and superstition, of the impulse to investigation, of experiment and research—this period which has given the world more progress in five centuries than in all the ages of human existence before it—began with the Reformation; and the Reformation began with men like Martin Luther who shook off the shackles of ecclesiastical authority and proclaimed the freedom of the human soul,

America has always been a predominantly Protestant nation. It has had, and now has a free, active, efficient and advancing Catholic Church. Catholics have a freedom and equality here unknown by Protestants in Catholic-dominated lands. Here every nationality, every faith, every race, and those who have no religion at all, have found refuge and the opportunity to progress—thanks to the Protestant heritage of our land.

Today this nation is the envy of all the world, not alone for its material advancement, but also for the freedom and welfare of the individual. It is this country that has taken the lead in the fight on Communism; and it is in the Protestant countries of Europe that the staunchest resistance to Communism has been found and where internally the Communists have made the least inroads.

Protestantism guarantees human freedom more than any other organization of humanity in the world. People are free to worship God, the sun, the earth or themselves. Here Catholics, Jews and Protestants may raise up a chapel, a cathedral, a synagogue, or a sanctuary of any form, and in perfect security express their inalienable right of religious freedom. This is in line with the life and teaching of Jesus—He offered all He had to everyone, yet forced it on no one. He recognized as no one ever before or after him the complete supremacy of every human soul over its own destiny. Never forget, good friend, that religious freedom in America and elsewhere is the fruit of Protestantism alone.

This freedom of choice that Protestantism emphasizes as the true spirit of Christ is responsible for our great public-school system, which is the cornerstone, guarantor and preserver of democracy. Early American colonists, leaving the fettered and decadent Old World, came here in search of freedom; and they established from the beginning churches and public schools alongside. They had seen the ill effects of religious domination of nations; and out of that realization has grown this profound conviction that separation of church and state alone makes possible the progress both

of the church and of the state. And the pioneers were keenly aware that only through knowledge and education on the part of the mass of the people could that religious and political freedom be maintained. So every time you see a public school anywhere in this broad land of ours, with doors open, flag flying, and swarms of happy, healthy children entering or leaving it, thank God for your Protestant heritage that made it possible.

I sometimes think that "openness" is our hertiage There are no shut doors in Protestantism. We have the open Bible to read, study and interpret as we will.

Stated Meeting

William E. Turner, W.M.

William E. Turner ..... W.M.

Samuel B. Gregory ..... Secretary

It seems like only yesterday that I wrote my article for June and here it is September already. I trust each of you and your families had a most enjoyable summer season. I know that we will all have some "yarns to spin" this fall with the brothers in Lodge. Don't forget that September ushers in the fall season and we will again have lodge on Monday evenings. So plan to attend and compare "fish tales" or golf scores. Speaking of golf scores reminds me that one of our "South gates" Bro. Tom Piepenbrink took third place in the Men's City golf meet. Our congratulations, Tom, on one fine job.

I would like to also remind all of you that the annual "Masonic Home Visitation Day" will be September 21 at Franklin, Ind. This event is held each year to welcome you to Franklin so you can see just how the splendid job is being done with you contributions. Picnic grounds are available and concession stands are erected for the occasion for meals. So plan to attend and see our greatest movement of Masonic Charity at work. You will never forget the experience, I assure you. The date again is Sunday September 21. You can spend the whole day as guests of the Home.

Your officers have been discussing the affairs of the Lodge during these summer months and have decided we would do something early. As you all know our dues notices are usually sent around Nov. 1. This tends to throw "Dues paying time" around the Christmas Holidays and Tax paying time. We thought we would send the notices out about one month earlier than usual to try to ease the burden of dues away from the end of the year. Your Secretary, Bro. Sam S. will send notices out around Oct. 1st this year in hopes that we can have all dues in by Dec. 1st 1952. So when you get your notice won't you try to be an early bird and get them out of the way as soon as possible. This will make Sam's job so much easier.

I am happy to report that our Trustee Bro. Ed Greer has returned to work following his illness. Bro. Sprunger is recovering slowly from his illness too and I know he would enjoy a visit from any of you who can call on him. He lives in New Haven. Bro. Roy Raticer continues to improve and I know he always enjoys your visits too. If any of the other Brothers are ill please let us know. We certainly do not want to miss anyone, but sometimes we don't find out until they are recovered. So please report any Brothers you know of who are under the weather.

In closing I would again like to remind you that we will be in full swing this month conferring the several degrees. We need lots of help and have a place for all to work who will come down. Our Fellowcraft team is crying for support and leadership so those of you who can, come on down and pitch in. Don't forget our motto this year. "We want to see you each month in '52." If you all endeavor to attend one meeting a month we will average 75 brothers a meting. Let's all start this fall with a rush by attending one degree work in September. We will be looking for you in Lodge on Monday evenings.

And Autumn in his leafless bowers
Is waiting for the Winter's snow.

But we look back with pride to the month of June, as we held two memorable meetings. On June 11 we held a reception to honor Sister Leona Shady, District Deputy of District 14. About 300 members and guests were in attendance, each receiving a red ceramic rose pin as favors. As Sister Leona was escorted East, the choir sang, "Love sends a little gift of roses," and she was presented with red roses, appropriately given by the Points. The East was distinguished by the presence of Brother Cecil Sible, Sister Somona Woodruff, Sister Lettie Dickey and Brother Orvis Dellinger. We were also honored by the presence of Mary Louise Little, Grand Ada of Indiana Grand Chapter, O. E. S. The Order of DeMolay gave their beautiful, impressive flower talk, and Job's Daughters Octette entertained with several selections. Refreshments were served on the mezzanine by the reception committee, with Sister Florence Obetz as chairman.

On June 26, we enjoyed a pot luck supper in honor of Sister Leona Shady. At this meeting, she visited us in the official capacity as our District Deputy. She was escorted east while the choir sang, "If I could tell you." Sister Pauline introduced her as her own Worthy Matron and presented her with a gift. The installation of Sister Laverne Shaffer as Associate Conductress and Sister Edna Elzay as Conductress was impressively given by Sister Lettie Dickey.

On July 27, the officers of Shiloh and their families honored Sister Pauline with a birthday dinner at the home of Sister Edna Elzay. Many more happy birthdays, Dear Worthy Matron! Beginning the week of August 18, our Worthy Matron will entertain the various committees at her home at 333 McKinnie avenue.

When it's "Round-up Time" in Fort Wayne Chapter, we were all thinking of—food, first of all, because our potlucks are always out of this world. At our first meeting of the year September 4 at 6:30 p.m. we feasted at the "chuck wagon" tables decorated with cowboys and cowgirls lassoing the five colored points of the star into the corral. Sisters Jo Cecil and Olive Bumm sang "Round-up Time in Fort Wayne Chapter". The obligation was repeated again by all present during an impressive ceremony. The educational part of the program consisted of the renewal of the signs and passes. Sister Selma Rodemeyer gave the original associate conductress' lecture and commented on the various changes.

Our next big night will be on September 18, when officers entertain the Chapter. Don't know just what's in the frying pan, but you can bet it will be tangy coming from the capable hands of our Star Points.

Now for added previews of coming events. October 2, is Friend's Night, which is always a grand occasion to renew acquaintances with our neighbors.

Inspection with Trinity Chapter follows on Friday night, October 31. This will be preceded by a banquet for which reservations may be made by contacting Sisters Helen Herrick, E-65146; Margaret Scott, A-2797; or Fay Brennan, A-99712, no later than October 27. Baby dedication will be conducted at this time, and all members wishing to dedicate their babies will please inform our Worthy Matron by October 1, with the child's full name.

With the "Land of Somewhere" as the theme memorial services were held at the first meeting in June in the Corinthian Room. A large white cross decorated the East. The secretary, marshal, conductress, associate conductress, associate matron, and treasurer formed a semicircle around the altar while the Chaplain knelt in prayer. Then led by the Chaplain these officers approached the East carrying Easter lilies and formed an aisle. Following the prayer the Star Points formed a semicircle around the altar and recited appropriate verses. Also carrying lilies they proceeded East through the aisle, and the Chaplain gathered all the lilies one by one and placed them on the cross. The Points formed the arms of the cross, the other officers closed in to complete the shaft. The choir climaxed the ceremony by singing "The Beautiful Isle of Somewhere".

On June 19, Sister Leona Shady, our District Deputy, was honored by Fort Wayne Chapter. She was escorted East while the choir sang a parody to the tune of "Alice Blue Gown" and was presented from the East. A corsage and gift were bestowed upon her from the Chapter. At the close of the evening a colorful lunch consisting of merangue shells filled with strawberries and ice cream was served on the mezzanine floor at tables decorated with red nut cups and vases filled with red roses.

Appropriately attired in sarongs, grass skirts, flowered shirts, and swim suits, the officers and their husbands surprised our Worthy Matron on her birthday August 15. The Herricks' home was quickly converted into a South Sea Isle—with genuine palm trees and all. The Star Points comprised the rescuing party and again provided a merry time for all.

Companions, this is the month of September and means the resumption of activity in Fort Wayne Council No. 4. It also marks the completion of a year for your officers in their present stations. I sincerely hope that it will be possible for you to be in attendance at the stated assembly on Wednesday evening, September 17, to assist in the selection of the officers for the coming year. For my part, permit me to say that it certainly has been an enjoyable experience to have been permitted to serve you as your Illustrious Master for the past year. Also, the responsibility was measurably decreased by an excellent group of officers and Past Illustrious Masters. To them all I am deeply grateful.

Speaking of the Past Illustrious Masters, if you have not already received the notice, you soon will, of the dinner meeting in their honor in conjunction with the annual stated assembly. Please return your reservation so that we will know how many to provide for dinner at 6:15 p. m. (No lengthy speeches), then at 7:30 repair to the Egyptian room for the business meeting, election and installation of officers for the ensuing year, and conferring of degrees. A full program, and, I trust, an interesting one, for no doubt many of you have not seen the Council degrees for some time. Some petitioners have already been elected, others are to be presented; you bring a petition, too. All candidates are also invited to dinner. Indicate on your reservation card if you have a candidate for whom you wish also to make a reservation. Petitions for the Council degrees may be presented, elected and conferred the same evening. Let's make it a night long to be remembered.

Again, in closing, to you all I say, Thanks; and to my successor, Congratulations and Good Wishes.

Our St. John's banquet was well attended, and a wonderful program was presented, highlighted by an address by Rev. Olson of the First Baptist Church of Fort Wayne.

We extend our heartfelt sympathy to the family of Brother Walter M. Thrush who was buried with Masonic honors August 20, 1952. Brother Thrush had not been in the best of health since last winter, yet his death came as quite a surprise. He will long be remembered as one of our honest sincere, and industrious members.

"Worry is like a rocking chair, you can keep at it but you never get any place by doing it." It might be a good idea for all Masons to take inventory of themselves at this time of year, just to see if they are rocking or traveling. It is so easy to get into a rut or habit and not realize it. Take for example the habit of missing Lodge for trivial reasons, or for no reason at all. You cannot travel very far in Masonic development if you do not participate in the activities of the order. Why not plan to get out to the first meeting this September and get right into the harness. Make up your mind that you are through rocking or worrying and start to travel by forming a policy of attending Lodge every time you possibly can. Your presence may be just the thing to encourage the craft to do just a little better. And with all the work coming up this fall, you can find numerous occasions to help put on the degrees. This is another invitation for you to learn some of the work and really enjoy your masonry.

As this newspaper for Masonic brethren comes from the press, we again approach that season of the year when the brethren make preparation for the new season's Masonic activities.

Your officers of Darius Council are making plans now for the conferral of the Council degrees at the fall convocation. Several new members have been added to the roll of workers, however, opportunities to participate are still available to those who would like to become active.

If any brothers would like to be considered for any particular part, will you please contact one of the officers and let your desires be known. Veteran degree warriors are always happy too to have an alternate. Our extensive program for Scottish Rite activities is now in the planning stages and we hope all our members will avail themselves of the rare opportunities that will be afforded them during the coming season.

Summer vacation is over. Our fall months are with us and as these are the last months of your present officers, you are urged to attend the September stated meetings, to assist them in planning the final activities of the year.

The lodge has been very busy the first six months of the year and it is hoped that the last four months will be just as active.

Ho. Hum! Back to labor. Yes, back to work after a vacation that passed all too quickly. But there is work to be done, so let's all pitch in and help. September we will have degree work each Friday night except for stated meeting. Then in October, we plan on honoring our Past Masters and 25 year members with a dinner and something special on the second section of the M.M. degree. Watch for later announcements on this our BIG fall meeting.

September 21, has been designated as visitation day at the Masonic Home at Franklin. We will plan a caravan to attend. See your lodge officers for details. Make up a car load of family and friends, take a picnic lunch or buy your lunch on the grounds at the Home. You hear about the Home at lodge but the only way you can see how it operates is to make this visitation.

We hope that all those who were ill during the summer have recovered and to those who have not recovered we wish a speedy recovery.

Do you know your lodge officers? Have you been to lodge this year? Have you ever been to a stated meeting? Why? You pay for this privilege, why not get your moneys worth? Why not make some Friday night this fall a MUST to attend lodge.

My Brethren: How swiftly the sands flow and how rapidly the months pass. As we return from our vacations it is my hope that you have enjoyed a well deserved rest. I also hope that you are ready "to pick up the reins" where they were dropped last June.

From all indications, Summit City Lodge will be very active with degree work and many special activities during the coming season.

The first of these special activities will be the annual Visitation Day at the Franklin Masonic Home in Franklin, on Sunday September 21. This is a special day set aside by the Grand Lodge Officers for Masons, their families and friends to visit and become better acquainted with this beautiful Home. You will have an opportunity to leisurely tour the grounds and buildings and to personally greet the men and women and the fine youngsters who are the guests of the Fraternity. Colorful entertainment will be provided throughout the afternoon by the various Masonic bodies. Remember, everyone is welcome.

On Friday evening, October 24 our annual Homecoming will be held in the banquet room of the Masonic Temple. The speaker for this occasion will be Doctor Tennyson Guyer of Findlay, Ohio, an Executive and Public Relations Man for one of the leading Tire and Rubber Companies. We are assured that Dr. Guyer will bring us a most interesting and inspirational message, one which we may "relax and enjoy".

Saturday evening November 22 is the date for our Fall Square Dance. Bro. Glen Seabold is the chairman of this affair, and further details regarding the program will appear in a later issue. By announcing these events at this time, I hope you will keep the dates open and make preparations to participate in all of them.

Recently I read an article which I would like to pass on to you. It is entitled "Tomorrow's Problems" which reads as follows:

"We have a lifetime in which to solve the problems ahead. There will be burdens and cares and worries, but if we will be patient the years will spread them thin—so thin that it will be easy to carry them if we carry them only as they are met. All man is asked to do is to bear the load of this one hour, solve the problems of this one hour, walk ahead as he should walk ahead in this one hour. Strength sufficient unto today is all the strength needed, for if we solve the problems of each hour, we are solving the problems of the whole of life. In the end there will be success." Each of us can apply the message in the above article and by so doing make life more enjoyable for ourselves and those around us. In the Master Mason Degree this same thought is expressed in the admonition that "Time, patience and perseverance accomplish all things".

Why not plan now to attend lodge at your earliest opportunity?

Greetings Brethren! Another two months have passed since we met through the Square and Compass. It is hoped that everyone has had a very enjoyable vacation and that we now can settle down for another year of pleasant meetings and fellowship.

First of all, we regret to inform you of the unexpected death of Brother Virgil Van Zile, who was Tyler of the Lodge this past year. Masonic funeral ceremonies were held at McComb's funeral home with Brother Albert Spencer of Summit City Lodge acting as Master, and Brother Harold Rediger as Chaplain. The example of Brother Van Ziles' life and conduct we earnestly commend to his brethren.

At our last stated meeting, Brother Frank Ivans was duly appointed and installed as Tyler to fill that office for the remainder of the year.

Sunday, September 21, has been designated for the fifth annual Visitation Day at the Indiana Masonic Home at Franklin. We earnestly urge all of the members and their families and friends to attend this wonderful day of fellowship. Those of you who have never visited the Home will not regret it. Those of you who have visited it will welcome this chance to renew old acquaintances. Refreshments and entertainment will be provided.

We are still working on our remodeling program. The concrete floor in the basement has been poured and everything made ready for the installation of the oil furnace. Now that vacations are over, let's all pitch in and try to get this completed before bad weather sets in. We will need all the help we can get to do so.

We want to again remind you that Brother Rollo Jump is still on the sick list and would enjoy company. Those of us who have not had the experience of being confined to a bed over a long period of time cannot appreciate what company means.

If you haven't attended lodge lately, why not come for the next meeting? Why not try to attend regularly?

Once more vacation time is over and time to reserve our labors is with us again. It has been a very delightful summer.

It is time once more again for us to review the past and present, and lay out our course again for the future. God granting, another successful year has come to a close.

About the time this arrives upon your doorstep it will be time for another annual election of officers for the ensuing year. Each member is urged to attend this meeting.

At this time I wish to express my thanks to the officers for the support they have given me this past year. I would like to commend these officers on the fine work they gave this past year. I want to thank those who served to fill in the station left vacant by the call of the Supreme Architect.

Brethren, we have come to the end of another vacation and I hope that it has been a very enjoyable one with a lot of pleasant memories for each and every one of you. Now it is time to get back to work again. We have a very full schedule for the rest of the year and will need the help of every one of you.

The officers and their families met at my home on August 24, for a potluck dinner at which time the officers made plans for the social events for this coming fall and winter.

Lodge will open at 7:00 o'clock on Thursday September 11, on the Entered Apprentice Degree and Fellowcraft at 7:00 o'clock on the 18, and the Master Mason Degree at 6:30 on the 25. Your presence is desired.

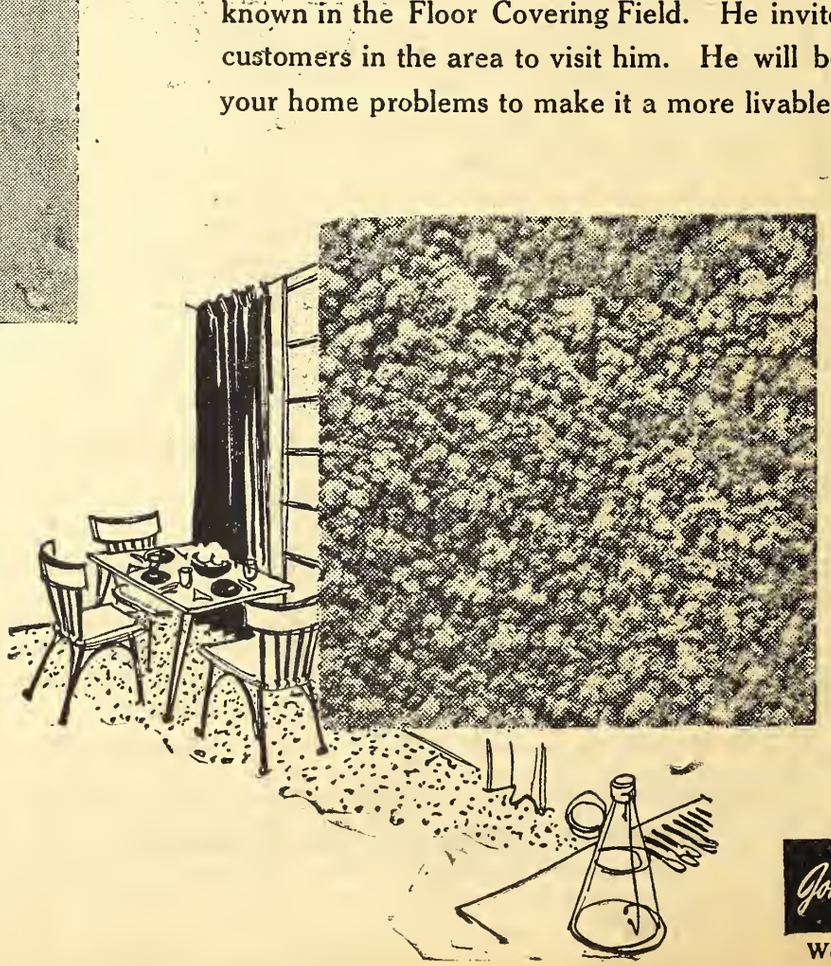
All Masons are invited

The Masonic Home Visitation Day at Franklin is September 21, and we urge as many of our members their families and friends as possibly can to attend. You will learn a lot about your Home and you will be inspired by talking to the guests young and old.

To our sick we wish a very speedy recovery. They are Bro. Grover Shied, Bro. Merl Rice and Bro. Marlin Baral.



Brethren it is a wonderful thing to have the freedom to met together and have the fellowship that is allowed us in this great country of ours and we should do everything in our power to keep this freedom that has been such a struggle to obtain. Let us work hard and earnestly at the task of strengthening ourselves spiritually and morally. Let us save our Free American way of life. Let us Pray for the Wisdom and Courage to do our duty as good Americans, faithful to God and our Country.

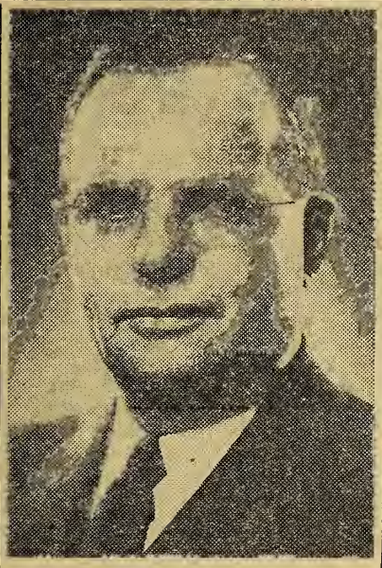
Join with us in looking forward to an inspiring Convocation on November 11, 12 and 13.



Our Illustrious Deputy for Indiana, William Henry Roberts, 33° will honor our Convocation by his presence and will deliver the address at the banquet on Thursday evening, 13th. This will be the first time Illustrious Brother Roberts has spoken before our Fort Wayne Scottish Rite bodies since his elevation to his high station of Deputy for Indiana. He is making a distinct sacrifice to be with us for this occasion and deserves the warm welcome we will all unite in extending him.

Illustrious Brother Roberts is well known to active Masonic members of the Fort Wayne Valley having visited here several times when he was Most Worshipful Grand Master of the Indiana Grand Lodge from 1947 to 1948. He speaks with deep conviction on the mission of Masonry and his message will give you new faith and zeal and courage.

Four degrees will be presented by the Consistory in this fall Convocation.

Our brethren from Grant county will put on the 27° on Wednesday evening, the 12th, at 7:30 o'clock. One of the largest casts of the Convocation is required to present the profound lesson of this degree Illustrious Brethren Julian T. Lett 33° and Don A. Ernhart, 33° have been leaders in organizing and rehearsing with the many actors who will take part in the 27°. We owe the loyal brethren from Grant county the tribute of our attendance and our personal reward will be a greater incentive to higher thoughts and nobler deeds.

The 23°, "Chief of the Tabernacle," under the direction of

W. HENRY ROBERTS

Herbert C. Foreman will go on Thursday morning immediately following the organization of the class of candidates.

At one o'clock sharp the stirring patriotic degree, the 20°, will be given. It will be followed by the 32°.

Many new workers are appearing in the casts this fall. You will realize how faithful has been their attendance at rehearsals and how aptly they have responded to the able direction of such veteran ritualists as Illustrious Brethren Howard Etzold 33° and A. Lee Johns 33°, when you witness this performance.

We are going to have another splendid class. The number of candidates being presented from out over the valley gives assurance of the live interest of our membership. We hope to make every degree of this Convocation as deeply impressive as our brethren have promised these candidates they will be.

We would remind the sponsors of the petitioners for the Scottish Rite degrees that their responsibility goes beyond their signatures on the petitioners. They should continue to show a genuine interest in these candidates, by attending as much of the Convocation as possible and giving them a warm welcome when they have been raised to be obligated as a Sublime Prince of the Royal Secret.

SCOTTISH RITE HONORS

At the recent meeting of the Supreme Council of the Northern Masonic Jurisdiction of the United States recently held in New York City, Elmer C. Forks and Verlin J. Harrold of Fort Wayne were nominated to receive the honorary 33rd Scottish Rite degree at the meeting to be held next September in the Palmer House at Chicago.

Brother Forks is a past Master of Home Lodge, and is now serving as the Senior Grand Warden of the Grand Lodge of Indiana. He is also serving his second year as Sovereign Prince of Darius Council. He is the President of the Holsum Bakery of Fort Wayne.

Verlin J. Harrold was last May elected the Commander-in-Chief of Fort Wayne Consistory, in which body he has served as an officer for several years. He is the head of the Fort Wayne agency of the Lincoln National Life Insurance Company.

At the September meeting four members of the Valley of Fort Wayne were crowned honorary 33rd degree Scottish Rite Masons namely former U. S. Senator Ray Willis of Angola, Frank Green of Portland, W. A. Rodemeyer and Brown Cooper of Fort Wayne.

GEORGE WASHINGTON

The bicentennial of the conferring of the first degree in Freemasonry on George Washington falls on November 4, 1952. This date, when young George Washington not yet twenty-one, became a member of the Fredricksburg Lodge is being commemorated by Masonic programs througout the United States.

Thirty years after Washington became a Mason a new lodge was organized at Alexandria, Va., which was chartered by the Grand Lodge of Pennsylvania. February 3, 1783 as Alexandria Lodge No. 39. Three years later this lodge applied to the newly formed Grand Lodge of Virginia for a charter, first obtaining Washington's consent to serve as Master. This lodge became Alexandria Lodge No. 22 and is now known as Alexandria-Washington Lodge No. 22, and now meets in the George Washington Masonic National Memorial.

Washington served out his term as Master of this lodge and was re-elected December 20, 1788 to a second term, during which term he was inaugurated President of the United States. Thus Washington was the only Mason to serve as Master of his lodge at the same time he was President.

With the early arrival of another convocation, we find plans progressing for another successful and outstanding event in the Scottish Rite in Fort Wayne.

We hope each member in the valley will find it possible to attend at least one of the sessions, and renew old friendships and partake of the rich opportunities of fellowship with the brethren. A number of new brethren have been added to the degree staff in the Council and work has been progressing rapidly and satisfactorily for your pleasure and edification. We welcome the diligent application of these brethren and commend them for their regularity at rehearsals.

Illustrious Brother Howard H. Etzold will be presiding again in the 15th degree, and our Junior Warden, Brother George Hacker will preside in the 16th degree.

The degrees of the Council will be conferred on Wednesday afternoon, Nov. 12th and we hope to see many of you at that time.

We are assured of a splendid class, and trust that those who have sponsored these brethren will also be present.

Final plans for the Fall Convocation of the Fort Wayne Scottish Rite Bodies are being made and everything will be in readiness for the opening session Tuesday afternoon, November 11th, at 1:30 o'clock. A large class of candidates will receive the work which will close on Thursday afternoon, November 13th, folowing the confering of the 32° at 3:30 o'clock.

The reunion banquet will be held at 6:30 o'clock and the committee in charge of arrangements has been announced that Ill. Bro. W. Henry Roberts, 33°, Deputy for Indiana will be the speaker. Bro. Verlin J. Harrold, Commander-in-Chief of the Consistory will preside.

We regret to advise our members that Ill. Bro. Cal Bimer has moved to Florida, Bro. Bimer has recently completed his term as Thrice Potent Master of the Lodge of Perfection and will be greatly missed around the cathedral. He was a splendid ritualist and was always willing to help in any part of the work along with his other duties as a presiding officer. We wish him every success in his new location.

The Scottish Rite choir and several of the officers have made a number of trips to meetings in our jurisdiction in order to stimulate interest in obtaining petitions for the convocation. These large classes just do not happen brethren. A great deal of time and effort must be put forth by the membership committee and others so that a successful reunion can be held. Think on this and resolve to make yourself a committee of one to have a petition in the Spring class. You will feel better and some one will thank you for asking him to join with you in advancing the teachings and high ideals of Scottish Rite Masonry.

The Rose Croix degree as a religious degree is such that it contributes to the religious life of all those who witness its examplifications It is good to know that interest in religion is increasing in the United States Attesting to this fact, the Sept. "News-Letter" published by the Supreme Council of the Northern Masonic jurisdiction of the Scottish Rite, contained the following article:

According to statistics released in August by the National Council of Churches of Christ in the United States, nearly three out of five Americans belonged to a church or other religious body in 1951.

There were 88,673,005 church members—of all denominations—which is an increase of 1,842,215 over 1950, a growth of 2% as compared with the population increase of 1.7%. Between 1940 and 1950, church membership increased 34% while the population rose 15%. The National Council of Churches reports that church members constitute 58% of the population compared with 49% in 1930.

Protestant membership was listed at 52.162.432 and Roman Catholic 29,241,580. The other major groups are: Jewish, 5.000,000; Eastern Orthodox, 1,858,585; Old Catholic and Polish National Catholic, 337,408, and Buddhist, 73,000.

UNDERGROUND MASONIC HALL

Six hundred feet from the opening of the limestone quarry of Olive Hill, Ky., underground, is a room formally set aside as a Chapel for religious services for the workmen of the limestone quarry mine.

The Chapel is now used exclusively by Masonic Bodies, and has been fitted with the usual one, two, and three steps for the stations; and altars are blocks of locust tree—some three feet in diameter.

The Chapel has had a great deal of publicity from the press and church people. Even Ripley reported it, and it has had visitors from every state in the union and from Canada. It is now used by the Olive Hill Scottish Rite Club. —Canton Bulletin.

The call is from refreshment of vacations to labor as Capitular Masonry is advanced in Fort Wayne by Thomas R Marshall this season. Many a Master Mason is traveling that representaion of the historical route traveled by those Captives on their return to their native Jerusalem.

The Annual convocation of Thomas R Marshall Chapter No 161 was held on Friday evening. September 19, 1952 at which time the following officers were elected to serve for the ensuing year: Richard B. Jones, High Priest; A Paul Straight, King; Raymond McKibber, Scribe; J. S. Andrews, Capt. of Host; Nicholas Jett, Principal Sojourner; John Kurtz, Royal Arch Captain; Harry R. Haller P.H.P. selected secretary; Harl C. Bradley P.H.P. selected treasurer.

Annual reports were given by the officers, these reports included the activities of the trustees, treasurer, secretary and High Priest, Our outgoing High Priest, Edson Dickey, then thanked all the officers, committees and members for their loyal support during his term of office. Following this he was presented with a beautiful Past High Priest's lapel pin by P.H.P. Raymond Hupp.

At a later date a meeting was held of the elective officers and Past High Priests and the following appointments were made to fill the vacancies created by the Call of the Supreme High Priest and movements of several of the Companions in the Line. Al L. Salt. Master 3rd Veil; Harold O. Martin Master 2nd Veil; Frederic L. Ruoff 2nd; Master 1st Veil and Louis J. Koch J. Chaplain.

Considerable interest is being shown by the Companions who are assisting in the Prologues and Allegories of the various degrees as provided for in the new rituals. If you have not witnessed the degree work this fall, you are missing the vitally important lesson which these new dramatics portray.

If you are a Master Mason and desire to find the long lost word after assisting in the rebuilding of King Solomon's Temple, we will be pleased to give consideration to your petition.

With vacation over we have a full schedule of work laid out for us as with the most Excellent Master degree on November 7: Royal Arch on November 14th and stated meeting on November 21st. Companions, we can use your assistance in the rebuilding of the Temple, I'll be seeing you in the Egyptian room every Friday evening.

Brethren: Time is passing fast, seemingly faster than ever. Just a short time ago we were starting the fall work after the summer vacation. Now we are in the next to the last month of the year. It will soon be time for our trip to Muncie—Saturday, November 22. Those who wish to go should make it known to your officers so that the proper arrangements can be made.

We had a very nice class of candidates again in October—that was a busy month. The stated meeting was held on Tuesday the 7th at which time a goodly number of new petitions were received. The next night Wednesday the 8th the Grand Lecturer, Brother Lenis Firestine was here for a Lodge of Instruction on the Fellow Craft Degree. The Brothers from Summit City Lodge No. 170 and South Gate Lodge No. 731 sat in the meetings with us.

Saturday, October 11th, was "THE BIG DAY." the day of the Third Annual Tri-State Reunion, when George Washington Lodge No. 9 of St. Louis, Mo., Olive Branch Lodge No. 38 of Danville, Ill., North Park Lodge No. 646 of Indianapolis, Ind., and Advance Lodge No. 1039 of Chicaga, Ill., met with us.

We opened Lodge at 4:00 p.m. and recognized various groups and individuals. At 5:30 we went to the dining room where an excellent turkey dinner was enjoyed by about 650 Brothers. The Color Guard of Fort Commandery No. 4 posted the Colors. The invocation was given by Chaplain Arnold Landis.

After returning to the Scottish Rite auditorium where Lodge had been opened we received and accorded grand honors to the Deputy Grand Master of Ohio, Brother Thomas A. Reber. Past Grand Master Orvis A. Dellinger, Senior Grand Warden Elmer C. Forks and District Deputy Grand Master Thomas Fowler, of Illinois served as a committee with the Senior Deacon, Cleston Erb.

Humboldt Lodge then proceeded to confer the third degree on their candidate, Brother Phillips, in ancient form. Between the first and second sections, Brother Sidney Griffith of Columbus, introduced various members of their Craft including Worshipful Master Foster H. Latham, their Lodge Officers, and Past Master H. J. Silbernagel who is their Drill Master. There was a short talk by Right Worshipful Brother Thomas A. Reber and several songs were sung by their chorus. These were very well rendered and very well received by the audience. The second section of the degree was then conferred after which they were thanked and commended for their work. Lodge was then closed.

In attendance, besides the Deputy Grand Master of Ohio, Brothers O. A. Dellinger, E. S. Forks, Thomas Fowler and D. D. G. M. Sidney Griffith of Ohio, were P.D.D.G.M. Floyd Brocaw and Grand Lecturers, Ralph E. Hills, Thomas D. Frazee and Fallie Hix, and P.D.D.G.M. Ollie G. Robertson of Illinois, also Worshipful Brothers Donald Standish D.D. Instructor and George W. Hiatt P.D.D.I.

The audience of between five and six hundred gave good evidence in applause at various times as to the beauty and quality of the work of the Craft and the singing of the chorus. We were certainly well pleased with it and shall never forget that experience. We will be ever grateful and indebted to Humboldt Lodge for coming and presenting the work as they did.

We are also very grateful and much indebted to the Officers and Committees who did such a wonderful job in handling the many duties involved.

General committee, Fred Krueper, Fred Ruby and Harold Martin.

In charge of Entertainment, James Farrar; Banquet, Rolla Durbin; Registration, Donald Stoneman; Examination, Glenn Bowen; Publicity, Wayne Hutchison and Dale Sims; Reception, Harold Martin; Decorations, Raymond Giradot; Tickets, Claude Hamlet and Traffic, Robert Hire.

To all these as well as all others who helped, including the Ladies who prepared and served the banquet, the Scottish Rite for letting us use their building, Brother Wayne Self and the custodians both there and in the temple and the Color Guard of Fort Wayne Commandery No. 4, many, many thanks for making this meeting one of the biggest, best and nicest Blue Lodge meetings in Fort Wayne in a long time.

HIGHEST LODGE ROOM IN THE WORLD

What is reputed to be the greatest elevation at which a Masonic Lodge functions in its own lodge room, is that of "Roof of the World Lodge No. 1094," which is chartered by the Grand Lodge of Scotland and located at Oroya, Peru, up in the Andes Mountains. The lodge room proper has an elevation of 14,167 feet.

Among the lodges in the United States which compete in elevation it is probable that the lodge in Kokomo County, Colorado, with an elevation of 9,500 feet, is the record—Iowa Bulletin.

Comes November and with it Thanksgiving Day. What does this mean to us? It means we should be thankful for the privileges we enjoy; the right to worship in the church of our choice, the right of free speech, the right to be Masons and to meet without fear of molestation, to set our own pattern of living. yes and the right to be an American.

"I do not choose to be a common man. It is my right to be uncommon—if I can. I seek opportunity—not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of Utopia. I will never cower from any master or bend to any threat. It is my heritage to stand erect, proud, and unafraid; to think and act for myself, to enjoy the benefits of my creations, and to face the world boldly and say, 'This I have done'. All this is what it means to be an American." (Dean Alfange.)

Oh Thou who art Lord of the Harvest,
The Giver who gladdens our Day.
Our hearts are forever repeating
Thanksgiving . . . honor and praise.

Shiloh chapter began its activities September 2, with a potluck supper at 6:30 o'clock. The dining room was decorated with fall colors for the occasion. Ageratum and wheat, surrounded with fruit, formed the centerpiece at the guest table. Sister Letty Dickey, Grand Ruth, was the guest of honor. Other distinguished guests were, Br. Cecil Sible, Worthy Grand Patron; Bro. Ben Bennett, Past Worthy Grand Patron; Br. Ray Walters, Board member of the cancer research committee of General Grand Chapter; Sister Somona Woodruff, Past Worthy Matron; Sister Mary Louise Little, Grand Ada; Sister Mary Ellen Sible, Grand Representative of Maryland and Indiana; and Sister Leona Shady, District deputy of District 14.

In the meeting that followed, the degrees of the order were conferred on a class of ten men. This will long be remembered as Letty Dickey Night.

Worthy Matron, Sister Pauline Dinius, gave a resume of Sister Letties 'Star Life' as Sister Verna Bloom escorted her to the East. The officers, wearing head scarves of yellow and holding sprays of wheat, related the high lights of Sister Letties activities. which began when she was initiated into Shiloh chapter in 1913. In 1918 she was appointed Ruth by Sister Katherine Anstett and in 1922 she was elected worthy matron. In 1923, she was appointed Grand Martha; later she served as district deputy of district 14. In 1927 and 1928 Sister Letty was Worthy Grand Matron of Indiana. "The years went by, and she went far, Teaching the lessons of the Eastern Star," and in 1949, Sister Abbie Hanson became our Most Worthy Grand Matron, and she remembered our Letty. She was installed Worthy Grand Ruth in Toronto, in 1949. Shiloh is indeed proud of Sister Letty. She was presented with a gift from the chapter.

The annual banquet of our Past Matrons and Past Patrons was held September 25. The tables were cleverly decorated with school Motiffs; slates, erasers, chalk and red apples. The favors were report cards. In the Chapter room, a school desk with the usual books, a school bell, and a globe, was placed in the East. The ceremony was opened by the worthy matron ringing the school bell after which the Choir sang, "How do You do, Past Officers." The past matrons and past patrons were escorted East and given diplomas, which were gifts wrapped in this manner. Filling the stations were: Worthy Matron, Leona Shady; Worthy Patron; Emmett Young, Associate Matron; Verna Bloom, Associate Patron; Arnett Bickel, Secretary; Amelia Brown, Treasurer; Elsie Brooks, Conductress; Florence Wolverton, Associate Conductress; Faye Ice, Chaplais; Hazel Riethmiller; Marshal, Ethel Felger; Organist Dorothea DeForest; Adah, Florence MacMillen; Ruth, Lettie Dickey; Esther, Helen Fatzinger; Martha, Florence Obetz; Electra, Mable Burgener; Warder, Hazel Ginty; Sentinel, Rosella Glocke.

Sister Verna Bloom was appointed Grand Page to General Grand Chapter, which will convene in Milwaukee, Wis., in October. Most Worthy Grand Matron, Sister Abbie Hanson will preside at this session. Brethren, on Tuesday October 7, we had a Lodge of Instruction for Maumee and Sol D. Bayless. Maumee as host lodge, exemplified the E.P. degree. Bro. Lennis N. Firestine, Grand Lesturer, was well pleased with our work. The attendance was very good. Sorry that some of the brothers missed this fine meeting. Refreshments were served to approximately 75 brethren.

Special apologies are due the members of the lodge for the error made in the Square and Compass, announcing the date of our Past Masters Banquet on October 29. We could not get the dining room for that date, so we had to use October 22.

I want to thank Bro. Ralph Bruce, Bro. Paul Hayden and Bro. Richard English, who gave us such a program. The candle lighting and the rendition of the meaning of three candles by Rev. Jones was a very beautiful ceremony. Thanks to Dr. G. E. Driver for his assisting me in this part of the program.

Due to the resignation of Bro. Jacobs as chaplain, I have appointed Bro. Gene Gilchrist to that station.

In October we had six candidates. Thanks to all the brethren who came up and helped with the degree work.

The Fellow Craft team did a fine job of serving the banquet.

The attendance has been good and I appreciate your coming to lodge, but we can make it just a little bit better, if you have a neighbor next door or one across the street who is a brother, invite him to come along with you and enjoy the good fellowship.

The silent Mason is one who lives and acts out his principles in all his intercourse with his fellow men. They believe in Masonry who act silently. We want no loud cry in the market place or vain pomp and show. The Mason who tries to live our principles without ostentation will be a pillar of strength to the noble institution.

The humblest craftsman who has been made a Mason in his heart is worth more than any number of distinguished members to whom its teachings are mere verbiage.

Hello again! The Bethel room has been quite a busy place these last two months.

We got to a grand start on September 2, with our officers potluck which preceded the first stated meeting. I am sure all the officers enjoyed the fun and fellowship.

Two weeks later our girls sported out all their finery to dress for the "Suppressed Desire" Party. The object was to come dressed as our future desire, and we certainly had a variety—everyone from "Miss America" to a local "Daisy" player. Games and refreshments were offered after the meeting. I would like to say thanks loads to our chairman, Marlene Campbell and her committee, Gloria Johns, Gloria Wilkerson, and Judy Emerson. I'm sure everyone will agree that it was a super evening. In addition, the new council was installed, those appointed were: Mrs. Joanne Drake, Guardian; Mrs. William Wilkerson, Associate Guardian; Mrs. Ida Vosburgh, Secretary; Mrs. Lois Dugger, Treasurer; Mrs. Margery Simmers, Music Director; Mrs. Ruth Petty, Social Chairman; Assistant, Mrs. Zola Nichols; Mrs. Louise Wilkerson, Finance Chairman; and Assistant, Mrs. Dorothy Wallace.

Around 600 people were gathered around Bullerman's Farm for our annual hay ride. The evening was made to oroder—cool and clear which was topped off with a harvest moon.. After the ride, weiners, buns, potato chips, and cokes were served. For the added attraction, Paul Geisler called for the square dancing. This hayride will go down on the list of fond memories for many of our Fort Wayne teen-agers. A certain group of people, namely our council and parents, were really in there pitching so things would run smoothly. Thanks so much. Other thanks go to our hard working chairman and her committee. They are Carol Nichols, General Chairman; June Wallace, South Side; Suzy Fawcett, Central; Nancy Waters, North Side; Sue Turner, Elmhurst; and Judy Goller, grade schools.

Our Past Guardians, Associate Guardians, and Past Queens were especially invited to attend our October 7 meeting, which was held in their honor. It certainly was a pleasure seeing these familiar and interested faces in our Bethel room again. We were especially proud to have with us our first Associate Guardian, Mr. J. O. Goff. Our first initiation of the term was also held at this meeting, and I would like to pat all the officers on the back for the fine work they gave.

Another group of industrious people are: Carol Schneider, Chairman, Betti and Laura Briggs, Linde Schmidt, Sharon Myers, Diane Roe, Lydia Martindale, Judy Hallenbeck, Sharon Simmers, and Nancy Baker, for they are preparing for the Inspection by our Grand Guardian, Mrs. Audrey Harreld and Associate Grand Guardian Bethel No. 8's own Mr. Wilbur Stocks. Corn stalks, fruits, and vegetables are being made for our "Harvest Festival" theme for this big event. In next month's issue we will let you in on all the details.

Another big moment in every Honored Queen's term is Church Sunday. The members of Job's Daughters attend the queen's church which is the South Wayne Evangelical United Brethren Church with the Rev. S. P. O'Reilley minister. The date is October 19, at 10:30 and here's hoping many girls will come and worship together at that time.

As you can see there aren't any dull moments for Bethel No. 8, so girls come on down so you won't miss out on any of our activities.

The Job's Daughters Mother Club held their last meeting September 24, at 1:30 in the home of Mrs. C. W. Masel. They will meet next October 29 at 7:30 in the home of Mrs. Dorothy Wallace.

The newly elected officers are: President, Mrs. C. W. Masel; Vice-President, Mrs. F. S. Smith; Secretary-Treasurer, Mrs. J. H. Ault; Recording Secretary, Mrs. Dorothy Wallace; Publicity, Mrs. O. C. Custance. Any mother of Job's Daughters who is interested in joining can contact any officer.

WHY THE BIBLE?

A Mohammedan trader in India asked a European for a Bible. "Why a Bible " asked the European, "you could not read it." "True," said the Mohammedan, "but I want a European Bible. When a European trader, whom I do not know, wants to do business I put the Bible into his way and watch him. If he opens it and reads, I know I can trust him. If he sneers and throws it aside, I will not do business with him."—The Ansgar Lutheran.

Greetings, Brethren, we have lots of news to report this month.

First of all, we regret to inform you that Brother William Warner. who has been our Treasurer for over thirty years, has resigned that office. Brother Warner is taking op a residence in Florida. At oor last Stated Meting. October 2, Brother Harold Rediger was elected to fill that office for the remainder of the year. Another change in office was created when Brother LaMoine Miller was moved to a second-shift job. Brother Miller was Senior Deacon. Your Worshipful Master then appointed Brother John Birely, Senior Deacon; Brother Robert Tharp, Junior Deacon; Brother Leonard Fletter. Senior Steward; Brother Frank Ivins, Junior Steward and Brother Park Sebert as Tyler. In conjunction with this change in officers, we want to remind you that our annual election of officers will be held December 6. Plan on attending this meeting!

A very nice George Washington bicentennial program was presented at our last stated meeting, November 6, by Brothers John Birely and Frank Ivins. We wish that more of the Brethren could have been there. We learned quite a lot about George Washington as a Mason.

At our recent Lodge of Instructions at Harlan, October 10, all who attended enjoyed and profited very much by Brother Firestine's instructions. We all wish we could reach that degree of proficiency which Brother Firestine has attained. Harlan Lodge did a very commendable job of exemplifying the Fellow Craft degree, after which we all enjoyed a light luncheon in the Lodge dining room.

We are very happy to report that the remodeling program is almost completed. The toilet rooms have been plastered, the furnaces are both set and operating, and the plumbing fixtures are installed. About all that remains is some finish trim work on the inside and plastering of the chimney. Although this program is almost completed, we still need you help. If you have some spare time please contact your trustees.

Leo O.E.S. Chapter reports that their visit by the District Deputy, Leona Shady, was very successful. A choir composed of Sisters Jane Willets, Dora Moore, Katherine Ivins and Ruth Stucky sang an appropriate number when Sister Leona was conducted to the East, and at other times during exemplification of the initiatory work. Afterwards a very execellent potluck lunch was enjoyed by all at Van's Restaurant.

In closing, we wish to remind you that this is the season of the year in which we should all give thanks for the many things that God has blessed us with. Along with our Four Freedoms we should be thankful that we are privileged to live in a country that has the high standard of living which we enjoy. Many of us fail to realize how fortunate we are. Give this a thought during the Thanksgiving Season.

We hope that all of the brethren had a well spent vacation and are anxious to get back in Lodge meetings full of new ambitions.

Harlan Lodge was host to Leo and Huntertown Lodges on Friday night October 10, for the purpose of a Lodge of Instruction in the Fellow Craft degree. Some 45 members attended this spendid meeting. Those of you who were not there missed a very instructive and enjoyabe evening.

Our Lodge buiding is now in the process of being repaired. A white sealing coat is being applied to the brick surface to protect the mortar and brick. Come up some night brethren and see if you like the improvement.

We have added another Brother to our list in Harry A. Wann of Harlan, who was made a Master Mason on Friday, September 26.

With deep regrets we report to you the unexpected death of two of our brethren. Brother Raymond K. Borders who passed away June 25, being a member of his lodge 8 years and serving it well; and Brother Edwin D. Branton, P.M. and Tyler of the lodge, who passed away August 22, being a member of his lodge for 39 years. Brother Brandon had served as an officer of his lodge for 17 years. They will be long remembered as sincere, true and faithful brethren.

Sorry there was no item in the September issue. I will try not to let it happen again. Fraternally, your secretary.

Be sure to notify us of any change of address.

Bro. South Gaters, two months have gone by since I've written an article for the paper. As you probably know there was no issue of Square and Compass for October. Since this article is for November it reminds me that my year as Master is almost through. Before I forget let me remind you that next month, December 8 will be our annual meeting. You will elect new officers for the year 1953 and also hear the yearly report of our committees. So be sure to include December 8, a must night for lodge.

Our lodge has prospered this fall. We had work in October and will be busy on Monday nights during November so come on down and renew acquaintances. We are planning a gala Smorgasbord and Square Dance on November 15, Saturday night starting at 7:00 p.m. You who attended last year remember the wonderful time we all had. I only hope we don't have all the snow this time. Cards will be sent to all members so get your reservation in and come on out on November 15.

We had the pleasure of sitting in a lodge of instruction held in the hfall of Home Lodge by our task in filling Bro. Ivory Tolle's Firestine. It was a real pleasure to meet Bro. Firestine again and receive his fine instructions. I know that he knows he has a tremendous task in filling Bro. Irving Tolle's shoes and he is certainly doing a grand job. Those of you who missed that evening certainly missed a fine evening of Fellowship and Instruction.

As you know we sent our dues' notice out early this year. We thought many of you would appreciate the opportunity to pay them before the end of the year. It makes your secretary's job so much easier when dues are paid early. So why not give Br. Sam a lift and get them in as soon as possible.

In closing, I would like to again remind you of our Square Dance and dinner on November 15, and our annual meeting, December 8. Reserve these two nights as musts for South Gate. I will be looking forward to seeing you on Monday night. Fraternally, Bill Turner.

Brethren: It hardly seems possible that the year is nearly gone. Winter is here already and I will soon be writing my farewell message to you. A new year is approaching and the season of Thanksgiving is here.

I want to say just a little about Thanksgiving, here. Do we honestly and sincerely give thanks f the many blessings and comfo that we enjoy? I wonder, som times, about that. Do we rea make an effort to see that othe have their share of those co forts? It is my belief that shari with, and helping those less fo tunate than ourselves is a re manifestation of Thanksgivi May our charity be as generous possible, so that the Thanksgivi Season may be a truly joyous ti for all.

Again, I want to remind you the Annual Past Master's and C Timer's Celebration. Our Gra Master, Most Worshipful Broth Ralph E. Leggeman, will be wi us as principal speaker. It will the biggest evening of the year, plan to attend. Don't forget t date, Monday November 24. Se your reservation in early.

With four new petitions for N vember, it looks like a busy en ing to a good year. Our Fell Craft Club is stepping up acti ties and we want to extend an i vitation to all of you brethren join that group. Active particip tion in the degree work will be pleasure to you and will truly e pand your Masonic knowledge. W have plenty of work for everyo and will welcome any of you in the working craft.

We wish a speedy recovery Brother Preston B. Arnold, w is confined to St. Joseph's hospit as the result of a heart attac And to Brother David Sunderlan also at St. Joe, recuperating fr injuries sustained in an aut mobile accident.

Two of our faithful brethr were taken by death in the mon of September. Masonic servic were conducted for Brother Har Prentiss on September 16, and f Brother Thomas Hildebrand September 25. To the bereav survivors, we extend our most si cere and heartfelt sympathies.

"Streee-rike t'ree! You're out!" And so the umpire was carried out when the Alley Cats and the Jail Birds batted one another (I mean "battled" one another) in a mute baseball game in the Colonial Room on September 18. Bewhiskered and wagging their tails behind them the Alley Cats, led by Pitcher Selma Schlacter and Catcher Hope Dumford, started the scoring in the first inning. The battery for the Jail Birds was Marian Goff, Pitcher, and Helen Herrick, Catcher; and their team members, wearing appropriately striped uniforms, were handicapped by their balls and chains and having to carry their own rock piles with them.

Sportcaster Clayton Herrick had quite a time broadcasting the game, trying to interpret the shenanigans of these mute players. Finally, not because it was pouring down rain outside, but because Umpire Edward Wooldridge was knocked out by a ping pong ball, the game was called. So our dignified officers entertained Chapter on this night. The homemade pies they were serving really scored homeruns with everyone—they were delicious.

With Friendship as the theme throughout the program, officers devoted October 2 to Friend's Night. Distinguished guests in the East were: Sister Sonoma Woodruff, Past Worthy Grand Matron; Sister Lettie Dickey, Worthy Grand Ruth;Bro. Cecil Sible, Past Grand Patron; Sister Leona Shady, District Deputy; and Sister Mary Ellen Sible, Grand Representative.

Guest officers for the evening were: Worthy Matron, Sister Arbutus Stellhorn, Columbia City; Worthy Patron, Bro. William Stellhorn, Columbia City; Associate Matron, Sister Myrtis Bartle, Harlan; Associate Patron, Brother Raymond Collins, Decatur; Secretary, Sister Blanche Gebert, Cardinal Chapter, Larwell; Treasurer, Sister Wanda Fugate, Monroeville; Conductress, Sister Eugenia Wood, Trinity Chapter, Fort Wayne; Associate Conductress, Sister Olive DeVilibiss, Floral Chapter, Huntington; Chaplain, Sister Faye Severins, Shiloh Chapter, Fort Wayne; Marshal, Sister Alice Sauder, Leo; Adah, Sister Marjorie Goshorn, Emerald Chapter, Ossian; Ruth, Sister Lettie Dickey, Shiloh Chapter, Fort Wayne; Esther, Sister Joan Stoelting, Syracuse; Martha, Sister Adella Davison, Start of the East Chapter, Fort Wayne; Electa, Sister Martha Noll, Trinity Chapter, Fort Wayne; Warder, Sister Lois Hall, Star of the East Chapter, Fort Wayne; Sentinel, Brother Benjamin Beerwert Eel River Chapter, South Whitley; Organist, Sister Opal Bennet, Markle; Soloist, Sister Marjorie Crosbie, Markle; and Prompter, Sister Ann Belle Fleishman, Roanoke.

They very splendidly put on the ritual work to initiate Sister Lyndell Medsker in Fort Wayne Chapter. Upon returning to their stations, the Fort Wayne Chapter officers each recited a friendship verse to his or her friend and presented each with an autograph book. The choir then sang a song to all friends. Replicas of the autograph books were used as programs in carrying out the decorations.

Thursday evening, October 16, Non Pariel presented the Chapter with a new sword and veil. President of the group, Mary Knauer, approached the Adah point and presented the gift to her. Sister Mabel Poorman responded with an acceptance for the Chapter. After the meeting the Non Pariel Circus provided laughs for all. Ringmaster Barnum (Ruth) Buckley introduced the following acts: snake charmer, Sister Gladys Gifford; twoheaded lady, Sisters Gladys McMillan and Dewey Wickliffe; strong man, Sister Esther Schaberg; Fat lady, Sister Ruby Sowers; wild man, Sister Olive Jacobs. Then the girly-girly show topped the evening with sisters Glennys Schwartz, Faye Spitler, and Sylvia Sherron doing the dancing. Potato salad and Hallowe'n face sandwiches were served by members at the close of the evening.

During November we are looking forward to a fine evening of entertainment provided by Job's Daughters and sponsored by Satellites. Then the choir and a Thanksgiving program are scheduled for the second meeting.

Sister Ethel Hall, chairman of the visiting committee, reports the following: Members ill: Sisters Eva Smith, Dessie Fretz, Ethel Stine, Isabelle Masel, Hazel Rittenhouse, Nellie Shapland, Amelia Sessler, Coletta Bieber, Nana Bowman, Marie Fry, Velma Seibert, Josephine Gehl, Emma Lackey, Alice Jane Kaiser, and Lou Dimick and Brother Paul Cecil.

At the annual meeting held September 15, Calvin Bimer was elected High Priest; Carter Palmer, King; Thomas Cannon, Scribe; Lawrence Miller Captain of the Host; Gene Rausch, Principal Sojourner; C. E. Connin, Royal Arch Captain. Jim Johnston was appointed Master of 3rd Veil; Hollis C. Breece, Master of 2nd Veil; Phil McCaque, Master of 1st Veil and Walter Boshler, Chaplain.

Also the Chapter received the new rituals we have been hearing so much about for the last year or so. Your new officers are now trying to get their parts lined up accordingly. There are quite a few changes that will improve the work to a great extent. And two of the degrees are much more elaborate when worked out in full, and can use a number of the companions in their casts. So Companions come up to Chapter, see the work according to the new ritual and get a part in putting on the work. It is the desire of your officers to switch completely over to the new work with a full cast as soon as possible.

We have heard it noised about that our new High Priest, Calvin Bimer will soon be leaving us to live in Florida. Best of luck in your new job Calvin and don't forget us when the temperature here is -0° and you are basking in the sun trying to keep cool.

Don't forget stated meeting is the 3rd Monday and that No. 19 is seldom dark.

Don't forget we need petitions. There are still some three or four thousand prospects for the degrees in Fort Wayne alone.

BIRTH OF MASONRY

Two hundred and fifty-two years ago there was born into the world a peculiar society. Its founders and promoters rejected the conflicting religious dogmas of the day. They promulgated a system of morality and veiled it in allegory. In this new propaganda there was pictured no celestial multitudes playing upon harps of gold, neither did it threaten with an abyss of fire and eternal torment. It dealt only with the present and sought to teach men to live right in all their relations with their fellowmen and to trust the future to the all-wise Father in Whom they put their trust at the door of entrance.—Desert Wind.

Since our fall work has begun, the craft has been very busy. To date they have presented three Master Mason degrees, three fellowcraft, and four entered apprentice degrees. There is plenty of work for the rest of the year, so come up and help or just come up and enjoy the work.

On the 17th the entertainment committee presented a delightful program on George Washington and was well received. If you have not been availing yourself of these social meetings you are missing a good part of your lodge. Don't waste any more of your opportunities, watch for the next announcement and come. And don't forget that dues are payable on or before the first of January, also that Dec. 4, will be the annual election of officers.

The Bethel of Job's Daughters has been busy too, having initiated several new members and they are making big plans for their inspection on Dec. 9. The Chapter of O.E.S. has also been keeping up their good work and are completing plans for the coming months.

As the cold bleak days of November come upon us we are reminded of the colder days to come and we begin to take stock of our winter preparations. Food, clothing, and shelter are the first items of our concern, but the wise man also looks to other matters than his own existence, planning for his family and to the needs of his neighbors. The winter months also allow plenty of time for mental improvement and contemplation. And from these serious thoughts we, like the dormant trees around us, gather a new strength for the coming seasons that we will grow in strength and beauty and be better enabled to aid those around us, thereby strengthening the foundation for our spiritual edifice that will be our final home.

There has been very little activity in Monroeville Lodge this summer, but with vacations over we are looking forward to better attendance and some interesting meetings this fall and winter.

Sorry to have to report that one of our Brothers, Dave Perry, and his father were both injured when they fell from a barn they were painting. Dave is recuperating at home from fractured arms, a broken nose and bruises. His father is in critical condition at the St. Joseph Hospital. Also, Brother Clyde Webb received cuts around his eye and severe bruises when he fell from a ladder in the Tyler's room of our Lodge hall. For both of our brothers we wish a speedy recovery. Brother Dave Van Meter is again recuperating from surgery and we also send to him our best wishes for a speedy recovery.

It is with deep sorrow that I report that the majority of our members must have passed away as we have seen nothing of them this year. So why not come up for these last four stated meetings and let us know that you are still among the living and also help us to decide some of the important problems that are coming up. I'd also appreciate some news for this column as I certainly have a rough time digging up what little I do manage to find for it.

At the last meeting of the Council, we conferred the work on four candidates. Several of the officers were in their new stations and the exemplification was well done.

Remember Companions, we can receive, elect and confer the degrees on the same night in the Council.

Our next stated conclave will be held on Wednesday evening November 19th at 7:30 o'clock. If we have candidates, th work will be put on following the business session.

WHAT BECAME OF THE 12 DISCIPLES

Few know the manner in which the twelve disciples came to their end.

John died of extreme old age in Ephesus.

Judas Iscariot, after betraying the Lord, hanged himself.

Peter was crucified, head downward, during the persecution of Nero.

Andrew died on a cross at Patrae, in Acchia, a Greek Colony.

James, the young brother of the Savior, was thrown from a pinnacle of the Temple and then beaten to death with a club.

Bartholomew was flayed alive in Albanapolis, Armenia.

James, the elder, son of Zebedee, was beheaded in Jerusalem.

Thomas the doubter, was run through with a lance at Coromandel, in the East Indies.

Philip was hanged against a pillar at Neropolic, a city of Phyrgia in Asia Minor.

Matthew was slain by the sword, in Ethiopia (Abyssinia).

Thaddeus was shot to death with arrows.

Simon died on a cross in Persia, (now Iran.)

My Brethren: There are many ways which we may bring benefit or harm to our lodge; but none more beneficial, or harmful, than by the manner in which we exercise the power of the ballot. The brother who casts a ballot wields a tremendous power affecting, not only the applicant, but the future of the Fraternity. A Master Mason has the privilege, and a duty, of voting on every application that is presented to his lodge. No person has a right to personally interfere, or question a brother, as to how he cast his vote. This he should do as his conscience dictates. But, it is his Masonic duty to cast a black cube against any applicant, if he be certain, the petitioner would not make a good Mason, or become a useful member to the Fraternity. He should consider well, think justly and broad-mindedly, that he may realize the results of the act he is performing. If a single black cube is in the ballot box, the applicant is rejected. The casting of a black cube not only rejects for degrees, but puts a definite mark against the character of the petitioner which he is powerless to remove. Our lodge has jurisdiction over a rejected applicant, hindering him from petitioning another lodge for one year. When his petition is again presented to our lodge, or any other lodge, the fact that he previously applied and was rejected is stated to the lodge. Because of the secrecy of our ballot no one knows who uses the black cube, and on many occasions, no one knows why one is used. Just the individual brother and his God alone know. However, the black cube is the great protection of the lodge. It permits all members of a lodge the right to choose their brethren, to exclude those who are unfit, or who would destroy the harmony of our beloved Fraternity. This point I want to make particularly clear, the black cube must never be used as a tool against one whom we hold a petty grievance or a personal dislike. Justice requires that we think carefully, deliberate slowly, and act cautiously. No one will know what we do; no eye will see except that All-Seeing Eye which penetrates the innermost recesses of our hearts.

Summit City's Fall Square Dance will be held in the Ball room of the Masonic Temple Saturday night November 22 from 8:30 to 11:30. Bro. Glenn D. Seabold will be in charge of this affair. As special committeemen Bro. William A. Darling will be in charge of the ticket sales and Bro. Robert Drake will have charge of the refreshments. Music will be provided by the Stars' of the Prairie with Paul Gieseler doing the calling. Intermission entertainment will be furnished by Ann Adams School of the Dance. Ticket price is $1.00 per couple with the proceeds going to the support of our Masonic Home. These tickets may be purchased from any officer, or members of the above committees. They will also be on sale at the cigar counter in the Masonic Temple. Whether you come to dance or to sit on the side and participate in the fun of watching the dancers I can assure you of a most enjoyable evening. All Masons are cordially invited to attend, so get your tickets early.

December 5, will be the annual election of officers. This is a most important meeting and every effort should be made to be present and help select the governing body of your lodge.

Brethren why not make it a point to call another brother to attend lodge with you this month? It will mean much to you both for doing each other such a favor.

Another sizeable class of brethren has joined the Scottish Rite to enlarge the strength of this great Fraternity in its work among mankind. We congratulate these new brethren and trust that the lessons taught and exemplified in the convocation have made a deep impression and will encourage them to portray them in their conduct and relations with the craft and the world.

We invite each of you to become active workers in the Scottish Rite and earnestly solicit your advising us of your willingness to assume a duty of some kind. There are innumerable opportunities to serve and we are certain you will enjoy yourself once you become a participant.

We hope your Holiday season may be a happy one and that your blessings may be bountiful.

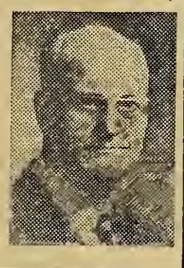
One of the largest classes in some years received the Lodge of Perfection degrees in the Fall Convocation on November 11. There were 266 new members added to the rolls.

We were again happy to have two degrees conferred by brethren from out of the city. Noble county did a splendid piece of work in the 5° and Huntington county members conferred the 8° in their usual good style. A great deal of interes is created by having these casts put on degrees. The degrees conferred by our Fort Wayne members were also well done.

We wish to acknowledge the receipt of a fine gift from one of class of 1951. At this time we wish to thank all the members of that class for this useful gift.

At the last stated meeting of Fort Wayne Lodge of Perfection, Bro. Mark V. Overmeyer was installed as Orator of the Lodge. Bro. Overmeyer is a Past Master of Maumee Lodge No. 725.

There are several social events coming up and it has been suggested that you refer to your convocation program and check the dates.



The dues cards for 1953 are now available. A few members have not as yet paid their 1952 dues and we hope you will take care of this before the end of the year.

This column wishes each of you and yours a Merry Christmas and A Happy New Year.

Thomas R. Marshall Chapter No. 161 has just completed a busy month, all Fridays being occupied as work nights with the net result of four companions, namely, John Huffman, Philip G. Campbell, Heath Barman and Ray McKee, being exalted to the sublime and honorable degree of Royal Arch on November 14th.

On October 29 and 30, our King Paul Straight, and High Priest R. B. Jones attended the 107th annual Convocation of Indiana Royal Arch Masons at the Masonic Temple in Indianapolis. It proved to be very enlightening trip and we are indeed grateful to the Indianapolis Chapter for the generous hospitality accorded us during our stay. As High Priest, I had the pleasure, along with 70 others, of receiving the Order of High Priesthood on Wednesday evening. This degree is a very impressive religious degree and was superbly portrayed by the officers of the Order of High Priesthood.

At the Grand Chapter we learned that more than 18 per cent, or 28,191 of the 172,000 Master Masons in the state of Indiana are members of the 110 chapters, a gain of 133 over the previous year. Even with capitular Masonry on the increase, there are still 80 odd Master Masons out of every hundred who are waiting to receive the most informative, instructive and beautiful degrees in all Masonry. Why not ask that Blue Lodge member for his petition and see us in the Egyptian room at 7:30 p. m. on our next stated meeting on December 19th?

At the November 21st stated meeting it was voted to hold lodges of instruction on Mark Master and Past Master on December 5th; on Most Excellent Master on December 12th; and for Royal Arch after stated meeting on December 19th.

Degree work will be conferred as follows: January 9, Mark Master with Prologue: January 16 after stated meeting, Past Master with Prologue: and Saturday, January 24th, 2:30 p. m., Most Excellent Master, and at 7:30 p. m. Royal Arch with dinner at 6:00 p. m. in the kitchen. All members of Thomas R. Marshall will be contacted in reference to the dinner.

Time marches on and with the passing of the year comes new officers and passing on of the old officers. As we write this last article we can not help but look back to see if we have accomplished our purpose. Let's take a look.

We raised 17 to the Sublime Degree. I wonder how many real Masons we made?

Materially we have acquired new officers aprons, also a new bulletin board which was designed and built by two Brothers. Then too we have made a financial gain in our treasury over proceeding years. With the Temple debt now being practically paid off, we can look forward to better financial gains in the years ahead.

Several of our members have suffered from illness and to them we wish a speedy recovery.

I would be remiss in my duty if I were not to thank those who helped make this a successful year. I want to thank the officers for their support, the committees who served so faithfullv, yes, and those who were not officers who were always ready and eager to help whenever needed whether to give a lecture, prepare a lunch, fill a vacant officer chair or to just stand by in case we needed a lift. These members are the real backbone of the lodge. I also want to thank our Past Masters who never failed to give both help and advice when called on.

On New Years eve the seven Blue Lodges aare sponsoring a dance at the Temple. This is for Masons and their ladies only. See your lodge officers for tickets.

We will have public installation Jan. 2 at 7:30 p.m. in the Ionic room. Plan to bring your friends and attend.

The annual conclave of Fort Wayne Commandery will be held on December 18. The annual inspection on December 6, will be over and the commandery will have been graded according to the proficiency of the officers and the Sir Knights in the lines by the time you read this.

Any success that the commandery may have achieved this year is not due to the endeavors of the commander or any other Sir Knight alone, but to the combined efforts of many. I would like to take this opportunity to express a heartfelt appreciation to all of the Sir Knights who have contributed to the efforts of the Commandery in many ways. I would like to thank each of you individually, but I am afraid that would take there have been so many of you that have been willing to help out. I would also like to thank the drill corps, as an organization, for their efforts on behalf of the commandery. Also, a hearty word of thanks should be extended to the ladies of the Social Order of the Boauceant for their efforts that has been greatly appreciated by the Commandery.

I would like to urge the Sir Knights to attend the annual conclave and participate in the selection of the commandery officers for the coming year. The future of the commandery depends upon the officers you select and also how well you back them up in their efforts. This is your commandery and it can move forward only so long as you continue to push and help out. The new officers will appreciate your help.

We have four candidates elected and one petition was presented at the stated conclave in November. However, due to the annual inspection and the holidays we will be unable to confer the Order any more this year and the candidates will be carried over until next year.

As all of us will be looking forward to the Holiday Season, when this issue of the Square and Compass is received, I would like to wish to each and everyone a Most Joyous Christmas and A Bright and Prosperous New Year.

The George Washington Bicentennial Convocation just ended paid fitting tribute to that great man and Mason who took his first Masonic degree just 200 years ago.

An earnest class of 262 candidates inspired the degree workers to give their best effort. At the banquet which closed the Convocation on Thursday evening our Illustrious Deputy for Indiana, W. Henry Roberts 33°, recounted several interesting incidents in the life of Washington and urged renewed consecration to the virtues taught in the Masonry Washington loved.

Another distinguished Mason attending our Convocation was Illustrious Albert T. Eyler, 33°, Right Worshipful Grand Master of the Grand Lodge of Pennsylvania, who spoke briefly on the banquet program.

Officers representing the George Washington Bicentennial class of candidates were presented at the banquet in the person of Dr. Cecil McEachern of Fort Wayne, President; Wilbur Petrie of Decatur, Vice-President; Dr. Stewart Bruce Kephart, Bluffton, Secretary-Treasurer; Charles Kilgour, Marion, Historian and Rev. Phillips Brooks Smith, Waynedale, Orator. Brother Smith distinguished himself as the class orator. His talk was spiced by humor, but ended upon a solemn note of consecration to the high ideals of the Rite.

Illustrious Brother William S. Mossman, one of the trustees of the Fort Wayne Valley, had the pleasant assignment of presenting the jewels to the new illustrious brethren recently crowned in the 33° at New York;—Illustrious Brethren Brown Cooper, Fort Wayne; W. Arthur Rodemeyer, Fort Wayne; Frank Green, Portland and Raymond E. Willis, Angola. Illustrious Brother Mossman fulfilled his happy function with his usual grace and apt expression of sentiment.

Many of the brethren said that our pride in our Scottish Rite Choir was fully justified by the brief concert they gave at our banquet. The opinion was so universally expressed that it was the top performance by our splendid choir within the memory of those present that we feel justified in acknowledging that triumph for our choirsters.

The orchestra music furnished by the musicians who were under the hand of Illustrious Brother Ora Richord was up to its usual high standard.

Our secretary, Illustrious Samuel S. Geake, never missed a trick in presenting the array of illustrious brethren present even though he called that role without a scrap of paper in his hands.

We are happy to give emphasis to the word of thanks extended at the banquet to all those who helped to make this George Washington Bicentennial Convocation a success. The ambassadors and sponsors worked to bring in an excellent class of candidates who gave marked attention to each degree. There was good spirit at the registration desk which put us all in a proper frame of mind for the work presented and each degree was backed up by stage arrangement and lighting and by proper robing that added meaning to the lessons taught.

Among our veterans who were most active in giving help in degree work were Illustirous Brethren Mel Honeck, Orvis Dellinger, A. Lee Johns, and Howard Etzold. All the degrees conferred by Brethren from counties out over the valley were well received and in the Consistory we especially commend Illustrious Brethren Don A. Earnhart and Julian T. Lett of Marion for their leadership in bringing the very large cast from Grant county to make a virile and colorful presentation of the 27°.

The conscientious effort of all those who carried on any phase of the work helped to make a proper memorial to our great Masonic leader, George Washington.

A great honor has come to the Fort Wayne Chapter Order of De Molay. In the chapter ratings just published by Grand Council our Chapter is given first place (Nation wide) in Chapters whose membership is between 250 and 500 members. We are on top in the Northeast Sector and then the number one Chapter of all Sectors. Everyone connected with De Molay should be proud of this exceptional honor. Fellows let's keep on the ball and hold that position as some Chapters "might" be jealous of us.

The Initiatory Degree was conferred November 25th on a class of 21 candidates from Fort Wayne, LaOtto and New Haven. A large group of Masonic Dads of the candidates and Masonic friends were present. Our attendance at the meeting has been exceptionally large.

Church Sunday was observed November 30th at the Trinity English Lutheran church. A large group attended. Robert Strodel was Chairman and made necessary arrangements.

The Semi-annual election of officers will be held December 9th and a great deal of interest is being manifested as there is some fine talent available for the elective and appointive officers.

Our next regular meeting is December 23rd but due to the Holiday activities it will be dispensed with and the De Molay Degree will be conferred December 18th in the Auditorium. There will be a class of 53 candidates from Fort Wayne Chapter. Surrounding chapters will also participate.

The Degree team is hard at work. The leading members of the cast are James McGraw, Don Rife, Charles Gibbs and Phil Kenner. Past M.C. and Chevalier Robert Locke will have charge of the Flower Ceremony.

The highlight of the Holiday Season is the White Xmas Formal Dance, Saturday, December 27th in the Scottish Rite Ballroom. Woody Neff's orchestra will play for dancing beginning at 9 p.m.

Dress Ladies (Formal) Escorts (Optional).

No charge for De Molay members only "1953" dues card or Senior card required for admission.

This dance is sponsored by the Scottish Rite with H. F. Riethmiller general chairman The Scottish Rite Officers and their wives will assist as Chaperones at the Dance.

Monday, December 29th the Chevalier Degree will be conferred on Robert Hinton and Louis Mangels by officers of the Scottish Rite assisted by the Choir. This is a very beautiful and impressive ceremony and parents and friends of all De Molay members are "Welcome" to attend.

The newly elected and appointed officers will also be installed with Emory Tucker as Installing officer. All De Molays should attend.

This is in the Auditorium at 7:30.

IMPORTANT

Dues have not been advanced. Some have that impression. They are still $3.00 and of course now due. Please take care of this Obligation and attend the Holiday Dance and your Chapter meeting.

It seems my year has slip'd away
Tho I feel 'twas only yesterday
I stood before you, so enthralled
And, as your Master, was installed.

A year ago, that's not right
I'm sure 'twas just the other night
I took the gavel, first in hand
The proudest Master in the land.

I hope that I have been for you
A faithful Master, good and true
I tried to do the job my best
And I'll admit, it's been a test.

My thanks to each and every one
For helping me to get things done
And so FAREWELL I'll say to you
Good Brethren, faithful and so true.

By the time you read this article your new officers will have been elected, and I'll really be on my way out. I want to assure each of you that my years in the chairs of your Lodge have been a real privilege. The experience has been invaluable and something I will always treasure. I am grateful for the splendid support you have given me and proud of the honor of having served as Master of your lodge.

My thanks, too, to the fine group of officers who have served with, and assisted me. I know that they are men of whom we can all be proud, and men who will serve us well in the years to come.

I am truly sorry that some of you couldn't be with us for the Past Masters and Old Timers Celebration. It was a memorable occasion. Those who attended heard an inspiring message from our Grand Master, Most Worshipful Brother Legman. Credit for this most enjoyable evening goes to Brother Hugh Kelley, J. W. and his committee. Our thanks, too, to Past Master Brother Mel Ehrmen for a fine job as master of ceremonies.

December will be a busy month as we have five new petitions in process. Come down and join us for the degree work. There will be plenty to do and help will be appreciated.

We have again been saddened by death. Brother Russell D. Werling passed away on November 2, and Brother Vance Campbell on November 7. To the bereaved survivors we extend our heartfelt sympathies.

The month of December is upon us again and all too soon. This year has passed away all to rapidly, as I have not accomplished all that I had planned. There has been many enjoyable events. Brethren, those of you who missed the trip to Malta Lodge in Grand Rapids, Mich. missed one of the most enjoyable visitations Wayne Lodge has ever made. I will cherish it in my memory as one of my most pleasant Masonic experiences. I regret that each one of you were not there with us.

Let me assure you that the Fellowcraft team deserves a lot of credit for the wonderful way in which the Master Mason Degree was portrayed. Brothers, I have never been more proud of you. The praise for each one of you is beyond my limited ability to express. Thank you, I am indeed grateful to you.

The year of 1952 is nearly over. I would like personally to thank you brothers for this support you have extended to me this past year. Although this has been the busiest year I have ever had, it has been the most enjoyable. I want you to know I appreciate all the courtesies shown me. I wish to thank my officers for all the help you have given me, no Master could ask for more.

By the time you receive this communication, the annual stated meeting will be history and you will have elected your officers for the year of 1953.

I wish to congratulate the officers for the coming year. I hope and feel sure you will have a successful and prosperous year.

The seven Masonic Blue Lodges are sponsoring a New Years Eve party on Wednesday, December 31st., with a round and square dance. The band will be "The Melody Rangers" and dancing will be from 9:00 until 1.00. Admission will be $1.00 per couple. Proceeds from this dance will go to the Masonic Home at Franklin. Admission will be by ticket and DUES CARD.

December will be another busy month with the annual Stated meeting on Dec. 4th. E.P. Degree at 7:00 on December 11th and F.C. Degree at 7:00 on Dec. 18th. Due to Christmas coming on Thursday our regular M.M. nite, Wayne Lodge and Maumee Lodge will join together on Tuesday, Dec. 23rd., and confer the M.M. Degree together. Lodge will open at 4:00 and dinner at 6:00. Lets make December the biggest month of the year. I will be seeing you at Lodge and at the New Years Eve party.

Your Master and Officers join in wishing you all a Very Merry Christmas and a happy and Prosperous New Year.

The Fall Convocation of the local Scottish Rite bodies held on November 11, 12 and 13, was one of the finest on record. To many Scottish Rite Masons the outstanding feature of the Convocation was the quality of the class. The members of the class were sober, attentive, and above all, receptive to the great lessons which are taught in Scottish Rite Masonry. It was a class which challenged the best efforts of those who participated in the degrees. If the degrees were well exemplified, part of the credit must go to the Fall 1952 class.

The happy Christmas season is with us again. The officers and cast of the Rose Croix degree extend the greetings to all Masons in the Fort Wayne Valley, and wish them all joy at Christmastide and throughout the New Year. May the Rose Croix ideals of Faith, Hope, Charity, Love and Peace spread throughout the world.

The month of December heralds election of officers and the Christmas season. By the time this issue has reached you, election of officers will have been completed. Let's all give the new incoming officers a Christmas present by supporting them to the fullest extent during the coming year. Installation will be held on Ne wYear's day, starting with a potluck dinner scheduled to begin at noon. Our customary practice of having oyster stew will also be carried out in the Leo tradition. Plan now to attend.

Masonic funeral services were held for Brother Rolla V. Jump on November 11th, with Brother Clifford Garrell of Harlan lodge officiating. Brother Jump had been bedfast for one and one-half years. We sincerely regret the loss to Leo lodge. When he was able to attend, we all looked forward to the cheerfulness he brought to lodge. To Sister Jump and all members of his family, we offer our deepest sympathies.

The membership extends its sympathy to Brother Harvey Stuckey, his mother and all members of his family. His father, Frank, passed away suddenly on November 9th, after suffering a heart attack.

Sheridan Kitchen, father of Brother Theron Kitchen, died on Tuesday, November 11th, at 9:00 p. m. Our deepest sympathy goes to Brother Kitchen and all members of the family.

Once again the Lodge will be host to the children for the annual Christmas party at the lodge hall. A date has not been set as of this writing but the membership will be notified in plenty of time. Plans indicate that this party will be as full of surprises as last year's!

We are happy to announce that Michael J. Bower was raised to the Sublime Degree of a Master Mason on October 30th. Fellow workers from Aircraft Gear came to Leo to raise Brother "Mike." At the conclusion of all of the work they presented him with a very attractive lapel emblem.

The end of the year also reminds us that dues are coming up again. All dues, both Lodge and O. E. S., are due on or before January 1st. Let's all try to pay our dues on time so that we may help Brother Al Tharp keep his records up to date and make his report to Grand Lodge. This would reduce to a very great extent Brother Tharp's work as secretary.

The Stars would also like to remind you that their dues have been raised to $2.00. They are also due on or before January 1.

In conclusion, we would like to remind you that it was Christ who gave us Christmas. Let's put more of Christ back into Christmas.

You get up in the morning and open the door. You take in a great big breath of wonderful country air. A dozen swallows dip like a song over a meadow. A thousand square miles of big fluffy clouds float overhead. A fresh wind spanks white sheets on the line. Ten thousand leaves bend on the trees — ALL FOR YOU!

Have you ever thought; God has been getting this day—this very day—ready for you for a million years. It is true. It took a million years of erosion to build those hills exactly the size and shape they are at this moment. It took a million years of weather to create exactly the kind of weather you are having now.

Do we deserve the almost unbelievable cargo of blessings that are sent our way every sixty seconds? I know at least a dozen men who are paid at the end of the week and have half their money across a bar by Saturday night.

I know of a girl to whom God gave great beauty. Hollywood voted her one of the ten most beautiful girls in the world. She committed suicide.

I know a boy to whom God gave great talent. He meausres it in dollars and cents.

I know a great philosopher. He is so brilliant he can't bear the thought of a Power above him with more knowledge than he has.

I know a civilization whose technowledgy has discovered such great power that if it were used immediately for constructive purposes, every man, woman and child in the world could begin to eat three good meals a day. But we are stockpiling atomic bombs instead.

The point I am trying to bring out is that this is a wonderful world in which we live if we will just take time to notice it. All of the ills, strife, war and trouble are brought on by man. Why? Because of the very sad fact that too many people are drifting away from the Brotherly Love which we as Masons are taught, and too many times forget.

I do firmly believe however that if there were Masonic lodges in Russia, China and every civilized country in the world, man could turn his energy, time and resources to the better things in life. He could live among a people that were tied together by that Brotherly feeling of trust and friendship for which the world has been seeking for thousands of years.

Now, as we near the Christmas season, let every Mason take stock of himself and resolve to do his best in the promotion of that which he has been taught.

As I near the end of my term as Master of Harlan lodge, I wish at this time to thank each and every officer and member for the wonderful support you have given me. Without it my job would have been much harder.

Now, with a MERRY CHRISTMAS and a HAPPY NEW YEAR, I will close with:

A Mason more than any other
Ch he remembers what he's heard
Is always a fair-minded brother,
In every real sense of the word.
He's always gentle, kind and true
And always willing to confess
His own faults; nothing he'll not do
To help a brother in distress.
The world is better, richer far
For Masons and the good they do,
They'll always be the guiding star
To many a man his whole life thru.

FIRST REMEMBER TO GIVE TO THE MASONIC HOME FUND WHEN PAYING YOUR DUES.

In another month we will be in another year and you will have new officers installed. Be sure you know and support your officers, as that will help the Lodge and help you at the same time.

The year now ending has been an extra long one, yet a very short one. It has been a busy one, yet lots of things we wanted to do have been passed by. However, it has been a wonderful experience and I will be ever indebted and grateful to Home Lodge No. 342 for electing me to serve as Worshipful Mahter.

We are certainly proud of the Candidates of 1952, the sincerity they have displayed while taking their work and the help they have given afterwards. We are also very grateful to the other officers and members for their continued co-operation throughout the year.

We were terribly shocked to hear of Brother Claude (Jack) Hamlet's illness and death, also that of Brother Thomas A. Hardwidge. Brother Hamlet died on November 11th. Our sincere sympathy to their families and friends.

The Lodge held services for Brother Hamlet at the McComb funeral home on Monday evening, November 3rd, with at least 80 brothers present. This brother was one of our most able and most active members. He will be much missed by all of us. While he became a member less than a year and a half ago, he could and would help out any place he might be asked. One more of his many talents was revealed at his fueeral on Tuesday when the minister read the following poem which he had written a short time before.

Will God have time for the dreamer of dreams?
Who takes his creed from the swift moving streams,
The lover of nature and all that it means,
Gives thanks, and asks not much of Him?

The dreamer is seated on a bank of sand,
Gives ear to song of a feathered band;
Never was opera half so grand,
Nor grander troupe e'er cast.

He gazes up at the blue of the sky,
A ship of white goes scurrying by;
Like a soul that is saved, ascending on high
To meet its maker at last.

Sober reflection, a stab that is pain,
Is the dreamer's life a dream in vain?
A little of it like the snow and the rain,
A little, and then it is past.

Will it count that you know the names of the trees,
That you have acquired the wisdom of bees?
In Heaven we're told there will be none of these;
Where then will his soul be clessed?

The dreamer that's caught the plan of things,
The sunset's color, the bird that sings,
The flowers' perfume, the heaven it brings;
All reveal so much of Him.

The swirl, the eddy, the flash and the gleam,
The willows that bend to dip in the stream,
Are all a part of the marvelous scheme,
Beauty untold, a touch of Him.

He who can tell by the flash of a wing,
The name of the bird, and the song it can sing;
Does it count for napght, a useless thing?
Lost his soul and so much of Him.

Who has sat in many a woodland bower,
And gazed in the heart of a flower,
And counted it not an ill-spent hour
That revealed Him there in the wood.

Who can say that the greatest church
Is not beneath the oak and the birch?
Being bantized won't wash out the smirch
Nor churches and men make you good.

But maybe the dreamer isn't wrong as it seems,
Perhaps God likes his dreeaming of dreams;
And finding His presence in the woods and the streams,
And wishing that other folks could.

We were very sorry to hear of Brothers Orman Garrison, Estae Frederick and Dave Maloley being in the hospital. Bro. Garrison suffered a broken neck in an auto

Junius Brutus Booth, of the famous family of actors, Worshipped at all shrines alike and doffed his hat at every church he passed. He was thoroughly grounded in both Jewish and Catholic ritual, and observed some sacred days of the Moslems. "It is a good thing to observe Christmas Day. The mere marking of times and seasons when men agree to stop work and make merry together is a wise and wholesome custom. It helps one to feel the supremacy of the common life over the individual life. It reminds a man to set his little watch now and then by the great clock of humanity. But there is a better thing than the observance of Christmas Day, and that is the keeping of Christmas." — Van Dyke.

Of great importance to all Eastern Stars was the convening of General Grand Chapter on October 12 thru October 17 at Milwaukee. Shiloh was well represented by the presence of Sister Lettie Dickey, Worthy Grand Ruth; Sister Verna Bloom, Grand Page; Worthy Matron, Sister Pauline Dinius; District Deputy, Sister Leona Shady; and Sisters Lavon Reim, Louise McCoy, Ina Martin, Fanny Bickel, and Brother Arnett Bickel. All reported that they enjoyed the assembly and expressed themselves as of having an interesting visit.

On October 23, Shiloh observed Affiliation Night. A beautiful ceremony was given and we are sure our new members will cherish an affinity for their Chapter.

Sister Lettie Dickey was escorted East and welcomed home, as the choir sang, "When Your Wanderings Are Over." Sister Pauline Dinius spoke of the tribute paid to Sister Lettie by the Most Worthy Grand Patron when he remarked that she was the Will Rogers of the Eastern Star. North-East Social Sections served refreshments after Chapter from tables cleverly decorated with Hallowe'een symbols.

On November 1, Shiloh and Star of the East shared inspection night. A school of instruction preceded the inspection on Saturday afternoon at 2 o'clock, the Stations being filled by Worthy Matrons and Worthy Patrons of District 14. A delicious banquet was served at 6:30. At 8 o'clock, Chapter was opened by Shiloh in regular form, after which the distinguished guests were announced and escorted East where they were introduced and given Grand honors.

In the East were Sister Helen Bell, Worthy Grand Matron; Brother Hilden Kiser, Worthy Grand Patron; Sisters Aldeen Klingman, Associate Grand Matron; Mary Louise Litte, Grand Adah; Kathryn Girested, Grand Ruth; Velma Nordyke, Grand Esther; Mary Dickey, Grand Electa; Laura Bowers, Grand Warder; Leona Shady, District Deputy; Lettie Dickey, Past Worthy Grand Ruth; Sonoma Woodruff, Past Worthy Grand Matron; Ruth Radcliff and Mary Ellen Sible, Grand Representatives; Jane Oldfather and Ruth Hayes, District Deputies; and Past Worthy Grand Patrons, Brothers Ben Bennett and Cecil Sible.

The East was beautifully decorated with a shadow box in which were the Silver Cup and the Sword and Veil. Three words, "Love, Kindness, and Sincerity" in white foam foundation, with the word "Love entwined, formed the corner of the shadow box. Baskets of Plumes in Star Point Colors,; along with palms in East and West formed the floral decorations. Baskets of plumes of appropriate colors were placed behind the Star Point's chairs. The Worthy Grand Matron was escorted to the East as the Star Points and Chaplain paid her tribute. The Worthy Grand Patron was escorted East through an aisle of Past Patrons and presented with a gift.

Star of the East gave the initiation to a class of eight members, and Shiloh Chapter had the closing of the meeting.

Obligation Night was observed on Nev. 13, and as Thanksgiving falls on our next Chapter night, there will be no meeting until Dec. 2, when we will have initiation and the Reserve Committee will serve after Chapter.

My Brethren: In a few days I shall surrender the gavel of authority to my worthy successor. It is with a deep sense of humbleness that I feel in my heart when I recall the kindness, and the splendid co-operation I have received from each and every one of you. For this I shall be forever grateful. I have earnestly tried to promote the best interest of our lodge and the Fraternity in general. Also, I have endeavored to fulfill my promise of a year ago that I would abide by the General Regulations of your Grand lodge. I am grateful for the opportunity you have given me to serve you. I hope that I have been beneficial to your lodge, and have accomplished some good which will do honor to Freemasonry. However, I have now discovered that one year is a short time in which to try and accomplish the many purposes I had in mind when I accepted this undertaking, but I firmly believe that a continuance of our Masonic efforts will eventually help more and more to bring about a solution to many of the problems facing the world today. At this Christmas Season I feel more than ever that Freemasonry has a greater opportunity of bringing Peace on Earth and Goodwill Toward all Men.

I want to express my deepest gratitude for the splendid support I have received from the officers, the various committees all of which were so faithful, the Past Masters for their assistance, the members o the Fellowcraft Club, and all the Brethren who have taken an active part in working on investigating committees, funerals, etc. Without you Brethren it could not have been done.

I wish to congratulate the newly elected and appointed officers. To them I pledge my loyal support, and wish them success and happiness in their new venture.

As I join the ranks of the Past Masters I would like to leave with you this thought; that you constantly practice the teachings of Masonry in your every day living, and by so doing set yourself as a living example to demonstrate to the world at large that you are a part of an institution which is practicing the teachings of God. You will, thereby, influence the thinking of others, and give them a just cause to respect and honor our Fraternity.

I WISH ALL OF YOU A VERY MERRY CHRISTMAS AND A PROSPEROUS AND HAPPY NEW YEAR.

Fort Wayne Chapter No. 19 is back at work again after being dark for a month. We will start work on seven candidates in November.

Companions, did you ever stop to think that if every member of Fort Wayne Chapter No. 19 turned in one petition next month we would have to put the Royal Arch degree on almost 150 times, and yet we would have hardly scratched the surface of potential membership within the city limits of Fort Wayne alone? How about your buddy? Is he a member?

Saturday, January 24,, 1953, at 6:30 p. m., is the second annual Past High Priest and Guest Night banquet. Get your tickets for yourself and Blue Lodge guest early. Your committee has promised a very good supper and program. Put this date on your must list.

On October 20th, onr High Priest Calvin Briner tendered his resignation. He has been permanently moved to St. Petersburg, Fla. Best wishes, Cal, and don't forget the gang back home!

After a clarification of the law by the Grand Chapter Jurisprudence Committee, a special election was held to fill the office of Scribe, and all officers moved up one station.

Companion Garrison is at home and would welcome a visit from you Companions.

To all our sick Companions we wish a most speedy recovery.

To all Companions—Yaur Chapter needs you. It is your Chapter.

As this will be my last news item to you as your worshipful master by way of the Square and Compass, from the date of my appointment as your junior steward by Bro. Kenneth Strong, it has been a great pleasure and privilege to serve you.

On January 2, 1952, I was installed as your Worshipful Master. At that time I asked for your support, as I relized that it was more than just a one-man job. That I needed the cooperation and support of the entire brotherhood. I can say that I have received that support. When I needed advice on some technical problem there was a world of knowledge at my disposal. This was a great help to me in making many decisions that were of great importance to the welfare of our lodge. To the brethren who supported me in the degree work, helping with the arrangements of our banquets, seand helping with the general work of the lodge, this was greatly appreciated. To my officers, you made my work a pleasure, with your support and fine co-operation.

Maumee lodge can be proud of each of you, and I know that the success of our lodge will continue to be a high standard in true Masonic tradition. To all the candidates who joined the Maumee lodge in 1952, I want to congratulate you, we can be proud of you, you are the kind of brethren who will carry on the true Masonic heritage that was handed down by our forefathers.

If we will just stop and think, there is so much life has to offer us, somuch most of us have never found. You can share more abundantly in these things if only you will learn the art of right thinking. Get your thoughts right and keep them right, believe in God, work hard, and everything will come out right.

I am sorry to report the death of Brother Virgil C. Lee, who died October 5th, 1952, at Anderson, Ind. Masonic funeral service was held in Anderson, thanks to our Masonic brethren in Anderson.

Two of our members have lost their overcoats. Someone has taken them by mistake. They are Bro. Fred C. Peters, of 404 Green street, New Haven; and Bro. Albert F. Cary, R. 3, Lincolnway ave., Frot Wayne. Both coats were "Botany 500" gabardine. Please call the Masonic temple if you know if these overcoats.

The month of November was a very busy one, as we had five candidates, thanks to the brethren who came up and helped us with the degree work.

How time does fly!

December is here again with many pleasant memories behind us, but yet there is lots more in store for all.

You girls made me so proud last October 19, when we held our Church Sunday at my church—South Wayne Evangelical United Brethren. There was such a large group of Job's Daughters and their parents, and I truly appreciated it. At the close of the service, the officers made the cross formation singing, "Nearer My God to Thee." It was a very impressive sight.

The following day, October 20, was a big day for Bethel No. 8. Starting at 4:30, a reception for Mr. Wilbur Stocks, our own past Associate Guardian, was held in the bethel room. It was a fine opportunity to get acquainted with all our Grand Officers. Afterwards our inspection banquet was held, carrying out a "Harvest Festival" theme. The banquet was very colorful, large posters representing fruits and vegetables were hung in the front of the room, to give the desired effect. The tables looked so pretty with programs made in the form of barrels of apples, nut cups of apples, pears, etc., centerpieces of pumpkins, squash, ears of corn, apples, and potatoes. Candle holders made of ears of corn surrounded by leaves, acorns, and bittersweet seem to add the finishing touch. The meal too, was served and prepared in a superb order, and many thanks go to the council and our mothers for their tireless efforts in making it such a big success.

After the dinner, initiation and inspection was held in the Colonial room in the Masonic Temple. Mrs. Audry Harreld was escorted to the East while eight of our girls wearing large posters of various fruits and vegetables made an arch while Virginia Vosburgh sang so nicely, appropriate words to "Shine on Harvest Moon." A large basket of fruits and vegetables was presented to our Grand Guardian to complete the escort. Next, our own Mr. Stocks Associate Grand Guardian was escorted while ten Job's Daughters came in dressed as farmers carrying hoes, racks, shovels, etc., singing "We've Been Working in the Garden." After his escort, Mr. Stocks was also presented some gardening tools only in a miniature size. We were very proud to have with us Mrs. Neva Slater-Vice Supreme Gaurdian. For her, Virginia sang, "May the Good Lord Bless and Keep You" which was so appropriate. The officers did splendid in the iniatory work, and I was real proud of all of them. Now, I want to say thanks again to everyone who had a part in making this occasion such a memorable event.

We were pleased to receive an invitation from the Masonic Lodge at Pleasant Lake to present our initiatory work for them November 17. The officers, choir, and daughters will leave by bus arriving in time for a potluck supper afterwhich we will give the work. It sounds like a lot of fun and fellowship are in store.

The last six months have passed so quickly, and here I am writing ny last article to appear in this paper. First, I want to tell the officers how proud I am of them. They are tops. Next, it has been grand working with Mrs. Drake Guardian and Mr. Wilkerson Associate Guardian along with all the council members. It seems they are always in there pitching. Also, many thainks go to all the committees who has worked so hard preparing for our meetings. It's been fun though, hasn't it? Now in closing, I want to say thanks for so many fond memories with so many fine people.

When you receive your Square & Compass you no doubt will be thinking of the Christmas holiday and looking forward to the festivities of the Christmas season.

To each of you we wish a Very Merry Christmas and a Most Prosperous New Year.

Thank you for the many things you have done to make this year so very pleasant an assembly.

On December 2nd we had our election of officers for the ensuing year. On January 6th we will have installation of these officers in the Egyptian room, followed by a reception on the mezzanine.

Our card party was quite a success, thanks to our chairman and her untiring efforts.

This brings us to the close of another year; and we look forward to a better year year, and peace on earth, good will toward all.

Here is a prayer found in Chester Cathedral 1770:

Give me a good digestion, Lord,
and also something to digest,
Give me a healthy body, Lord,
with sense to keep it at its best.
Gime me a healthy mind, Good Lord, to keep the good and pure in sight;
Which seeing sin, is not auualled,
but finds a way to set it right.
Give me a mind that is not bored;
that does not whimper, whine and sigh.
Don't let me worry overmuch that fussy thing called I.
Give me a sense of humor, Lord,
Give me the grace to joke.
To get some happiness from life and pass it on to other folk.

Brother South Gater: This will be my last article for the Square & Compass as Master for 1952. It seems only yesterday that I started my year, and here it is December already. This has been a great experience for me this year to serve as yaur Master, and one I shall never forget. To all the officers and brethren who have given me such a fine backing and everything we've undertaken, I give my sincerest thanks.

Our lodge has prospered this year and we continue to grow. We had a wonderful smorgasbord and square dance on November 15. We had a splendid turnout and all had a wonderful time. The enthusiasm was so good that we are talking of having another the first part of the new year. I would like to remind all of you that the seven blue lodges of Fort Wayne are sponsoring a New Year's Eve square dance. The proceeds will go to the Masonic Home. So keep this date in mind and be sure to come down New Year's Eve and celebrate the New Year.

I am happy to report that Brother Morris, who was confined to the Lutheran hospital several weeks ago, is rapidly recovering at home. He would welcome anyone who stops by and says hello.

Again I would like to remind you brethren if you know of any sick members, please let us know. We do not like to miss anyone who is ill, and if we do it is unintentional.

In closing, I would like to again thank all of you for extending me the privilege of serving your lodge this year as Master. It has been a thrilling year for me and one I shall never forget. We have tried to build our attendance this year, so don't forget our motto "We want to see you in lodge on Monday evenings."

May I at this time on behalf of the lodge extend to you and your families the merriest of Christmases and the happiest of the New Years. Let us all remember the true meaning of Christmas and try to dedicate our lives to His service. Sincerely and fraternally, Bill Turner, W. M.

DID YOU KNOW?

Huntertown Bethel of Job's Daughters held its semi-auunal election the 17th and the following officers were elected: Honored Queen, Betty Lincoln; Senior Princess, Wauda Knafel; Guide, Ann Gump; Marchal, Carma Jean Venderly. They will be installed on December 20th. They will have inspection on the 19th of December. Our Bethel has been growing rapidly and the girls have been doing some very nice work. Our thanks to the tireless council and the girls for a splendid job.

The Huntertown O. E. S. has had a busy year and is finishing it with the sale of Christmas candy. A group of the Stars visited Hudson O. E. S. last Thursday night. The Masons can be proud of the good work the Stars are doing both in their lodge work and in extending our good will to other lodges in the state.

Our lodge has been very busy as usual this past month. The work was presented very well and several visitors were present to enjoy it. To the several brothers who have been ill we wish a speedy recovery and hope to see them in lodge soon. Don't forget that your dues for 1953 ane due on or before January the first. Why not make it yours now?

By the time this is in print we will have nearly completed another year and will have elected the officers for the next year. As retiring Master of Huntertown Lodge, I would like to take this opportunity to thank everyone for their help during my term and and at the same time to extend my congratulations to the new officers and to wish them a very successful year .Also to assure them that I will do my best to aid them all in every way that I can. To everyone, I wish to extend the season's greetings, and my fervent prayer; and I think it is the wish of all, that the season will bring Peace on earth and good will toward men.

The annual meeting of Monroeville Lodge will be held Wednesday evening, December 17th, when the reports of the officers will be read and officers elected for the year of 1953. We urge you to be present at this very important meeting.

The brethren have continued their labors in repairing the lodge hall. This last month the windows have received coats of putty and paint. Look the job over and see if you don't think it is a great improvement.

We regret to announce that Earl Marquardt, I. B. Marquardt and Chauncey De Pew are ill. We hope that they will soon be up and about with us during this Christmas season.

Your officers wish to thank the members for the wonderful support that they received this year and know that you will do the same for the officers in 1953, which should be a very prosperous year for Monroeville Lodge.

Time marches on. Once more, time is about to close the book of another year, and written with the pages will be memories of 1952. Let us rejoice that we are to be granted another year, to "begin again." The Herald Angels are singing and we hear their Peace on Earth, Good Will to Men.

"As with gladness, men of old
Did the guiding star behold,
As with joy they hailed its light,
Leading onward, beaming bright,
So most gracious God, may we
Ever more be led to Thee."

With the Spirit of Christmas in our hearts, the committees of Trinity will meet on their regular dates:-

Dec. 1—Decorating and Sewing, Hostesses—Mildred Lotter and Viola Densel, 2232 Forest Park.

Dec. 9—Combined North and South Social, Potluck at Gas Kitchen—Time, 6:30.

Dec. 8—Program, Hostess, Doris Thiebolt, 5921 Decatur Rd.

Dec. 10—Cheer, Leota Niles, 1802 Clover Lane.

Dec. 16—Registration, Ethel Deel, Bass Rd.

Ways and Means to be announced later as their regular date falls on Christmas.

Dec. 22—Officers, Doris Thiebolt, William White, and Lillian White, 5921 Decatur Rd.

Dec. 10—Stitch and Chatter, Hostess, Gertrude Dickey, 1746 Green Street.

Dec. 17—Ne-Ca-Wa, Hostess to be annuonced later.

For the remainder of the year all of us are busy tis true. But let us not forget the stated meetings in December.

Dec. 5—Choir Entertains.

Dec. 19—Christmas Program.

Both meetings promise to be most entertaining. Both the Choir and Program Committees have put forth effort in the busy season, to bring something for you. Do come and let them know you enjoy and appreciate their efforts.

Group Inspection by Sister Helen C. Bell, Worthy Grand Matron, of Fort Wayne Chapter No. 432 and Trinity Chapter No. 576 was held Friday, October 31, at 8:00 p.m. in the Commandery Room of the Masonic Temple. Wearing black skirts and blouses of the five colors of the Eastern Star, members of both chapters formed a bell through which Sister Helen was escorted to form the chapter. After being serenaded, she was presented a spray of red roses as a gift from both chapters.

Decorations in the East were carried out in the form of shadow boxes representing an old fashioned picture. The emblems of the five points were displayed in the boxes, and the word "Love" was inscribed in the center. Our Worthy Grand Matron's motto of "Kindness and Sincerity" was also shown in the East.

Trinity Chapter conducted the opening and closing of the meeting, and our chapter performed the initiatory work, installing Sisters Betty English, Helen Silveria, Doris Bell, and Eva Sander in Fort Wayne Chapter and Sister Anna Mueller in Trinity Chapter.

Sister Elizabeth Batchelder was presented her fifty-year pin by Sister Bell on this occasion.

A dinner honoring our Worthy Grand Matron was given by the two chapters at 6:00 p.m. that same evening. Favors of black and yellow spoon holders in the form of miniature skillets marked each place setting.

Satellites entertained Fort Wayne Chapter with a card party on the mezzanine floor after the regular meeting Thursday, November 6, in the Colonial Room. During the meeting Sister Myra Matthias, president of the group, presented the chapter with a white satin Bible marker from the Satellites.

The new Commander appointed the following Sir Knights to office: Don K. Thrasher, Standard Bearer; James Johnson, Sword Bearer; Dexter Johnson, Warder and Arthur Steen, Sentinel.

All Master Masons, their families and friends are invited to attend the installation ceremony for the newly elected and appointed officers to be held in the fifth floor auditorium of the Masonic Temple at 7:30 p.m. Thursday evening, January 8th. Eminent Sir Samuel S. Geake, the Grand Captain General of the Grand Commandery of Indiana will act as Grand Commander; Eminent Sir Byard H. Smith as Grand Marshall, Eminent Sir Harl C. Bradley as Grand Prelate and Eminent Sir Ed Klomp as Grand Warder in the installation ceremony.

Immediately after the installation of the Commandery officers, Fort Wayne Assembly No. 139 of the Social Order of Beauceant will hold the very colorful ceremony for its newly elected officers.

Your newly elected commander wishes to take this opportunity to extend to all Sir Knights a very sincere New Year's Greeting and a special invitation to attend the conferring of the orders during our Centennial year. We have a very nice group of companions to start the year with and the first orders will be conferred as follows: Illustrious Order of the Red Cross, Thursday evening, January 22; Order of Malta, Thursday evening, January 29th and the Order of the Temple on Thursday evening, February 5th.

Eminent Sir Harry Haller, Commandant of the Drill Corps states that drills will be resumed in earnest Tuesday evening, January 6th, and that nothing less than second place will satisfy him at Hammand in May.

Work of preparing for the Spring Convocation has been progressing through the Holiday Season with you officers of the four Scottish Rite bodies cooperating to make our next Convocation program a most inspiring one.

We have been grateful by this spirit and talent of several brethren who will be in the degree work and the choir for the first time. Some of the Scottish Rite clubs have nominated members for service in the degrees and we are most grateful for this help in adding to the personnel of our casts.

Let us all look forward to another year of splendid progress for the Scottish Rite in the Fort Wayne Valley and join in the prayerful supplication that the day may not be far distant when the glorious banner of our Nation and the Scottish Rite Standard shall rise in peaceful triumph over a world-wide Brotherhood of Man.

LET US REJOICE

On Saturday, November 15th, the final payemnt of four hundred dollars was paid to Fort Wayne Lodge of Perfection on the Masonic Temple. Let us hope that our Temple will never be mortgaged again.

This being my first message as Worshipful Master, I would like to express my sincere appreciation for the honor and privilege of serving Maumee and the brethren through the coming year. I will endeavor with God's providence, assistance of my officers and brethren, to conduct the affairs of Maumee Lodge through another successful year of Masonic labors, as your Past Masters have done, since its organization in 1926.

I realize that my duties and responsibilities will be many, but with such a fine group of Wardens, Officers and Craft there is no doubt in my mind that they will be accomplished.

Your Officers for 1953 are: Wilbur C. Hyde, W.M.; Fred L. Hoffman, S.W.; Kenneth P. Haines, J.W.; William H. Gingher, S.D.; Shirley L. Scholer, J.D.: Howard O. Jonord, Chaplain; William I. Lower, Tyler; Fred E. Raake, Treasurer; George F. Gable, Secretary. The trustees are Kenneth D. Strong, Herbert C. Foreman and Byard H. Smith. Committees: Masonic Home, Kenneth P. Strong, P.M.; William H. Schwartz, P.M.; Howard V. Degler, P.M. Auditing: Fred L. Hoffman, P.M.; Kenneth P. Hanes, William H. Gingher, Mark A. Hennigh. Publicity: Shirley L. Scholer, Max C. White, Richard C. English.

Illness: Paul M. Hayden, Eugene E. Gilchrist, Howard O. Jornod Paul W. Dailey, Donald C. Friedly, Paul H. Goldsmith.

Brethren by the time this issue of Square and Compass reaches you, the holidays will be over. I hope that each one of you and your family had a very Merry Christmas and a Happy New Year. many of the Officers, Craft, Past Master Simon Hanes, visiting Brothers, A T. Edwards, of Indianapolis and Kenneth Richwine of Detroit made a visitation to Roanoke, Ind., where they conferred the second section of the Master Mason degree, in full form on a Brother of the Roanoke Lodge 195. Refreshments were served and all preseint had a very enjoyable and sociable evening. The work of the Craft was well received, and they are to be complimented for their splendid performance.

We are happy to report that our members are enjoying good health for this season of the year. To our knowledge only ailing at this time are, Past Master Brother John Kayser and Brother Frederick Kanning. To them we extend our best wishes for a speedy recovery.

For the month of January, we have four petitions to be ballotted on.

Brethren, when making your New Year Resolution, how about obligating yourself to attend at least one full session of lodge during 1953? And as many others as you can. It does one good to meet and renew acquaintances with the Brethren, new and older members, and once again review the work of your Officers and Craft. Your participating in the conferring of the degrees is always welcome, and greatly appreciated.

Hope to se you at Maumee often in 1953.

REVOLUTIONARY MASONS

Sometimes one is led to believe that Washington was teamed with Franklin as being the Masons of the Revolutionary period. This, of course, is far from the truth. There were a great many active Masons at that time and to mention several one should not forget General Israel Putman, General (Mad Anthony) Wayne, Captain Hugh Maloy, Abraham Savage, Richard Gridley, and others. And it was at this time (1775) that a Military Lodge conferred the degrees on Prince Hall and 14 other colored men, who later formed a lodge known as African Lodge, the beginning of Negro Masonry in the United States.—Elkhart Temple Topics.

We had hoped to announce the dates of the Spring Convocation, however, a situation has arisen that requires more time to settle on the time. It will be held around the middle of April and now is a good time to speak to your Blue Lodge friend and get his petition.

The annual Children's Christmas Party was again a great success. Bros. C. Forks and Mark V. Overmeyer and their entire committee are to be congratulated upon the splendid program given for the nearly one thousand children that attended.

Several entertainments will be held in February for our members. The annual George Washington Ball for all Blue Lodge Masons will be held Saturday evening February 21st. On Saturday evening February 28th, a program of music will be given in the Quimby Auditorium. This will be an outstanding event and will bring to Fort Wayne the Scottish Rite Choirs of Indianapolis and South Bend together with our own choir. A notice for reservations will be sent out the latter part of this month and will be on the basis of first come first served. No telephone reservations will be accepted either by the office or members of the committee. The number to be accomodated will be limited so govern yourselves accordingly. In talking with those in charge of this gala event, we have been assured of an evening of the finest male chorus work. Several numbers will be sung by the combined group of more than 80 voices. Many of our members have been talking about some outstanding meeting by the Rite and we feel this is it. The date is February 28th. Time to be announced later.

The 1953 dues are now due and payable. If you are not carrying a current card, send in your check and one will be sent you.

AREA MASONS ELECT GENEVA MAN PRESIDENT

The Actual Past Masters Association of Free and Accepted Masons of Northeastern Indiana elected Joseph S. Anderson, Geneva, Indiana as president of the organization at an annual meeting the group held Tuesday night at the Masonic Temple here.

The Actual Past Master degree was conferred on worshipful master-elects of seven Fort Wayne Lodges. They were: Clarence E. Dreischer, Sol D. Bayless; Charles M. Cook, South Gate; Wilbur C. Hyde, Maumee; Homer H. Stevenson, Three Rivers; James C. Farrar, Home; Nile Hake, Wayne; and Robert E. Lee, Summit City.

New members of the association's executive committee were named as, Thomas Cannon, Fort Wayne; Harvey Ault, Ossian; Donlad Niles, Leo; DeWitt M. Volkert, Grabill; Harold O. Martin, Churubusco; and George Winchell, Herbert K. DeWees and Thomas Cannon, all Fort Wayne.

Donald Earnhart, Marion, spoke about, "Obedience to an Ideal."

THE CATHEDRAL HOUR

The unique Scottish Rite observance was inaugurated several years ago by the Valley of Indianapolis, where these Sunday afternoon services are under the auspices of the Chapter of Rose Croix. The News-Letter has reported similar services in Cincinnati, Dayton, Cleveland and Canton. The Grand Secretary General is anxious to know what other Valleys sponsor this type of service—and with what results. The Sovereign Grand Commander has suggested this service to several Valleys.

In a personal letter, Ill.·. Paul G. Lutz, 33°, of Cleveland, Ohio, who is Chairman of the special committee, defines the objective of the Cathedral Hour with such insight that—with his permission—we are sharing his convictions with our readers:

"We see our goal as a religious service that will tend to make people realize their need of the help that only their Creator can give, a service that will uplift one from the cares and trials of our every day life and give them peace and contentment in their souls; a service that will bring people of all faiths together in a community effort to make this part of our country a better place in which to live because they, themselves, have received a spiritual uplift.

"We feel the world today is suffering from a type of moral indifference and that society needs an amalgamation of religious truths of all faiths. It is our hope that the impact of this Scottish Rite contribution on the community in which we live and associate with our fellowmen will be positive in character and awaken a new consciousness of the mission of unselfish service among men, which we feel is a province of all Masonic bodies.

"The ideals for which the Scottish Rite stand are not intended for the membership alone, but are an integral part of the life of the community. There are needs which each individual interprets from his own personal viewpoint and surroundings but none more general than the restoration of a brotherhood of all mankind."—S. R. News-Letter.

Just a word from your P.M.C., Ed Pettibone. The year has passed all too quickly. I am sorry to greet you for the last time from the pages of the Square and Compass. Words cannot express the gratitude I feel to all who haas made this a very successful year.

Thanks to "Dad" Riethmiller, the Council, thecommittee for the Hay Ride, Dick Willis, Jim Burt and Drill teams also Bob Thodel and his committee for Church Sunday. But fellows let's all put forth more effort to keep our appointment March 15th. The Committee can work hard but if we do not co-operate it cannoot be successful.

By the time you read this our White Christmas Formal Dance will be history however we are sure it will have been a success.

Our new officers will have been installed: Mike Brullion, M.C.; Don Rife, S.C.; and Carl Rime, J.C. Fellows let's get behind these brothers with our attendance and any other way possible for us to help them make this another successful year.

Last but not least, we again want to thank Mrs. Rooger Thoble, Mrs. Harry Riethmilled and the Mothers Circle for their generosity and assistance. A new curtain was purchased for the Chapter room and a beautiful new flag was presented by Mrs. Roger Thoble, president, assisted by the officers of the circle at our Degree meeting, Dec. 18th.

Fellows I shall be seeing you all at our stated meeting, Jan. 13.

Now a word from your new Master Councilor, Mike Brutton:

My Brethren:

It is with a deep sense of pride that I feel in my heart when I extend to all of you the happiest of New Years. As your new Master Councilor, I am beginning a new journey of life, a journey I hope will be as fullfilling to my Chapter as it will be for me. I am given aid and counsil by a most worthy brehren, Don Rife, the newly elected Senior Councilor. Carl Rinne, another fine DeMolay, is fulfilling his new office of Junior Councilor in commendable fashion. The worthy brethren uho have accepted appointive offices are:

Senior Deacon, Bill Pomp; Junior Deacon, Paul Jasper; Senior Steward, Terry Day; Junior Steward, Bruce Snyder; Chaplain, Jim Frey; Scribe, Bob Strodel; Treasurer, Carlton Sheets; Marshall, Dick Brantingham; Orator, Norman Miner; Alamoner, Manny Zinn; Standard Bearer, Bryan Boggess; Sentinel, Bob Schwartz; Preceptors, Ralph Bogardus, Jerry O'Brien, Jim Fuzy, Neil Walda, Walter Shady, Ken Wiesenberg, and Hugh Glock.

I wish to extend to all of the new officers congratulations and a personal Happy New Year.

The now famous Summit City DeMolay Degree Team put on another spectacular performance at the Scottish Rite on Dec. 18. The audience was a class of 53 candidates from our own chapter plus 30 from surrounding chapters. Our hearty congratulations to to Jim McGraw who turned in another smash performance of Jacques DeMolay.

The eyes of many turned again to Robert Locke, Chevalier and Past M.C., who gave in admirable manner the impressive Flower Ceremony following the Degree.

The Scottish Rite Ballroom was the scene of the beautiful White Christmas Formal Dance held on December 27. Our thanks go to "Dad" Riethmiller who served as general chairman, the Scottish Rite for their never-ceasing generosity, the Jobs Daughters, and all you DeMolays who made it such a success

Monday, Dec. 29, was the date of the ever beautiful Chevalier Degree, along with the installation of officers. Robert Hinton and Louis Mangles were the recipients of this honored and treasured degree. That night will remain with you fellows forever. God bless you both. Our hearty thanks again go out to Emery Tucker and Chevaliers and P.M.C., Ronald Meeks, Tom Bell, Hal Elzea and Bob Locke for their work as installing officers. And Charles Seng and Bruce Gosney, Soloists.

As the future, it looks like we're all in for a pretty tight schedule. Jan. 13 is the first meting at which the new officers preside. You will want to see our new staff in action; it's one of the best. Besides, ther're refreshments, fellows! Entertainment will be the feature attraction on the Jan. 27 meting You will have your first chance to see the officers in real action February 10, when they will put on the Initiatory Degree. Again refreshments will be waiting for those bottomless pits that we DeMolays are famous for.

Support cour chapter, fellows, by attending this work and your regular meetings.

FROM THE EAST TO YOU,
GODSPEED

MORE IS NEEDED THAN THE RITUAL

We have made many Masons according to our ritual, but we must now pause and ask ourselves if this ends our duty toward them. Have we made them Masons at heart? Have we caused them, by the sublime philosophy that is part and parcel of Masonry to set a higher estimate upon themselves? Have we led them to aim at the nobler ends which the teachings of Masonry demand? Have we prepared these to go forth into the world and let the light of Truth, Morality and Brotherly Love shine from their lives?—Masonic Journal of South Africa.

"Now that the Holiday Season is over, let us not forget to keep the Spirit of Christmas in our hearts, not for just a few days, but throughout the coming new year. There has been much joy experienced by all of us this past month, but let us remember that the blessing of having friends is really the happiest part.

"Let the Star in the East shine in your hearts and sparkle with friendliness and happiness throughout this New Year—And may these precious treasures be yours — PEACE, HAPPINESS, JOY—AND LOVE."

Your Worthy Matron and
Worthy Patron,
Helen Herrick and
Clayton Herrick

Using the theme of the "Gay Nineties," the choir provided entertainment for Fort Wayne Chapter on Thursday evening, November 20. Much to the surprise of our Worthy Matron and Worthy Patron choir members participated in a mock wedding ceremony in celebration of Helen's and Clayton's twelfth wedding anniversary. An arm bouquet of white crysanthemums and carnations was presented to Sister Helen by her officers.

On December 4 five candidates were initiated into Fort Wayne Chapter. We welcome Brother Max Poorman, and Sisters Helen I. Walden, Phyllis Maynard, Marjorie Lovett, and Effie Dice into the membership of the Eastern Star.

"The Littlest Angele" was used as the motif for our Christmas party December 18. The story of "The Littlest Angel" was splendidly told by Sister Selma Schlacter, carols were sung through the meeting for the opening and closing songs, and a quartette sang "Silent Night" during the officers' retiring march. During the closing march the officers formed a circle around the altar and wished everyone a Merry Christmas and a Happy New Year and proceeded out of the Chapter room tooting horns. Beta Chapter of Sigma Eta Musical Sorority presented a lovely musical program, both instrumental and vocal, at the close of the meeting. Decorations consisted of the Littlest Angel surrounded by silver angels and was in the East with a background of white and blue pampus grass. A small white Christmas tree was on both the Secretary's and Treasurer's desks. Tables on mezzanine floor were beautifully decorated carrying out the theme of angels, tall silver ones being in the center of the tables along with blue and white tapers surrounded by silver and blue ornaments. A small angel to hang on a Christmas tree was at each place setting.

Charter members of Fort Wayne Chapter and members who have become twenty-five year members during the past year will be honored on our regular meeting night January 15.

January 19 and 20 are the dates set for the Rummage Sale. If anyone has rummage to be picked up, please call Margaret Scott ,A-2797 or Faye Brennan A-99712 or our Worthy Matron.

A Snowball Bridge will be given Thursday evening, January 29, at 8:00 in the Masonic Temple by Fort Wayne Chapter. Rumors are going around that there are very nice table prizes and attendance prizes. A bazaar and candy and cake sale will also be held that night. Donations for the sale will be accepted by members of the Social Committee.

Election of officers will be held at the first regular meting in Febraury 5. Men's night has been postponed to March 5.

IT'S REALLY UNIVERSAL

If you were to visit the lodges in New York's 10th Manhattan District, commonly spoken of as the "Latin District," you would have to visit twenty lodges and speak no less than a dozen languages. They are listed as follows: Four are French, two are Spanish, thirteen are Italian, one is Greek, another Syrian, and there are Polish, Czech, Hungarian, Swedish, Danish, Norwegian, Latvian and Dutch lodges.—Elkhart Temple Topics.

Stated Meeting First Friday

Robert E. Lee, W.M.

Robert E. Lee ---------- W.M.
227 S. Seminole Cr. H-37785

Dwight M. Myers ..... Secretary
1217 Packard Ave. H-3623

It is with mixed feelings of pride and humility that I bring to you my first official message in the Square and Compass. Pride in that it is an honor to be selected as your Worshipful Master and Humility as I accept the responsibility of the office. May I express my heartfelt thanks and sincere appreciation to you who have placed the trust and confidence in me to serve you during the year 1953 It is a position entailing much responsibility and to try to measure up to the caliber of leadership it has been our good fortune to have over the years is, in itself, something which I feel will be far too great for me to attain. My mistakes will undoubtedly be numerous and my shortcomings evident to all, but I do ask your assistance, your cooperation and yonr understanding

For the benefit of those Brethren who were unable to attend the Annual Meeting, the following officers were elected and appointed: Robert E. Lee, Worshipful Master; Leon B. Williams, Senior Warden; Dale W. Lucas, Junior Warden; Albert R. Spencer, Treasurer; Dwight M. Myers, Secretary; Dean B. Thompson, Senior Deacon; Walter E. Histed, Junior Deacon; William A. Darling, Senior Steward; William E. Hatch, Junior Steward; Irvin H. Almond, Chaplain; James G. Roper, Tyler; George N. Winchell, Trustee; and Arthur C. Walda, Assistant Tyler. In addition to Brother Winchell, Brother Lester E. Stevens, P.M., and Brother Samuel Evans serve Summit City Lodge as Trustees.

On behalf of my fellow officers and myself, I want to express our gratitude to Brothers Emmett Young, Abner Wolverton and Lester Stevens, the Past Masters who performed the installation ceremony so ably and so beautifully. We are all immeasurably indebted to them for their interest, their time and their efforts. May I also publicly express my sincere appreciation to Brother Emmett Young for the beautiful gavel which he made and arranged to have my father present to me. Brother Young, I shall never forget your kindness and your thoughtfulness.

Summit City Lodge certainly enjoyed a very successful year under the capable guidance of Brother George N. Winchell. He set up a standard of leadership that will be difficult to approach. It has been a real pleasure and an inspiration to work so closely with him all through the years in the officers line and I consider myself fortunate to have been associated with him. Now that George has attained the venerated station of a Past Master, we know that he, like all of Summit City's Past Masters, will always be ready to lend his talents and his energy to our labors.

Your officers are all willing and anxious to serve you well throughout the year 1953. However, officers do not constitute the Lodge but only serve to coordinate the activities of the Lodge. The confering of degrees is but a small part of their duties and obligations, and your full cooperation is required to insure another fine year. You will be requested to serve on committees or perform assigned tasks and I know that you will respond willingly. If I did not think so. I could never accept the responsibility you have given me. It is only by working as Masons that we can accomplish what will be our common tasks and our common goals. Throughout the coming year, let us all keep in mind that success is a journey and not a destination; happiness is to be found along the way—not at the end of the road. With this thought, I ask you to join me in taking our hats off to the past and our coats off to the future.

I trust you all enjoyed a Merry Christmas and it is my sincere wish that 1953 will bring to you and yours Health, Hapiness and Prosperity.

May we this New Year not only make new resolutions but let us keep them. Let us plan to attend Chapter more often; visit our shut-ins; and be Star-minded throughout the year.

December was a festive month. Our card party and bazaar was well attended. A style show was given by the Grand Leader. Sister Pauline wishes to thank everyone who helped to make it a success.

The entire Social Committee Christmas party was well attended and Santa made his annual appearance. Sister Donna Crowe was chairman of the meeting and was assisted by the following hostesses: Sister Emily Lepper, Mary Jenkins, Grace Martin, Kay Vonderau, Gwen Shoyer, Margaret Huber, Ruby Wallheiser, Eva Jean Anspach, Ruby Williams, Mildred Daugherty, and Eva Overly.

Our last meting of the year was December 11, and it was gratifying to se so many out to Chapter. The degrees of the Order were conferred upon a class of four members. A lovely Christmas reading from "Ben Hur" was given by Sister Grace Bennett; throughout the meeting, Christmas carols were rendered by the Choir. Delicious refreshments were served after the meting by the Reserve Committee.

PRIESTS LODGE

After the Grand Lodge of Ireland was set up in 1725, thousands of Roman Catholics joined the Craft, and among these were so many priests that they organized a "Priests Lodge." Doubtless the popularity of the teachings of the Fraternity caused Pope Clement XII to issue his famous bull against Freemasonry in 1738. The Roman Church has ever been jealous of the success of any organization which attracts its membership.—SRNB

Hello, everyone. Here it is already—the start of the New Year. It just doesn't seem possible! Right now I suppose everyone is wishing that they could have a vacation to recuperate from the Holiday vacation. The new officers of Job's Daughters, however, are looking forward to their first meeting of this new year. There will be a potluck supper for the new officers preceding the first meeting of the year. It is a wonderful chance for all the officers to become more acquainted with each other—also, it is a heavenly chance to eat all of the food a person can consume. But, coming down to more serious thoughts—I suppose you readers are anxious to know who the new officers of Job's Daughters are. Well, first of all, I guess there is I, Betti Briggs, as Honored Queen. Miss Carol Schneider is our new Senior Princess. Miss Laura Briggs is our new Junior Princess. Other new officers are as follows: Guide, Miss Lindy Schmidt; Marshall, Miss Patricia Miller; Chaplain, Miss Gloria Johns; Treasurer, Miss Sandra Bell; Recorder, Miss Judy Garmen; Musician, Miss Sharon Simmers; Librarian, Miss Pat Fleming; Fifth Messenger, Miss Nancy Berg; Fourth Messenger, Miss Judy Hallenbeck; Third Messenger, Miss Jerry Waters; Second Messenger, Miss Faye Ann Mathisen; First Messenger, Miss Sandra Cain; Senior Custodian, Miss Anita Ward; Junior Custodian, Miss Barbara Ward; Inner Guard, Miss LaDonna Gruber; Outer Guard, Miss Ruth Hendrickson. Quite a list of girls, don't you think?

The installing officers were as follows: Honored Queen, Mrs. Thomas Byers; Guide, Mrs. Carolyn Rice; Marshall, Mrs. Marie Perrin; Chaplain, Miss Harriet Treace; Recorder, Mrs. Mary Kortum; Senior Custodian, Miss Pryllis Voltz; Junior Custodian, Miss Margaret Rohr;a nd Musician, Mrs. John Simmers.

The installation was a beautiful affair and one which I shall never forget. I only hope that I shall be able to fill the position of Honored Queen as well as the previous Queens before me. All of them have done such wonderful jobs—makes me feel that if I can only do half as well as they—I'll be very happy. Goodbye now, until the next issue.

Darrell N. Good ..... Secretary

Greetings to all the Brethren of Wayne Lodge. It is my sincere hope that 1953 may bring us all good health, prosperity, happiness and a banner year of fellowship together.

I am sure most of us remember the words that Bro. Harry Starke as secretary of Wayne Lodge, always spoke to a new brother. "The biggest return on your investment in Masonry is fellowship." He would then proceed to discuss this subject thoroughly. It is a subject we should all consider seriously.

I quote Bro. Carl H. Claudy: "The Mason in name only is known to us all. He wears a Masonic pin—one often wonders why!—and pays his dues and calls himself a Mason, but that is all. He comes to Lodge once a year; the night of the "free feed" or on "ladies night," or perhaps, when some interested brother gets him to come to election to vote for some favored candidate. But he takes no part in Lodge work, he does not know the officers of his lodge, he makes no appeal in the name of Masonry and heeds none so made. Funerals know him not; when he is appointed on a committee he fails either to act or to report; tickets sent him for any fair, excursion, or entertainment given for charity are neither returned nor paid for; he is, in other words completely moribund as regards his Masonry."

"You all know such a Brother. Remember that he is your brother. As such you have an interest in his welfare. He will be better off if Masonry becomes an active, rather than a passive, force in his life. Do you see what you may do to waken in him the interest he lacks?"

There are many reasons for not attending Lodge—a few good—but most are absurd. If you know of a brother who is not attending lodge for some reason, explain to him that he is not receiving the fullest return from his investment. Try to get him back to Lodge that we may talk the whole thing over—it will probably do us all good and the Lodge will profit thereby. Let's start the New Year right.

The following officers were elected at the Stated Meeting, December 4, 1952. Nile W. Hake, W. M.; Kenneth Goller, S. W.; Edward H. Krohnmiller, J. W.; Dan I. Weikel, Treas.; Darrell N. Good, Ser.; Paul W. Elzay, Trustee.

Those appointed are as follows; Bernard L. Smith, S. D.; Ned Neuman, J. D.; Ronald L. Meeks, S. S.; Harold W. Garrison, J. S.; Joseph M. MiDowell, Chaplain; Alfred C. Hoffman, Tyler.

The Lodge wishes to express its sympathy to Brother Jesse H. Tracey in his great loss. Our sympathy also to Bro. Charles Winbaugh on the death of his brother, Wilbur Winbaugh, a member of the various Masonic Bodies in Chicago; also to Bro. Abe Minske on the loss of his wife.

THE ORDER OF THE TEMPLE

This is the last degree of the York or American Rite of Freemasonry and is conferred in a Commandery of Knights Templar. It is perhaps easily one hundred fifty years old in some form or other, and the founders of the degree based the ritual upon the traditions and accomplishments of the Templars of the Crusades. As those Templars attempted to wrest from the Saracens and preserve to posterity and the Christian world the Holy Sepulcher, and perpetuate the Christian ideal during the times of the Crusades, so the Order of the Temple inculcates the cardinal virtues of the Christian religion and the practices of the Christian virtues. The Order of the Temple teaches in the most impressive manner a belief in the birth, life, death, resurrection and ascension of Jesus of Nazareth as the Savior of mankind, and all of the many and beautiful lessons and lectures of the degree are based upon the New Testament.

Those who have taken the various degrees of the several rites of Masonry are almost without exception of the expressed opinion that the Order of the Temple is the most beautiful and impressive degree in all Masonry, and without it the Masonic structure is indeed incomplete. With the solemn setting in the asylum of a commandery, with the dignified and respected uniform worn in the ceremonies, with the beautiful music by choir or quartet, and the picked ritualists for the several parts, the Order of the Temple is the last word in ritualistic perfection in Masonry or any other fraternity.

The Order of Knights Templar is a national organization in the United States and Canada, England, and perhaps one or two other countries have a similar organization. In this country the Grand Encampment of Knights Templar of the United States of America is the governing body with each state having a Grand and Constituent organization. The various units of Templary, local, state and national, have benevolent and charitable programs carrying into practice the teachings of the degrees, and one of the great and constructive Templar activities is the "Educational Loan Foundation of the United States" which has enabled thousands of young men and young women to secure a college education.

The Templar wears upon his uniform the Cross of Christ, thus publicly proclaiming himself to be a follower of that Christ and pledged to protect and vindicate the Christian religion.—Exchange.

Then bid the New Year welcome and let the old year go!"

"THE NEW YEAR"

We are standing on the threshhold, we are in the opened door,
We are treading on the border land we have never trod before.
Another year is opening, another year is gone,
We have passed the darkness of the night, we're in the early morn.
We have left the fields behind us o'er which we scattered seed;
We have passed into the future which none of us can read.
We hasten to fresh labor—to thrash and reap and sow,
Then bid the new Year welcome and let the old year go!

Every party mas lovely and enjoyed by all. Not forgetting the true significance of the Christmas Season. Celebrating the birth of Our Saviour. They were willing and ready to do their best, so let us give them a great big WELCOME too. This meeting will be preceeded by a banquet, so those of you who can come, please call in or give your reservation to H. L.'s Florence Geiger or Ivena Hennemeyer.

Just a reminder too, at our first stated meeting in February, will be Advanced Officers night, so keep that date in mind and give them our hearty cooperation of good attendance.

FREEMASONRY IN JAPAN

Freemasonry is coming into its own in Japan, a country where, previous to World War II, only foreigners were accepted for membership in Lodges which existed there. These Lodges were under the jurisdiction of Scotland and England Grand Lodges, and by agreement with the Japanese government, only foreigners might become members. But today a new day has dawned and Japanese are being accepted into the Fraternity, marking one of the greatest steps in the history of that country.

FIRST STEP

The establishment of a Lodge at Okinawa (Okinawa No. 118) marked the first step taken by the Grand Lodge of the Philippines in extending its jurisdiction. Then came Saipan Memorial Lodge at Saipan, No. 121; Armed Forces Lodge No. 123 was established at Guam, and finally Far East Lodge No. 124 was constituted at Yokohama, Japan. Recently two other Lodges have been given dispensations, one at Tokyo (Tokyo Lodge No. 125) and Square and Compass Lodge No. 126 at Tachikawa.

Among the recent initiates in Japanese Lodges were Tamotsu Murayama, of the Nippon Times, and Prince Lee, of the royal family. Our new Brethren are said to be very receptive and appreciative of Masonic teachings.

Freemasonry will do a great work in Japan, and our Brethren of the Grand Lodge of the Philippines should be congratulated upon the very constructive job which they are doing, a job greater than that accomplished by any of their Sister Grand Lodges in America or Europe.—Royal Arch Mason.

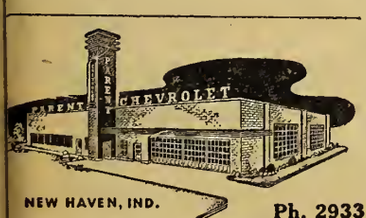
Fifty years as a Mason! This is an honor which comparatively few live to enjoy. Our Lodge had the privilege of conferring this honor on Brother Clarence Edward DePew at a called meeting December 2nd. Brother O. A. Dellinger, deputy appointed by the Grand Master, made the 50 year award and also the 25 year awards to Thomas B. Pillers, Ralph W. McIntosh and Galvin W. Swain. There was a good attendance of members and a number of visitors the speakee for the evening and I the speaker for theevening and I am sure everyone present enjoyed his very interesting address. The delicious chicken supper which preceded the meeting was prepared and served by the ladies of the O.E.S.



After a rather lengthy session during our last stated meeting we elected the following officers for the ensuing year:

John W. Grogg, W.M.; Verlon O. Barkley, S.W.; Louis R. Powelson, J.W.; Loyd Van Buskirk, Treas.; C. Noble Peckham, Sec.; Melvin H. Fuelling, Trustee for 3 years.

During the last month we lost two of our brothers in death. Our sympathy goes to the bereaved families of Brothers Walter L. Smith, who died November 30th and Maurice Marquardt, who died December 24th. Brother Earl Marquardt is recuperating at his home from a heart attack which he suffered recently. We wish a speedy recovery for him.

This is the last article for the Square and Compass which I will be writing and I would like at this time to thank the brothers of Monroeville Lodge No. 293 for the privilege of serving them as Master during the past year.

Melvin Fuelling.

It's January 1953 . . . . a good time for Masons to make a resolution for the New Year. Let's resolve that in 1953, we will LIVE our Masonry as we never have before. The world needs men of character and honor, of nobility and charity, of religious devotion and high purpose. Masons who LIVE their Masonry will help fill this need.

The officers and members of the Rose Croix cast extend to all Masons in the Fort Wayne Valley their best wishes for a Happy New Year.

WHY HE PAYS HIS DUES, BUT NEVER GOES TO LODGE

It was one of those evenings when friends start dropping by, and the living room becomes a beehive of conversation, several persons talking at the same time and on entirely unrelated subjects.

And, as it almost always happens when Brethren who are close friends are chatting, the lodge was mentioned. Someone asked: Are you going to lodge tomorrow night?

One woman, seated in an odd chair, where she was part of two conversations, turned her attention from the fireside and looked at the man who had addressed the inquiry to one of the other men in his group. The woman was a relative of one couple present, a resident of another city.

Frankly she addressed the men: I want you to tell me something? My husband (a man known to all present) has been a member of the Masonic Lodge since we were married, 18 years ago. I have never known him to go to lodge. We have gone through some rugged times, especially in the depression days, and there have been times when a dollar was the difference between a meal and an empty stomach. We would cut expenses. But he always paid his lodge dues. I sometimes wonder why. I sometimes wondered what the tie was that was so strong he could never think of becoming delinquent in his lodge, yet, I also wondered, why he never attended."

There was no immediate answer. Finally one of the Brethren ventured: "I'm sure I can't answer the question to your satisfaction. There is something about Masonry that is a challenge to man. He knows deep in his heart Masonry offers him a formula, a guiding light which, if applied conscientiously, would make of him the kind of man he truly aspires to be. I know your husband. I know that he is a Mason. His membership is not in the city where you have lived most of your married life. Your husband is like many Masons who become absorbed in business, move out of the immediate influence of their own lodge, and with the best intentions. never get around to visiting lodges in the new community. He gets out of the habit. Always, though, back in his mind, he has the intention of someday getting back into the swing. You asked why he paid his dues and never attended. He has faith in Masonry. He realizes his own negligence. He knows that within Masonry is the path he would follow in his relationship to his fellow man. I think to him his lodge is sort of a life buoy, anchored there; something secure and promising. He's swimming around, but he knows that when he gets tired, he can reach out and find a haven. He hasn't deserted the lodge. He's just out of the habit."—Texas Grand Lodge Magazine.

Wendell E. Black ---------- W.M.

R. R. 1, Grabill ------- 2084

First, I would like to thank the brethren for electing me to the East. It has been my long desire to be a Worshipful Master. With your help, I will try to the best of my ability to fill that office in the manner in which you expect it to be filled.

A very good time was had by all at the annual Children's Christmas party, December 22. We had a very good attendance again this year. Brother George Bojrab showed pictures and Santa Claus was there with many treats for the children.

At the December 4th stated meeting, the following officers were elected to preside over the lodge for the year of 1953.

Wendell E. Black, Worshipful Master; Robert F. Enslen, Senior Warden; John M. Birely, Junior Warden; Harold B. Rediger, Treasurer; Alvan A. Tharp, Secretary; Officers appointed were: Robert A. Tharp, Senior Deacon; Leonard B. Fletter, Junior Deacon; Duane F. Shidler, Chaplain; Franklin M. Ivins, Senior Steward; Ronald D. Rhonemus, Junior Steward; Richard M. Clem, Tyler.

Installation of officers was held New Years day with Past Master Brother Charles Fletter as Installing Master and Brother Michael J. Bohen as Marshall. Preceding the installation, an execellent potluck dinner was enjoyed by everyone. I want to thank the wives who so generously gave their time and effort to make that meal such a huge success. Afterward, everyone enjoyed the excellent entertainment by the committee. Brother Black's father Ervin and Brother Vernon Black of Deleware Lodge at Muncie were present for the installation ceremony.

The Eastern Star reports that the joint inspection of Leo Chapter 278, Harlan Chapter 335 and Monroeville Chapter 205 by the Worthy Grand Matron, Helen Bell, at Monroeville was a huge success. Harlan Chapter exemplified the initiatory work.

Brother Robert Enslen was happy to welcome home his wife Denisce and two daughters who had been visiting with her parents in Algiers, Algeria since August.

Congratulations to Brother George McCrory and his wife, Beatrice on the recent addition to their family.

DRINK, SMOKES OKAY IN LODGE (200 YRS. AGO)

It will be interesting, at this point, to consider what this (Antiquity) and other Lodges were like 200 years ago. The members had the use of one room in the tavern, where they carried out their ceremonies and subsequently had a meal. At first they wore plain leather aprons, but later in the century some ornamentation was added. These plain aprons were given to the initiates and were bought at a cost of 1s, to 1s 6d. each. Wine and punch were drunk in the Lodge, and any consumed while the Lodge was open was paid for from Lodge funds. Here is an extract from the minutes of the 28th October, 1767:

"IRREGULARITIES" NOTED

"The Irregularities and other ill-consequences of Ebriety which strike at the Root of our well-grounded Order having been often beheld by the Brethren of this Lodge of Masons, particularly at our last meeting, with proper detestation. To prevent such ill-effects for the future, it is this Night unanimously determined that no Brother be permitted to drink more in the Lodge or during Lodge Hours than one Pint of Wine or one Shillings worth of Punch or Brandy, or Rum and Water. Such Wine to be of the Common sort at 2 Shillings per Bottle unless any Bror, choosing Wine of a higher Price or having his Pint made into Negus shall make up the Difference from his own Purse over and above the usual Contributions to the Lodge, but on no Account be permitted to drink more, so long as the lodge shall be open, or afterwards at the Lodges Expence—nor shall more than two join in the Liquor and not unless they sit together upon the Penalty of 2/6 for every Breach of any Part of this Order, Malt Liquor with Suppers only excepted."

SMOKING CONTROLLED

Smoking throughout the proceedings was at one time permitted, but after 1775, when it was forbidden in Grand Lodge, private Lodges followed suit. Article 15 of the 1760 by-laws reads as follows.

"No Brother shall offer to smoak at any Time during Lodge-Hours, when this Lodge is honoured with a Visit of a Brother who wears a Blue 9pron, without Leave first obtained from the Master; unless such Visitor smoaks a Pipe himself. otherwise the offending Brother shall immediately pay One Shilling and be obliged to leave off Smoaking."—Oregon Mason.

Greetings, Brethren, as you know, but it may have slipped some of your minds, last meeting, December 16th, was election of officers. The following are the officers chosen by the Lodge and appointed by the Worshipful Master, for the ensuing year.

Carl W. Roberts, W.M.; Ralph Rogers, S.W.; Otha Gueston, J.W.; George Koch, Secretary; Robert Hissong, Treasurer; Burton Fry, S.D.; Virgil Knapp, J.D.; Frank Love, S.S.; Glen Castle, J.S.; Clem Wassen, Chaplain, and Kenneth Stadtler, Tyler.

I am sure that the above listed officers will give good and faithful service.

I will always remember with pleasure the incidents and the labors I have been privileged to perform as Senior Warden under our outgoing Worshipful Master, who in spite of the trials and tribulations, the sorrow that was his to bear, carried through in such an excellent manner.

I am not so sure that your incoming Worshipful Master could have done so well.

Nonetheless, I give you my word that I will do my best to keep him in line, and I am sure that through his great esteem for Masonry and his feeling of obligation for the great honor you have bestowed upon him he will do his best.

Thank you, Brethren

With the anniversary of the birth of our Saviour and Lord now passed, we shall again promote that noble and glorious work of building the Temple of our lives in such a manner that all of our doings will be acceptable by the Author of Eternal Life.

Let us of York Rite Masonry give enthusiastic moral and financial support through the coming years to assist in the erection of a York Rite Shrine at the George Washington Masonic National Memorial on Shooters Hill in Alexander, Va. Several of the upper floors of the seven floors of the Tower are yet undesignated. Would it not be a fitting tribute to dedicate an entire floor to York Rite and especially Capitular Masonry in remembrance to that first Worshipful Master of Alexander Lodge No. 22 serving in that office while serving as the first President of the United States?

At our stated meeting on December 19th we had the pleasure of electing three master Masons to receive the degrees as conferred by this Chapter. It was also voted to portray these degrees as follows: January 19. Mark Master including the prologue; January 16, after stated meeting; Past Master with prologue; January 23, Most Excellent Master and on January 30th Royal Arch. It was agreed the conferring of the two degrees on a Saturday afternoon and evening be in abeyance until a later date.

If it has been some time since you witnessed the Chapter degrees as presented by Thomas R. Marshall Chapter, why not mark your calendar for the dates afore mentioned and again receive the wages of a true and faithful Craftsman, assist in the completion of the Temple and finally learn the meaning to Ancient Craft Masons of Anno Lucias, "in the year of Light."

The Chapter degrees are now portrayed with beautiful allegories to impress upon the recipient the important lessons of Masonry.

The Officers of Thomas R. Marshall Chapter 161 will be looking for you in the Egyptian Room when the gavel is sounded at 7:30 p.m. every Friday evening in January.

As we enter this notable month of February our Masonic contemplation and reflections are concerned with thoughts of that great leader of our country, whose birth-date we celebrate on the 22nd, George Washington.

He not only is venerated as the Father of our Country, but likewise as an eminent leader of our craft. In this grand jurisdiction nearly every lodge room has a picture of this great Mason displayed.

Together, with the other Grand Lodges of the United States Masons have labored for nearly four decades to erect a majectic Temple to the memory of this illustrious Mason on Shooters Hill, overlooking the Capitol of our country.

In another impressive manner, the Scottish Rite has written into its ritualistic work an impressive lesson from the life of this great Mason that should be forever inscribed on the mind and heart of those who become members of the Rite.

And so February has something of special significance for us. Therfore, let us during this month endeavor to bring to the attention of our qualified Master Masons the opportunity to become associated with us in our Scottish Rite, and to constantly be searching for further light in this great fraternity. We have great opportunity to point with pride to those eminent Masons who have gone before us and who were eminent patrons of the craft, who gave to us a heritage in which we invite them to join.

Remember, the convocation is not far off, and now is the time to submit your brother's application.

The spring convocation of the Fort Wayne Scottish Rite Bodies will be held on Tuesday, Wednesday and Thursday, April 7, 8 and 9, 1953.

Several innovations will be tried at the coming reunion. We are arranging to have more seating capacity for the 20° and 32°. In order to do this, more of the degree work will be done on the stage and the floor will be turned over for the membership. We feel that several hundred more will be able to see these two degrees.

Another departure from our regular program will be to have outside coaching and direction for the degrees in the consistory. Ill. Bro. George J. Lehrer, who directs the degree work for the Cleveland, Ohio bodies has been engaged for this work. Ill. Bro. Lehrer has had many years of professional experience and has also made a study of all the Scottish Rite degrees. It is felt that he will be a great help in the presentation of the consistory work. We are happy to announce that he will portray the part of George Washington in the dramatic 20° which will be given on Wednesday evening April 8th. New scenery is being made for this degree so that it can be given from the stage.

Rehearsals are being held for the convocation degree work and the appeal is again being made to our members for more workers. If you want to get into the work notify the office and a place will be found for you whether you just carry a spear or have an important speaking roll. Your help is needed.

Recently we received notice that the will of Ill. Bro. Fred S. Hunting provided for a gift of $5,000 to the Fort Wayne Scottish Rite Bodies. This was to be invested and the interest to be used to assist Master Masons who were found to be worthy to take the Scottish Rite work. The investment has been placed in the Scottish Rite Foundation Fund which has been established for this purpose. Ill. Bro. Hunting was Chairman of the Board of Trustees for a number of years before moving to Cincinnati Ohio.

The membership committee is starting its work of securing candidates for the class. Here is another place where you can help for without a class, there would be no reunion.

In the next issue of this paper, we will give a complete schedule of the degrees to be presented and more detail regarding the changes for the coming reunion.

A notice will soon reach our membership giving a schedule of entertainments for the next several months. Please read this carefully so that you will know what is being provided for you by your Scottish Rite.

MALLET

One of the working tools of a Mark Master having the same emblematic meaning as the common gavel in the Entered Apprentice's Degree. It teaches us to correct the irregularities of temper, and like enlightening reasons, to curb the aspirations of unbridled ambition, to depress the malignity of envy, and to moderate the ebullition of anger. It removes from the mind all excrescences of vice, and fits it, as a well-wrought temple of nature to which, as an emanation of the Deity, it is entitled.

The mallet, or setting maul, is also an emblem of the Third Degree, and is said to have been the implement by which the stones were set up at the Temple. It is often improperly confounded with the common gavel.

The French Masons, to whom the word gavel is unknown, uniformly used mailet, or mallet, in its stead, and confounded its symbolic use, as the implement of the presiding officer, with the mallet of the English and American Mark Master.—Ohio Mason.

Brother Southgaters: I would like to thank the brothers of Summit City Lodge who were kind eough to Install the Officers of South Gate. Brothers Emmett Young and Albert Spencer acted as Worshipful Master during the ceremony. Abner Wolverton was Marshall and Lester Stevens as Chaplain. These four brothers from Summit City have rendered a great service to South Gate and it is hoped that we may be able to return their brotherly action at some future date. If there is some way South Gate can be of assistance to Summit City, they have only to let us know.

Did you enjoy the Smorgasbord February 7th? If you were there I'm sure you did. The charter Banquet is the week of May 4th. Be sure to set aside this date and help honor the Chapter date of South Gate.

I am asking the food Committee to have a lunch served on Entered Apprentice and Master Mason nights. There is a great need for the brothers to gather around a cup of coffee for fellowship and a need to become better acquainted with the E.A. and the new Master Mason. On Fellow Craft Night the fellow craft club will meet and plan for degree work. Come out and enjoy the fellowship of your lodge.

Taft Koury and Joe Del Camp have been under the weather. Taft went home from the Methodist Hospital Friday and Joe has been ill at his home for some time. These brothers would welcome your wishes for a speedy recovery.

There is need for degree teams for all degree work. Be sure and call Clarence McIntosh and offer your much needed services.

Charles M. Cook, W.M.

WOR. BRO. GEORGE WASHINGTON

Once asked why he became a Mason, George Washington said: "My first desire to become a Mason was due to the fact that many of Virginia's noblest sons were members of the Fraternity. Therefore it was not without forethought that on Saturday evening, November 4, 1752, in the village of Fredericksburg, I was made an ntered Apprentice Mason."

"The Masonic lessons I learned on my admission to Masonry and my contact and conversations with prominent Masons thereafter were of the greatest encouragement in after years when I encountered and underwent severe trials, especially those at the commencement and during the Revolution."

"It was at this time the friendly counsel reached my ears to the effect that some of the men regarded me as a slave owner and an aristocrat and that they abhorred my Episcopancy. I decided at once to dispel such thoughts from my comrades's minds and, on one occasion, sat in a Masonic Lodge at Cambridge of which an Orderly-Sergeant was Master. I made it a point to "meet on the level" and "part upon the square" with all my comrades, regardless of rank or position, and my reward was the loyalty and friendship of all far beyond my expectation."

"There is no doubt in my mind that Masonry and its lessons were helpful throughout the Revolution both upon the battlefields and in the Legislative Assembly."—La-Porte Trestle Board.

April 7, 8, 9 are the dates for the Spring Convocation.

Mark them on your calendar now for they will be worth while.

We are working out a unique method of presenting both the 20° and 32°, so that there will be an enlarged seating capacity of nearly 300. You will have a much better chance than usual of getting a seat for both of these dramatic degrees and observe some of their new dramatic effects.

This should be added encouragement for you to get an extra candidate or two and come along to enjoy the work with them.

We will tell you more next month about the strong guest performers who will be with us in the Consistory degrees and the return of a few veterans for their well known parts in the 32°.

The 20th degree under the direction of A. Lee Johns, 33° for this Convocation, will be given Wednesday evening, April 8th. Bring some of the recent candidates, who may not have witnessed this stirring patriotic degree with you because we hope to be able to seat all who attend that evening. The 21°, presided over by Edwin R. Thomas, 33°, and with a cast containing an array of illustrious Brethren, will go on at 10:30 Thursday morning, April 9th, immediately after the class organization.

After lunch the 29° degree with H. Howard Etzold, 33° presiding, will be presented at 1:30. A bit of the brightest drama in the Consistory is enacted in this degree.

At 3:15 sharp the 32° will go on and we expect to seat many more members than usual for the work Thursday afternoon.

Our banquet speaker is to be an illustrious Brother from Ohio, who is much sought after for such occasions because of his sparkling humor and the force of his message.

The candidates you help enroll will be truly inspired and you will be richly benefited if you take a little extra time off to attend the coming Convocation on April 7, 8 and 9th.

MASONRY AND THE INDIVIDUAL

Every individual is by nature endowed with certain traits of character which form the basis of reason and the conduct of life. In fact, these natural traits, or tendencies are but signposts along the highway of life directing us in our words, thought and actions. If, by self-analysis, we can discover and discard those traits which seem to lead us in the wrong direction, and at the same time, cultivate those natural tendencies which point the way to higher achievement, then we have carried into effect one of the principles of Masonry.

Our station in life is fixed many times by conditions or circumstances over which we have no control, consequently, the individual is master of his own destiny only in a certain degree. It would, therefore, seem that the niche which we are to occupy has already been carved for us by some natural or divine power, and the heights to which we can rise are pretty well defined by powers and deficiencies within us. Our ability to make proper decisions, the height of our own ambitions, and the relationship existing between ourselves and our fellowmen are the cardinal principles which determine our success as individuals and as citizens.

Masonry recognizes the inherent faults of the individual member, and endeavors by precept and example to curb irregularities. It provides an opportunity for self-improvement by regular attendance at its meetings and throughout the study and application of its beautiful ceremonies and lectures. It provides the opportunity for social contact, whereby men from every walk of life may meet upon a common plane. Here are taught the correct principles of righteous living; here we learn to get along with our neighbors and our fellow man. Here, we are taught the three great virtues, Faith, Hope and Charity, reminding us of your triple duties as Masons—those we owe to God, to our brethren, and to ourselves.

If Masonry, as a Craft, is to survive, then we must have faith in God, in our brethren, in ourselves. Our Hope in the future depends on the quality and the sincerity of our Faith, while the journey of life will be judged by the greatest of all virtues, Charity!
—The Philalethes.

KING SOLOMON'S TEMPLE

Time—Foundation laid in 1012 B. C. Completed 7½ years later.

Place—Mount Moriah, a part of Mt. Zion ridge, which became a part of Jerusalem during King David's reign, and upon the same spot where Abraham offered up Isaac and where David made an acceptable offering to the Lord, and by faith saved Jerusalem from destruction. King David purchased the site for the purpose of erecting an altar on it.

Builders—King Solomon, son of King David, aided by Hiram, King of Tyre, and Hiram Abiff, the widow's son, with the cooperation of allied nations. 184,000 men were employed in the building of the Temple. The value of the metals used, (gold, silver, brass and iron) exceeded five billion dollars.

The Temple retained its original splendor for only 33 years. From that time until its complete destruction 383 years later by Nebuchadnezzar, in the reign of Zedekiah, the history of the Temple is but a series of alternate spoliations and repairs. —The Eastern Star News.

HISTORY SPEAKS

Let history speak. Do you think it was a mere coincidence that the Boston Tea Party, protesting against tyranny, was planned and carried out by Masons? Do you think that it is a mere accident that the Declaration of Independence reads as if it were taken from the Masonic ritual, and that most of the signers were Masons?

Have you considered the significance of the fact that if only four members of the convention that framed our Constitution had retired, the convention could have been opened in form as a Lodge of Masons? —Lafayette Temple Builder.

A few weeks ago one of the newer members of our fraternity stated that one of the main reasons assigned by the opponents of Masonry for their antagonism is the alleged secrecy of the institution, and he asked me to give him the reason why Masonry, whose purposes are of the very best, should place so much emphasis on the principle of secrecy. It is a curious fact that most of this opposition comes from the atheist on the one hand and certain Christian denominations on the other. It was an atheist who said, "I am of the opinion that nothing useful to be known should be made a secret, and the mere profession of having such a secret is a vice."

On the other hand, a churchman once said. "Secrecy has wellnigh become a synonym of evil. Men rarely move secretly when their object is good." Often the following Biblical passages have been quoted as proof that Christ was opposed to secrecy: Matt. 10:26-27; Matt. 5:14-16; John 18:20. That such arguments could be advanced at all shows that there is a fundamental misconception of the Masonic principle of secrecy. They erroneously assume first, that secrecy is in itself a vice; second, that nothing which is not base should be kept a secret; third, that the Bible condemns secrecy under all circumstances.

It is a well known fact that the Bible is used to support all kinds of doctrines, by quoting passages outside of their connection with other texts, so that they are made to express a thought that was never intended by the Bible writer. The Bible must be interpreted as a whole and not by a few passages taken at random. That it advocates secrecy under some circumstances is shown by the following passages: Prov. 3:32; 11:13; 20:19; 25,9; Job 15:8; Psalms 27:5; Matt. 6:4. Christ spoke in parables to the multitudes, but gave the explanation only to his disciples, and he said: "It is given unto you to know the mystery of the Kingdom of Heaven but to them it is not given." (Matt. 13:11). The true teaching of the Bible, therefore, is that the question of secrecy depends upon the circumstances.

The fallacy of the contention that secrecy is in itself a vice is at once apparent when we ask ourselves if the gossipmonger, the scandalmonger, and the betrayer of confidences are to be commended. The answer to this question shows that under some circumstances publicity rather than secrecy is an evil. If secrecy is a vice, it is wrong for the doctor, the lawyer, and the preacher to keep secret inviolable the confidences reposed in them by their patients, clients, and parishioners; family affairs should be made public knowledge, and the banker should make known to all the combination of his safe.

No, secrecy is not a vice, but one of the best means of growth. The forces of good as well as evil thrives best in secrecy. To condemn secrecy just because it is used as an aid to evil would be as fallacious as to insist that no one should eat food becauses it nourishes the evil man too.

Masonry, therefore, is not to be condemned for its secrecy unless the things which it keeps secret are things which should be proclaimed to all, or unless the purpose of its secrecy is to aid evil. Every Mason knows that the secrets of Masonry do not involve anything contrary to the duties we owe to God, our country, our neighbor or ourselves. The mission, the purpose, the principles, the teachings of the Fraternity are not secret. Anyone may learn them if he so wishes. Our obligations and modes of recognition are secret, not because there is anything in them of which we need be ashamed, but because the very fact that they are secret binds the members of the Fraternity more closely together, and the obligations are more deeply impressed on the mind. The modes of recognition would fail their purpose if they were known to all the world, just as the combination of a safe would cease to be of value if it were not a secret known only to those who are entitled to have access to the contents thereof.

The lessons of the degrees and all the ceremonies may be taught to the entire world. They are not secret, but the experience of the ages has shown that they too often fall on deaf ears and the element of secrecy is one of the best means of preparing the mind for the reception and development of the truths. Masonry teaches by symbols, but symbols pass before our eyes unheeded unless by some means they are called to our attention and firmly impressed upon the mind. Thomas Carlyle, in his "Sartor Resartus," expressed it with words: "In a symbol there is concealment and yet revelation: here, therefore, by silence and by speech acting together, comes a double significance."

In the last issue of this publication, I gave you the names of the officers, elected and appointed, for the year 1953. It is a pleasure to now bring to you the names of those Brothers on whom the officers will be so greatly dependent for assistance during the year.

Brethren: Your Lodge, Maumee 725, is growing rapidly and just recently passed the 1000 mark in membership. Many of these brethren do attend lodge frequently, and are active in its work, which is appreciated, however, it makes your officers feel good to again have the brethren who formerly attended or were actives, return and renew acquaintances.

There are four petitions to be voted on in February, with one elected in January held over, which may result in five candidates for this month's work.

Your officers for 1953 were installed Wednesday, January 7th, by Past Masters Kenneth D. Strong, Mark V. Overmyer and Howard V. Degler. We extend to them our sincere thanks for the splendid services performed.

On December 16th, several officers and the Fellowcraft team made a visit to the Eel River Lodge No. 510 at Sauth Whitley, where they conferred the second section of the Master Mason Degree on a brother of that lodge. We were graciously received. Refreshments were served after lodge, and all had a very enjoyable evening. During a conversation with an elderly Eel River brother, Resso Ward, he informed me that he was then a 50 year Mason and proudly proceeded to verify his statement by producing from his pocket the White Leather Apron given to him in his EA degree initiation. On examination of same I noted he was raised to the Sublime Degree of a Master Mason on November 29, 1902, by our esteemed brother and charter member, Judson West, who was then Master of Eel River lodge. Our Senior Deacon, William Gingher, also formerly a member of that lodge, was right at home and renewed acquaintances.

A chicken dinner was served in the kitchen on January 21st for the Fellowcraft Club, in appreciation of their excellent efforts during the past year. The officers reciprocated by serving the Craft.

The month of January finds us with the following members on the sick list: John W. H. Kayser, Fredrick H. Kanning, Theo. T. McNelley and John E. Scott. To them we extend our best wishes for a speedy recovery.

The G.T.A.O.U. saw fit to take from us on January 11th, Brother William H. Hatfield, to be with Him in that celestiai lodge above. Our sincere sympathy to the members of the family.

Plans are being made for a family pancake supper, tentative date March 4th. Further announcement will be forthcoming.

Twenty-five year members and Charter members of Fort Wayne Chapter were honored at the regular meeting January 15 in the Colonial Room of the Masonic Temple. Those who were added to the roll of quarter century members were Ada Theabold, Mildred Habecker, Thomas Koster, Thelma Shoup, Agnes Royse, Myrtle Kinzie, Mabel Driver, Gladys Slater, Sophia Mulqueeny, Earl Young, Helen Young, and Sylvia Zieg.

Of Fort Wayne Chapter's nine charter members Sister Elizabeth Batchelder, Brother Clarence Comincavish, Sister Marie Ehle, Sister Carrie Henschen, and Sister Bertha Kaiser were present to be acknowledged. Sister Helen Herrick chose Sister Lorena Bowen, who was presiding worthy matron 25 years ago, to present the twenty-five year and charter members with silver loving cups. The choir then sang a parady to the tune of "A Tree in the Meadow," to those privileged members.

Blue and silver streamers centered the tables at which lunch was served on this evening. The five colors of the Star were placed in upright positions at various points along the tables; and the words, "Twenty-five Years" and "Charter" were gilded upon them.

Sister Marian Goff, secretary, would like to remind all members that 1935 dues will be delinquent on April 1.

During this month of February election of officers will take place on the 5th, and all past Esther's and past Adah's will be honored on the 19th.

A real old-fashioned Men's Night is being planned for March 5. Brothers William Schwartz and Lester Helms will be in charge of the entertainment. With Brother Ike Campbell heading the food committee there's bound to be plenty to eat for all—and tasty, too.

Non Pariel officers were installed at their January meeting with Sister Glennys Schwartz as installing officer. We wish a successful year to Sister Lina Buckles, president; Sister Gladys Gifford, vice-president; and Sister Serena Slater, secretary-treasurer, during their reign in '53.

Sister Ethel Hall, chairman of the visiting committee, reports the following for January: Members Ill: Sisters Bernice Whitacre, Geraldine Boldt, Elizabeth Van Horn, Mae Miller, Cora Bolt, and Feraba Dailey.

Illness in Families: Wife of Brother George Dailey, daughter of Sister Vera Jacot, husband of Sister Vera Jacot, husband of Sister Mary Basse, and granddaughter of Sister Clara Hoch.

Deaths of Members: Sister Mary Gardner. Deaths in Families: Mother of Sister Erma Lucas, brother of Sister Myrtle Kinsey, father of Sister Helen Walden.

New Babies: A son to Sister Edythe and Brother Clifford Gordon. New Grandparents: Twin grandsons to Sister Clara Cooper.

More ancient than the Golden Fleece or Roman Eagle, more honorable than the Star and Garter.

The order of the Golden Fleece was founded by Philip Duke of Burgundy in 1429.

The Order of the Star was created by John II of France in the middle of the Fourteenth Century.

Joint installation ceremonies were held in the Masonic Temple Auditorium by the Fort Wayne Commandery and the Social Order of Beauceant Thursday evening, January 8th and in spite of most inclement weather a very nice crowd attended the ceremonies.

Stated Assemblies 1st and 3rd Tuesdays

Clara Kreckman ---------- W.P.
605 Vance Ave. ---- E-4843
Florence Palmer ------ Recorder
2625 Wells St. ---- A-56632

Do you realize, old friends, this is the end of the trail?
It's all for the best, otherwise Beauceant would grow stale.
Presding at our Assemblies this past year
Has brought me many pleasures I shall hold dear.
I'm sure you agree, there has been no end
To the many acquaintances we have learned to call friend.
Not only in our Assembly, but others in the state,
We have come to know many, and they are all first rate.
As for our Assembly, our very own crowd—
You have achieved so much for which I am proud.
For instance, the Daughter of the Household,
With her decorations and good things to eat,
And you other Officers who were never found to be asleep.
While I can't name each one, please know that I am proud,
And as the years go by, you'll be the leaders of this crowd.
And when it comes to saying "THANK YOU" to each one,
Here and now, it can't be done.
And to name just a few would really be rude,
When I owe to each of you a debt of gratitude.
Your cooperation in each project filled me with pride,
As we endeavored to achieve our goals, working side by side.
Each officer a vital cog in making our Assembly strong,
With your shoulders to the wheel, we surely couldn't go wrong.
So as the years go by and other Officers take our place,
May they hold the standards high, and God bless and give them Grace.

JOSHUA AND HAGGAI

Joshua, the son of Josadech, was a brave and courageous military man.

When the Israelites (numbering about 50,000) were returning from captivity Joshua was chosen, by Moses their leader, to be their High Priest. Moses at that time was about 120 years old and was fast failing in strength.

Joshua served as High Priest with Zerubbabel, the Governor, and Haggai, the Prophet.

Haggai was one of the older men and had known the original Temple with its furnishings which made him a very valuable man to serve with the group of three who were very anxious to rebuild the Temple which was completed after many hindrances and delays.

Joshua lived to be 110 years of age and was buried on his own property at Timnath-serah.—York Temple News.

You may wish to call me 'Babbling Brutton," but fellows I really can't stop this flow of enthusiasm. Our first meeting of the new year was indeed quite successful. We had to go on without the services of Carl Rinne, Junior Counselor, and Bruce Snyder, Junior Steward, who couldn't shake the bug, influenza, by meeting time, but the rest of the crew did very well. Nice goin' fellows.

The end of another school term was upon us before we quite realized it, but being DeMolays we got by those finals with high honors. So here we are, at the open door of another semester, the spring semester when we look forward to the warmer days and the beauties of nature that bloom in this season. Here's wishing you health, happiness, and the best of luck.

Back to the cold, cold winter again, January 27 was the date of our second meeting. Then just recently, on February 10, we performed our first degree work, the Initiatory Degree. A class of seven was present. Our officers did an excellent job. Congratulations to every one of you and especially the Praeceptors Wiesenberg, Bogardus, Glock, O'Brien, Fuzy, Walda, and Shady. How were the refreshments fellows?

February 24 is the date of the next regular meeting. The entertainment will be, "High Lights of 1952 World Series." Baseball players attend and meet the coach. We are planning to enter a team in the Junior Federation. First showing of this film in Fort Wayne. Masons are also "Welcome."

ATTENTION! This is the big news for which you've been waiting. "Tournament Trot" time is rolling around and our long awaited dance is scheduled for March 6. We've hired John Erwin's band and have on tap "intermission entertainment" for this big night. Wear your flannels and sweaters fellows, and it's all round dancing too. DeMolays will be admitted upon presentation of their 1953 dues card. Tickets will be sold to the public for $1.00 per couple in advance of the dance. NO TICKETS WILL BE SOLD AT THE DOOR. Dancing will be from 9 to 12 with favors going out to lucky people. Plan for it fellows. You'll want to let off some of that steam before the Regionals the following night.

As for long-range forecasts, there will be another initiatory degree performed on March 10 with refreshments for all who come. Then on March 15, the South Wayne Baptist church will be the scene of another Obligatory Sunday. You'll be called previous to this but plan for it now.

You know fellows, I've been in several organizations since DeMolay and there was not one of them that measured up to DeMolay and its members. I'm not bragging for myself either, but for DeMolay. You, Mrs. Reader, know that DeMolay has done you some good and made your life a little more complete. DeMolay's, want to dispute that? Write me and complain. I'll tell you what's the matter with you and in no uncertain terms.

Getting on to the meat of this chatter, I was disappointed, fellows, when I learned there was only seven in our first class. Now this won't make a bit of difference in the quality of our work, for the officers would do a good job for two as well as fifty-two.

There are quite a few fellows that have recently entered high-school and don't really know how to get in DeMolay. Many of them would jump at the chance to sign petitions. Several of you "big wheels" reading this articles, get the names of those boys from the obscure sources only you know about, and GET THOSE FELLOWS PETITIONS!

By the time you read this, time will have pretty well run out and petitions will be in for the degree on March 10. But don't stop now. There will be anither Initiatory Degree soon and you as well as I want more fellows to reap the benefits we offer.

Get the ol' ball rolling, men, we're all in there pushing together.

FROM THE EAST TO YOU,
GODSPEED

Companions, I am pleased to report a most successful Past High Priest Night. Around 20 Past High Priests were in attendance at a splendid dinner served by the ladies of the Social Order of Beauceant. If it was your misfortune to be unable to attend this event you really missed a good time and a good chance to meet with old friends.

It is indeed a pleasure to announce that your officers are now ready to put the Past Master degree on complete with the allegory. And each officer participating in the degree will gladly coach any companion desirious of taking part in the work. It would indeed be a pleasure to have a group of companions form a Keystone club to handle any one or all degrees of the Chapter.

With the introduction of the new ritual, it is mandatory that only one degree be put on in a single night. Therefore it is necessary that we re-schedule the degrees, as follows:

State Convocation, January 19; Mark Master, February 2; Past Master, February 9; Stated Convocation, February 16; Most Excellent Master, February 23; Royal Arch Mason, March 2; Mark Master, March 9.

This schedule is only tenative and can be altered to suit the number of candidates to be received. Companions we dare you to make us change this schedule!

To our Companions on the Sick List we wish a most speedy recover. To all Companions Good Luck and BE SEEING YOU IN CHAPTER!

The following were elected to office in the Fellow Craft club on January 19 to serve for the year 1953.

President, Ralph Baumgardner; Vice President, Claude A. Reynolds and Secretary-Treasurer, John Battrick.

The club meets on the third Monday of the month and any members of the lodge who is interested in helping out on the degree work is urged to attend these meetings.

Three candidates received their degree work in January and we received six new petitions which were referred to the committee in the January stated meeting.

The attendance at our meetings in January was very gratifying to your officers and we sincerely hope each member will make a special effort to attend lodge at least once during 1953.

Following the Fellow Craft Degree work last month; A deer burger luncheon was served in the kitchen by "Deer Hunters," Sparks, Henry and Horn. Also movie pictures of their hunt was shown by Past Master Harry Henry. To these brethren we express our thanks for the fine luncheon and entertainment.

On the sick list are J. A. McKim with back injury, Joe Duncan recovering from an operation. Those recovered and back to work are Wayne Brown, Millard Grabriel and Ed Yahane. If you know of any illness please contact one of the officers or a member of the visitation and sick committee.

The first Job's Daughters stated meeting of the new year took place January 6th. The meeting was preceded by an officers' potluck and a practice. The food at the potluck was really delicious! I am sure the mothers who prepared the food were gratified when they saw how fast the food vanished. There were many varieties of food, ranging from tongue-melting hot dishes to some really wonderful desserts—very fattening, I might add, but, oh so good! All of the new officers and as many of their mothers who could attend were at the potluck. Also some of the council members attended the potluck and partook of the wonderful food there.

The first meeting was fairly successful, I thought. All of the new officers handled their stations quite well, and for a group of officers, the most of whom have never held a station beffore—I think that is grand!

Congratulations are in order for Donna Gruber, who was installed as Inner Guard in our first meeting. The installing Queen was our Junior Past Honored Queen, Miss Phyllis Valtz.

I guess that is all for now, so I will see you in the next issue. Be sure and attend as many meetings as possible, and don't forget—meetings are now to be started promptly at 7:30 p. m. No matter if only half of the officers are present, we will start at 7:30 and use protems in their place until the regular officers arrive.

Goodbye now, see you next month, same time, same place.

Brethren: Those of you who were unable to attend the public installation of officers on January 2nd missed a very impressive ceremony. Brothers Past Master Emmett W. Young, Past Master Albert R. Spencer of Summit City Lodge, and our own Past Master Ward E. Bailey served as installing officers, and needeless to say did a very splendid job. Despite the inclement weather many members and visitors were present.

The operation of a Masonic lodge requires the combined efforts of many of its members. There is always work to be done, always some Masonic activity to be accomplished, such as degree work, investigating petitions, coaching new candidates, preparing dinners and entertainments, and visiting the sick, to name a few. And just as surely as there is work to be done, there is always some loyal and interested member there to do it. Thank God, Three Rivers has many joyal and interested members who are always willing to sacrifice and give freely of their time and energy. These men know that by helping someone, they are helping themselves. They know you get out of Masonry what you put into it.

So why let someone else do the work and have all the fun and most of the brotherhood. Your share is there waiting for you. All you have to do is wade in and grab it.

Brothers Cyrus Senger, Stan Dumford and myself had the pleasure of visiting Leo Lodge on January 8th and assisting in putting on the Entered Apprentice degree for a serviceman home on furlough. Visits to our sister lodges are always pleasant experiences.

Brothers Onan Laughlin and our Junior Wardne Curtis Heston are recuperation from very serious illness. The wife of our Chaplain, Mrs. Floid Brake, is in the St. Joseph hospital recovering from a serious illness. To those who are sick, we wish you all a speedy recovery.

Plans are being made for our annual Corinthian Club dinner early in April—more about hat later.

The marble slab over the grave of Joseph Montford, at Halifax, N. C., contains both Masonic and Royal Arch emblems. He was appointed provincial Grand Master of North America by Duke of Beaufort, Grand Master of England in 1771. FEBRUARY

the shortest month of the year
Yet has no month prouder days
When we pay tribute to the greatest Sons ever born.
We praise Lincoln, Great Oak of a Nation's life;
The name of Washington, was Father and Leader of our Country,
Both heroes and patriots long to be remembered.
We sing a song on St. Valentine's Day to speak of love to our loved ones.

Time flies on. With only a few more meetings of the year, we plan on many eventful activities, so let us see many smiling faces at all meetings. Someone has said, "coming together is beginning, working together is progress, keeping together is success." So, shall we ever strive to maintain the truest fraternal spirit.

It was mentioned in our last issue, the announcement of our first stated meeting—February 13th—that this will be Advance Officers Nite. There will be initiation, so come and greet these officers with a clasp of the hand and a hearty smile, that will make their efforts for the evening worthwhile. H. L. Emma Schell will be presiding Royal Matron and S. K. Robert Chevalier, Royal Patron.

The February 27th meeting will be "Charter Members" night and also the celebration of Anthony Wayne Court No. 3, birthday anniversary of twelve years. This will be another eventful year that we always look forward to each year. There will be something entertaining for the evening and refreshments served.

Committee events: Cheer Committee will hold their meeting, Monday afternoon Feb. 2nd.

Past Royal Matrons Club, Wednesday evening, Feb. 4th.

Program Committee, Monday evening, Feb. 9th.

Decorating Committee, Tuesday afternoon, Feb. 17.

Ways and Means, Monday evening, Feb. 23rd.

Officers Club, Wednesday evening, Feb. 25th.

Amaranthians (Men's Club) Sunday evening, Feb. 22nd.

For further announcements, as to places of entertainment, you will be informed at regular stated meetings or call your Chairmen.

Illness: Our shut-ins are still H.L.'s Flora Etzhold, Clara Kirby and Arrilla Fortney. H.L.'s Arizona Beach, Pearl Phillips, Ruby Blauvelt, Mary Beaman and Florence MacMillan have been on the sick list. Deaths in the families. Brother of H.L.'s Mable Metzner and H.L. Myrtle Kinsey. We were pleased to see H.L. Nola Bailey at our December 12th meeting, as she has been on the sick list for sometime. To those that have been ill, some of which are better and others still on the sick list at this writing, we wish them a speedy recovery and to those in sorrow our deepest sympathies.

So, I close again, reminding you of the two eventful meetings of this month. We hope to see all of our members at these meetings.

Life is a story in three volumes: The Past, the Present, the Yet-to-Be. The first we've written and laid away; The second we're reading day by day; the third, the last volume three, is locked from sight. God keepeth the key.

The new year is off to a good start. The first stated meeting was held Jan. 1, 1953. It was a busy session completing the business for the old year and developing plans for the new ensuing year. Four candidates whose petitions were voted on that night are now well along the road to Master Masons. The five Thursdays in January with a meeting scheduled each night made this possible.

The following new officers have been installed:

Eugene P. Reinhold, W.M.; Ralph J. Weesner, S.W.; Vincent S. Cook, J.W.; Floyd A. Gause, Treas.; Thomas P. Sheean, Sec'y.; John L. Lare, S.D.; Howard C. Dice, J.D.; Roscoe H. Bockman, Chaplain; Darwin P. Bryan, S.S.; Clarence S. Luter, J.S.; Charles R. Miller, Tyler; Ralph D. Southern, P.M., Trustee for 3 years.

The Worshipful Master and his corps of able officers invite you and each of you to visit the lodge and participate in its activities. A full program of work and several special events are in prospect. Your attendance and cooperation will be not only appreciated by the lodge but also profitable to you.

It was stated that four candidates were elected on January first to receive the degrees by initiation. By the end of the month all of them will have completed their work, provided there are no unforeseen delays. How different it was when 200 years ago George Washington took his work. He received his Entered Apprentice degree on Nov. 4, 1753, four months later, on March 3, 1753, he was passed to the degree of Fellowcraft and not until five months later, on August 4, 1753, was he raised to the Master Mason degree. It took him nine months to get the three degrees. While the records are not very clear it was apparently the custom at that time to go slow. Washington, no doubt, would have preferred to speed up the process as he presented himself for initiation three months or more before he was twenty-one. Now we can cover the same ground in three weeks. Are we traveling too fast?

The Chapter of O.E.S. is also making good progress as the new year gets under way. The first meeting, Tuesday, Jan. 13, was a grand success. The Worthy Matron had the pleasure of participating in the initiation of her husband who traversed the intricate labyrinth to the various points. A social hour with excellent refreshments was enjoyed by all the members.

The newly elected and appointed officers were installed at our stated meeting on January 7. The brothers selected by your new Master for the appointive offices are Harry Vondran, Senior Deacon; Howard Hawkins, Junior Deacon; Melvin Fuelling, Chaplain; Dale House as Senior Steward, Monroe Perry, Junior Steward; and Howard Fugate as Tyler. It is the sincere wish of all the newly installed officers that we may serve the lodge during the ensuing year in a manner that befits an officer of so great an institution.

On February 17, a Washington Birthday Family Party will be held and all members and their families are urged to attend to enjoy the entertainment and potluck lunch. This is an excellent opportunity for the members and their families to enjoy good fellowship and become better acquainted.

The following brothers are on the sick list. J. E. Marquardt, J. P. Maire, C. E. Beahrs, John Bowyer and David Van Meter. Brother C. E. Depew has returned from the Veterans Hospital and is now in Monroeville. I'm sure these brothers would appreciate a visit from any member of the lodge.

On January 30, graveside services were held for brother Grover C. Gilbert. To the widow and family we extend our deepest sympathy.

GEORGE WASHINGTON AND THE ROYAL ARCH DEGREES

By Asahel W. Gage

George Washington was made a Mason in the Lodge at Fredericksburgh, Virginia, on November 4th, 1752. He was at that time 20 years and 8 months of age. The next year the minutes of this lodge show that it conferred the Royal Arch Degrees.

Frederieksburgh Lodge when it made Washington a Mason had no Charter or Warrant. It was six years later that it was granted a Warrant by the Grand Lodge of Scotland.—Oklahoma York Rite.

ROCK OF TRUTH

In every age and every clime Masonary has vindicated its purity and demonstrated that its foundation is not on shifting sand, but laid by the Masonry of ages on the solid rock of truth.

Why should it not? No man can enter its portals without first acknowledging his belief in God, no institution was ever raised on a better principle or more solid foundation. Its foundations, Truth. Its supports, Wisdom, Strength and Beauty. Its Tenets, Brotherly Love, Relief and Truth; Cardinal virtues: Temperance, Fortitude, Prudence and Justice. Its Jewels: Friendship, Morality and Brotherly Love; and all through its teachings we find those priceless jewels which encourage its members to live better lives. They are the foundation upon which this grand structure is erected and which, unshaken, have sustained it in the past and will continue to sustain it in the future. It is founded on truth, and, therefore, can never die.—Masonic News.

With the arrival of the second month of the year 2483 Anno Inventionis we, as Masons, will honor the birthdate of that great man and Mason, George Washington. Let us all practice his virtues and initiate his worthy examples.

Thomas R. Marshall Chapter has just completed conferring the degrees on a class of candidates, so we will be dark until stated meeting on February 20.

It was considered a privilege to attend our brother Chapter, Fort Wayne 19, Past High Priest Night on January 24th. After a delicious dinner, which satisfied the inner man; Rev. R. Beck and Past Grand High Priest Harry E. Vernon gave food for the spiritual man with presentation of the various religious and historical backgrounds of Capitular Masonry.

The true and faithful of the Craft have been preparing those beautiful Allegories to more dramatically portray the symbols and lessons of Masonry. They are now in position to unfold them in a superb manner on our next class of candidates.

As a Master Mason have you served your full time as an apprentice and are now a highly skilled member of the Craft, a Mason free to work at his trade and receive Master's Wages? Do you know the private mark of our Ancient Grand Master Hiram Abif or can you travel and receive Master's Wages? If you cannot answer all these in the affirmative why not see a member of this chapter for a petition.

The true and faithful of the Craft will be paid wages—perhaps not in traditional Masonic fashion but in Thomas R. Marshall fashion at 6:30 p.m. February 20. Prior to stated meting. Why not have lunch wtih us in the Temple kitchen and then retire to the Egyptian room for the stated meeting. We will see you 6:15 p.m.—February 20 in the kitchen.

HIRAM ABIFF

The Legend of Hiram Abiff in Freemasonry is about two hundred years old, and no doubt was placed there to give to Freemasonry its Christian attribute,—the death, burial and resurrection of the Christ. Operative Masonary of course had only one degree and that designed to keep the secrets of the trade. When the other degrees of Fellow Craft, Master Mason and Royal Arch were added, Masonry became speculative, and taught the moral and spiritual lessons of both the Old and New testaments.—Ex.

With the new year just starting we are off to a good start, having conferred the Entered Apprentice degree January 8, 1953. There are more petitions to be read.

I want to express my thanks for the help and support of Brothers Homer Stevenson, Cyrus Senger and Stanley Dumford of Three Rivers lodge of Fort Wayne.

A good lesson was given the candidate on the teaching, the principles and tenets of Masonry when our Past Master Duane Shidler presented the charge. Well done, Bro. Shidler, and many thanks.

Brother Shidler told me last year when we were at Grand Lodge to enjoy it, for next year I'd have the worries. I know now what he meant, and the year is just starting.

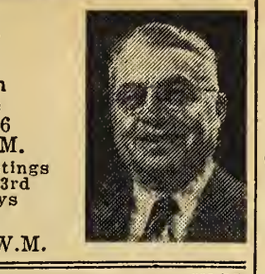
Our Worthy Secretary Alvin Sharp was elected 2nd Vice President of the Past Masters lodge of Fort Wayne. Lots of luck, Al, will see you in the tall hat in a couple of years!

Brothers, it isn't too late to contribute to the Masonic Home at Franklin.

Sorrow come at the most unwanted times. Our sympathy to Bro. Virgil Amstutz on the death of his father, John Amstutz.

Thanks, brothers, for the good turnout on such a short notice. Let's keep it up and have a few more to make this a big year.

HOW MANY WASHINGTON APRONS?



After having been immersed continuously for a solid month in George Washington's Masonic career, the present writer confesses himself more bewildered than ever about the problem of Washington's Masonic aprons. How many aprons did Washington himself own? Did he ever make a present of an apron to some lodge or friend? How many different aprons did he wear as he visited among lodges and Grand Lodges?

Lafayette presented to Washington an apron which Madame Lafayette herself had made, and did so while visiting at Mt. Vernon in August, 1784. Following Washington's death it passed to his legatees, who, in 1816, presented it to the Washington Benevolent Society of Philadelphia. After it had ceased to exist, the apron was presented to the Grand Lodge of Pennsylvania in 1829, and according to our advices is still there.

In the course of telling the story of that apron, Brother Julius Sachse, Pennsylvania's premier Masonic historian, states categorically that Washington wore the apron while laying the corner stone of the National Capitol in 1793. Other writers, equally well informed, state that on that occasion Washington wore the Watson & Cassoul apron which had been presented to him in 1782 by two French friends, and which appears to be the apron that has been in custody by the Alexandria-Washington Lodge for many decades.

Comes now a very different account of the Lafayette apron in a letter which we have never seen quoted. It is on page 5 of the Proceedings of the Grand Lodge of the District of Columbia, covering the period from April 20, 1847, to July 4, 1848, and containing an account of the laying of the corner stone of the Smithsonian Institute by that Grand Lodge.

During the Special Meeting held April 20, 1847, the Grand Lodge received ceremoniously Brother S. McElroy, who had been introduced to Grand Master French in a letter written from Shepherdstown, Virginia, April 27, 1847. In that letter its writer, J. P. A. Entler, Worshipful Master of Mount Nebo Lodge, stated that the lodge was sending to the Grand Lodge by Brother McElroy an apron which Washington had once used, and which had been presented to the lodge by one of his decendants. The Worshipful Master of Mount Nebo Lodge then went on to say that this apron had been presented to Washington by the Grand Lodge of France, "through the hands of General Lafayette." The Grand Master appears to have worn that apron when laying the stone. Can any reader give us information about this puzzling incident? —Iowa Grand Lodge Bulletin.

Brethren, Tuesday night Jan, 13, 1953 at a called meeting the E.P.° was conferred upon Jack Dean Smeberry and Donald R. Nettle. We are confident that these two Brothers will make good and active Masons.

The E.P. degree I feel is very important, for in it you start a Brother in that way of life which if followed will without fail bring him to a better understanding of life and a better and nobler association with his fellow man.

As you look into the newly found brother's eyes when you present him with the badge of the order and see the new awakening of thought you have instilled you feel that somehow the holy precepts you are endeavoring to teach will bear fruit by creating a desire for nobler deeds for higher thoughts and for greater achievements.

The trustees have made arrangements for better heating facilities for the entire upper floor and hope to have it comfortable whatever the weather may be. Two oil heaters and fuel tanks for same have been ordered and are to be installed as soon as possible.

The even heat which the two units will supply should be sufficient.

In looking over our outgoing and incoming mail I was surprised to learn how many Brothers we have who live from fifty to thousands of miles away. I send you greetings Brethren and even though you are too far away to attend, we always enjoy a word from you.

We hear quite frequently from Brother Ray Reichelderfer from California and enjoy his letters immensely. Not only your presence at the meetings you are able to attend but also the words of greeting you write give the officers who have been elected to serve you a tremendous moral uplift.

UNIVERSAL MASONRY

These signs and tokens are of no small value; they speak a universal language, and act as a passport to the attention and support of the initiated in all parts of the world. They cannot be lost so long as memory retains its power. Let the possessor of them be expatriated, shipwrecked, or imprisoned; let him be stripped of everything he has in the world; still these credentials remain and are available for use as circumstances require.

The greatest effects which they have produced are established by the most incontestable facts of history. They have stayed the uplifted hand of the destroyer; they have softened the asperities of the tyrant; they have mitigated the horrors of captivity; they have subdued the rancor of malevolence; and broken down the barriers of political animosity and sentarian alienation.

On the field of battle, in the solitude of the uncultivated forest, or in the busy haunts of the crowded city, they have made men of the most hostile feelings, and most distant religions, and the most diversified conditions, rush to the aid of each other, and feel a social joy and satisfaction that they have been able to afford relief to a brother Mason.—Benjamin Franklin, Chicago Chronicler.

We are very happy to have Concord Lodge No. 556 start having a column in the Square and Compass and we hope that the members will enjoy receiving tidings from Spencerville, no matter in what part of this great land they live in.

Senior Grand Warden Elmer C. Forks has been telling of the wonderful come back that this lodge has made in the last few years, since the temple was burned and all of the records lost.

The Brethren were not dismayed. One brother donated a piece of land, others dug the foundations, then these speculative Masons showed that they were also operative craftsmen and soon the walls were erected. The carpenter work, painting windows, and cement work has all been done by the members. Grand Master Tuslow and Legeman, architects themselves, have been very proud of Concord Lodge's remarkable resurection and the Square and Compass readers will be very much interested in the coming articles from this lodge.

April 7, 8, 9 are the dates of he Spring Convocation.

No innovation in recent years as met with more hearty acclaim han our effort to seat more spec- tors for the 20° and 32°. You ay let your friends know that here will be more than 200 seats vailable for these degrees at the pring Convocation.

You will want to witness for ourself how the dramatic effects e carried out on the stage and several situations made more vid by the closer contact of the incipals.

Illustrious Brother George J. eherer 33° of Cleveland, who is aching some degree work this ar at Canton, Cleveland, John- own, Pa., and Allentown, Pa., d who has directed work for her convocations under our nditions, is assisting in our prep- ation. He is a dramatic actor ith many years on the stage and ten appears as a guest perform- er. He will have the powerful role of George Washington in the stirring 20°.

Added interest in the 32° will come from the return to the stage in the second section of several of the brethren who enacted vital characters in the Allegory in past years.

Illustrious Brother Howard J. Brown 33° will return from Cleveland Heights, Ohio, where he is now pastor of the Church of The Savior to take the role of Constance. He is well known for his conscientious enactment of that character here several years back and last fall appeared as the guest artist for that part before the Cleveland Convocation.

Supporting his action will be brethren who have given able performances in past years. John A. Palmer will enact the Bishop; David Erwin, Florio; Knowlton H. Kelsey, 33°, Ignatious; Arthur L. Aiken, Rufus and Edwin R. Thomas, 33°, Urban.

These brethren were all principals in the cast ten years ago and candidates in the class of 1943 will want to be thrilled again by the action of the men who made the teachings of the Allegory so impressive for them when they witnessed the work for the first time.

One of the most sought after speakers in the Middle West will deliver the address at the banquet on Thursday evening, April 9. Judge James G. Stewart, 33°, judge of the Ohio Supreme Court and a former mayor of Cincinnati, will give us one of those very human and rousing speeches of his—spiced with humor and animated by a deep sense of loyalty—that will send every man away filled with renewed confidence and patriotism.

You will be doing your blue lodge friend a favor by gaining his petition to benefit from this unusual convocation April 7, 8, and 9. The last day for presenting petitions will be March 24th.

Brethren: I would be inclined to say that our attendance for the year, thus far, has been average or above; however, I read the following quotation in a Masonic publication, "On the average, an attendance of ten per cent of the membership is looked upon as a 'good' turnout. Yet there are Lodges which have as much greater number at almost every communication." How do we measure up to this average? Not so good! Only on special occasions do we exceed the ten percent mark. While Masonry should not interfere with our necessary vocations, it should have a place in our busy existence. Won't you help boost our attendance through the coming months

Numerous organizations are making regular weekly calls at the Fort Wayne Veterans Hospital to bring cheer and entertainment to those confined there. While individual lodges usually visit their own members, there has been no definite program set up by the local Masonic Bodies to provide regular organized visitations to veterans in our local hospital. A determined effort is now being made to inaugurate such a program. It is thought that all the Blue Lodges cooperating, it will be unnecessary for a committee from one Lodge to make more than one call a month. Are you as a member of Wayne Lodge willing to spend one evening a month with a committee from your Lodge calling on the ill at the Veterans Hospital? If so contact one of the officers of your lodge at once.

Our Annual Homecoming will definitely be held Thursday, March 26, with dinner being served at 6:30 p.m. Since there will be more it will be necessary to open lodge on the M.M. degree no later than 3:00 p.m. Brother Carroll Weaver is trying to line up enough Past Masters to confer the second section upon one candidate.

The following have been reported ill since last month: Charles Comparet, Frank VanDyke, William Grover, Howard More, and Ernest Keppler. Masonic services held for our deceased Bro. Adolph S. Jensen Sunday February 15. Bro. Jensen, a thirty five year member of Wayne Lodge, passed away, February 13. Our most sincere sympathy to the members of the family.

This will probably be the last issue of the Square and Compass before the convocation, and if you have not yet submitted a qualified brother's petition for the degrees of the Scottish Rite, we urge you to do so at once to avoid disappointment.

Likewise, the officers of the Council urge the brethren who have only gone to the 14th degree to try to finish their degrees thru the Consistory. You will be pleased at having done so, and we especially encourage you to advance further during this present convocation.

We know that a great amount of work has gone into rehearsals and preparations for your pleasure and edification, and that this will undoubtedly develop into one of the great convocations of the Fort Wayne Valley.

We hope that all of our members will again avail themselves of the opportunity to refresh themselves of the opportunity to refresh themselves in the Scottish Rite during the three days of the convocation.

SPECIAL BULLETIN

Attention Brethren: Plans are being made by the various Committees for the Mortgage Burning Celebration to be held April 30, 1953 in our Fort Wayne Mortgage Free Masonic Temple on Washington Street. Yes Brethren, it is paid for and we are now the proud owners.

At the annual meeting of the Associated Masonic Trustees, Chairman Everett E. Miles appointed a committee consisting of Kenneth Strong, Chairman, Trustees Kenneth Marti and Raymond L. Hupp and the Worshipful Masters of the Seven Fort Wayne Masonic Lodges to act as a general committee for the Mortgage Burning ceremony of the Masonic Temple.

General Chairman for this Celebration is Kenneth Strong. Brother Strong has selected the following Brethren to asist him in making plans for this Event. Banquet and Ticket Chairman Leon Williams assisted by Robert Dumford, Kenneth Haines, Kenneth McGraw, Dale Lucas, Edward Krohnmiller, Norman Kimmel, and Clesston Erb. Entertainment Chairman Raymond Hupp assisted by Paul Elzay and Mark Hennigh. Publicity Chairman James Farrar assisted by Homer Stevenson, Charles Cook, and Wayne Hutchison. Invitations Chairman Clarence Kreischer.

Tickets to go on sale very soon, contact the Junior Wadren of your Lodge for your ticket, as soon as possible.

Just think Brethren we are celebrating, as owners of a beautiful building, a building that at one time financial clouds hung heavy over the roof of this structure, until by the assistance of many, the clouds began to lift and we have the light shining brightly over the roof as of the first of this year.

Look for further announcements in the next issue of this paper, your daily newspaper, from the Master of your respective Lodges, or from the various Committees. Publicity Committee

A word from your Rose Croix Chapter is particularly appropriate at this time of the year. As we enter the Lenten Season and look forward to Easter, we think again of the great truths which Jesus of Nazareth taught while He was ministering here on earth . . . the same truths which are dear to us in the Rose Croix degree . . . Faith, Hope and Love. May we urge you to attend church regularly during Lent and all the rest of the year too!) A member of the Masonic Fraternity can honor his God best by taking an active interest in his church.

In some of the Scottish Rite Valeys, it has been the practice of the Rose Croix Chapter to sponsor special Maundy Thursday services in Holy Week. Such services were held here in Fort Wayne in 1950 and 1951 under the leadership of W. Arthur Rodemeyer, who was Most Wise Master at the time. It was a noble experiment but the response was disappointing. Many of our members were atending services in their own churches. Your present officers do not plan to sponsor a Maundy Thursday service instead we urge you to attend your own church and receive the blessings which it offers. May you and yours have a happy and joyous Easter.

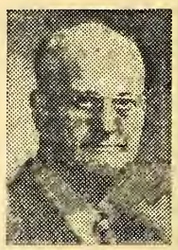
Plans for the Spring Convocation of the Fort Wayne Scottish Rite Bodies are going forward and from all indications it will be one to be long remembered.

On account of several innovations to be tried this reunion we hope to get an expression from the membership that will help those in charge to improve each meeting.



A number of petitions have been received, however, the effort of each member is needed to insure a large class of candidates. We recently have purchased a supply of pamphlets containing some valuable Scottish Rite Masonry. If you have a prospect that might be interested in one of these, send or phone in his name and address and we will mail one to him. We feel his interest in joining the Rite will be greatly increased by reading this information.

Your officers have made several trips out of town to different parts of our jurisdiction to help create interest in securing candidates. Before the convocation many more such visits will be made which we trust will result in a number of petitions. It is necessary to keep Scottish Rite Masonry before Blue Lodge members at all times. This should be a part of your work as well as the officers. It is only by this concentrated effort on the part of all that we can continue to grow and carry on the work of this great branch of Freemasonry.

The dates for the reunion are April 7, 8, 9, 1953 and the last date for receiving petitions for this class will be Tuesday evening, March 24th.

Look in your card case and see if your 1953 Scottish Rite card is there. If not, send in your check and the card will be sent to you.

Preceding the meeting of Thomas R. Marshall Chapter 161 R.A.M. on February 20th a supper was held in the kitchen . After the supper the members and guests retired to the Egyptian Room for the stated meeting. From the enthusiasm created by the supper it appears others will be held at later dates.

Did you notice the picture of the George Washington Masonic Memorial on the front page of the February issue of this Square and Compass? Would it not be a more fitting memorial to us, if we Royal Arch Masons of Indiana contributed the small sum of 10c per member as requested by the General Grand Chapter, to further that fifth floor which has been assigned to Royal Arch Masonry. This room is 57 feet long, 45 feet wide and 12 feet high. Would you not forgo just one cup of coffee, one-half pack of cigarettes or a candy bar as your contribution to such a worthy cause?

At the Stated Meeting petitions were presented and referred to Comittees. Announcements for degree work on other candidates are as follows: Mark Master, February 27th; Past Master, March 6th; Most Excellent Master, March 13 and Royal Arch on March 27. Next Stated Meeting will be March 20 with petitions to be balloted on others to be received and referred to committees on character. It looks like Thomas R. Marshall will be bright from now until Summer vacations.

Companions why not present those petitions of your brother Master Masons at the March 20th meeting to accompany those now in, so our workers will continue their labors thru May and also to enable the candidates to continue thru the Order of the Temple before the summer. All those companions who are Knighted or receive the Orders of the Temple will be members of the Sol D. Bayless 100th anniversary Class of Fort Wayne Commandery 4.

We trust the petitions you bring forth will be inspired by the portrayal of these four degrees of Royal Arch Masonry and that we will benefit by your assistance in this impressive and beautiful work.

May we have the pleasure of your attendance at any of our meetings? Will see you soon on Friday nights in the Egyptian Room.

Stated Meeting First Thursday

R. 13, Fort Wayne ---- 2280
Thomas P. Shean ------ Secretary

The Huntertown Lodge met in stated meeting on February 5th, and continued the work of the new year with a busy and profitable program. In addition to a large amount of regular business which was transacted, there was considerable enlightening discussion pertaining to the good of the order. The Senior Deacon got a hard workout in spreading the ballots for the election of candidates.

Called meetings were scheduled for work on the E. A. degree for February 12th and 19th, and F. C. degree on February 26th. On February 26th there was also a review of the 200th anniversary of the initiation of George Washington into the Masonic Order. Excellent refreshments have been in order for about all of the called meetings.

All the members of the Masonic Lodge and O.E.S. who have seen the fine new steel desk, chair and filing cabinet jointly provided for the secretaries, appeared proud and pleased with the new purchases. The new furniture should make the arduous duties of the secretaries a little more pleasant and improve the general appearance of the hall. In many respects the E. P. degree, when properly exemplified, is the most profound and impressive degree of Masonry because it is the first and is the basis for all that follows. The essential belief in God, the emphasis on the brotherhood of man, the practice of temperance, fortified and justice, as well as reverence for the Diety are all virtues that make a lasting impression on the serious mind.

In a recent meeting it was gratifying to hear four newly obligated E. P. each humbly recite their impressions of the degree and each resolve that its lessons would enable him to be a better man. It would appear that the candidates in search of light had a sound foundation on which to build. First impressions are usually deeply engraved. There are still too many men and women who are careess with their vocabulary in relation and reference to the Diety. If one believes in God, why take his name in vain? If one does not believe in God, then why use words that to him are without basic meaning.

February has been a busy month and it appears now that the work for the spring season will be heavy. Every member is invited to come and help, or come up and enjoy the work.

Huntertown Chapter 388 of the O.E.S. held its annual election on February 10th and elected the following officers:

Katherine Emrich, W.M.; Chas. Miller, W.P.; Phyllis Brown, A.M.; Walter Kell, A. P.; Martha Ruhl, Conductress; Virginia Tilden, Associate Conductress; Helen Warner, Secretary and Emma McDonald, Treasurer.

The O.E.S. calendar includes, Past Matrons and Past Patrons night, February 24th and Friends night on March 10th. Both meetings precede the installation of new officers.

The Bethel of Job's Daughters, Huntertown, have included on their schedule a special night for O.E.S. on February 16th and a special night for Master Masons on March 2nd.

February has been quite an eventful month. Our Washington Birthday party was thoroughly enjoyed by the members and guests, and we wish to thank the Officers and committees of the Eastern Star Chapter for the planning, work, and time that they devoted to arrange the program which made this a successful party.

We have had our Lodge room redecorated this month, and the difference in the appearance of the room is most striking. From a dull, drab, and dingy looking room, we have made a bright, cheerful and spacious looking room. To the members who have not seen the Lodge room since it has been redecorated, we urge you to come to Lodge and see the "New Look."

On Wednesday, February 18th, the E.A. Degree was conferred upon William Glen Fisher, and the cooperation and attendance at this meeting was extremely gratifying to your W.M. If the interest and cooperation of the members during the first two months of this year is a criterion of the months to come, I'm sure that this will be a successful and enjoyable year for your new W.M.

It just doesn't seem possible that we are nearing the end of February. Time surely flies. Why already, we Job's Daughters have had a Valentine's Party; an initiation; a meeting honoring all past Queens, past associate Guardians, and past Guardians and of course we are looking forward to our St. Pat's Party occuring on this coming March 17, 1953.

We had a wonderful time at our Valentine Party. The committee in charge planned a very entertaining program and their efforts were appreciated by all who were there. Each member who attended the Valentine Party, brought several Valentines each and placed them in the big Valentine box in the East of our Bethel. These Valentines were then assembled and taken out to the Allen County Children's Home for the little children there.

Of course, I would like to mention the fact that our first initiation turned out pretty well. I think that my officers performed their assigned duties very nicely and I was very proud of them that night. The new members, initiated that night, appear to be a fine group of girls. I am sure that they will enjoy the meetings and I hope that they will receive some benefit from the organization.

We had a pretty nice turnout on Past Guardian's, Past Associate Guardioans' and Past Queen's night. We were very happy to see them again.

In closing, I would like to urge more of you girls to come down and attend your meetings. After all, you girls make or break your Bethel. It sounds like we might be having a poor attendance—but it's not that. It is just that I think that more of an interest in their Bethel and its affairs.

Goodbye now, until the next issue.

Recently, I read an article which I would like very much to share with you. In it, Reverend Bruce Baxter of Portland, Oregon relates a story of a simple English custom in a small chapel of a town in Yorkshire. As Reverend Baxter tells it, at the end of each pew in that church there is a tall candlestick; each family, when it comes to church for service, brings its own candle, lights it, and sits under its shining halo during the service. If a family is absent from the church service, its pew goes unlighted and is in the gloom of darkness. Obviously, the amount of light in that chapel is directly determined by the number of faithful members who come to church and bring their candles.

Reverend Baxter added to the story, "Perhaps it is just as well that the strange custom is confined to this little Yorkshire chapel, for I am afraid that if the custom prevailed in the United States, we would have many dark and gloomy churches."

We need only to read the front page of our newspapers to know that the world can be a very dark and gloomy place indeed and the only answer we have to that darkness is for each of us to carry his own candle and place it in the candlestick of our own individual pew, whether that pew be in the church, a business office, a factory, a home or a lodge.

Try to picture what the Corinthian Room would look like if Summit City Lodge were to follow the custom of the Yorkshire chapel and depend—for its source of light—upon the candle which each member brought to Lodge with him. Would the room be bright or would it be gloomy? If a "pew" were dark, would it be yours

Strangely enough, this Yorkshire custom has been followed by Masonic Lodges for thousands of years. True the members do not bring a candle to Lodge with them. Rather, they bring a much brighter light; it is that portion of the Masonic Light which they have been able to glean up to that point. It is interesting to observe that as the faithful bring their "candle" to light the way of others, their own light increases in intensity because of the experience.

If all of us took upon ourselves the responsibility of carrying our own light with us, we would make our city a brighter place to live and our Lodge a brighter place to work. It is as true today as it was when Shakespeare wrote it: "How far the little candle throws his light."

If the flame of your Masonic Light has burned low, do not be ashamed. Neither do you need to wait another day to have it rekindled. To get the most out of life, we must get into the habit of carrying our own weight and carrying our own candle—taking our own light wherever we go. Come to Lodge regularly; bring your own "candle" and keep it lighted.

Brethren, we have been invited by the members of Walter French Lodge 557 to visit with them in Lansing, Michigan on September 26th. I know you will be glad to hear that I have accepted this invitation and I ask that you watch for further word of the plans in future issues of this publication. I can assume that those of you who were thrilled by their presentation of the Fellowcraft Degree last Spring will want to make the trip to Lansing with us in September. We will charter a bus for the occasion.

Brethren our plan of putting on the knife and fork degree, or the six-thirty degree, every first and third Tuesday is meeting with a lot of success. A lot of credit goes to Brother Richard Baker and his crew for their excellent meals. But I think one of the main factors of our good attendance at these meetings is due to the good fellowship we have. It's a pleasure to forget our troubles of the day and enjoy an evening with our brothers. That is one sure way of getting acquainted.

Awhile back I was asked why they call it the Blue Lodge. Blue is the appropriate color of Freemasonry. It is to the Freemason a symbol of universal friendship and benevolence, because, it is the color of the vault of heaven, which embraces and covers the whole globe. Blue is also the symbol of truth.

Among the medieval Christians, blue was sometimes considered as an emblem of immortality, perfection, hope and constancy. It is, therefore, the only color, except white, which should be used in a Master's Lodge for decorations.

Don't forget to circle the date of April the fourth. That is the night of our annual spring banquet. We will again be the host lodge for the Corinthian Club.

Brothers of Southgate: This past month has been a rather short one and it is again time to write this communication to you. Brother Floyd Itt and brother Robert Kabisch have been raised to the sublime degree of a Master Mason. We all wish them a long and full life as a Master Mason.

It is with sadness I report the death of our brother Joe Delkamp. Joe was raised a Master Mason in February of 1952 and passed to his reward in February of 1953. Although his Masonic life was short, I know it meant a great deal to him.

Your lodge is entering on a program of providing active parts to as many of the brethren as possible. If there is a part you would like to take in any of the degree work, let us know and we will do our best to serve you. Many of you will be asked to take a part in the work and I do hope you will be able to respond. This is your lodge and I hope you will find a place in it where you can be of service to your brothers and friends.

Southgate needs a group of twelve men to perform a visiting service at the Veteran's Hospital. It will require four men on Monday evenings at 7:00 p.m. to visit with Veterans at the Hospital. You will enjoy the work and receive a great bonus in Masonic Wages. Let us not forget our pledge to be of help to our Brothers in need. The men at the Veterans hospital need our help and our friendship. Write me and let me know if you are willing to serve on this Committee.

Set aside Monday evening June 1st for Charter Nite Banquet. It is planned to honor the Past Masters at this Banquet and put on the Master Mason Degree. Let us all plan o be there.

It is with great pleeasure that I report the Smorgasbord and Square Dance was a great success. Our Junior Warden Norm Kimmel is to be congratulated on a great iob done. Thanks to all the Brothers who helped in making it a success.

And so my brothers, your Master is looking forward to the month ahead. Looking forward to seeing you in lodge, helping to aid a candidate in receiving his Masonic instructions. This duty rests with all of us, not with just a few.

HERO RE-BURIED

John Paul Jones, father of the American Navy, died in Paris, France. His body was discovered in an abandoned cemetery April 7, 1905, was brought to this country and placed in a crypt in the Naval Academy chapel at Annapolis, Md., with commemorative service on April 24, 1906. He was a member of St. Bernard's Lodge No. 122, Kilwinning, Scotland, and of the Lodge of the Nine Sisters, Paris, France.—Oklahoma York Rite.

Impressive initiation services were held for a full class March 3 and light refreshments were served following the initiation. Ladies of the Beauceant assisted the Knights Templar February 12 with a potluck supper and cards later in the evening for visiting wives of the Knights. We have started the new year with large atendances at every meeting. Let's keep it up the rest of the year. Our worthy President has shown us what fun we can have and promises us more for a St. Patrick's day party. Plan now to attend. We extend our deepest sympathy to Alma Bailey whose mother recently passed away.

MASONIC TEACHINGS

The Mason who thinks that all his work is to be done within the sanctuary of the Lodge is making a serious mistake. The lodge room is simply the school where we learn the principles which should be the rule and guide for our conduct. If we do not carry into practice the precepts that we learn within the Lodge, then the teachings of the Craft have fallen on deaf ears.—Master Mason.

"The March winds shall blow,
Sometimes a bleak and wintry month;
Sometimes a day like spinrg.
A little sun, a little rain—
A little bit of everything."

As the time draws near to a close, our year will be a memory to the Officers who have served us well during the past year. April will be here soon to start a new year and it will at first be a busy time for the new officers and all committees appointed — for in May, Fort Wayne will be favored this year with the annual Grand Court Sessions—May 24-25-26, at which time our own H.L. Esther Cook will be installed as Grand Royal Matron. We know this will be another one of our grand events in Anthony Wayne Court No. 3 history since this Court was instituted and constituted the year of 1941. H.L. Esther will be our third Past Royal Matron who will be a Grand Royal Matron. H.L. Lettie Diskey being our first and H.L. Mary Ellen Sible the second. S.K. Ben Bennett was the first Grand Royal Patron of the State of Indiana. And in August, our Court will be hostess to the annual State picnic, which will be held August 16th. It is indeed a privilege to have this honor to have these two events in behalf of H.L. Esther, held in her home city and our own Court being favored.

The Events for the month of March will be busy with end-of-year parties and preparing for our Installation of April 1st.

The Cheer Comittee will have their party at Manochio's, Monday afternoon of March 2nd.

The Program (Anagram's) Committee will have their party at the Colonial, Monday evening March 9th.

The Social (Red Rose Club) Committee's party will be Wednesday evening at the Colonial, March 11th.

The Decorating Committee's party, Tuesday afternoon, March 17th at the Colonial.

Ways and Means (G. C. club) Committee's party, Monday evening March 23rd at the Colonial.

Officers Club's party will be Wednesday evening, March 23rd, but the place is not set at this writing and will be announced later.

The Past Royal Matron's Club will meet at the home of H.L. Ruby Mowery, Tuesday evening, March 17th.

The Amaranthians (Men's Club) will meet at the home of S.K. Sam Cook, Sunday evening, March 29th.

Election of Officers will be held at our first stated meeting, March 13th. March 27th meeting, will be our regular meeting following Officers practice for the Installation Ceremony.

We again pause to mourn the loss of another one of our members, H.L. Florence MacMillan, who died January 15th and was buried on January 17th. All who have known her will miss her greatly, but the record of her loving cheerful service in everything she did, shall always remind us of her faithfulness to duty, friendship, Love and Truth. She was active in Eastern Star and White Shrine and served as Worthy Matron and Worthy High Priestess and served as secretary of Shiloh Chapter O.E.S. for twenty years. We ask our Heavenly Father to protect and comfort her mother who is not well and feels her loss greatly.

We offer congratulations to our Conductress, H.L. Alice Reeces for the arrival of a new son, born January 10th.

At our January 23rd meeting, H.L. Ruby Mowery, Past Royal Matron was installed as Grand Marshall in the West, to serve for the remainder of the year which will expire at the time in May—our Grand Court Sessions. Congratulation, Ruby. We know you make a good officer.

The Court has had many members who have been ill with the flu or other kinds of illnesses and will no doubt be well and back with us at our meeting of the 13th. H.L.'s Mary Jones, Ora Pomper, Cecil Chevalier, Irene Irmscher and no doubt some others whom I have failed to mention, but to those who are sick, we wish a speedy recovery. Our Shut-ins, H.L.'s Ruth Bennett, Clara Kirby. Flora Etzold, Arilla Fortney, we wish better health and that they can soon be out wtih us again. To those that have been in sorrow, we extend to them our heartiest sympathy.

Be seeing you, March 13th.

"Dear MARCH, come in!
How glad I am!
I looked for you before.
Put down your hat—
You must have walked—
How out of breath you are!
Dear MARCH, how are you?
And the rest?
Did you leave Nature well?
Oh! MARCH, come right upstairs with me,
I have so much to tell!"
E. Dickison

The Ides of March are upon us, and after April 1ts, dues are delinquent.

Our year is off to a good start. Of great importance was our Points Party January 20 on the mezzanine. Sister Pauline and her "Shiloh Family" were entertained by the Sister Points. A play entitled, "Lady Masons" was entertaining and enlightening when two "seeking members" were initiated into the mysteries of the "Lady Masons" club. It was a hilarious comedy and was enjoyed by all.

Friends night was observed on January 22. About 300 members and guests were present. Twenty-seven Chapters from District 14 were invited and the stations were filled by friends from these various places. Chapter was opened in regular form by the officers of Shiloh, after which Sister Doris Thiebolt of Trinity Chapter and Brother Jesse Barrick of Floral Chapter were escorted to the East and welcomed. Other distinguished guests in the East were Sonoma Woodruff, Past Worthy Grand Matron of Indiana; Leona Shady, District Deputy of District 14; and Carrie Powell, District Deputy of District 26, Ohio.

The stations were filled by the following:

Associate Matron Doris Bowman, Mt. Etna; Associate Patron, E. O. Wooldridge, Fort Wayne; Secretary, Cleo Casper, Floral; Treasurer, Elizabeth Wert, Emerald; Conductress, Catherine Sell, Pennville; Associate Conductress, Bette Red, Columbia City; Chaplain, Harry Vondran, Monroeville; Marshal, Eva Tucker, Star of the East; Organist, Mrs. Thomas, St. Mary's; Soloist, Mrs. Morton, St. Mary's; Adah, Rosella Canada, Eel River; Ruth, Irene Hall, Harlan; Esther, Pauline Williamson, Halfway; Martha, Gretchen Snyder, Decatur; Electa, Katherine Omstead, Andrews; Warder, Irene Wooldridge, Roanoke; Sentinel, Nellie Larrimore, Trinity; and Prompter, Kathryn Tierney, Star of the East.

A playlet entitled, "Friendship Garden" was given; Sister Pauline Dinius reading the script, as Sister Lois Dugger gave the pantomime with the Choir singing the interpreation. Packets of seeds were given to members and guests — a symbol that our friendship might grow amongst us all. After Chapter, refreshments were served on the mezzanine by the decorating Committee and the South West Social Committee. The theme, "Looking Towards Spring," was carried out in the cleverly decorated tables with Snow houses, Red birds, and a big WELCOME to our guests. We were happy to have our friends with us, and hope they will visit us again, soon.

February 12 was election of officers. Those elected to serve for the ensuing year were: Alta Current, Worthy Matron; Russell Sloan, Worthy Patron; Edna Elzay, Associate Matron; Paul Elzay, Associate Patron; Florence Obetz, Secretary; Freida Brooks, Treasurer; LaVerne Schaffer, Conductress; and Justine Miller, Associate Conductress.

ROYAL ARCH MASONS TO FURNISH ROOM IN WASHINGTON MEMORIAL

According to "The Royal Arch Mason," published by the General Grand Chapter, the Royal Arch Masons are beginning a campaign to raise funds for the completion of one floor of the George Washington Masonic National Memorial at Alexandria, Virginia, to be called the "Royal Arch Room." It will require $70,000 to complete. It is to be a replica of the Sanctum and Sanctum Sanctorium of King Solomon's Temple. Murals will depict the dedication. In the campaign to raise the required amount, it is expected that 100,000 Royal Arch Masons will be asked to subscribe.—The New Age.

Another month has passed us by, and it has been a very pleasant one. Work was conferred upon 7 candidates, a very fine class it was too. With the assistance of the Brethren, Officers, and Degree Team the ritualistic work was presented very nicely. Thanks to each of you.

I would like to remind each Brother of Our Friends Night to be held in the dining room of the Temple on March 31st at 6:30 p.m. Get your tickets as soon as possible from any officer or member of the Ticket ommittee. Inform your lady that you are taking her out to dinner and a social evening. You may bring any of your friends and their wives if you care to do so. On this night you will be able to show those non-Masons the place where you spend your Tuesday evenings. I, and I happy to show off this building, where we meet to learn the teachings of Masonry, and then go out into the world and practice what we have been taught. We hope to see as many of you that can possibly attend.

Although this might be a little early, but I hope many of you are making plans to attend our Tri State Meeting that will be held in Chicago, Ill., on October 10th and 11th with Advance Lodge being the host. Your Master and Wardens have a Committee meeting, May 2nd in Chicago to meet with these other Masters and Wardens to make plans for this event in October. If you have any idea that maybe you are planning to attend, contact Bro. Cles Erb and make it known that you are thinking about going. The number planning on going will determine what type of transportation we will take. More will be said on this subject as the months go by.

Our Degree team is progressing very nicely. To each I hope you will find time to attend rehearsals and participate in the ritualistic work. As you know to confer this work, which means so much to all of us, we need the help and support of each of you.

To our Sick Brethren we wish a speedy recovery and will be looking forward to the day when we will see you back in Lodge on Tuesday, and be able to say welcome back Brother.

As our year draws near the end our Worthy Matron has a few words.

A year ago I prayerfully accepted my trust, with wide-eyed wonder as to what the year would bring forth. My record is nearly completed. If my prayers have answered, it has shown sympathy to the sorrowing and an endeavor to use good judgment in the advice given to the problems and troubles of my sisters and brothers. God has kept my courage high in many ways that only He and I know about.

..God gave me a beautiful year,
And I struggled to live my best,
To toil and gladden and serve and pray.
Till the evening brought me rest.
Into it I put my all
For I played an honest part,
And I come to the quiet evenfall
With a strongly happy heart."

Sincerely, Your Worthy Matron.

Mason Night was observed, January 27. A class of men were initiated. A Men's trio furnished the music during initiation. After chapter the men served refreshments on the Mezzanine.

Stated Conclave Third Thursday

Carl L. Shroyer, E.C.

Carl L. Shroyer ---------- E.C.
1120 Kensington Ave A-1035
[illegible] Recorder H-76694

The month of March will have concluded the first quarter of Fort Wayne Commandery's 1953 year of activity. Sixteen new members will have been Knighted, and a goodly number of petitions are in process.

With the steady flow of petitions being presented and in view of the fact that the spring convocation of the Scottish Rite Bodies will overlap on one of our work nights ,it seems inevitable that a couple of the Orders must be given in the same week.

Your Commander is most pleased and very grateful for the fine attendance and splendid co-operation at the special called convocations for the conferring of the Orders. The officers although new in their present stations do present work like veterans.

Eminent Sir Charles D. Morrow in charge of the Order of Red Cross and Sir Knight Carter D. Palmer in charge of the Order of Malta have done both themselves and their entire casts proud in their presentation of these two Orders. Due to illness it was necessary for Eminent Sir John Breit to act as Junior Warden and Em. Sir Harl C. Bradley as Excellent High Priest in the conferring of the Order of Red Cross. Eminent Sir Harl also acted as Chaplain in the Order of Malta. Each one did his work beautifully and we are all most grateful to them.

The Order of the Temple was most beautifully conferred, February 5th and 12th by the Commandery officers and Eminent Sirs Charles D.Morrow, Everett Miles, Bruce D. Farmer, Harl C. Bradley, Pearl M. Elberson and Harry Haller very ably assisting.

The superb manner in which the Eminent Sirs presented the Libations and Knighting ceremonies along with the Commandery officers and Sir Knights assisting was praised by many Sir Knights present as being a most outstanding Templar work. You Sir Knights, who are not present at the conferring of these orders are really missing something.' 'Please Come."

Fort Wayne Commandery No. 4 wishes on May 2nd afternoon and evening to pay tribute to the Past Commanders for their splendid efforts and a achievements in building and maintaining one of the finest Commanderys in Indiana.

Those Eminent Sirs whom the Supreme Architect has granted us the privilege of still having with us will on the above date have full charge of conferring the Order of the Temple on one candidate. 1st Section to start at 2 p.m. Dinner at 6:00 p.m. 2nd Section at 8 p.m. Plan now to attend and help show our appreciation to these valiant Knights. Full particulars will be mailed all of you.

Easter services will again be observed by Fort Wayne Commandery No. 4. Our own beloved George Winning is in full charge of these services assisted by Sir Knight Carl Dick. Sir Knights Don Thrasher and James Johnson in charge of beautiful arrangements. Devotional services will be held in the Auditorium on the 5th floor of the Masonic Temple Easter morning at 7:00 a.m. Rev. Christian W. Kocher, pastor of the Forest Park Methodist church will give the Easter morning address. The Mizpah Shrine Chanters have very kindly volunteered their talent to the Commandery for these Easter services, so we are assured of most beautiful music and song.

Breakfast will be served in the Temple dining room immediately after the services. The menu this year will be ham and eggs, hot rolls and butter, sweet rolls, coffee and milk. Breakfast tickets may be procured in the entrance of the Temple. 75c per person.
Eminent Sir Knight Winning and Committee have made every effort to give us one of the finest devotional services and breakfast on this Easter morning, and it is hoped that a large crowd will avail themselves of this opportunity. All Master Masonnsn their families and friends are invited.

Will all Sir Knights that can possibly do so, PLEASE dress in uniform for these services. THANKS.

The tweny-four inch gauge teaches us to devote eight hours to the service of God and a distress worthy brother. We can speak the words pat and forcibly, but can we say the gauge has been our rule! Or that we have devoted so much as one hour to the service the gauge teaches? As many as can, hold up your hands.—Laporte Trehtle Board.

Companions, it is again indeed a pleasure to report that your Chapter is hard at work. Three petitions were voted to receive the degrees at the stated convocation February 16th. Seven petitions were received and will be voted on at the stated convocation March 16th. A couple companions accepted my dare to make us change our schedule and so mark these dates on your calendar:

March 16 Stated Convocation
March 23 Mark Master
March 30 Past and Most Excellent Master
April 6 Royal Arch Degree
April 13 Royal Arch Degree
April 20 Stated and Royal Arch

Many companions missed seeing the new Past Master degree so make a special effort to see it on March 30. You have a special treat in store for you on that evening.

Companion Lester Stevens was forced to resign from the line because of taking a position with the Detroit Free Press. We will miss Les but we wish him success in his new job.

Companion Roger Shaffer of Sol D. Bayless Lodge has accepted the appointment of Chaplain.

Fort Wayne Commandery No. 4 Knights Templar wants 100 petitions to celebrate its 100th anniversary in October. One Companion has already brought in seven petitions for Chapter to have ready for this celebration. Companions—things are happening in York Rite! Bring in those petitions! Come up to Chapter! When you see the work under the new ritual you will attend regularly! You will get that petition for sure.

It is with deepest sorrow, that we announce the death of two more members, since the first of the year. Bro. Harvey L. Jamieson, residing in Lakeland, Florida, and Claude F. Hile, who, due to his failing health, recently moved to Tuscon, Arizona. Our deepest sympathy we wish to express to their families, in their hours of sorrow.

To the following Brethren, who are ill at this time, we wish a speedy recovery. Bro. John E. Scott, Frederick H. Kanning, Walter E. Shapland, and John L. James.

Congratulations to the sick committee, for the fine job they are doing on visitations, and keeping the lodge informed, on the progress of the ill. Keep up the good work, as we all know, that, "to relieve the distressed, is a duty incumbent on all men, but particularly on Masons."

By the time this issue reaches you, the Square Dance, given by the Fellow Craft club, on March 7th, will be an event of the past. No doubt it was a success and all those who attended had a good time. Will look forward to another in the fall.

Arrangements are being made for a visitation to Triad Lodge 708, at Toledo, Ohio, on Saturday, April 25th, when Maumee Craft willl confer the Master Mason Degree, on one of our candidates, for the benefit of the Toledo Brethren. Any member who would like to make the trip, and enjoy the fellowship, should contact Bro. Paul Hayden, E-36305, or any officer of the lodge for particulars.

On Wednesday, April 29th, we will honor our Charter members, a dinner in the banquet room, and a short program, after which a most interesting Masonic play will be given. This will be in the auditorium, by members of the Three Rivers Lodge. They have gained wide recognition, for their splendid performances. You will receive further notice of this event, through the mail.

The Fellow Craft club elected, Paul M. Hayden, President, and Theron F. Twigg, Vice-president, for 1953. Congratulations Brethren, and the very best of wishes for a big successful year.

My Master was a worker,
With daily work to do,
And he who would be like Him
Must be a worker too;
Then welcome honest labor,
And honest labor's fare,
For where there is a worker,
The Master's man is there.

The month of February has indeed been a busy one for our chapter. At the February 6th stated meeting the election of officers was held. Those elected to fill the following stations are:

Worthy Matron, Sister Willodean Todd; Worthy Patron, Brother Edson Dickey; Associate Matron, Sister Eugenia Wood; Associate Patron, Brother Clyde Wood; Secretary, Sister Carmen Utterback; Treasurer, Sister Mary Henninger; Conductress, Sister Frances Van Swearingen and Associate Conductress, Sister Velma Welch.

On Monday, February 16th, Sister Doris and Brother Bill were honored at the Matron and Patron party. The tables on the Mezzanine were decorated in keeping with Martha's station. Ferns at each guest's place and down the center of the long tables were most impressive and beautiful. Miss Virginia Vosburg, daughter of Sister Ida Vosburg, sang, "The Loveliest Night of the Year," to Sister Doris. She was accompanied by Miss Betsy Waterfield. After this, Sister June Jones presented Sister Doris a white lamb with green saddlebags containing a money-gift. Brother Bill's gift was presented to him by Sister Nellie Larmore. Sister Frances Van Swearingen preceded this with a very lovely song for our worthy patron. Included in the evening's entertainment were clever skits presented by the Misses Sue Carol Jones, Nancy Briggs, and Carol Noll, daughters of the star points.

On February 20, the new members who have joined Trinity Chapter this year by affiliation were honored and conducted through a very impressive ceremony. At this meeting the year-end reports of the chairmen of the various committees were given. In addition to her report, Sister Gladys Brogard, chairman of Ways and Means, presented five vases in floor standards, and Sister Esther Thunburg, General Chairman of the Social Committee, presented a coffee urn to the Chapter. At the close of this meeting, a very pretty lunch on the Mezzanine awaited the members and guests.

Illness in Chapter: Sister Pauline Farrar, Sister June Martin, Sister Mildred Pfeiffer, Sister Jessie Pfeiffer, Sister Williamine Stewart, Brother Ralph Jaxtheimer, Brother John Welch, Sister Clara Belbutaski, Sister Helen McClure, Sister Mildred Mettert, Sister Dorothy McCabe, Sister Marie Bojrab, Sister Charlotte Miller.

Illness in families: Daughter of Sister Jo Briggs, Son-in-law of Sister Mahala Drewett, Father of Sister Marporie Hanley, Husband of Sister Mary Wright, Father of Sister Glennis Adams, Daughter of Sister Mary Tobias, Son of Sister Mary Hawkins, Son-in-law of Brother Albert and Sister Dorothy White, Children of Sister Charlotte Miller, Brother of Sister Louise Wilkerson, Sister of Sister Mary Wright, Father of Sister Margaret Hamilton, Husband of Sister Ruth Beauchamp.

Death in Family: Father of Sister Viola Barrick.

Lest you forget, this is a reminder: the last day for payment of 1953 dues is March 31st, 1953.

Since the first stated meeting in April comes on Good Friday, there will not be a meeting on April 3rd.

THE SILENT MASON

The silent Mason is one who lives and acts out his principles in all his intercourse with his fellow man. We believe in Masonry that acts silently. We want no loud cry in the market place or vain pomp and show. The Mason who tries to live our principles without ostentation will be a pillar of strength to the noble institution. The humblest craftsman who has been made a Mason in his heart is worth more than any number of distinguished members to whom its teachings are mere verbiage.—A. J. Morris, Chicago Chronicler.

The lights were at an all time low, the attendance reached a new peak, and couples were gliding along to the strains of John Erwin and his aggregation of instrumentalists, when suddenly there appeared in the spotlight the famed professional comedian, Jim McGraw. Spike Jones brought a crew to town and presented one of his well-known numbers. Then Miss Tap-toe herself, Mary Val Crouse, came prancing out upon the stage dazzling everybody with her beauty and agility. Boy oh boy! What a show at the De Molay "Tournament Trot" held on March 6. Yes, those are the memories that will linger with us along with the memory of our anticipation of the regionals that we shared with the beautiful doll by our side all evening. Well. those days come and go.

At the February 24 meeting, the movie, "Highlights of the 1952 World Series" was shown. All those interested in organizing a baseball team in the Junior Federation signed cards. The coach was unable to attend, so detailed plans were not made. More to be said about this in the future though. Watch for notices!

March 10 was the date of our second Initiatory Degree, and a million dollars should go out to each one of the officers. You guys were great! Congratulations especially to the Chaplain, Marshall, and Senior Deacon, Fry, Brantingham, and Pomp respectfully. Did you fellows get enough to eat this time?

Church Sunday is the 15th and most likely you have already been called concerning your attendance. The South Wayne Baptist church is on the corner of Indiana and Cottage, one block west of South Wayne on Cottage avenue. Dr. J. Frank Lansing is the minister and one of the best speakers in Fort Wayne. You will be more than glad that you decided to attend. Services will begin at 11:00 We will meet outside the church at 10:40.

Another impressive and beautiful Flower Ceremony will be given before the Mothers Circle, Monday evening, March 16 in our chapter room. P.M.C. and Chevalier, Robert Locke, will present the inspiring speech and a crew of our officers will be present. All mothers of DeMolays are welcome as well as the clubs in outlying areas. Mothers. we of DeMolay hope that we can present a true picture to you on this occasion of our De Molay work and ideals. Plan to attend, will you?

Well, after the excitement of the finals in Indianapolis, we will have a regular meeting on March 24. The officers will have a big night in that we are planning a trip to Huntertown to present the Flower Talk. Here's hoping those plans follow through. Our boys will be making a "road trip." Ought to be fun!

To push things ahead, there be another Initiatory Degree in April probably the last one given here. Surprise refreshments will be served by the Mothers Club for all who attend. The mothers are making and baking for this one fellows, so come!

NOTICE—DeMolay members or Masons who have petitions outstanding should have them in as soon as posible if you want your candidates to rec eive the Degrees this spring.

The winter season is nearly past and spring is just around the corner. Spring the season of the year when plant life comes to life and the birds return from the south to seek out a nesting place to rear their young and bring joy with their song and chatter.

Man also takes on a new prospective and activity at this season of the year and lest we forget. the work of the Master should go on the same whether it be spring, summer, fall or winter.

During the past month we have been engaged in conferring the dergees on a class of fine candidates. This is the noblest work of a Master Mason to bring our fellow man to light in Masonry.

Your presence and assistance in the work whether taking an active part in speaking parts or sitting in the body of the lodge is equally important and appreciated by your Master and officers of the lodge.

The Fellow Craft club is doing a fine job this year and are planning new activities. Your help is earnestly solicited in this fine work. If you have not signed up, do so as soon as possible and share in their work.

The entertainment committee met on Wednesday evening February 18th and has decided to hold a family nite dinner and entertainment for the grown ups, and children on Saturday nite, April 18th.

Keep this date in mind and bring the family. You will be advised further about this party at a later date.

Since my last message to you two of our brethren have passed out of our midst to the World beyond. Brother Arthur R. Horman and Sherman Welch. Our heartfelt sympathies are extended to the families and friends of these departed brothers.

At this writing, Brother Howard T. Foreman is confined to his home with a heart ailment. Brothers Burney O'Brown, Ed Dornte at the St. Joseph's and Fred Pohlmeyes at the Lutheran hospital. We hope for a speedy recovery of these sick Brothers.

If you know of a brother who is ill please advise your Master or one of the officers and we will endeavor to call on each one if time will permit.

Friday evening, February 13th, at a called meeting the M.M. degre was conferred upon Jack Dean Lineberry of New Haven, and Donald R. Nuttle of Garcreek. With the help of some of the visiting Brethren, of whom there were twenty from surrounding Lodges in Allen and adjoining counties; two from Toledo and Paulding, Ohio, respectively, the degree was conferred. Following the degree work a very nice lunch was served by our luncheon committee.

At our stated meeting, February 16th, we had a very fine attendance and the routine business was taken care of.

In your travels you will meet many men who will make themselves known to you by discerning ways. Generally the man who does this is a kindred spirit who feels in need of the fellowship and contentment that is had by the meeting of two brothers in a strange place, or a brother of that locality who has the desire to make you feel welcome.

The obligation you assumed and the work you have taken over alone do not make you a mason my brother, but in name only and until you feel that feeling of brotherly love when you meet a stranger whom you soon find to be a stranger no longer, then my brother you are in your heart also a mason. When you give up your time for worldly pleasures in order to help a brother to light by reaching out a hand to raise him up to a higher plane of life, out of the void and darkness, the pleasure and satisfaction you will feel is ample payment for the effort put forth. Let us then my Brethren adopt this principle to our everyday life, that we may endeavor to make this world a better place to live in for future generations to come.

Greetings from Spencerville! We are very happy to be able to say that our brothers, Ray Means and Delbert Furnish are both on the road to recovery from serious heart ailments and we all hope for their speedy recovery.

The brethren have been assembling at our new building here each Tuesday evening and if there is no official business, work on the building proceeds. We are fortunate that so many of the members here are imbued with the particular qualities that are making its construction possible. The finish plaster has recently been completed and we do sincerely appreciate the interest shown by so many of the neighboring lodges and are grateful for the help given by so many of you.

At the last stated meeting we were happy to entertain a lodge contingent from the Lodge at Payne, Ohio, and are always pleased to welcome visiting brethren.

The ladies of Spencerville Chapter O.E.S. have been very busy arranging for their style bridge being given here the evening of March ninth. We hope for as successful and pleasant time as has occurred in the past.

Masonic Temple History

In the early part of 1915, the stockholders of the Masonic Temple Association, after a peculiar and rather bizarre history of stock sales, lotteries and law suits, were eliminated from the ownership of the Masonic Temple located on the northeast corner of Wayne and Clinton streets. The Masonic Bodies of Fort Wayne, who were owners of the second mortgage certificates, took possession of the premises, paid off the first mortgage and formed a new organization called the Associated Masonic Trustees.

The holdings of the Masonic Bodies were as follows:

Wayne Lodge	$ 9,543.43
Summit City Lodge	25,624.24
Sol D. Bayless	11,112.42
Home Lodge	11,434.48
Chapter 19, R. A. M.	15,710.62
Commandey 4, K. T.	9,142.20
Lodge of Perfection	3,251.27

The Scottish Rite had already moved to the Cathedral and the Council and Shiloh Chapter had no interest holdings in the building.

Masonry was experiencing a so-called "boom" and the eight bodies occupying the upper two floors of the Temple were very overcrowded and needed more space in which to take care of the greatly expanded membership. The question was what to do.

In May,1916, a committee consisting of Trustees Jacob M. Stouder, Charles A. Meigs and Willis Hattersley submitted prices on ten down town properties and recommended the purchase of the Salem Reformed Church property, which would increase the Temple property to 150 feet on Clinton and 120 feet on Wayne street. This idea was soon abandoned in favor of remodeling the Temple Building to a six story building at an estimated cost of $80,000.

Nothing more is recorded until in the spring of 1919 when a proposition was sent to the seven owning bodies that the old temple be torn down and a new one built on the same site. A Building Committee consisting of Trustees Dr. H. W. Pierce, J. M. Stouder, Clayton O. Griffin, Charles A. Meigs, Fred H. Pocock, William Geake and Charles A. Wilding was appointed, which committee functioned until the completion of our present Masonic Temple.

In December of 1919 it was decided to purchase the present site of the Masonic Temple on East Washington street from the Home Telephone & Telegraph Co. for $60,000 and a bid of Mr. Samuel E. Mulholland to purchase the old Temple property for $60,000 was accepted. The two upper floors of the old building were then leased from the Mulholland Realty Co. At this time the interest of the Fort Wayne Lodge of Perfection was purchased by Fort Wayne Council No. 4. R. & S. M. for the sum of $3,000.

No further action was taken until in 1922 when the trustees recommended that this would probably be the most opportune vear to erect a Temple and asked that all the bodies concur in such an action. All of them did, with the exception of Home Lodge, who desired to consider the erection of a Temple jointly with Mizpah Temple on West Berry street. This idea was found to be incompatible with the laws of the Grand Lodge of Indiana, and was abandoned.

In May the finance committee recommended that the sum of $400,000 be raised for the erection of the Temple in the form of subscriptions, and that each organization should contribute as its first subscription all the cash and collateral in its hands with the exception of a working fund of $1,000 in each body. The following amounts were received from each of the bodiee:

Wayne Lodge	$18,210.00
Summit City	35,562,74
Sol D. Bayless	28,542.06
Home Lodge	21,714.63
Fort Wayne Chapter	22,006.05
Fort Wayne Council	1,200.00
Fort Wayne Commandery	4,800.00
Shiloh, O. E. S.	3,500.00
Fort Wayne O.E.S.	1,000.00
Total	$136,635.70

Subsequently these bodies conributed $146,249.70, which included a donation of $20,000 from the Lodge of Perfection. During the building period and the first ten years thereafter, the finance committee received about $200,000 of subscriptions from individual members of the Fort Wayne bodies. The finance committee consisted of Byron H. Somers, chairman; Willis Hattersley, tareasurer; Brown Cooper, secretary; Charles A. Wilding, B. Paul Mossman, Wm. H. Haas and Eph-

riam P. Dailey. The auditing committee consisted of Wm. J. Adams, J. M. Stouder and Harry Eade.

In October the plans of the architect, Mr. Charles R. Weatherhogg, were approved and arrangements made to move from the old Masonic Temple to the Scottish Rite Cathedral. The old Temple was vacated December 31, 1922, and burned down February 10, 1923. The cornerstone of our new Temple was laid October 19, 1923 by Grand Master Charles A. Lippencott. The Building was dedicated June 22, 1926 by Grand Master Will C. Geake.

On July 15, 1924, $250,000 was borrowed from the Tri-State Loan and Trust Co. This mortgage was later transferred to the Medical Protective Co. and was increased to $350,000. By January 1, 1926 we also owed $35,000 to the Tri-State and Loan Trust Co. On May 15, 1926 a second mortgage was made to the Fort Wayne Lodge of Perfection for $200,000, $35,000 of which was used to pay off the notes at the Tri-State Loan & Trust Co., and $165,000 applied on the mortgage held by the Medical Protective Co.

We had been struggling along through the depression period and by November 1935 the principal of the first mortgage had been reduced to $114,037,40, at which time the Medical Protective Co. reduced the interest rate from 6% to 5%. We were unable to pay interest to the Fort Wayne Lodge of Perfection since the last of 1935, and $44,354.60 of past due interest at 5% had accumulated by May 14, 1940, at which time the Lodge of Perfection reduced the rate to 3%. By December 1943 we had been able to pay off the first mortgage of the Medical Protective Co. and $21,750.00 more past due interest had accrued payable to the Lodge of Perfection, who then reduced the interest rate to 1¾% and agreed to waive the payment of the total past due interest in the amount of $66,104.60 upon the payment of the $200,000 principal and all future interest. The final payment on this principal was made in December, 1952, and today we can rejoice in burning the last of the mortgages. We are very appreciative to the holders of the two mortgages for their many acts of leniencey and assistance which made it possible for us to hold onto our Temple during those years of hardship and depression, and it is a real pleasure to report that your trustees are holding for you a building, its contents, invested securities and a working capital of a total value of over one million three hundred thousand dollars.

The names and dates of the charters of the bodies occupying the Masonic Temple are as follows: Wayne Lodge No. 25, F. & A. M., November 10, 1823; Summit City Lodge No. 170, F. & A. M., May 3, 1855; Sol. D. Bayless Lodge No. 359, F. & A. M., May 29, 1867; Home Lodge No. 342, F. & A. M., May 24, 1870; Maumee Lodge No. 725, F. & A. The baby chapter of Fort Wayne, Thomas R. Marshall 161 has been making progress during the past few months, never has a month gone by, but what we had candidates to portray the degrees to.

April 10th will be the evening we confer the degrees of Royal Arch upon the present class of candidates who were given the Past Master and Most Excellent Master Degrees at the March 30th meeting in the Egyptian Room at which time the Northeastern Indiana Association of Royal Arch Masons did the work.

With a supper proceeding the Regular meeting on April 17th we anticipate an even greater turn out than we usually do. Why not be our guest if you are a member of a Chapter of Royal Arch Masons.

The following are the work nights for the following month: May 1, Mark Master; May 8, Past Master and Most Excellent Master degrees with the ublime Degree of Royal Arch being portrayed following the Stated Meeting on May 15th. We will again hold a supper in the Kitchen on May 15th.

Refreshments have been served following the meetings with all entering into the fellowship which accompanies these affairs.

All petitions received by the April 17th meeting will be balloted on at the May 15th meeting and the brothers will receive the degrees as conferred by this Chapter before the summer vacations. This will enable the companions to petition the Commandery in September and receive their work in the Temple in order to be included in the Centennial Class honoring Sol D. Bayless. Let us explain what the Chapter is to those brother Masons who are interested and obtain their signatures now.

As we gather in Lodge week after week attending to the business of the Lodge and conferring the degrees the thought frequently comes to our mind; What is the impelling force that draws us together?; What is the aim and purpose of our meetings? What have we accomplished for the good of mankind?

I am sure all of these questions will not fully be explained to us.

The Great Creator of Heaven and Earth in His infinite wisdom made mankind dependent on each other thereby affording better opportunities of fulfilling these duties of reciprocal love and friendship. So was man formed for social and active life.

Thus Masons are drawn together to carry on the work of the Supreme Grand Master inculcating true friendship and mutual aid and improving themselves in the particular work they are engaged in.

March was a busy month for your lodge. Six brothers were brought to further light in Masonry and raised to the Sublime degree of a Master Mason on Monday afternoon and evening March 23.

The degree work was about the best it has been my privilege to witness in our Lodge. I want to thank all who assisted in the work especially the brethren who came in the afternoon.

The Fellow Craft Team did an excellent piece of work. Let's keep it up Brothers.

I would likt to remind you of our Family Nite dinner and entertainment on April 18th. Bring the family and enjoy an evening of fellowship with your Masonic brothers and their families.

April 30th is the date for the Mortgage Burning Celebration. Tickets for this occasion may be obtained from your Junior Warden,Kenneth McGraw, or see one of the officers of the Lodge.

Brothers Lindley S. Roberts, Herbert P. Coverdale and Frank O. Current were called from out of our midst to the world beyond during the past month. We wish to extend our deepest sympathy to the families and friends of these departed Brothers.

Brother Everett E. Miles has been bedfast at his home at 1823 Florida drive, since March 6. At this writing he has shown some improvement and is able to sit up in a chair a few minutes at a time. Brother J. D. Pressler is confined to the Methodist Hospital We wish these Brothers a speedy recovery.

Be sure to notify us of any change of address.

There is a destiny that makes us brothers
None goes his way alone
All that we send into the lives of others
Come back into our own.

With this thought to guide us we begin our year of service to Trinity Chapter and its members. We, your new corps of officers, hope that the above thought coupled with our best efforts will result in bringing our chapter and its members as much efficiency and service as it has enjoyed in past years. Of course friendliness and co-operation go hand in hand and accomplish much in the name of success. Before there can be true co-operation and friendship it sort of helps to be sure of names. Although you voted for some of us and approved the Worthy Matron appointing the rest of us, we thought it would be a good idea to list our names along with the office we hold for your convenience.

Worthy Matron, Willodean Todd.
Worthy Patron, Edson Dicke.
Associate Matron, Eugenia Wood.
Associate Patron, Wm. C. Wood.
Conductress, Frances Van Swearingen.
Associate Conductress, Velma Welch.
Secretary, Carmen Utterback.
Treasurer, Mary Henninger.
Sentinel, Nellie Larmore.
Warder, Mary Wright.
Organist, Marjorie Simmers.
Chaplain, Helen McClure.
Marshal, Doris Thiebolt.
Adah, Margaret Hamilton.
Ruth, Lucille Stein.
Esther, Edith Sherwin.
Martha, Mabel Beghtel.
Electa, Mary Hawkins.

Now that you know which name goes with the various offices, come up and say hello next chapter night.

This is our first contact with you since the night of our installation on March 28th. We enjoyed every minute of it and hope you did too. It was a night long to be remembered in our hearts and the solemn promises made to you will not be forgotten. The reception of officers held on the mezzanine following the ceremonies was enjoyed by all and our Worthy Matron would like to take this opportunity to again thank everyone who had a part in making it possible. As far as we know it hasn't been done before and we think it was real nice of our Worthy Matron to throw the party for the chapter. It was her hope that in this way the chapter would get to know not only the officers and share in their happiness on such a night but become acquainted with the various committee chairmen she has appointed to work with her in making our chapter a continual source of pride to you. For those of you who were unable to attend the gala occasion, let us give you a brief picture of the affair. The officers were of course in the receiving line headed by our Worthy Matron and Patron. Light refreshments were served the guests and music was provided in the background by a phonograph. Festivity reigned as everyone joined in the fun. Many members took advantage of the opportunity to inquire about the various committees and some were interested enough in the tentative plans we have to become members of the committee of their choice. If any of you are interested in giving a little of your time to your chapter in return for a lote of fun and genuine satisfaction in helping it to maintain its high standing, take a look at the names of the chairman listed below and give them a buzz.

Ways and Means: Louise Wilkerson, A-16031, Chairman. Blanche Watson, E-5187, Co-Chairman.

Sister Maude Miles is confined to her bed due to a back injury and sister Velma Welch is also bedfast due to a leg injury. That common enemy of us all, the cold bug, has caught up with sisters Treva Giradot and Mary Chappell. Sister Gladys Fritz is home from the hospital for the second time and still recuperating from a stubborn illness, and sister Dorothy McCabe is still waging a battle against injuries sustained in an auto accident. She is in the Methodist Hospital. Brother Clifford Mizer is recuperating at home from an operation.

The following sisters and brothers report illness in their families. Let's hope that all will soon be well again with: the daughter of Vivian Hopkins and the mother-in-law of Lucille Stein. Everett Miles, well known in Masonic circles and husband of our Maude Miles is confined to his bed with a serious illness. On the happier side, Leota and Don Niles became grandparents and Edith Ball became a great grandmother when Sister Edith's granddaughter, (or the daughter-in-law of the Niles) had a baby. A trifle confusing but at least no one is their grandma.

OVER THE BACK FENCE:

While you are making plans for spring and the variety of activities it brings to mind, don't overlook the calendar mapped out for your entertainment. Then on April 17th we'll look for all of you back in chapter with a new outlook on life and a deeper sense of peace and brotherhood to all.

Oh yes, Grand Chapter comes along on April 22 and 23 this year. A very good opportunity to learn at first hand how our Grand Chapter operates and how our new rules and regulations are arrived at. Of course there's fun to be had too, but you'd better get your reservations made early if you want to go.

At our March Stated Meeting it was decided to make a visitation to Lotus Lodge 625, Toledo, Ohio, sometime in May and in the fall to invite Harbor Lodge 731, South Chicago, to confer the Master Mason Degree on their own candidate in Wayne Lodge. This will depend of course upon a date being selected that will be agreeable to all concerned.

On March 20, the following officers were elected by the Fellowcraft club; Cleo Crowe President; Don Stearns, Vice-President; Charles Bandy, Secretary; Wendell Mann, Treasurer. Bob Crowe has announced that reorganization of the Degree team will start at an early date and asks that any brother interested in working with the team or in making the trip to Toledo contact him at once. After our Grand Rapids experience last Fall, many of our Brothers are anxious to get under way again.

Our Annual Homecoming was one of the best attended and most enthusiastic meetings that Wayne Lodge has had for quite some time. An excellent dinner was served by the Fellowcraft club after which twenty-five year awards were presented to the following: Bros. Pohler, Kuckein, Roush, Grice, Smeltzer, King, Roembke, Krause, Lew and Baptist. Rev. Robert W. Rochey executive secretary of the Associated Churches of Fort Wayne was the principal speaker. Later in the evening the Past Masters—twenty-one in all—were introduced in a packed lodge room, and then under the direction of Bro. Carrol Weaver proceeded to confer the second section of the Master Mason Degree. In point of service the oldest P.M. present was Bro. Charles Alexander, Master of Wayne Lodge 1906-07; the oldest member present, Bro. Max Blitz, a 61 year member. My thanks to the committees and members that helped make this event the success it was.

There has been no serious illness reported to your officers this past month. We cannot give our attention to the sick unless their illness is reported. Bros. Crissman, VanDyke, More, and Keppeler, surgical patients of the past few months, have fully recovered or are well on the road to recovery at this writing.

Masonic services were held at the McComb Funeral Home, Friday March 6, for our deceased Bro. Elmer J. Schaefer. Bro. Schaefefr passed away Thursday March 5. Our most sincere sympathy to the members of the family.

Brethren, Masonry is a privilege and Lodge membership is a valuable property which you have bought and which you should preserve. Check your dues card now and be sure it is current.

Something tapped at my window pane,
Someone laughed like the trickle of rain,
And here was April—
Come back again.—Garrison.

February brought interesting events to Shiloh. The New Members Committee's party was held on the sixteenth at the Y.W.C.A. Forty-six members were honored at dinner. The tables were cleverly decorated with storks and dolls, as a symbol of four newcomers to Shiloh.

Students from Ann Adams school presented a dance program which was very entertaining.

Hilda Hazen was in charge of decorating and Jessie Tagemeyer, as chairman, was assisted by Minnie Brown and Evelyn Flory.

On February 26, the Master Masons of Shiloh were guests of honor, A very interesting comedy, entitled, "The Seventh Degree," was presented by Sister Pauline and her officers; it proved to be very humorous and the Master Masons, upon whom the degree was conferred will never forget this eventful night. N. W. Section served refreshments after chapter.

With the month of March, came the end of the parties and they are pleasant memories now. The entire committees of social, ways and means, and decorating were entertained at dinner on March 3rd at the Y.W.C.A. Pauline Whittenbarger was chairman of the event. "Spring Fashion Parade," was the theme, and the hostesses wore hats of the very latest style, (some dated back to 1900 A.D.) and various accessories of milady apparel, were used as table decorations and it was very easy for any one attending to select their Easter outfifit.

March 12, was the close of our year, and to add to our memories, the choir, under the direction of Dorthea DeForest, presented a very pleasing programme.

"On the Road to Mil-wa-wa-wakee," was a musical comedy set forth by the Choir as a parody of the trip to General Grand Chapter, made by the members of Shiloh. It was outstanding to say the least.

And my year as Worthy Matron is over.

When I was elected to serve as your Worthy Matron, in accepting the office I said, "In accepting this high office, I am fully aware of my responsibilities and feel as one standing on a ridge overlooking a dense forest to a higher ridge beyond. Thanks to everyone who has had any part of the work this year. You have been grand, and I close my year with this thought:

April, brings the primrose sweet,
Scatter daisies at our feet.

March has now passed with all final arrangements closing our year with pleasant memories, friendships, experiences. Our work is done—Gone are the Yesterdays—folded apart, Laid by—with treasures we hold in our hearts.

As of April 1st, starts a new year with the Installation of new Officers. And now, to our incoming Royal Matron and Royal Patron—H.L. Emma Schell and S.K. Robert Chevalier—

"There is nothing too good to wish you
But this wish I hope may come true;
That all of the sunbeams you've scattered.
Reflected, may shine back to you."

And to you and your Officers, "God speed and bless you all."

All the end-of-the year March parties by the various Committees were greatly enjoyed. Friendship means much, so with all these gatherings, fellowship and smiles, will be golden memories to all.

The Court had a lovely meeting Femruary 26th celebrating our 12th birthday anniversary and honoring nineteen of our Charter Members that were present. We were so glad to have H.L. Arilla Fortney with us, as she has been sick so long and was able to be with us again.

We pause again to mourn the loss of one of our Charter members, H.L. Bertha Pawlisch who died February 10th. Her memory is ever green and will live on and on in our hearts. Our sincere sympathy to the family.

There has been many members ill with the Flu and other ailments. Some have recovered and some still Shut-ins and to those ill we wish a speedy recovery and to those who have had bereavements, we extend sincere sympathy.

Greetings to the Court: Officers, Honored Ladies and Sir Knights, this year of pleasures and hard work together has come to an end, and as I lay the gavel down, your sincere cooperation and willing assistance will always remain "Sweet in My Memory." We wish to thank each one of you for the part you have played to make this year a pleasant one.

A good deed is never lost, he who sows courtesy, reaps friendship and he plants kindness, gathers love.

Fraternally and sincerely, Royal Matron Georgia Garrett, Royal Patron C.. Elmer Chalfant.

Last but not least, as the Publicity Chairman, it has been an honor to serve in this capacity, the fellowship with all the Committees and to serve you H.L. Georgia and S.K. Elmer and to be one of your officers for part of the year. All of which these pleasant experiences and thoughts will be recorded in my book of memories.

Scottish Rite Cathedral . A-6495

Judge James G. Stewart, of the Ohio Supreme Court will come to Fort Wayne from Columbus, Ohio, at the close of the court session at noon, to be our banquet speaker, Thursday evening, April 9th.

Illustrious Brother Stewart, 33° was mayor of Cincinnati for nine years and gained a nation-wide reputation for the humor and interest of his speeches before Convention audiences and in welcoming visiting delegations. He is in great demand as a banquet speaker but makes only limited commitments because of his duties as a State Supreme Court Judge. We are fortunate indeed to secure him for the closing speech of our spring Convocation.

We will all be interested to note if the secretary of our Valley, Illustrious Brother Samuel S. Geake, 33° will be able to introduce all the visiting dignitaries solely from memory. He says he will try it again.

Musical features of the banquet will be by the O. A. Richards orchestra and Scottish Rite Choir.

This will be the last appearance of the orchestra as taught and led by Illustrious Brother O. A. Richards, 33° who has been part of that musical organization and later its leader for a total of 50 years. Illustrious Brother Richards is now retired and will live with a son away from the city. It is hoped that the orchestra, made up in large part by Scottish Rite members, will be continued.

The Scottish Rite Choir, fresh from its laurels in the recent triad Choral Concert, where it so ably represented the Fort Wayne Valley in a series of choruses with the Indianapolis and South Bend valleys at the Quimby Auditorium will sing some unusual numbers to highlight the program.

Consistory degrees to be given in the coming convocation will be the 20° to be presented on Wednesday evening, April 8th, with Albert R. Spencer, presiding and with Illustrious Brother A. Lee Johns, 33°, one of our veteran ritualists, in charge of the work.

In that degree Illustrious Brother, George J. Leherer, 33°, of Cleveland, a dramatic actor of many years experience and who has assisted in coaching the Consistory and Rose Croix degrees, will take the dynamic role of George Washington in this impressive patriotic degree.

The 21° to be given Thursday morning, April 9th at 10:30 o'clock. To state that Illustrious Brother Edwin R. Thomas 33° is to preside for this very dramatic incident in the 12th century is to promise a most vivid portrayal of a session of the Grand Chapter. Illustrious Brother Thomas will be assisted by a cast of several 33° brethren who have been in the work for several years.

At 1:30 Thursday afternoon the 29° will be put on under the direction of Illustrious Brother H. Howard Etzold, 33°. For many years this very strong degree peopled by one of the largest casts in the Consistory section, has been led by the high action of Illustrious Brother Homer Hartman, 33° and Illustrious Brother Etzold. This year Brother Hartman 33° will confine his effort to the strenuous role of Adolph in the 21° and Brother Clayton Briggs, who has won laurels for his outstanding performances in the Civic Theatre will portray the vital part of the Sultan in the 29°.

The 32° will be given at 3:30 Thursday afternoon. Several new members are in the cast and the second section will be of marked interest to the present membership because several brethren who were in the work 10 years ago are returning for their former parts. Illustrious Brother J. Howard Brown 33° will come from Cleveland, Ohio, to enact Constans and will be supported by Illustrious Brothers Edwin R. Thomas, 33° and Knowlton Kelsey, 33° and Brothers David Ervin, John Palmer, and Arthur L. Aiken.

More of the action of both the 20° and 32° will be performed on the stage to give additional seating room on the floor.

Greetings Companions! By the time you read this your Chapter will have completed quite a busy period. It will have conferred the degrees on ten more candidates. The work on this class will probably be completed at the Stated Convocation on April 20th. On March 30th we had a very interesting meeting when the Northeastern Indiana Royal Arch Association conferred the Most Excellent Master degree on this large class of candidates besides several from surrounding towns.

Companions, our Past High Priest night is bringing results. But I still have a list of some three thousand prospects. Does your friend have the Chapter? Woudn't it be a deep satisfaction to you to have him eligible to be in the 100th Anniversary Class of the Knights Templar? Keep those petitions coming! The Chapter degrees have a story to tell, the answer to a question, a deeply vital message for each of us to be used in our daily living. A Monday evening spent in the Egyptian room viewing or assisting in the conferring of degrees will be an inspiration and deep satisfaction.

We are sorry to announce that Excellent Companion Miles is confined to his home. Companion Beman is still in the Veteran's Hospital. Companion Garrison is able to get out a bit but would appreciate a visit. To all sick Companions we wish the most speedy recovery.

BRING IN THAT PETITION!

Be seeing you Monday in the Egyptian room!

Brethren: Mark up your calendar now, so as not to miss out on the fine program arranged for your entertainment on April 29th. A banquet will be served at 6:30 p.m. in honor of our Charter Members, followed by the presentation of a 50 year gold award to Brother Frederick M. Christoph. Silver emblems will be awarded to the 25 year members present. At 8:30 p.m., in the auditorium, a cast from Three Rivers Lodge 733 will portray a very beautiful Masonic play "Rose on the Altar." We cordially invite all Master Masons to attend the play in the auditorium.

Another important date for your Masonic calendar is April 30th., "Mortgage Burning Celebration." Banquet and entertainment. Tickets are now available from your lodge officers.

I have appointed Brothers William H. Schwartz, Dr. Gale E. Driver, Walter E. Trask and Donald C. Friendly to represent Maumee Lodge for visitations to the Veterans Hospital on scheduled Monday evenings 7 to 9 p.m. This Masonic service is being provided by each of the seven Fort Wayne Blue Lodges. These brethren on their scheduled night will circulate among and visit with the veterans who are confined to their wards. Our objectives can well be summed up in one of our Masonic Tenets, "To sooth the unhappy, to sympathize with their misfortunes, to compassionate their miseries, to restore peace to the troubled mind." That is the grand aim we have in view, and which will no doubt form many more friendships.

The Fellowcraft Club made a visitation to Columbia City Lodge 189 on March 9th and conferred the Master Mason degree on one of their candidates. Lunch was served after lodge and those present had an enjoyable evening. Past Master Mark A. Hennigh accompanied the craft.

Arrangements have been completed for the craft to journey to Toledo, Ohio on Saturday April 25th where they will confer the Master Mason degree on one of our candidates for the pleasure of the host lodge, Triad 708. A bus has been chartered and those wishing to go along should make reservations promptly as tickets are limited.

Illness at this time are: Bros. John E. Scott, Walter E. Shapland, John L. James, Clifford L. Miser, Frederick M. Christoph. To those brethren we wish speedy recovery.

Our sincere sympathy goes to the family and relatives of Brother Oscar J. McNelley who passed away March 9th at Elgin, Ill., while on a visit there.

Brethren: As you read this column, our Friends Night will have passed. A good time was enjoyed by all. My thanks to the Committees for their arrangements for this affair, and a "Special" thanks to all who attended.

Our event for this month will be a Square Dance to be held April 25th in the Ball room of the Temple. An excellent orchestra and caller has been selected, so to you men, dig out that "Loud" shirt and inform your lady that you are taking her Square Dancing. Tickets are to be $1.00 per couple and these may be obtained from the Ticket Committee or any officer of the lodge. This will be Home Lodge's first Square Dance so let's all try to make it a success.

Our candidates for the first four months of this year have been an excellent group. To those new members I ask for you to attend your Lodge regularly, participate in the work, and enjoy the feeling in bringing Masonry to a new member as we have enjoyed teaching the principals of Masonry to you. Contact the officers of the Home Lodge Craftman for your part in conferring the Degree work. I am sure you will be a better Mason by doing so. The officers of the Craftman are President, David Mills; Vice-President, Harry Zimmerman; Secretary-Treasurer, Charles Curtis; and Coaches Glen Bowan, and Earl Fankhouser.

On our Fellowcraft Night April 21st, a Masonic Motion Picture film will be shown after our degree work. I am sure this will be a very educational film for all of us. If you have not seen the new equipment that was made for the Second Section of the Fellowcraft Degree attend on this date and I am sure it will please you. Thanks to Brothers Elmer Barcus, Thomas Wallheiser, Arnold Landis and all who helped to add this equipment for the degree work. Anything that can be done to make the degree work more impressive to a new candidate is the aim of each of us.

I have asked for voluteers for the Veterans Hospital Visitation. All Blue Lodges of the Temple are cooperating very nicely. Home Lodge is to provide 4 members to visit the Hospital once every 7 weeks the remaining 6 Lodges are to provide men for the other 6 weeks and then it will be our turn again. This visitation will be on Monday nights from 7:30 to 9:30 p.m. Anyone wishing to sign up for this assignement please contact Past Master Fred Krueper, A-96225. Thanks to the Brethren that have already signed up. Brother Kueper will contact you when it is our night for a visitation.

Yes Brethren our plans are being made for the Chicago trip now, be sure and contact Brother Cles Erb if you are thinking about making the trip.

Our latest sick Brethren Melvin Rapp and Herman Rausch have left the Hospital and are recuperating at home. To all sick Brethren best wishes to all of you for a speedy recovery.

The other day I was looking through some old magazines when I came upon a painting by Norman Rockwell. It particularly attracted my attention because it reminded me of a story I once read. I would like to share it with you.

Mr. Rockwell's painting was of a fall scene showing a barn yard with a wooded area in the background. High up in the sky, the clouds looked like they were traveling along at a fast gait. It was a rather grav sky, and outlined against the clouds were a number of wild geese, who also appeared to be racing against time.

In the foreground of the picture, could be seen in the barnyard a group of domesticated geese. Some were feeding, others waddling about. But three of them were looking up toward the sky to the flock of their wild brethren. Plainly, these three were flapping their wings, trying to imitate their brethren high in the sky.

minded was this: "In our back yard there are three tame geese. They spend their time waddling aimlessly about. They eat all they can hold and sometimes HONK thickly at each oher. But once in a while, in the spring and in the fall, the wild geese fly overhead. They soar in perfect formation far up in the sky, honking vigorously.

Then and only then do our three fat, tame geese flap their almost useless wings as they try unsuccessfully to join their brothers of the sky. Experience has proved that we needn't worry that they will fly away, for they will soon return to their food and their aimless waddling around the yard."

The story goes on to say: "Some times I wonder if my soul is like these three tame geese—too much at ease, too much indulged—so that when another soul trained to the heights of Christian living comes upon the horizon, I but feebly respond to the call of the Eternal. Protesting faintly at my own inability to rise above my comfort and, being unaccustomed to spiritual exercise, I soon sink back to ordinary living."

We must all continually strive to keep alive to all that is inspiring about us. We should try our wings daily by closer communion with God. We must exercise every talent we possess to do our part in this world that His kingdom may come more speedily. May we keep informed and alert to all of the issues of the day that we may be Christian patriots and good citizens of our country. May we have the love for Christ and mankind in our hearts so that our every action reflects his love.

Brethren, Summit City Lodge has been very busy during the past three months. Your officers all appreciate the fine help they have received in presenting the degree work to the fine classes we have enjoyed. We hope that those of you who have not had an opportunity to attend lodge recently, will have a chance to do so real soon. We will look forward to seeing you.

Your entertainment committee is planning a Ballroom Dance, May 9th for members of Summit City Lodge, their Ladies, and one guest couple. Admission will be by your 1953 dues card. Mark this date on your calendar, please. There will be card tables on the balcony.

Hello there! I am back again with some news about Fort Wayne's Job's Daughters. The year is progressing rapidly, and of course we have been kept very busy. The last meeting of Job's Daughters was a very busy and exciting place. The girls held an interesting and stimulating debate as to the type of dance they wanted this Spring. I think it is very good for the girls to participate so well in the meetings and it furthers the girls' interests in the Bethel itself. A costume dance was finally decided upon and the date will be April 25th, 1953. The committees for the dance have been appointed and they are now busily working on this new project.

Another project under way, is the planning of our big occasion—Inspection. Just the very name, "inspection," kind of creates an odd feeling—but, considering everything that concerns inspection, it gives me even an odder feeling. But, of course, it never turns out as bad as it is feared to be—so Happy Inspection, everyone! Committees have been chosen for Inspection, also, and we hope the committees are not finding their work too rough.

The Mothers Club, an organization of Job's Daughters' mothers, is planning a wonderful treat for us Job's Daughters. Our Bethel certainly has benefited by their kind acts and we really appreciate our Mothers Club. The Mothers Club wishes to announce that they are planning a Mother and Daughter Banquet in the near future and will notify us when they fix a specific date for this banquet. You girls be sure and keep in mind this wonderful treat in store for us and try to attend if at all possible.

I believe that this is all the important news I have for now, so I'll say goodbye, until the next meeting. Hope to see you all there!

Masonry is truth learned by living and has stood the test of many generations. It seeks to weave into a universal cabletow those ethical impulses that are common to all creeds.—Burl E. Taylor, M. P. S.

It is indeed encouraging to your Master and officers to note the fine attendance at our recent meetings. This may be due to several reasons; the change of meeting night from Friday to Tuesday; the conferring of the knife and fork degree on the first and third Tuesdays of each month; or the passing of the lull which comes when enthusiasm for a newly formed lodge is being replaced by a deeper realization of the true meaning of the fraternity. I feel that this is perhaps the greatest factor because everyone seems to have an interest and all are striving for better degree work, and our craft, under the able direction of Past Master Kendall Frech has been doing a splendid job.

We were happy and honored to have as our guests on April 4th the Corinthian Club. I am sure everyone had a very enjoyable evening.

On April 29th, we will again present the play, "ARose Upon the Altar," for Wayne Lodge and I know that all the new brothers will want to see this play as will also many of you who have been afforded the privilege of seeing it at an earlier date.

With the advent of the Easter Season, when our faith, born in the torture and degradation of the cross is strengthened by a fuller realization of the presence of our living God, may we dedicate ourselves anew to the tasks and duties of today and to the opportunities which the tomorrows may afford.

Star of the East observed its 26th Birthday on February 24th with a large number in attendance. The East was beautifully decorated with large silver stars bearing the names of our Charter members and smaller stars representing our members. During the program the Charter members and Past Matrons and Patrons were introduced and extended thanks for their tireless efforts in organizing and the progress our chapter has enjoyed. After Chapter we enjoyed refreshments of ice cream, cake and coffee.

At our regular meeting March 10th the Advanced Officers were escorted to their advanced stations and presented the proper keys to our Chapter.

The Grand Chapter meeting will be held in Indianapolis, opening with an informal reception Tuesday, April 21st. at the Murat Temple April 22nd and 23. Installation of the new Grand Officers will be Thursday afternoon April 23 and the tour of the Masonic Home will also be on Thursday, April 23.

All committees held their year end parties and were well attended. Our Worthy Matron extended thanks to all for their work and loyal support and cooperation during the year.

Many new candidates seeking asonic light are knocking at the oor of the Blue Lodge. Generally ese newly enlightened brothers, nd possibly many of the older nes, have given little considera-on to the basic position of the asonic lodge and the relation it ears to all the affiliate oredrs. Af-r being raised. they discover ith our help, that the gate is pen to the road that leads to any opportunities.

One road leads to the higher egrees which so effectually illum-ate and portray the fundament-principles of our order. Another ads toward his Star of the East, here the O.E.S. joins hands with eir Masonic brothers in dispens-g light, brotherly love, relief nd truth.

There are two other roads that ay be traveled by those who have ot yet attained their majority. ne leads to the Order of DeMolay nd the other to the Bethel of ob's Daughters.

Responsibility for maintaining a gh moral standard that will pro-de a sound, wholesome and in-estructible base on which to sup-ort all these orders that are shap-g living stones for that eternal mple.

The lodge continues its busy rogram on February 12th. Four ntered Apprentices were brought light and instructed. We were onored with three guests, Bros. lvina A. Tharp and Wendell E. lack from Leo Lodge No. 224 and ro. M. Chisholm, Garrett Lodge, o. 537.

On February 26, following work the Fellow Craft degree, a spec-l program in commemoration of eorge Washington's 200th anni-ersary of entering the Masonic rder was arranged and presented y Bro. Walter V. Kell.

The historic incidents relating to Washington's career, his role in laying the cornerstone of the U.S. Capitol, his function as Master and President and his work with many Masonic lodges, was received with keen interest by all the brothers.

Attention was also directed to the style of writing news reports by our early editors. Some of the sentences contained hundreds of words and included many separate subjects. This fact was of interest because it contrasts so sharply with the short direct sentence usually employed by modern writers. The many pictures of Washington clothed in various historic aprons was also of general interest. The prepared material and pictures are on file in the lodge for future reference.

On March 6th there was a large attendance of members and visitors to observe and participate in the raising of three brothers to the degree of Master Masons. The lodge was honored by the following visitors: Bros. Charles Russell and William Gahl, from Tuscon Lodge. No. 143, Lagro; Willard Clark, Sol D. Bayless 359; Robert R. McGrail, Harold E. Meeks, Norman W. Kimmell, Ward C. Milton, and Morris M. Adams, South Gate Lodge 73; Joseph M. McDowell, Wayne Lodge 25; Michael J. Bohen, Leo Lodge 224; Albert Becktell, Maynard J. Spade, and V. E. O'Brien, Columbia City Yodge No. 189. The evening was concluded by an enjoyable social hour and refreshments.

On Saturday March 28th the lodge will open on the M.M. degree at 5:00 p.m. and confer the degree on several candidates. Dinner will be served about 6:30 after which work will be resumed. All brothers and visitors are welcome.

O.E.S. The Huntertown chapter of O.E.S. observed Friends Night on March 10th. The Chapter was opened in the Huntertown school in order to amply accomodate the many visiting chapters. The work exemplified by the visiting officers was efficiently done, impressive and beautiful. Two very unusual incidents added variety to the special occasion. Past Grand Patron Cecil Sible represented Grand Chapter in presenting a 50-year pin to Sister Ada Sloffer and announced that Sister Sloffer was not only a 50-year member but also a 59 year member. The occasion was delayed by the temporary loss of some of the records. The other incident was occasioned by two friendly but inquisitive little mice which displayed great interest in the work of the Order and excelled in their zeal to entertain the visitors.

On March 24th the Chapter will be honored by the DeMolay with the Flower Talk. The installation of officers will be the order of business when the Chapter openes on March 31st.

Amid little cherry trees and hatchets, Bethel No. 71, Huntertown. celebrated George Washington's birthday. The Eastern Stars were special guests of Job's Daughters at their second meeting in February. Shirley Jean La Rowe, a new daughter was taken in at this meeting.

Immediately following the meeting the Eastern Stars were entertained by a few of our members. Sara Blanchard and Suzanne Leiter gave a recitation.

Beverly De Witt played her accordion, and Marcia Dillow gave a facsimile of a record entitled, "It's in the Book."

Refreshments were served by a few mothers, following the entertainment.

Our last meeting was in honor of the Masons. It was held on Monday, March 2nd.

The Huntertown Lodge wants to take this opportunity to express their very deep gratitude to Job's Daughters, for the privilige of enjoying their beautiful program and compliment them on their very fine work.

GERMAN MASONS

Six hundred German Masons, whose organization was so violently persecuted by Hitler, met at Frankfurt (Main) for the first public gathering in more than sixteen years. About seven hundred guests watched in silence as delegates joined hands in a circle and sang that old Masonic hymn: "Brother, Give Me Thy Hand," by Brother Wolfgang Mozart. Of the 70,000 Masons that existed in Germany in pre-Hitler days, only 6,700 are now members of the Craft. —Seattle Masonic Tribune.

It was a beautiful evening and the chapter room was filled to capacity. That was the setting for the Mother's Circle meeting on March 16 when our officers presented the impressive Flower Talk. Taking charge of the ceremony was a young man who deserves as much credit and congratulations as is possible to assimilate for him. Robert Nelson, past Junior Councilor, did a magnificent job in handling the ceremony and I'm safe in predicting that Bob will be called upon several more times to take charge of the talk.

Friday, March 20, Dad Riethmiller and Walt McCall took our "protigee of Broadway," Jim McGraw, and our orator, Norm Miner to Portland, Ind., where both fitted in their program very well. Thanks, boys, for taking the night off, a Friday night too.

March 24 was the date of our last regular meeting in March and the first for the spring season. Following the meeting the officers took the long awaited "road trip" to Huntertown where we again presented the Flower Ceremony. Bob Nelson gave the talk. I do believe that every one of us enjoyed the trip thoroughly.

Easter was celebrated in beautiful fashion again and I'll bet that many of us were mighty proud walking our "Easter beauties" down the avenue.

Spring vacation brought more beautiful weather with many of us frequenting the golf courses, tennis courts, (and drive-ins). Oh well, we're still boys, thank goodness.

A regular meeting is scheduled for April 14. Entertainment is planned and we would like to have some of you fellows visit our chapter. We still have one, you know! Tell you wife you want the night off.

Another Initiatory Degree is on tap for April 28, the last one to be given here by our crew. If you haven't seen our boys in action as yet, by all means attend this meeting. With all the talent we have, a dull moment is very rare in our meetings. However, if your girl is expecting you over that night, don't come. We wouldn't want you to lose her on our account! Don't forget, there are surprise refreshments being baked by the Mother's Circle!

As for long range forecasts again, election of the fall semester officers will be held on May 12. The election will be wide open so make your selections early. The "Star of the East" Chapter O.E.S. has invited our officers for entertainment following this meeting so let's get the 'ol ball rolling, men!

The Mother-Son Banquet is scheduled for May 14 in the Scottish-Rite Ballroom. We have on tap some real entertainment for the evening. Plan for it now! Our calling committee will be activated for this event and nobody of any importance will be forgotten.

The DeMolay Degree is set for May 26 in the auditorium climaxing a great tenure for our present officers. Watch for further notices on this.

"Baseball Players" don't over anxious and get sore ar Al Koontz our coach is in Flor on vacation and will be back s and will issue the first call candidates for the team. Jur Federation League games be about June 1st.

MOTTO: A TRUSTFUL FAITH IS GREATER THAN KNOWLEDGE.

WATCHWORDS:
FAITH, TRUST HUMILITY

There is faith in a baby's smile
As it looks in his mother's face;
There is faith in the voice of a little child
As it reverently offers grace;
There is faith in the heart of a soaring bird
As it wings through the unmapped sky.

There is faith to be had by you and me
If we but our Lord's way try.
God, give to us the trustful faith
That Martha did portray
To help us in the years ahead
And keep us day by day.

Sisters and Brothers of Fort Wayne Chapter No. 432, O.E.S.

We are warmly appreciative of the honor you have bestowed upon us by electing us your Worthy Matron and Worthy Patron for the ensuing year. We will make every effort to fulfill the duties required of us to the best of our ability and in a manner in which you have every right to expect them to be filled. We all know that success comes as a result of group endeavor; so we humbly ask the assistance, cooperation, understanding, and tolerance of all our old friends.

Hope E. Dumford,
Worthy Matron
Edward O. Wooldridge
Worthy Patron

"Another chapter in the history of Fort Wayne Chapter is closed and we wish to express our appreciation for your loyalty and support this past year.

"May God's richest blessings abide with you, the members of Fort Wayne Chapter and our many friends in our sister chapters.

"We hope a little sunshine
has brightened the hours
In someone's life from words of ours;
We hope some hearts have been made less sad,
And from our work some help has been had.
We hope we've sown some kindly deeds,
Given advice and counsel to meet your needs.
We have faith that in the shadows blue at set of sun
We shall be judged by what we've tried to do—not what we have done."

Fraternally,
Helen Herrick,
Junior Past Worthy Matron
Clayton Herrick,
Junior Past Worthy Patron

On Friday evening, March 27, at 8:00 p.m. Sister Sanoma Woodruff, Past Worthy Grand Matron of the Indiana Grand Chapter of the Order of the Eastern Star, installed the following officers of Fort Wayne Chapter No. 432: Worthy Matron, Hope Dumford; Worthy Patron, Edward Wooldridge; Associate Matron, Eythel Smiley; Associate Patron, Arthur Bowers; Secretary, Marian Goff; Treasurer, Ethyl Williamson; Conductress, Helen Howard; Associate Conductress, Vera Hayden; Chaplain, Ethel Hall; Marshal, Helen Herrick; Organist, Bess Carlson; Adah, Adine Budde; Ruth, Irene Lyttle; Esther, Velma Hartnup; Martha, Grace Whonetler; Electa, Lena Baumgartner; Warder, Bessie Douglass; Sentinel, Olive Jacobs; Prompter, Lillis Blombach.

Other distinguished guests in the East were Sister Lettie Dickey, Brother Ben Bennett, Brother Cecil Sible, and Sister Leona Shady.

Sister Hope was escorted to the East by her husband, Stan, through a broken column formed by her sister points and newly appointed points and some close friends, all dressed in white formals and carrying wands topped with a glittering green star. Little Rickey Dumford preceded his parents to light the way by carrying a lamb candle surrounded with green fern.

Robert Dumford met his mother in the East and greeted her with appropriate words. Then he presented her with an arm bouquet. The new worthy matron was serenaded by Josephine Cecil with, "Oh, Guiding Star."

Through an aisle formed by eight brothers who are Standard Oil owners or operators of service stations with whom Brother Edward Wooldridge is related in his work, Sister Irene Wooldridge escorted her husband to the East. They were accompanied by their daughter, Sharon, who departed with an appropriate message. "It Is No Secret" was sung to Brother Ed by Paul Anderson.

An Easter theme was used in decorating the room for this occasion. Crosses of appropriate colors provided a background behind each point's chair. Elaborate pieces bedecked the East.

After all other officers were duly installed, Sister Helen Herrick and Brother Clayton Herrick were escorted to the altar where their sojourn in the East was terminated by signing our Bible. Sister Helen was presented her past matron's jewel by her worthy matron, Sister Helen Helms; and Brother Clayton was presented his past patron's jewel by Junior Past Patron, Brother Ward Bailey.

An impressive closing for the installation meeting was the singing of, "Bless This House," by the choir.

At the regular meeting of the Chapter March 5 six new members were added to the roll of Fort Wayne Chapter. Congratulations are extended to Brother Paul Hayden and Sisters Ruth Liechty, Patsy Hencwel, Myrtle Mansfield, Merle Beckler, and Peggy Lewellyn upon their initiation.

Our Masters were on hand this night to entertain us. Brother Les Helms as Master of Ceremonies presented the "Outhouse Ensemble" from the Mizpah Shrine Show. Brother Ira Brown played such instruments as the Siamese Wantaphone, musical saw, and the outhouse base violin. Brother Rus Smith entertained the capacity crowd with "The Missus Would Never Approve" monologue and piano selections that kept everyone's feet a-tappin'.

The Highlight of the evening was the introduction of the shiftless, bedraggled, barefooted hillbilly who inspired the formation of the outhouse ensemble. Underneath the filth and whiskers was none other than Brother Bill Schwartz, who concluded the pro-

Redecorating the Lodge Rooms is still the main topic of interest in our Lodge. lThe Tyler's Room and Preparation Room have been redecorated since our last article appeared in this magazine. Brother Lee Witte and Mrs. Witte and Brother Mel Fuelling donated their time and work in this project. and judging by the results of their efforts, we would not hesitate to classify them as expert painters. To further enhance the appearance of these two rooms, the O.E.S. made new drapes and hung them after the painting was completed.

As Master of this Lodge, I want to thank all who have had a part in this work.

The activity of the Lodge was limited to our two stated meetings, but this was in no way uneventful as one petition was balloted upon and a new one was presented.

It appears that April will be a very busy month as we will have several candidates ready for the E.A. and F.C. degrees. Although the attendance at the meetings thus far this year has been gratifying, it is still far from being representative of the membership of the Lodge percentagewise. If you are attending Lodge, urge all with whom you come in contact to attend; and if you are not attending Lodge, may I take this opportunity to remind you that your attendance is earnestly solicited.

Brother Ed Miller has had an operation and is not at home convalescing, and I'm sure he would appreciate a visit from any of the Lodge members.

Another inspiring convocation has brought into our ranks in the Council a splendid group of Masons whom we trust have been inspired by the exemplification of the degrees. We hope that these brethren will soon be found working in the Rite to help strengthen the corps of workers and that likewise, the extension of their Masonic work will give them a greater appreciation of all branches of the craft wherein they have opportunity to dispense Masonic Light.

The Officers of the Council greet you newly made Princes and invite you to volunteer for active participation.

We want to express to our workers our appreciation for their diligent attention during rehearsals and the convocation. We are not unmindful of the hours effort given by each of you preparation for this wonderf convocation.

Hello again from Concord 556. We are glad to report that so far as is known there is no Illness among our Brethren, however, so many are unknown to me that a note from any of you would be welcome.

Work on Temple is coming along fine. Hardwood flooring is now laid; and Bro. D. B. Ridgway has promised us a good well of water soon, so we can go on with that part of work.

The Ladies of Eastern Star report a very successful evening at their Style Bridge and they all want to help finish our Temple.

Again to our absent Brethren come to Lodge whenever possible and to those far away write to us.

Greetings Brethren. On Tuesday evening, March 17th, the E.P. was conferred on Cyrus Dean Guston by his father, who as you know is our J.W. The work was well given and very impressive. The regular meeting preceded the work. At the meeting miscellaneous business was taken care of, and one petition was read and referred to the Investigating Committee. The date of March 24th was set for conferring the E.P. on Homer James Miller, and will be a called meeting. All officers and members are urged to attend these called meetings and assist in the work.

Our long delayed Fathers and Sons Banquet from all reports and attendance was a heartwarming success. A lot of this was due to the excellent banquet served by the O.E.S. ladies, which from all comments received and personal opinion was superb. The Entertainment Committee's efforts in obtaining the quartet led by Brother Dave Erwin, the "Colonial Four" produced some excellent harmony, and the pictures of the hunting trip to Alaska and explanation given by Bro. Kenneth Irving were heartily appreciated.

It is a grand thing this association of Fathers and Sons. For it is these sons of yours who must carry on through life in your place after you have completed your span, and indeed they are faced with a foreboding future. So let us give them the best in us so that the foundation laid for their life to come is a solid one, morally, and spiritually, as well as physically.

Brother Richard Clem is home from the hospital. He recently underwent a double hernia operation.

Brothers Harvey Stuckey and Harold Rediger became proud fathers of baby sons last month. Congratulations, brothers!

Brothers Frank Ivins and John Walker are entering the concrete tile manufacturing business. The best of luck to both.

There will be rehearsal of work on each and every Thursday night that there isn't a stated meeting for some time to come.

I'm ashamed to admit that some of the appointed officers don't attend their stated meetings too well. The next few weeks will be a good time for all to refresh themselves and be ready for their work coming up.

There will be a lot of work in May and the first part of June.

It is with deep regret, that I have to announce the resignation of your Junior Warden, Bro. Norm Kimmel. Bro. Norm, we of South Gate are saddened because you have to give up your place in the line. Yet we know our Masonic training is such that our home and our daily vocation must be placed ahead of our Masonic duties. Were all Masons as desirous of performing their Masonic duties as you are, the lodges would not be able to hold all the brethren present, and the fulfillment of Masonic obligations in the community would be a blessed reality. Your Brothers will look forward to the day when you can again assume a more active roll in South Gate Lodge.

Brothers I am indeed grateful at the response received for visitors to represent South Gate on the Veterans Visitation Service Committee. Bro. Robert Bumke has volunteered to be chairman of the Visitation Committee. If this is one spot in which you can work with your lodge call Bro. Bumke at H-8025.

Roy Hart is doing a swell job of furnishing refreshments for the Brothers after lodge. Bro. Hart will serve refreshments next on April 20th.

Business at the next stated meeting will include the election of a Junior Warden to succeed Bro. Norm Kimmel.

See you in Lodge Brothers and don't forget Charter Nite is June 1st.

The spring convocation of the Fort Wayne Scottish Rite Bodies was held on April 7, 8, 9 and a class of 200 started the three day session in the Lodge of Perfection work. We were again happy to see one of the degrees conferred by a group from outside of Fort Wayne. The work done by the brethren from DeKalb county was well received.

After a period of 65 years, we now find it compulsory to change some of the work in the 14°. Of all the degrees conferred by the local bodies, none has held the interest or drawn a larger attendance than this work. It is interesting to note that after all these years, only four of our members have presided over this degree, Ill. Bro. William Geake, Ill. Bro. Frank E. Stouder, Ill. Bro. Samuel D. Jackson and the present officer, Ill. Bro. William S. Mossman. To a number of us, it seems like the passing of an era to realize that the 14° as done by our Lodge of Perfection has given way to another interpretation of the ritual. Many thousands who have witnessed the degree will think back to the night they received its teachings and will never forget them. You will be interested in seeing the new degree at the convocation in November of this year.

The officers of fthe Lodge of Perfection wish to thank all who had a part in making the convocation such a great success. It is only by this coperation that we can maintain our high standard of work and keep our position among the other bodies in the Northern Jurisdiction.

SHRINERS PLAN SPECIAL TRAIN TO NEW YORK

MASONS INVITED TO JOIN PILGRIMAGE

The "Mizpah Special" a deluxe all coach train filled with Shriners and Masons with their families will move from the Pennsylvania station at Fort Wayne at 7:00 a.m. on Sunday, July 12, going to New York City for the 79th Imperial Council Session of the Shrine for North America. The Shrine Convention will run from July 12 through July 17th.

This daylight trip to New York through the beautiful eastern mountains and Horseshoe Curve and then five exciting nights and four glorious days in little old New York has created a great deal of interest among the Nobility and with the large number of reservation requests already received, indications are that a capacity trainful of happy Shriners and ladies will make the trip. All of Mizpah Temple's Uniformed Units will go to New York and participate in the parades and other entertainment during the convention. Mizpah's headquarters will be at the famous Hotel New Weston located at Madison Avenue and 50th St.—just one block from Radio City.

The low cost of $66.66 per person pays the round trip railroad fare, all meals on the train and a wonderful boat trip around Manhattan Island. You will pay your hotel bill and meals in New York City. Hotel rooms will cost an average of about $6.00 or $7.00 per person per day.

Reservations are now being accepted at the Recorder's Office.

MAY MEETINGS

During the month of May are held the annual meetings of the Grand Lodge, the Grand Commandervp. Indiana Priory of K.Y.C.H.; and the Scottish Rite bodies of the Valley of Fort Wayne.

The June issue of the Square and Compass will have in its columns reports of these annual meetings and the names of the new officers.

JUDSON WEST PRESENTS 50 YEAR AWARD TO ONE OF HIS OWN CANDIDATES

Special ceremonies were conducted Tuesday night, March 24 at the Eel River Lodge, No. 510 F&AM in honor of Reasor O. Ward, a member of the local lodge for the past fifty years.

Judson West, who is both a Past Master of the Eel River Lodge of South Whitley and the Maumee Lodge of Fort Wayne, wes designated by the Grand Lodge of Indiana F&AM to present their gold fifty-year membership award to Mr. Ward.

Mr. West was Worshipful Master of the Eel River Lodge at the time Mr. Ward was made a Master Mason. It is believed that this is the only instance in Indiana where the award was presented by the Master Mason who raised the recipient. Mr. West, who will be 92 years old in November, has been a Master Mason 65 years in May.

The annual meeting of Fort Wayne Lodge of Perfection will be held on Tuesday evening, May 19, at 7:30 o'clock in the auditorium of the Cathedral. Officers will be elected for the ensuing year and reports will be given by the Treasurer, Secretary and the Board of Trustees. Following this meeting the Council and Rose Croix will hold meetings. It is again time to inform the brothers about the happening of the Lodge. Many of the new brothers are starting to help with the Lodge work. Our getting together for lunch after our first and third degree's has been a very good activity for the Lodge. Last month we joined with Sol D. Bayless Lodge 359 to have lunch and to see a movie presented by them.

On Master Mason Night, Bro. Jim Meeks had "sloppy Joes," ice cream and coffee for the brothers. Jim is doing a fine job for the Lodge with refreshments.

This will be my last opportunity to remind you to be sure and reserve a place for yourself at Charter Nite Banquet on June 1st. Let's all come and see the Past Masters of South Gate put on the Master Mason Degree.

A Fellowcraft group has been formed to exemplify the Master Mason Degree. Should you like to take part, you should see Frank Bryan.

South Gate is surely progressing. Our newly Obligated Master Mason. Carl Richard Shirk was raised by his father, Carl Shirk. I believe this is the first occasion in South Gate of a father raising his son. Congratulations to both Bros. Shirk.

The South Gate Visitation Committee under the direction of Bro. Robert J. Bumake visited the V.A. Hospital on May 4th. This is indeed a real Masonic Service and I am happy to report that South Gate is doing a fine job.

We are ever mindful of those brothers who cannot attend lodge. We know they are present in Spirit.

Brother are you enjoying the privilege of visiting your Lodge? If not, set aside a Monday evening and come to Lodge. The Lodge will be stronger for it and you will be lifted in Spirit.

THE MYSTERIES

The celebration of the Greater Mysteries of Eleusis occupied ten days during which the candidates had to purify themselves many times, either by bathing in the sea or laving themselves in some sacred lake. Many processions, daylight and torchlight, were staged and participated in by as many as 30 to 40 thousand people.

Persons of both sexes and of all ages were initiated into the Lesser Mysteries and it was a time of great pageantry, athletic sports and games, but for the Second and Third Degrees of the Greater Mysteries it was necessary to have arrived at full age and to be of "god report."

Initiation into the Lesser Mysteries only permitted the neophyte to go as far as the outer vestibule of the Temple.

In the following Fall, if of full age and approved by the Hierophant, the neophyte could be passed to the Second Degree. A further year, at least, had to elapse before the Third Degree, that called the Epopta, could be taken.

Following the Third Degree the initiate could see and hear all the secret work that took place during the celebration. Even then, however, there was one portion of the rite that could be witnessed only by the Hierophant and his peers.

The purpose of the Mystery according to Plato, was to restore the soul to its original purity and draw the mind and desires of Man from material, sensual life and direct them to communion with God.

That the Second and Third Degrees were of a highly religious character is evidenced by the austere preparations of the candidate. The two days prior to either of these Degrees were spent in solitary retirement and strict fasting.

The Hierophant or head of the Mysteries was a "revealer of sacred things" and upon being installed in that dignity he received a consecration at a special ceremony at which only those of his own rank were permitted to be present. Our Installed Master Degree is probably a survival of this idea.

It was the duty of the Hierophant to attend to the instruction of the candidates for initiation and, for this purpose, they were divided into groups and each group was taken in charge by a coach known as a Mystagogue.

A noteworthy feature of the induction of the Hierophant was the renaming ceremony. This was accomplished by a form of baptism. The Hierophant was immersed in the sea and his own name was inscribed on a bronze or lead tablet and cast into the sea. From that time until his death he bore a "holy name" which was given to him at that time. It was strictly forbidden, under heavy penalty, for anyone to mention his natural name. A survival of this is found in some Christian conventual orders where the entrant is given a "holy name."—Northwestern Craftsman.

DECLINE IN NUMBER OF NUNS IS CAUSE OF ALARM TO POPE

News dispatches from Rome tell of the pope's anxiety over the decline in the number of nuns and the difficulty in obtaining recruits for the church's religious orders for women.

Roman Catholic young women in the U.S.A., having absorbed its democratic, free air, like other young women of this country may be interested in social welfare work, but they do not take kindly to joining the segregated mediaeval orders. Also, they desire to be paid wages, adequate wages, for their work, as they would in private industry.

The pope, in an address to Mothers Superior in a meeting at Castel Gandolfo, stated that the number taking the vows of the orders has decreased by one-half.

This would appear to present a serious economic threat to Roman Catholic parochial schools and hospitals. It could mean that the church must turn to salaried staffs. As far back as August, 1944, William J. Ferree, writing in the "Bulletin of the National Catholic Educational Association," stated that "by no stretch of the imagination could they (Catholic educational and charitable works) ever be supported if their staffs were salaried."—The New Age.

April wind and snow storms may have dampened the spirits of mother nature but there is no end to the new and exciting things sprouting in our chapter garden of activity, so grab a chair and catch up on all the latest.

Our first stated meeting of the year fell on Good Friday so April 17 was the first chance we've had to observe our new officers in action. We were pleased in general with the way things went. Of course they weren't perfect but then what group of humans are? Suffice it to say that there was no more serious error that the Pledge of allegiance to the flag was forgotten. Although the meeting was over early the chapter was duly surprised and pleased with a little ceremony planned by our past matron and patron, John and Ida Kayser. No one knew what was coming off, (especially your worthy matron) when sister Ida asked permission to approach the East under Good of the Order. With permission granted she addressed the worthy matron and the chapter with a short but very impressive speech as she and brother John presented a new sword for the station of Adah to the chapter. The Emblem is lovely and we hope that the wish of the Kaysers, that the two edges of it be used to slay evil and temper justice with mercy, will serve as additional inspiration to us all in our daily lives.

It is with regret and deep concern that some of our members were too ill to be with us and enjoy the above mentioned proceedings. Sister Louise Forks is still very ill in St. Joseph Hospital as she recuperates from two operations. Sister Marie Whitenack is also reported ill while Sister Dorothy McCabe is still occupying a bed in Methodist Hospital, as a result of that long ago auto accident. Why don't you send them a cheery little note that they may know that we miss them.

The following have reported illness in their families, so we take this opportunity to pass it on to you and perhaps you can help them in some way: The husband of Pauline Farrar, the husband of Maude Miles, the daughter of Maude Briggs and the neice of Ned and Edna Biddle. We also extend our sympathy to sister Beulah Gratz as she mourns the death of her father. On the brighter side, Ned and Edna Biddle have again become proud grandparents.

If festivity seems to have come to a standstill for you and you want to have a bang up good time, take notice of the announcement made by our Ways and Means Committee. It seems that they have cooked up a party called the Maypole Card Party which is to be held at the Temple on May 11th. Why they called it a card party I'll never know. Yes, there will be card games but wait until you hear about what they are planning for those of us wouldn't know a spade from a garden hoe. For example, if you're sorta disgusted with doing your hair the same old way and think you'd like a new hairdo to go with that spring bonnet, then you'd better come to the Maypole Card Party because they're going to have a style show of the latest coiffures shown recently in Chicago at the Institute of the National Hairdressers Ass'n. with real live models. (men take note) If you're not interested in that turn your attention to the many display ables that will be on hand to show the handiwork of our various members and the Sewing and Decorating Committee. There'll be everything from aprons to pot holders, all hand made, including some hand painted articles. If I haven't hit upon anything yet that sounds good to you, just hold on. There will be musical entertainment, and in case you have a deaf ear you can still enjoy the refreshments that are being planned, not to mention the candy and other things to tempt your sweet tooth that will be for sale. Lots of attendance prizes will be given out and you can't help but have a good time, even if you just come to sit and chat. Who knows? You may see someone to talk to (or about) that you haven't seen for a long time. So remember the date, the time, the place, and the occasion. The Maypole Card Party, Monday, May 11, 7:30 p.m. at the Masonic Temple.

I told you we had lots of news this time. Here goes with some more. Ne Ca Wa met at the home of Louise Wilkerson on April 15 for its Birthday Party and election of officers. Business was disposed of with great dispatch and all past presidents were honored. Retiring officers were: Carolyn Wyatt, president; Helen Moore, vice president; and Myrtle Glass, secretary. New officers elected were Margot Kayser, president; Margaret Hartsing, vice president; and Carolyn Wyatt, secretary. Bingo was played and refreshments followed in the form of birthday cake with a candle on each piece and a delicious dessert with coffee. We had a real good time listening to the player piano played by the Wilkersons while we ate. The next meeting will be held at the home of Ethel Kruse. If any of you would like to become a member please contact any of the three officers listed above.

May promised to be a busy month, what with gardens and cleaning and vacations starting. But don't forget that your chapter is busy now too and needs your help and attendance, so come on down and see us. If you can't because you're going on vacation or something, pass on the good news to us, visit a chapter while you're gone, then come back and tell us all about your experiences. That's what John and Ida Kayser are doing. They left for Dallas on April 20th and will be gone a month but they're going to run right home again and fill us in on how it's done in Texas. Do you know of any other news the rest of us want to hear? Then give me a ring and you'll see it right here next month, same time, same column, same by-line.

Altho spring has arrived and other activities are calling, the attendance at Thomas R. Marshall Chapter has not fallen off. The cast of officers portraying the degrees from the new ritual, including the prologues and allegories have been performing like veterans and thereby creating the interest being shown.

The supper on April 17 had good attendance so we are planning for larger participation on Stated Meeting night of May 15th. Dinner will be served at 6:30 p.m.; Stated Meeting at 7:30 p.m. and the Royal Arch Degree will commence shortly after 8:00 p.m. Why not spend a pleasant evening with your Chapter on May 15th.

The degrees as conferred by this Chapter will again be presented as follows: Mark Master on May 22nd; Past Master and Most Excellent Master on May 29 followed by the Royal Arch on June 3rd.

Next stated meeting, May 15th, is last date for presenting those petitions before the summer recess.

In closing may I leave the following with you:

WHICH STONE?

For it stands in scripture:

"Behold, I am laying in Zion a stone, a cornerstone chosen and precious.

And he who believes in him will not be put to shame."

To you therefore who believe, he is precious, but for those who do not believe,

"The very stone which the builders rejected has become the head of the corner," and

"A stone that will make men stumble, a rock that will make them fall;" for they stumble because they disobey the word, as they were destined to do.

MASONRY IN CUBA

The Grand Lodge, A. F. & A. M., of Cuba is to build a magnificent Masonic Temple in the City of Havana, having recently laid the cornerstone. The structure will have twelve stories and will be the new headquarters of the Grand Lodge. The new Temple will cost approximately $1,500,000. The ceremonies were conducted by Grand Master Carlos M. Pineiro, assisted by other Grand Officers.

Although Masonry has existed in Cuba for a very long time, it has suffered much persecution and opposition. The Fraternity has not only had to endure this persecution and opposition, but until the past few years it had been troubled somewhat by irregular and clandstine Masonry.

Brother Pineiro, who has on occasion visited the Masonic Lodges in Florida, was re-elected Grand Master of the Grand Lodge of Cuba, following the laying of the cornerstone for the new structure. The late Deputy Grand Master, Dr. Alfredo Barreto, 33°, who was a 33° Honorary Member of the Supreme Council, was succeeded by Brother Mario Quiros. The Grand Secretary is Brother Jose F. Castellanos.—SRNB.

One of the best meetings of the year was held on Saturday, March 28, when three fellowcraft were raised Master Masons. Work was started at 5:00 p.m. At 6:30 the lodge was called from labor to refreshments for the space of one hour while an excellent dinner was served.

Work was resumed after dinner and several visiting brothers assisted in the degree work Some of the meetings conducted this spring by both the O.E.S. and Lodge have been grave reminders that the excellent facilities provided for our use by our fathers will no longer adequately accomodate our greatly increased membership. The big question is, what to do? To expand our present quarters seems difficult and to launch out on a new building program is a real challenge. Can we do as good as they did 40 years ago when we develop our plans and provide facilities for the next 40 or 50 years?

This is something to think about. How about earning the praise of the next generation by doing as well by them as we have been done by.

Huntertown Chapter 388, Order of the Eastern Star installed its new officers, Tuesday, March 31, in the Huntertown Masonic Hall. They are as follows:

Kathryn Emrick, W.M.; Charles Miller, W.P.; Phyllis Brown. A.M.; Walter Kell, A.P.; Helen Warner, Secretary; Emma McDonald, treasurer; Martha Ruhl, conductress; and Virginia Tilden, associate conductress.

Appointive officers are: Ida Clark, Adah; Helen Miller, Ruth; Edith Surfus, Esther; Patricia Lare, Martha; Louise Houser, Electa; Donna Dicks, organist; Marjorie Hirons, Marshal; Lucille Bockman, Chaplain; Carrie Russell, Warder and Francis Brown, Sentinel.

Installing officers were Clifford Emrick assisted by Cecil Sible; junior past grand patron. Velma Shank was very proficient in her work as marshal for the installation.

The first meeting in April of Bethel 71, Huntertown was held at the Masonic Temple.

We were honored to have with us, Dora Whan, Past Honored Queen of Bethel No. 71, and the newly installed Worthy Matron of the Huntertown Chapter of Eastern Star, Mrs. Kathryn Emrick.

Bethel 71 sponsored a Square Dance that was held at Twin Barns, April 18.

After the meeting refreshments were served to the members and guests.

Since our last article in this magazine, the tempo of activity in the Lodge has increased manifold. In addition to our two stated business meetings, we have had several called meetings for the purpose of conferring degrees. On March 31st, the F. C. degree was conferred upon Bros. Clarence E Yoder and William Glen Fisher. Two E. A. degrees were conferred this month, the first on April 9th upon James A. Cutshaw, and the second on April 15th upon Martin C. Fuelling; and these brothers, being found proficient, had the F. C. degree conferred upon them on April 23rd.

From the impression gained while conferring these degrees and our discussions concerning the teachings of Masonry relative to our everyday life, it is apparent that our newly Obligated Brothers will become sincere and active Masons, bring much credit to the Fraternity, and in doing so, will strengthen their character and add to their education.

On April 23rd, graveside services were conducted for our deceased Brother, Harry Everett Battenberg. We extend to Mrs. Battenberg and the family our sympathy in their bereavement.

At a called meeting on Saturday evening, March 28th, the Monroeville Chapter 205 O.E.S. performed the ceremony of installation. The installing officers were: Worthy Matron, Mrs. Margarite Johnston; Chaplain, Mrs. Anna Pillers; Marshal, Mrs. Irene Webster; Organist, Mrs. Gladys Webster. The officers installed were: Worthy Matron, Mrs. Helen Witte; Worthy Patron, Mrs. Lee Witte; Associate Matron, Mrs. Luella Raber; Associate Patron, Mr. Howard Fugate; Secretary, Mrs. Doris Fuelling; Treasurer, Mrs. Wanda Fugate; Conductress, Mrs. Ferol VanBuskirk; Associate Conductress, Mrs. Dorothy Adams; Chaplain, Mrs. Anna Pillers; Marsal, Mrs. Ella Peckham; Organist, Mrs. Martha Ann Reinking; Adah, Mrs. Ruth Grogg; Ruth, Mrs. Winfred Shaffer; Esther, Mrs. Pat Chaussee; Martha, Miss Eleanor Bowyer; Electa, Mrs. Ramona Kreiger; Warder, Mrs. Mary Clem; Sentinel, Mr. Harry Vondran; Prompter, Mrs. Mary Alice Barkley.

After the meeting the Worthy Matron invited all to stay and enjoy refreshments. We had a planned potluck, each member bringing enough food for themselves and guests.

Monroeville was well represented at Grand Chapter. Those who attended from our Chapter were Sisters Helen Witte, Louella Raber, Ferol VanBuskirk, Anna Pillers, and Brother Lee Witte.

At our lsat stated meeting, it was reported that Sister Mary Long has the mumps. We wish her a speedy recovery.

Let us all try to remember our shut-ins with visits and cards. It means so much to them, and you will be surprised at how much better you will feel too!

Has it ever occurred to you how many thousands of years, millions of thoughts, untold efforts, and careful planning has gone into Masonry? Have you ever stopped to think just what Masonry is and does.

Masonry is many things to many men. To some it is a philosophy of life, others might consider it a code of ethics by which they live, still others consider the lodge their spiritual home, or rather their second spiritual home.

Masonry is like a school where we learn many things such as charity, toleration, courage, fortitude, justice, truth, brotherly love and relief, yes, and many more. Through Masonry we are made into better men, better citizens, better husbands and fathers.

Many times I have gone to lodge discouraged, tired, and worn out. I have come away refreshed, encouraged, and ready to start a new day.

I have often asked myself, "what have I done for Masonry, which has done so much for me?" I always feel I have never done enuogh.

By the time this reaches you Three Rivers will have passed its fourth year under charter. Our charter was granted May 17, 1949. Three Rivers Lodge has nearly doubled its membership and has prospered much.

Brethren banded together
Hand in hand for good,
Joined for mankind's uplift
United in Brotherhood.
Each of the band a builder,
Faces turned from the sod;
Some folks call it Masonry
And others call it God.

Well, to begin with, people, we are still very busy completing plans far our inspection and we certainly hope they will turn out all right.

We recently held our Mom's and Dad's Night. There was a very nice turnout, and again I am happy to say how glad I am to see so many parents interested in Job's Daughters and its work. I am hoping that all the girls do receive something from the Bethel's work that will be beneficial and that they might be able to use in their later life. Patience reaps many rewards.

That's all for now. I'll be seeing all you Job's Daughters around Inspection time! Bye now.

This will be my last monthly report to the Square and Compass for my term as Most Wise Master is drawing to a close. Perhaps a few personal observations are in order.

About twelve years ago, Ill. Brother Leslie S. Tucker (whose untimely death we still mourn) appointed me to the office of Captain of the Guards in the Rose Croix degree. I count that appointment as one of the most fortunate events in my life. It put me into intimate contact with one of the finest of all the Scottish Rite degrees. For twelve years I have heard and I have spoken those great affirmations of Faith, Hope and Charity which illuminate the Rose Croix degree. It has been a memorable experience. My life has been enriched and my religious faith has been strengthened.

My heart is filled with gratitude as I place the gavel into the hands of my successor. I wish him the best of everything and I know that he will receive the same fine cooperation from his officers and everyone concerned that it was my good fortune to receive.

Our Installation Service was beautiful with the stage having a large illumined cross and Easter Lilies and Palms. The East was a veritable garden with many beautiful flowers, white garden furniture, and even a bird bath with a drinking bird. Installing officers were Sister Sonoma Woodruff, Past Grand Matron; Brother Bill Schwartz, a Past Patron of our chapter and also Sister Audrey's Fraternal "Pop;" and Sister Eva Tucker, Grand Marshal. Sister Lucile Brattain was Grand Organist and Sister Gladys Thompson, Grand Chaplain. Brother Bill gave the Obligation to our Worthy Matran and she was escorted to the East by her husband, through an aisle formed by sister officers, the Octave Club and other close friends. The escort formed a long archway with green ferns.

Brother Bill was escorted East by his wife through an aisle formed by men of various Masonic lodges who are members of West Creighton Church. The choir sang numbers for both escorts.

After the Installation the new officers gave a Consecration service presenting the Worthy Matron with flowers which formed a big bouquet. Sister Audrey and Brother Bill gave short talks as did our distinguished guests in the East, who were Sisters Sonoma, Lettie Dickey and Leona Shady. Sisters Hattie Schwartz and Katherine Doudt (Fraternal "Mom") and Brother Judson West (Fraternal "Pop") were escorted East. They and Brother Bill Schwartz gave talks. Brother West is Star of the East's oldest member in years of Star Service.

Sister Jennie and Brother Cy were presented their jewels by Sister Kathryn Tierney and Brother Kenneth Strong. The choir sang "Bless this Chapter" and the Chaplain gave the Benediction.

Your new officers are happy to greet all of our members and friends and to tell you how appreciative we are of your many acts of kindness, words of encouragement and your loyal attendance. There was a receiving line for the new officers in the Lounge of the Colonial Room. The social committee served refreshments on the mezzanine. Past Matrons acting as hostesses were: Sisters Hattie Schwartz, Katherine Doubt, Isabell Winefer and Ginny Greek.

The DeMolays boys entertained with a Mother's Day Program at our May 12th meeting. The May 26th meeting will be our Memorial Service and we will have our first initiation. Our June 9th meeting will be preceeded by the annual Past Matron and Past Patron Banquet.

Past Matron of Star of The East Chapter, Sister Kathryn Tierney has been given the honor of being appointed Grand Representative of Louisiana in Indiana. Congratulations Sister Kathryn.

A bus was chartered for the choir and other members of the chapter, to the informal opening of Grand Chapter. The choir sang for the special escort of Sister Sonoma Woodruff. The choir also sang for the Memorial service for Brother Hilden Kiser.

A renewed interest in York Rite Masonry is being manifested by the Masonic Brethren of Fort Wayne designated by the ever increasing number of petitions being presented to the Chapters, Council and the Fort Wayne Commandery.

Due to the fact that both Chapters, the Council and Commandery suspend work during the months of July and August it may be necessary to call a few extra work nights in June and September.

The Commandery will no doubt confer upon a large class the Order of the Red Cross, September 3rd, Order of Malta, September 10th, First Section Order of the Temple, September 24th, then confer on the class the second section, Saturday afternoon and evening, September 26th. By following this procedure a greater number of the Centennial Class will be able to attend our Centennial Celebration, October 10th.

Sunrise services in charge of our Excellent Prelate, Eminent Sir George Winning were held Easter morning in the Fort Wayne Commandery Asylum. Sir Knight Arthur Rodemeyer read the scripture lesson and Rev. Christian Kocher, Pastor of the Forest Park Methodist Church, delivered a wonderful Easter message to around six hundred in attendance. Twenty-five members of the Mizpah Shrine Chaters under the direction of Lester B. Hostetler very beautifully conducted the song services.

A very tasty breakfast of orange juice, ham and eggs, sweet rolls, coffee cake, butter and coffee was served to around five hundred and fifty by Sir Knight Don Thrasher and his most able assistants. The officers of Fort Wayne Commandery were very gratified to hear many who attended our Easter services say, "It was one of the nicest services they ever attended." The Commander, generalissimo, captain general and officers of Fort Wayne Commandery wish to thank all those who were responsible for making our Easter services so nice.

By the time you are reading this Past Commanders Day will have been held and we know those valiant Knights will have done a nice job in the conferring the Order of the Temple on that date. The State convocation of the Grand Commandery at Hammond will have been held and Fort Wayne Commandery No. 4 Drill Corp will have done themselves proud there.

You Sir Knights that have not seen Eminent Sir Knight Morrow and his cast confer the Order of Red Cross and Sir Knight Carter Palmer and the Order of Malta cast are really missing something. The Commandery officers and the Drill Corps are doing very fine work in the Order of the Temple but your atendance will inspire them on to greater performances.

Don't forget stated meeting May 21st. Order of the Red Cross, May 28th. Order of Malta, June 4th. Order of the Temple, June 11th. Please Sir Knights "attend."

APRIL SHOWERS BRING MAY FLOWERS

We are looking forward to a flowery May in Beauceant. Our members are working so very hard to increase our membership and have done a very good job so far. At the rate the petitions are coming in we will have to add an extra initiation as we will have more candidates than we can handle at the scheduled initiation.

There was a good turnout at the Commandery pot-luck supper held April 11. We are looking forward to the May 2nd dinner with the Knight Templar Commandery No. 4 honoring its past commanders and Beauceant has the honor of serving this dinner.

We want to thank the Drill Team for their wonderful entertainment and eats at the April 21 meeting. It sure was a treat.

Illness: Louise Forks.

Don't forget June 3 when we are having Indiana night and a nice class of candidates to receive the degree. This will be a big night so be sure to attend this important event and share the good times we are having.

We've done it! We've done what? We've reached our goal for petitions this year and even exceeded the sought for total. Yes, 110 fellows have filed for membership during the '52-53 campaign, 10 over the goal. Congratulations to all you guys who brought in these members and especially to Paul Jasper, Don Surfus, Jim Frey, and Norm Miner who excelled in the first line signing drive. Mere thanks are hardly enough to offer Emery Tucker, Master Mason and member of our advisory council, for the fine help he has given us. Emery has been very instrumental in increasing the flow of petitions and boosting along our own members in the drive for the goal.

We will have a class for the DeMolay degree on May 26 that has seldom been equaled, both in size and character. Be sure to attend this meeting for a display gratifying to the heart of every DeMolay.

Our chapter has been saddened twice in the past month, both times by the deaths of fathers of two of our members. Deepest regrets and sympathies are forever extended to the families of Keith Bynam and Charles Estlick. God bless you both.

Welcome to Mr. James Heath of Baltimore, Maryland. Before his arrival in the Summit City, Mr. Heath served as the Active Deputy of the Grand Council for the state of Maryland. After getting accustomed to Hoosierdom, Jim plans to be very active in the affairs o four chapter. His person will most likely become very familiar to us, so welcome him and make Jim feel that he is one of us right away.

The introduction of Mr. Heath and petition voting comprised the April 14 meetin. As usual, entertainment was planned, but somebody stole our projector! Seriously though, the thing just wasn't rented in time. Sorry fellows!

We had the largest class yet this year present for the first degree on April 28. That meeting concluded the years activities for our officers as for the Initiatory Degree, and proved to be the best exhibition by our crew so far. Well done fellows, and Oscars especially for Norm Miner, Terry Day, Bruce Snyder, and Paul Jasper, the Orator, Senior and Junior Stewards, and Junior Deacon respectfully. How were the "bakes" boys? Rather good so I hear! A heap of cordial thanks to the Mother's Circle for making April 28 so enjoyable.

By publication date and the date of your reading, the new officers of the chapter will have been elected, but at the time of this writing the author knows not where fortune's wheel will stop. On behalf of our officers I welcome and congratulate the new top three. May you be blessed with the breaks we've had and God be with you that you may carry on the neverending work of a DeMolay, upholding the ideals of our organization, keeping and even bettering the chapter's standing. Walt, stay with them and make them do it! Good luck, men! Following the meeting, the officers were honored to perform for the "Star of the East" Chapter, O.E.S. Robert Nelson gave the Flower Talk and everyone had a graet time, refreshments and all. How about it, boys?

The Mother-Son Banquet will be held on May 15 instead of May 14 as scheduled. As one of the big events on our calendar, we as well as our mothers have been looking forward to this affair. Dashing decorations, exceptional entertainment, and meaningful memories will be there for all of to enjoy. I'm sorry for those of you who can't come, but happy that most of you will be with us.

The big, big night is soon upon us, the night of the Spring Conclave, May 26. The DeMolay Degree and Flower Talk will be presented to a class of 110 fellows, the fellows that your numerous petitions brought into our membership. Show these boys that our chapter is 100% behind them by attending this meeting, the last meeting for this group of officers, the last meeting that I will have the honor of presiding as your Master Councilor. Come on down, fellows, and show 'em what we DeMolays have in store for them.

The enlarged seating opportunity afforded in the Spring Convocation gave every member who was present and desiring a seat an opportunity to witness the 20° and 32°. We are not bragging that we can take care of everybody who shows up in the future, but 200 extra chairs took up all the slack needed for those who were here to enjoy those degrees this spring.

We want to thank those who took part in the 20° and 32° for their patience and the extra work required for giving the action of these degrees largely upon the stage in order to make room on the floor for 200 extra chairs.

Our special thanks to Illustrious Brothers H. Howard Etzold, 33°, A. Lee Johns, 33°, and Edwin R. Thomas, 33°, for their directing and coaching of the 29°, 20° and 21°. We had the coaching assistance for extra rehearsals of Illustrious Brother George Lehrer of Cleveland, who did some splendid personal work with a number of the characters, and directed the action for bringing the 20° and 32° forward to add to our seating space. Illustrious Brother Lehrer added much to the 20° by his strong portrayal of George Washington.

As was to be expected Illustrious Brother Howard Brown, who came from Cleveland to portray Constans in the Allegory of the 32°, rendered a masterful performance. The old timers who were in the Allegory with him a number of years ago and who gave their original parts, made that section of the 32° a complete success. These veterans I refer to were Illustrious Brethren Knowlton H. Kelsey, 33° and Edwin R. Thomas, 33°, and Brethren David Erwin, Arthur L. Aiken and John A. Palmer.

Class officers named were president, Lester R. Hinshaw, Winchester; Vice President, Charles G. Rader, Muncie; Vice President, Thomas R. Berkshire, Logansport; Vice President, Dr, Dale G. Treadwell, Auburn: Orator, Rev. Virgil V. Bjork, Roanoke; Secretary-Treasurer, Robert E. Lee, Fort Wayne; Historian, Fay W. Leas, Fort Wayne. As class orator Rev. Virgil V. Bjork of Roanoke, acquitted himself in a way that made a profound impression upon all those at the banquet.

Judge James G. Stewart of the Ohio Supreme Court of Columbus, delivered the principal address for the banquet. His active wit and keen knowledge of history gave him a foundation for impressing the power of Masonic principles in an entertaining and forceful way.

Illustrious Brother Rev. Frank H. Rupnow, 33°, now of Louisville, Kentucky, gave the invocation for the banquet. For the first time in many years Illustrious Brother Ora Richards, 33°, did not direct the orchestra which furnished appropriate music for the banquet. He is now retired and living in New Castle, but was in attendance for the Convocation. The orchestra was in charge of Brother Russell Wharton.

Illustrious Brother Edward C. Miller, 33°, and his right hand man, Brother Dale M. Redding were given an arousing ovation for the delicious food served at the banquet and tribute was paid to the long line of waitresses who served the dinner expertly.

Illustrious Brother and one of the trustees of our Fort Wayne Valley, William S. Mossman, 33°, performed the pleasant rite of presenting the beautiful jewel to Illustrious Brother Raymond E. Willis, 33°, of Angola, who was crowned with the distinction of the 33° in New York last fall.

After the choir under the direction of Brother Robert Shambaugh, had rendered four numbers in stirring fashion, the brethren cried for "more" showing their apreciation for our choral organization that is bringing distinction to our Valley and adding much to the color of the degrees.

Our Fall Convocation will be held November 10, 11 and 12. We are planning several interesting innovations and hope that you will help bring in another large and active class.

By the time this issue of Square and Compass reaches you, many of our Masonic affairs will be in the past, with others approaching. If you missed out on some of them, arrange to attend some of those coming up, enabling you to enjoy more of your Masonic wages.

Since my last article, visitations were made to: Auburn, Dekalb Lodge, 214; Garrett, Garrett City Lodge, 537; Toledo, Triad Lodge, 708. Annual banquet for our charter members, and Mortgage Burning Celebration were held. Fifty Year Gold award, presented to Frederick M. Christoph. Bro. Elmer C. Forks, Right Worshipful Senior Grand Warden, of the Grand Lodge, made the presentation. Twenty-five year Silver emblems were also awarded. Again, I would like to thank and extend my appreciation to the members of "Three Rivers Lodge, 733," for their splendid performance, in presenting the beautiful play, "A Rose upon the Altar," as part of our evening's entertainment.

Our Masonic Service Committee, made its first visitation, to the Veterans Hospital, on Monday, April 13th, and from all reports, had a very successful and enjoyable evening, with those confined to their wards. The next scheduled visitation, at the hospital, for Maumee committee is June 1st.

Bro. Roy S. Welty has been appointed chairman of our newly formed Masonic History Committee, and has selected the following Brethren to assist in this study: William H. Gingher, Shirley L. Scholer, Mark A. Hennigh, and Richard C. English. We are looking forward to some very interesting reports in the near future.

Brethren, polish up those golf clubs, as arrangements are already being made for our annual Golf tournament, to be held sometime in June. Tentative place: Auburn Country Club, on a Saturday. Date to be announced later. Paul Hayden, chairman.

Illness at this time April 19th, Bro. John E. Scott, Walter E. Shapeland, Frederick M. Christoph and Clarence A. Sesler. To each of you, a speedy recovery, Brethren.

Perhaps I should begin this message with an explanation that it is being written on Easter Sunday. Although its publication date is still some five weeks away, the story I want to share with you is, I believe, as ageless as time itself.

I should like to relate to you an experience which, although it happened a number of years ago, has remained fresh in my memory, just as though it had been yesterday. It was during a business trip to one of our large west coast cities, while taking an after-dinner walk, that I chanced to pass a very large bookstore. There were many, many items displayed in the window. Among other things, the store apparently sold religious material. Prominently displayed in this show-case was a very large and very beautiful Crucifix. It was the sign below it that made me stop. It very plainly said: "This beautiful Crucifix for sale on easy terms."

I have often wondered if that shopkeeper had any idea of the incongruity—almost the sacrilege—of the phrase he use. That a Cross—any kind of a Cross—could be purchased on easy terms. For that is exactly the opposite of the meaning of the Cross. We all know it as we worship in our churches and ponder on the meaning of a Christ who died on a Cross.

Yet, how symbolic is that phrase of the shallow faith of so many who try to buy the salvation of their soul on easy terms. And, many times, if it can't be bought on those terms, they are not interested in making the purchase. There are those who seem to feel that even regular attendance at a church is too great a price to pay, let alone make any appreciable contribution of their time or substance to further the cause which the church represents. They fail to remember that a man died that they might live. Every ounce of energy or fruit of that

energy they could possibly offer would not pay the interest on that debt, let alone reduce the principle.

You do not take up a Cross of any kind on easy terms. Those are the hardest terms that a human being takes upon himself. The terms of the Cross are suffering, sacrifice, pain, anguish and death. No one could ever take up any kind of a Cross on "easy terms." Nor does one ever win anything worth winning on "easy terms.'f The worthwhile things in life just do not come on easy terms. The closest we can hope to come to it is in giving a portion of our time "to the service of God and a distressed worthy brother." Yes. and even here, if we do not feel a little pain. we will not enjoy the true happiness of giving. Such pains should be attributed to growing pains: namely, our growth to full Christian and Masonic stature.

The equivalent of one hour a day to the service of God and a distressed worthy brother is but 4% of your time. A mighty low interest rate on the debt we owe to Christ. Let every member truly search his heart and "pledge" each according to his means.

In the Spring of the year when it is such a pleasure to behold the handiwork of God, we ought to feel a new kinship with a Christ who died on Calvary for something in which He profoundly believed—that a world of humanity —you and I—was worth dying for. Can we justify that faith? Is our faith strong enough to take up His Cross and carry it onward?

Brethren, we have another mighty fine class of candidates this month. We hope to have each and every one of you with us to help confer the work. It has been often said, and is worth repeating, that your mere presence is an inspiration to those exemplifying the degrees. We'll be looking for you next Friday.

Don't forget our dance in the Ballroom of the Temple on May 9. Your admission is by your 1953 dues card. Bring a guest couple and join the fun.

It has been brought to my attention that brethren assigned to investigation committees have, on a few occasions, failed to report or have failed to assign a reason for not doing so. It is a Masonic offense to ignore such a communication and it is difficult for a Master or Secretary to inform a petitioner, who is anxiously awaiting a report from the lodge, that he must wait another thirty days because the committee, without just cause, failed to make a report.

Committeemen are usually selected that live in the general vicinity of the petitioner yet the necessary information cannot be obtained in the last day or two. The committeemen should go to work promptly and do the job thoroughly. If for a good reason he is unable to make the investigation he should immediately notify the proper officer so that another member may be selected. Each brother selected receives a complete letter of instructions containing this paragraph—

"Above all, it is most important that a complete report reach the Secretary promptly, as the lack of your report may cause the petitioner to be held up needlessly. The Grand Lodge Laws also require you to report orally on the floor of the Lodge at the stated meeting. If you are in doubt about any point, get in touch with the Master or one of the Wardens for advice."

Brethren, the strength of Masonry in the future depends largely upon the kind of job you do as a member of an investigating committee, so fulfill your obligation to the fraternity and do the job well.

The visitations mentioned in last monht's Square and Compass have been canceled because the lodges concerned were unable to select dates which would not conflict. There are still other possibilities however, and you will be notified as they develop.

Our event for this month will be a Square Dance for members and their guests to be held Saturday, May 23 in the Temple Ballroom. Tickets will be $1.00 per couple—get yours early. This will probably be the last Square Dance before the summer vacation period so let's make it a good one.

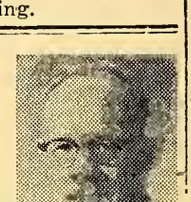
Brethren have you rested yet? That Square Dancing can be work as well as a lot of enjoyment. I am sure a good time was had by all and I thank each of you for your attendance.

Your Master Wardens and their wives traveled to Chicago, Ill., the 2nd and 3rd of April for a Tri State Commitee meeting which was called by advance Lodge 1039 of Chicago, who will be the host for the Tri State visitation to be held October 10th and 11th. Plans were made for the October meeting. Brethren, if you have not made known your intentions to attend this meeting contact Cles Erb as soon as possible.

Our annual Early Bird Breakfast will be held May 30th. Lodge will open at 4:00 a.m. Master Mason degree will be conferred on one candidate and then breakfast will be served at 6:30 a.m. Those of you that are unable to attend our evening meetings, here is an opportunity for you to come down in the morning. Set the alarm and be sure and attend.



A nice group from Home Lodge attended Grand Lodge at Indianapolis on the 19th and 20th of April. It was a pleasure and an honor for your Worshipful Master to represent Home Lodge at this Grand Lodge session. I recommend for everyone that is able to do so to attend Grand Lodge some time or other in his life. It is a fine feeling to meet with so many Brother Masons over the state of Indiana and distinguished visitors from other states too. Plan to attend in future years.

We have several new sick brethren on our list. Look for us, brethren, we will try our best to see you. I would like to congratulate the Sick Committee for the way they are making sick visitations. Keep it up brethren, your work is very much appreciated.

Don't forget, members of the Home Lodge Craftsman, we have a lot of degree work to take care of this month. I hope to see many of you participating in the work. Try to bring a new Craftsman with you at each meeting.

Greetings Companions! By the time your read this your chapter will be working on the last class of candidates before summer vacations. At present writing all indications are that this will be a large class. So just in case you have not been able to attend Chapter so far, mark the following dates on your calendar: May 18 Stated Meeting. May 25 Mark Master. June 1 Past and Most Excellent Master. June 8 Royal Arch Degree. June 15 Stated Meeting.

The balance of the month of June will be used to confer such degrees as are necessary to finish up those candidates that have not completed their work by June 15. This will be the last class to receive the degrees before our annual meeting in September. However, do not let this deter you Companions in bringing in that friend's petition. For it would be highly pleasing to your officers to open the fall season with a full schedule and a large class.

On April 15th a group from Fort Wayne Chapter journeyed to Huntington to witness the conferring of the Royal Arch Degree by that Chapter. It was time well spent and an evening thoroughly enjoyed.

Companions you have been reading in this column from time to time about the desirability of a Keystone Club. At last the formation of such a club seems possible as several Companions have expressed a desire for such an activity. Companion W. N. Fruse has been appointed Chairman in the formation of this Club. Our Chaplain Roger Shaffer has been appointed assistant chairman. The Grand Council will support and give such assistance as may be necessary in casting and coaching the various parts.

April 30th will be a date well remembered by all Masons. The burning of the mortgage on that date is indeed another milestone and another epoch in our history of which all Royal Arch Masons may well be proud. We wish to join with those others in saying, "Congratulations" to those who have labored so faithfully to the consumation of this glorious event.

Another year has passed leaving many pleasant memories. Shiloh Chapter, No. 141, looking to another year, installed their new officers on Tuesday, March 31st. Sister Pauline Dinius gave her closing message of a very successful year a Worthy Matron along with Worthy Patron, Harold Hart. Distinguished guests introduced were Sister Sonoma Woodruff, Past Grand Matron of Indiana Grand Chapter; Sister Lettie Dickey, Past Jr. Grand Ruth of General Grand Chapter, Past Grand Matron of Indiana Grand Chapter and Past Matron of Shiloh; Brother Ben Ben Bennett, Past Grand Patron of Indiana Grand Chapter and Past Patron of Shiloh; Sister Leona Shady, Deputy for District No. 14 and Past Matron of Shiloh and Sister Lois Young, Grand Representative from New Brunswick, Ohio. Brother John Thomas, Past Patron of Shiloh, gave the invocation.

The Commandery Room was appropriately decorated for the occasion and the Easter season. In the East was a large illuminated Cross, large hampers of Calla lilies and a garden setting that included pink hydrangeas. Behind each point's chair was a corresponding colored Cross decorated with flowers.

Sister Lettie was the installing officer assisted by Sister Verna Bloom, Past Matron; Florence Wolverton, Grand Marshal; Elva Maggart, Grand Chaplain; Rose King, Grand Organist. Sister Verna gave the obligation. Our New Worthy Matron, Sister Alta Current, was escorted to the East by her husband, Philip, while the Choir sang, "My Prayer for Today." As they were approaching the East, her Matron, Sister Points and officers, carrying wide satin streamers, formed an aisle and then made star formations representing the White Star of Purity and colored star of Fidelity,, Constancy, Loyalty and Faith. She was then met by her sorority sisters who presented her with a sheaf of yellow roses. When she reached the East, Sister Lettie presented her with the gavel made by Brother Emmett Young.

Our new Worthy Patron, Brother Russell Sloan, was escorted to the East by his wife, Sister Alice, while the choir sang. A group of the Shrine Band, in full dress attire, of which he is a member, formed an aisle for him to pass through. Other officers installed were Associate Matron, Edna Elzay; Associate Patron, Paul Elzay; Conductress, LaVerne Shaffer; Associate Conductress, Justine Miller; Secretary, Florence Obetz; Treasurer, Frieda Brooks; Organist, Dorthea DeForest; Adah, Margaret Whittenberger; Ruth, Jessie Tegmeyer; Esther, Louise McCoy; Martha, Alice Sloan; Electa, Mable Spencer; Warder, Routh White; Chaplain, Audrey Thomas; Sentinel, Rosella Glocke; and Marshal, Pauline Dinius. Sister Pauline was presented the Past Matron's Jewel by Sister Leona Shady, her Worthy Matron and her points gave her flowers. Sister Pauline's two daughters gave an appropriate little skit welcoming their mother back home. Sister Alta has chosen as her motto for the coming year, "Peace, Harmony and Love." Sister Dottie Hall gave the closing prayer.

Following the stated meeting, April 9, a reception was held for the new officers in the Chapter room. Each officer received a small colonial bouquet containing a handkerchief. Sister Leona Shady, Deputy for District No. 14, was honored by her chapter. Several officers attended Grand Chapter on April 21, 22 and 23rd.

We will observe Mothers Day at the stated meeting, May 14.

An overflow crowd of members and friends were present to witness the beautiful installation ceremonies of Anthony Wayne Court No. 3, on April 1st, at the K.P. Hall. Many Grand Officers from all parts of the state were present, and assisted in the ceremonies. Following the opening ceremony, the room was darkened and a beam of light was played on the American Flag, while the Ode to the Flag was given by S. K. Alfred Schell, Grand Lecturer. H. L. Georgia Garrett, retiring Royal Matron, and S.K. C. Elmer Chalfant, retiring Royal Patron delivered their farewell addresses. Both expressed their appreciation to the retiring officers, and the membership for their co-operation during the past year, and expressed their best wishes and congratulations to the new officers. The retiring Royal Matron then requested the Officers taking part in the uncrowning ceremony to assume their stations. H.L. Mary Ellen Sible, P.G.R.M. escorted H.L. Georgia Garrett to the foot of the throne, where she removed the Crown and Robe from the retiring Royal Matron, while S.K. Chalfant sang a solo. H.L. Florence Geiger served as Crown Bearer, H.L. During a short intermission several piano selections were rendered by Miss Margaret Rose Schell, daughter of the Royal Matron elect. The lights were again dimmed while H.L. Lettie Dickey, P.G.R.M. was escorted to the throne by H.L. Hazel Dehler, and H.L. Loretta Rippe, D.G.R.M. carrying lighted candles. The candles were then lighted on the candlebra placed on either side of the throne. H.L. Lettie Dickey presided as Mistress of Ceremonies and introduced S.K.C. Elmer Chalfant as Installing Officer. SCOTTISH RITE CHORUS GROUPS PRESENT PROGRAM AT QUIMBY

The first Scottish Rite Triad Choral Concert ever held in Fort Wayne drew more than 2,000 persons to hear the Scottish Rite male choruses from Indianapolis, South Bend, and Fort Wayne sing Saturday night at the Quimby Auditorium.

The combined choruses, totaling 81 voices, opened the program with "The Star Spangled Banner." The Indianapolis group, directed by Edwin J.. Biltcliffe, sang five numbers. Robert J. Pfleiderer was the accompanist.

The combined group sang "The Lost Chord," followed by five numbers sung by the South Bend choir, directed by Edward E. Soetje and accompanied by Mrs. Mary Christman.

Schubert's "The Omnipotence" was then presented by the combined group, with Mrs. Jeanne Bientz, Auburn, as the soprano soloist.

FORT WAYNE GROUP SINGS

The Fort Wayne chorus, directed by Robert F. Shambaugh, followed with five selections. Harry D. Brattain was the accompanist.

Shambaugh directed the three groups in "The Battle Hymn of the Republic," which concluded the program.

Plans are now being made for the Fort Wayne chorus to go to Indianapolis and South Bend in the fall to take part in similar programs, Shambaugh said.

He said that Melvin G. Honeck, chairman of the committee of general arrangements for the concert, originated the idea for the Triad Choral Concert. Assisting on the committee were C. Edward Johnson, Elmer S. Wilkens, and Edward H. Purcell.

Edgar B. Ball was chairman of the door committee and W. Carl Huber was in charge of the ushers.

I am happy to report that the stated meetings as well as the called meetings the month past have been very well attended. I wish to congratulate the brothers who have taken part in the work which has been so well given at the called meetings, which I know we have all enjoyed.

I want to remind you brothers who have not been able to attend these meetings of the things you have missed and urge you to attend all of the meetings you possibly can.

There are also some Changes Made in the Lodge room which you will be interested in, Lighting effects being the principle ones.

The next two months we will be very busy in trying to complete the work we have on hand before vacation, so try not to miss out on anything. We will try to make it enjoyable for all of you.

Bro. Glen Castle who was in the hospital over the week end undergoing a throat operation which was successful is back home again but with this handicap. He dares not talk back to his wife. Ha, Ha. The doc gave him orders not to talk for at least a week.

On the second Sunday of next month, May 10th, Mother's Day let us do our best to make it a great day for her whether we are lucky enough to have her with us yet or not. The following I write as a tribute to my Mother, God bless her and to all mothers God bless them all.

As I sit here tonight a, dreaming,
Dreaming of days that have flown.
Fond thought, called back by memories,
Of childhood days that are gone.

I see in my vision my mother
As I saw her in days gone by.
As I knelt at her knee before bedtime,
Her hand I can feel on my brow

That hand roughed with toil, yet so gentle,
As only her hand could be,
As she petted caressed gently stroking
That white head there close by her knee.

Could a face be more fair or more divine
Than hers lined with sorrow and care?
Her head crowned in white, a halo so fair.
A love in her heart that will last to the end.

It seeems as I listen that again I can hear
Her voice in that sweet lulaby,
As she sang me to sleep cuddled up close,
By the fireside in that old rockingchair.

Oh, tell me could heaven be sweeter than that?
Could the Angles sing sweeter than she?
If so dear friend I'll tell the world
Tis Heaven where I want to be.

Oh please give me back those childhood days
Put me there once again at her knee.
Let me live all over and be the man,
That mother would have me be.

CAN ROMAN CATHOLICS BECOME MASTER MASONS?

So far as Masonic Constitutions are concerned, there is nothing whatsoever to prevent Roman Catholics being initiated into our Order. In fact, at least one Pope (Pius IV), many cardinals and superiors of religious orders have belonged to Masonry. In Ireland there was even a Lodge exclusively for Roman Catholic priests. Lord Petre, who was at one time Grand Master of the Grand Lodge of England, was considered a Roman Catholic "leader" in Great Britain. Honorable Claude Denechand, first Canadian to be elected Grand Master of Canadian Masonry, was a practicing Roman Catholic and is buried under the altar of the Parish Church at Rerth-ier-en-bas. Daniel O'Connell, the champion of Irish Independence and of the Roman Catholic Church, was a Master of a Masonic Lodge.

However, the Roman Catholic Church, through Papal bulls proclaimed in 1738, 17-1, 1814, 1832, 1846, 1865, 1869, 1884, and 1890, forbade all Roman Catholics, under penalty of excommunication, from belonging to Masonry, though there is absolutely nothing in Masonic ceremonies that might be offensive to the most devout Roman Catholic. This statement is not ours. It is that of the Earl Gray, Marquis of Ripon, a past Grand Master of the Grand Lodge of England who became, in his late years, a convert to the Roman Catholic Church. You will find it quoted in booklet No. 229 published by the Catholic Trust Society of England. It author is Jesuit Father Hubert Thurston.—Masonic Light (Montreal).

FREEMASONRY AND FREE GOVERNMENT

No institution teaches more plainly the fundamentals of good citizenship than Freemasonry. The virtues which characterize a good citizen are found in its obligations and charges, while its ceremonies remind us of the duties we owe to constituted authority. A Mason may, of course, indulge in fair criticism, and even advocate changes, in a sincere desire to champion any cause which endeavors intelligently to build a better human order. It is of the essence of free government—Van Dyke. —Iowa Bulletin.

Brethren we will have a treat in store for us on Fellowcraft night the third week in June, in the kitchen immediately following of the conferring of the degree work.

Brother Dale Smiley who was in the Air Force in Korea will show motion pictures taken by him while in Korea. "Don't miss this Nite." We also thank Past Master Melvin Westbrook for th fine pictures he has been showing on Fellowcraft nights.

Brother Harry E. Wineland was presented with the 50 year gold award at the Stated Meeting in May. Brother Elmer C. Forks, Right Worshipful Senior Grand Warden of the Grand Lodge of the State of Indiana acting as Special Deputy Grand Master gave the presentation. I am sure all those present were deeply inspired by the ceremony. We congratulate Brother Wineland on his attainment to this honor and we hope he will be privileged to serve the fraternity for many more years.

Conferring of the degree work will be be discontinued during the months of July and August. Stated Meetings will be held as usual for these two months.

Brother Ed Klomp reported that Brother Everett E. Miles is greatly improved.

Brother Walter Hilyard is confined to the Lutheran Hoopital for an operation. We wish him a speedy recovery.

Brother Ed Yahine who has been confiined in the Vets Hospital at Big Springs, Texas, is being transferred to the local Vets Hospital around the first of June. Visitors will be welcome.

If you know of any other brothers that are ill at home or in hospitals, please inform your lodge.

The month of May marks the beginning of a new and better concept of the meaning of Brotherly Love and Affection, as applied to our everyday life, for newly made Master Masons.

Brothers Clarence E. Yoder and William Glen Fisher were raised to the sublime degree of Master Masons May 7, and brothers James A. Cutshaw and Martin C. Fuelling were raised to the sublime degree of Master Masons on May 28. Preceding the initiatory work on May 28, a banquet was held to honor the new Brothers and we hope the spirit of fellowship and goodwill that accompanied the banquet and initiation will prevail at all times among the brothers of the Fraternity.

As Master of the lodge, I want to thank the ladies of O.E.S. for the delicious banquet served and also to compliment them on the table arrangement and decorations. The tables were arranged to form a square and compass and were decorated with garden flowers. The bouquet evidently was the result of much planning and hard work and our hats are off to the ladies responsible for this very enjoyable banquet.

On May 19, your Master attended Grand Lodge at Indianapolis and was very much impressed with the speed and efficiency with which so much is accomplished in so short a time. We hope the incoming Grand Lodge officers have a happy and successful year.

On May 13th the O.E.S. performed a ceremony of initiation for Mrs. Mary Jane Meyers. We welcome our new sister and invite her to attend all meetings.

On May 27th we observed Past Matrons and Past Patrons night. Those taking part in the work were: W.M., Sister Mary Alice Barkley; W.P., Bro. Verlon Barkley; A.M., Sister Margaret Johnson; A.P., Bro. Marvin Hively; Con., Sister Gertrude Wyss; A. Con., Sister Gladys Webster; Sec'y., Sister Doris Fuelling; Treas., Sister Ada Bauseman; Mar., Sister Isobel Jackson; Adah, Sister Arlene DuVall; Ruth, Sister Ella Peckham; Esther, Sister Alta Marquardt; Martha, Sister Lora Etter; Electa, Sister Irene Webster and Warder, Sister Pearl Pillers.

Sister Minnie Spake, a Past Matron and one of our three living Charter members, was escorted East and presented with flowers. She also accepted a gift for the Chapter, a new sheaf which was given by those who attended Grand Chapter. namely Brothers Lee Wette, Sisters Helen Witte, Louella Raber. Ferrol Van Buskirk and Anna Pillers.

There were several other Past Matrons on the side lines. We were happy to have them with us again.

You may recall a statement we made at the beginning of the year to the effect that friendliness and cooperation go hand in hand and accomplish much in the name of success. Your worthy matron is pleased to note that so many of you have followed along this line of thought to help her achieve the things that have already come to pass so early in the year. Just for example, our chapter enjoyed a wonderful birthday party and pot luck supper—and although the affair is already a memory in her scrap book, it will not soon be forgotten. Our MayPole card party is another splendid example of this same spirit. The personal effort, co-operation and friendship that went into both of these occasions and made them the success that they were is rewarding indeed when one observes the unity and friendship which grows with the chapter when such people work together. Be assured that your worthy matron is most grateful to eferyone who had a helping hand to offer in helping her achieve these projects.

On June 5th our chapter will be honored with the presence of our District Deputy. I know that many of you will be anxious to meet her. We hope to have the new ribbons ready for the star points to wear at her official visit. You will recall that NeCaWa presented these to Sister Doris during her year, but due to unavoidable circumstances they were not ready for use prior to this time. Don't forget that date now, June 5th. The District Deptuy will be here to appraise our chapter so lets put on our best bib and tucker and turn out a crowd to make her eyes pop.

What with spring bursting out all over and mother nature surprising us once more with her annual miracles of seed and rain and sun it hardly seems appropriate to have any sorrow in our chapter. But sorrow there is, to a degree that few of us are capable of understanding. We are speaking of the untimely deaths of the grandchildren of our junior past patron, Bill White and his wife Lillian. The infant son of William White Jr., and the infant granddaughter of Jane White Bitzinger both died at birth within a few days of each other. I'm sure they have the sympathy of all of us.

Sister Gladys Fritz is still seriously ill at the home of her son. But no matter how ill she is she still enjoys the many greetings and visits she has received through her association with our chapter. Katherine Robb is recuperating at home from a minor surgery along with Cleo Holden. We are very happy to report that Louise Forks and Helen Moore are finally on the convalescent list and will soon be back among us again. Vada Woods is recovering from a nasty bout with the flu and her granddaughter had her tonsils out. If you should note a new gleam of happiness in Blanch Watson's eye its because another grand child has been added to the family tree.

NeCaWa wishes to announce that the May meeting was held at the home of Ethel Kruse without a quorum. It is suggested that all members attend the next meeting for a discussion of the membership problem. The time and place will be annuonced at a later date and members will be notified by mail.

OVER THE BACK FENCE: Do you know a new member who has not attended chapter very often? It may be because they are shy and don't know too many of us. If you do, we'd like to suggest that you bring them to chapter with you. Make an occasion of it and introduce them to your friends. Make them feel at home and they'll come back. You may find a new friend in addition to helping someone else learn more about our chapter and benefit from our order.

Am I too late to remind you that any rummage you may run across in your spring cleaning should be stowed away for our rummage sale next fall? Hope not. This is sort of an advance notice so you can keep it in mind this summer too. You'll find lots of things as you bring out summer clothing and put away winter clothing and vice versa so get a box fixed up in the attic and label it Trinity Chapter rummage sale. In case you forget, we'll remind you again next month, same time, same By-Line,

Margot J. Kayser,
Publicity Chairman

Let us all rejoice in the purchase of the spacious Quimby Auditorium by the Scottish Rite as an opportunity to present our degrees on one of the largest stages between New York and Chicago and with more than 2,100 comfortable seats in which our brethren may view the work.

But let us not be impatient about getting "over there" right away for there are many details and some construction work to be done before we can fully take over and conduct our convocations in our new home.

Citizens of Fort Wayne are grateful that our civic minded trustees and officers voted unanimously to allow our new auditorium to be used for civic gatherings as an expression of our community good will and desire to be of public service.

Our fall Convocation to be held November 10, 11, 12, will be conducted in our present Scottish Rite Cathedral with all the degrees presented on the historic floor which has resounded with the eloquent changes of our outstanding ritualists for many years.

We will work out the 32° again so as to give up a part of the floor space for additional seating on Thursday afternoon.

Our faithful brethren from Huntington County will enact the 24° on Thursday afternoon just ahead of the 32°. Their work is always of the highest order and you will want to be present for that heavily cast degree.

We have another very effective Ohio speaker engaged for the banquet. He will return from a trip to Europe just before our convocation and will add much thought provocating material to his wealth of humor.

If we will each one get a candidate this summer we will have a strong class for the November Convocation.

You will all be pleased to learn that the Fort Wayne Scottish Rite Bodies are the owners of the Quimby auditorium. Final settlement was made on Thursday afternoon May 28, 1953. Now we must plan how soon we can start degree work in our new home. Much work must be done before we can realize this goal. However, the step has been made and our plans will be worked out as soon as possible. We ask the cooperation of every member at this time.

During the months of June, July and August, only one stated meeting will be held and that will be the first Tuesday at 7:30 p.m.

Our membership will be interested in learning that the six months rule of the Grand Lodge of Indiana has been rescinded. The only requirement now is that the petitioner proves himself proficient in the work of the three degrees of the Blue Lodge. This should enable you to speak to those who have recently completed their work and obtain a petition for the fall class which will be held on November 10, 11 and 12th.

The officers wish you and yours a very pleasant summer and hope that you will return in the fall with renewed vigor for the activities of your Scottish Rite.

Were you at the Charter Nite Banquet? If you were, then you must have had a very enjoyable evening. Everyone ate their fill of delicious ham and beans ably served by the fellowship club. I would like to thank the Fellowcraft Club and Jim Meeks for an excellent job well done for the Brothers. After the meal we returned to the lodge room to confer the second section of the Master Mason degree upon Bro. Robert Crow of California and Bro. Walter Parrot of Wayne Lodge.

It was a pleasure to extend the courtesy of the Lodge to the Grand Lodge of California and to our sister Lodge.

Brothers, let me urge you to make every attempt to attend the stated meetings for the next few months, as the Lodge is faced by some very weighty problems. We will be conferring the degrees during the month of June.

Last evening the Lodge stood in silent prayer while the Lights were being closed. We had lost a dearly beloved Brother. The Lodge mourns the passing of our Trustee Ed Greer. He will be missed by all the brothers of the lodge. He was faithful to his task. He served his lodge well and his loss will not be easily replaced. Ed was a charter member of South Gate, and Past Master of Titusville Lodge in Pennsylvania. But we rejoice in the knowledge that those of us who are faithful will meet again in the Grand Lodge above.

Brothers, it is difficult to realize that the Fifth Charter Nite has passed. South Gate is growing in numbers. In fact, the membership has almost doubled. This requires more work from your officers and more assistance from the members. The past few months have been very gratifying to your Master. Your officers are working hard and the members are pitching in to help.

Come to the Lodge and meet your friends and enjoy an evening of fraternal fellowshhip.

THE LION . . . TRIBE OF JUDAH

Not so long ago a query was propounded by a man who had been made a Master Mason the night before. He said, "What can you tell me about a lion and Judah " Simple question, but not so easy to answer.

But in your conversation it was narrated to him that Judah was the fourth son of the patriarch, Jacob, and it was Judah's descendants that became the most distinguished of the twelve tribes. On account of this, the whole of Palestine is sometimes called Judea or the land of Judah.

The device on the banner of this tribe was a lion. And we recall that it appears in the symbolism of Masonry. In the third degree he becomes a symbol of the resurrection. It recalls the symbology of the medieval ages which was founded on a legend that the lion's whelp was born dead, and only brought to life by the roaring of its sire.—P. C. Somerville. Greetings Companions! By the time this appears in print your Chapter will be getting ready to close down for the summer and a well earned vacation! It will be concluding the conferring of degrees on a class of fifteen candidates, most of whom are continuing their search for "further light in Masonry" by petitioning for the balance of "York Rite Masonry."

With the conclusion of work on either June 22nd or 29th, the Chapter robes will be sent out for a complete overhauling and cleaning and made ready for the opening of another big year following our annual meeting in September.

Progress is being made in the formation of our Keystone Club. Companions, step up to Companion Kruse and say, "I want to help in that Keystone Club." There is a spot for each one of you.

At this time I want to thank each one of my officers for a grand job well done. And I want to thank all Companions for their wonderful support in the months just past. And now as we enter the vacation period, have a good time. Remember the Book of Books is a good Companion on any trip; Remember our stated convocations on the third Monday of July and the third Monday of August. And Remember the Best Safety Device for a safe journey back home is about Nine Inches Above the Shoulders.

Past Commanders Day was observed by Fort Wayne Commandery Saturday afternoon and evening, May 2nd, and we believe that the very nice attendance will attest to the fact that the committees in charge of all arrangements did present a very beautiful program.

The Memorial to the departed Eminent Sirs consisting of a candle ceremony, a short memorial address by Eminent Sir Rev. Beck followed by the Shrine Chanters singing "Nearer My God to Thee," was most impressive.

Sir Knight O. A. Dellinger, Master of Ceremonies gave a short address to the "Living Past Eminent Sirs," paid a high tribute to their Templar accomplishments, after which the Chanters sang, "Onward Christian Soldiers."

Sir Knight E. C. Forks, Senior Grand Warder of the Grand Lodge F&AM of Indiana, delivered the principle address, it was one of those outstanding off the cuff talks that Sir Knight Al is so famous for, and was thoroughly enjoyed by all present.

Previous to the dinner that was so nicely prepared by Sir Knight Don Thrasher and served by the local Social Order of Beauceant, the eighteen Past Eminent Sirs present conferred the first section Order of the Temple on four Knights of Malta then created three of them Knights of the Temple. Immediately after dinner the Commandery reconvened in the Asylum and the line of officers relinquished their stations to the Past Eminent Sirs who then created Rev. J. Luther Seng, Pastor of St. Lukes ULCA Lutheran church, a Knight of the Magnanimous Order of the Temple.

The manner in which the Past Eminent Sirs conferred the Order of the Temple was surely an inspiration to all. Fort Wayne Commandery is sure proud of its Past Commanders.

The annual Conclave of the Grand Commandery was held in Hammond, May 8th and 9th. The regular business sessions of the Grand Commandery were held in the Masonic Temple Friday and Saturday mornings. Election of all the Grand officers for the coming year was held Saturday. Eminent Sir Paul G. Smiley of Washington, Ind. was elected Grand Commander. Our own Eminent Sir Samuel S. Geake was elected Grand Generalissimo. The Fort Wayne Drill Corps won the 3rd place award in competitive drill at Hammond Staurday afternoon, only being beaten out of 2nd place by South Bend with a score of 87.7 against ours of 84.7. "Nice going boys." Fort Wayne commandery won the attendance prize with seventy-one Sir Knights and Ladies attending. A most enjoyable time was reported by all.

With Past Commanders Day and the Grand Commandery Conclave over, thoughts and plans are being centered on the High Light of Fort Wayne Commandery's Centennial year, our Centennial Celebration October 10th. The entire Grand Commandery of Indiana will be in Fort Wayne on this date and will confer the Order of the Temple on one Knight of Malta, and will at this time constitute each Knight created this year a member of the Fort Wayne Commandery (Sol D. Bayless) Centennial Class.

Petitions for the Orders are coming in at such a rapid rate that we now have our sights on a Centennial Class of one hundred. It is a well known fact that many Companion Royal Arch Masons living in or about Fort Wayne neighboring towns have desired becoming members of Fort Wayne Commandery No. 4. This was made possible at the 99th Conclave of the Grand Commandery at Hammond May 8th and 9th. Concurrent jurisdiction was recommended for the entire state of Indiana. Any Royal Arch Mason many petition any Commandery in the state so long as he does not live in a Town or City that has a Chartered Commandery. Lets see those petitioners now, become members of our Centennial Class, and have that honor of being proclaimed so, by the Grand Commandery of Indiana on October 10th.

The Order of Red Cross will be conferred on May 28th, Order of Malta June 4th, Order of the Temple June 25th and possibly Saturday afternoon and evening June 27th.

Each of us has in his heart a little try square called a conscience, by which to test each thought and word and deed, and determine whether it is true or false. By as much as a man honestly applies that test to his own heart, and his relations with his fellows, by so much will his life be happy, stable and true.—Masonic Historiology.

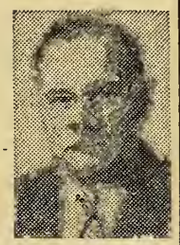
It hardy seems possible that we have almost arrived at the half way point of the Year 1953 and that vacation time is almost upon us once again. This has certainly been a busy six months for your officers and those faithful brethren whose love for the Fraternity has been expressed by their attendance at every function of their Lodge. Unfortunately, there are still many members of our Order whom I have not had the pleasure of meeting in the Lodge room during this first half of my year as your Master. I regret this, not only because I have been denied a personal pleasure, but because it, in a large sense, may be an indication that your membership does not mean to you all that it should. The success of the Masonic Fraternity depends not upon the numbers of its membership but rather upon the amount of masonry in its members.

The mighty oak tree does not withstand the forces of time and nature by the aid of but one or two roots. No, it is equally dependent upon the support of hundreds of roots, some big and some small. So it is with your Lodge. If Masonry has entwined her roots about your heart as she has the hearts of so many, she has signified her trust in you. Your strength is her strength. Your weaknesses are her weaknesses. Masonry is founded on the brotherhood of man and the fatherhood of God and it is only as a unit that we can hope to survive and progress.

In this world of speed, tumult and excitement, it is especially important that every Mason stop frequently to take a spiritual inventory. Have you asked yourself recently, "Why did I petition the Masonic Order?" Did you receive that for which you sought? If you did not, why not? Was it because of some weakness in the philosophy of Masonry? Or is it because of some weakness in you?

In the Masonic world, a Master Mason's wages are as large as he wants them to be. He can ask any wage and get it if he is willing to work for it. No labor union sets the scale; the law of supply and demand does not operate; neither cupidity nor generosity is involved. The only question asked is: "Can you earn the wage you ask?" A Master's wages are paid in coin of the heart, not of the mint. They are earned by what a Mason does with his mind, not his hands. In operative days, a Freemason set so many stones and received each his penny. In Speculative Freemasonry, a Master builds into his spiritual temple as many perfect ashlars as he can and receives for his labor uncounted coins of happiness, satisfaction, knowledge, understanding and spiritual uplift.



In operative days a Mason's earning power was circumscribed by his strength and his skill. In Speculative Masonry a Mason's earning power is circumscribed only by his wit and his desire. He may learn his lectures receive his penny, and be satisfied. Or he may see them for what they are: only an introduction, a gateway, a sign pointing out the path and read and study and ponder until he has earned not one but a handful of pennies, each penny a thought, each thought a blessing, making life easier to live.

A Master Mason builds. Before he builds, he digs a foundation. How firm is your foundation? Its strength will determine the heighth of the spiritual temple you can hope to erect. There is a lot of "spade work" done every Friday night in the Corintihan Room. This a summons, my brothers.

June 3 was a full night for the Social Order of the Beauceant. We held initiation services for a full class ably assisted by visiting sisters of other assemblies of Indiana who had joined us for an Indiana Night. A pleasant itme was had by all.

The dark months are soon with us and so we wish you a pleasant summer and are looking forward to seeing you in September.

The eyes of the world cannot see a system of morality, but they can see its advocates. The words, "That man is a Mason," may be a benediction or a sneer, depending on you and on me.—The Freemason, Canada.

Brethren this has been a very busy month for everyone. On the 2nd day of this month, the two Wardens and your Worshipful Master traveled to Chicago for a Tri State Committee meeting, with Advance Lodge 1039 being the host. Plans were made for the Tri State Meeting to be held October the 10th, in Chicago. I hope many of you are planning to attend this meeting. The time is several months away, but it always helps to keep reminding each one, so the day does not slip up on you.

On the Stated Meeting on the 5th we elected 7 candidates for the Degrees of Masonry, with this many candidates the Lodge Craftman were kept quite busy. It was a great opportunity for the new members that have been assigned parts in the Second Section of the Master Mason Degree, to help confer the work. You Brethren that took part for the first time, I would like to congratulate each of you, the work was well done, no matter how large or small the part may be, it makes a person feel fine to know that he has helped in his way to bring Masonry to one receiving it for the first time. Keep it up Craftman.

On the 11th, the Second visitation was made by Home Lodge to the Veterans' Hospital. One complete cycle has been completed by the 7 Blue Lodges of Fort Wayne, now we are starting on the Second round. Brother Fred Kruepper has done great in getting enough Brethren together to make this visitation once a week. It takes about 6 men every week from the various Lodges to make this visitation. If you feel like you would like to help call Brother Fred Kruepper A-96225, he will be glad to put your name on the list.

On the 19th and 20th Your Master and both Wardens attended Grand Lodge at Indianapolis. A very fine session was held and I am sure all of us learned a great deal. It was a great honor for me to represent Home Lodge at this session, I thank each of you for this privilege. At the election of Grand Lodge Officers a Past Master of Home Lodge, Elmer C. Forks, was elected to the Office of Right Worshipful Deputy Grand Master of Free and Accepted Masons of the State of Indiana. To Brother Forks we extend our congratulations.

On the 30th our Annual Early Bird Breakfast was held. Lodge opened at 4:00 a.m., and the Master Mason Degree was conferred upon one candidate, Lodge was then closed and breakfast was served in the dining room at 6:30 a.m. The after breakfast speaker was Rev. John M. Sayre, who was enjoyed by all. I wish to thank everyone responsible in any way for making this Early Bird Breakfast a success.

Several of our sick brethren have returned to Lodge and we are happy to see them again. To those who are still confined to your home perhaps these words will remind you as well as help you, Time, Patience, and Perseverance accomplishes all things. We will look for you on any Tuesday that you feel fit.

The chaplain, Jim Frey, gave a heart-warming invocation and mothers and sons sat down to a wonderful meal and program. "So Dear To Our Hearts," was the theme of the De-Molay Mother-Son banquet held on May 15. Thanks ever-so-much to the Star of the East chapter O.E.S. for serving such a filling meal. Hosfield and his score of entertainers for such a lustrious show and to all the DeMolay mothers who really made the party the success that it was.

A host of sympathy to Richard Turner and his family upon the passing of his father. May God's light shine upon you through the years to come.

To Bill Pomp, Dick Brantingham, and Norm Miner, the new "Big Three" respectively: Men, you've been bestowed with an honor that only a few of the best can hope to achieve, that of elected officership in our Fort Wayne Chapter. Next fall will be one of the biggest and best eras of your life so far. Along with hard work you will find an ever-increasing flow of inspiration, honor, and fun. I looked over your new crew of officers and I do believe that they are as good as ours. All kidding aside, fellows, any group of officers, picked by such a well qualified three as you, is bound to bring in more than its share of honors. Good luck and Godspeed!

Twenty-six. A lucky number? No luck was needed, for May 26 proved to be the best evening this year, so far as best performances go. The DeMolay Degree, that night, left with every candidate a feeling of awe and spectacle, a feeling that finally he was a member of one of the greatest youth organizations in the world today. We had a crowd that was well appreciated in lieu of this fine performance. Again that (I don't know how he keeps it up) boy, Jim McGraw turned in a smashing performance of Jacques DeMolay. Don Rife, Charlie Gibbs, Jim Frey, and Jim Fuzy had the other main speaking parts. A great show, men! More appreciation goes out to the Masons and outlaying chapters for your support.

Bob Locke who again has taken over duties in the Flower Ceremony gave his usual "super-superior" performance. Thanks, Bob!

I'm not going to take up space with a lot of wishy-washy memoirs, for all of you know how I feel toward DeMolay and the time I have spent under its realm. To Don Rife and Carl Rinne: Thanks fellows for the ever available assistance you have given me; you are two great fellows with equally great careers ahead. To the rest of the crew I extend appreciation for the reputation you have acquired for our chapter and the great job you have done for DeMolay. God bless all of you.

The first regular meeting in the fall will be September 8. Come and see the new crew in action. Good luck, DeMolay!

FROM THE EAST TO YOU,
GODSPEED!

Just a word from "Dad" Riethmiller, especially to our new members. The success of our Chapter is in your hands. We do need new members to replace the ones who reach their Majority. Our motto for next year is, "EACH ONE BRING ONE" that means a new member. So through the summer in your activities enlist new petitioners to join DeMolay so our first class will be a large one.

Past Master Councilor and Chevlier Robert Locke has been designated a Blue Honor Key Member of the Order of DeMolay. This membership is bestowed for exceptional service in building the Order. The Blue Honor Key was presented to him at the May 26th meeting.

ATTENTION DEMOLAYS, Do attend our baseball games this summer as we need your support. They play their games at McMillen park. Watch the papers for dates and time. We are members of the Junior Federation League.

And finally enjoy your vacation and be ready next fall to start your school duties and DeMolay with your usual pep and enthusiasm.

And now a word from our new Master Councilor William Pomp.

This is a great honor for me as your new Master Councilor to be talking to you through the "Square and Compass." It is a real honor being chosen M.C. of the Fort Wayne Chapter for the next six months. I know that I have taken over a big job and I will fill it to the best of my ability.

I am sure that all of you know by this time that Dick Braningham and Norman Miner are the other top officers and am sure they will agree with me when I say the Chapter is only as good as you make it. It takes the co-operation of every one working together to do a top flight job, and so it is with DeMolay.

The officers for the new term for the most part are "freshies" at the job, just as I am and I hope you will bear along with us in the mistakes that will be made. I know that everyone will be doing his best to do justice to his office.

I personally say thanks to the officers for accepting their new positions. It will be a great thrill working with you.

A few words about the Past Master Councilor, Mike Brutton, you will never find a nicer fellow than Mike and you sure can't find anyone who could have done a better job. It was really a privilege serving under Mike as Sr. Deacon for the past six months and something I won't forget. In concluding I would like to say I hope I can do as good a job as our Past Master Councilor in filling this worthy position.

From the East to you, I will see you at our first meeting in the fall.

We are happy once again to welcome all sojourners and friends from these columns. Our copy, for some time to come, will be brief and only include news of general interest, plus announcements of coming events.

Our hearts were saddened by the sudden passing of Soj. Rollin Bixler, husband of our Worthy High Priestess, on May 17th. Soj. Rollin was a past Deputy Supreme Watchman of Shepherds and currently held the office of King in our Shrine. Our sympathy goes to Soj. Reuah in her time of sorrow. May the Star in the East shed its light over her darkened world.

The stated meeting of May 18th included partial Supreme Shrine reports. On June 1st we will observe Noble Prophetess Night and for Monday June 15th, a Ceremonial is planned.

Illness reported in recent weeks included the following sojourners:

Irma Clapsattle, Merritt Hartman, Mildred Koster, Rose Griewank, Clara Kirby, Georgianna Judkins, Henriettta Englehart, Catherine Lewis, Edith McComb, Margaret Simison, Mable Scheid, Nellie Moore and Nellie Miller.

Illness in Famlies: Daughter of Viretta Schaefer, father of Florence Stocks and husbands of Bertha Clear, Mable Metzner and Eleanor Dill.

Several of our Officers attended Grand Chapter and reported a very good time. One of the highlights of the 79th annual Indiana Grand Chapter was a vote by members to construct a 50 room wing to the new Scottish Rite hospital at the Indiana Masonic Home at Franklin, to be known as the Eastern Star Memorial hospital. Cost of the project will be $250,000.00.

On May 1st Shiloh held its annual spring card party sponsored by Ways and Means Committee and various other committee members. This was a very lovely party, prizes were in keeping with the Spring theme. The party was well attended.

At our regular stated meeting on May 14th, 8 new members were initiated, and Mothers Day was observed. Ora Pomper presented a collection of Mother's Day poems. Each mother was presented a gift. The choir sang "Mother Machree."

A memorial service will be held for the 25 members of Shiloh who passed on to the Great Beyond last year, at our next stated meeting, May 28th.

Illness in Chapter: Henrietta Englehart, Mina Miller, Past Matron, of Bluffton, Ind.; Gertrude Miller, Thelma Johnson, Geneva Brake, Nellie Miller, Mildred Mills, Dorothy Blem, Bethena Clark, Vivian Honeck, Florence Rees, Wilma Skiles, Annabelle Diehm, Leona Walker, Russell Sloan and Ben Bennett.

Deaths in Chapter: Sister Lulu Aiken.

In addition to the regular Masonic program the Huntertown Lodge is still actively confronted with the problem of lodge room capactity. The building committee and trustees are working hard to find the correct answers and have already submitted one proposal to Grand Lodge for recommendations. It will be very easy to add length to the present room but to get the increasced width which would facilitate the floor work of the O.E.S. will be very difficult and far more costly. Opinions expressed by members seem to waiver between temporary relief by remodeling the present building and more permanent relief by starting a new building.

The officers have been making plans to attend Grand Lodge, the transactions of which will be reported in subsequent meetings. While this is a busy season in the country, plan to spend an evening or two in lodge, it might be refreshing.

On May 12 the O.E.S. gave reports on the events of Grand Chapter and conducted three candidates through the labyrinth. This was the first initiation ceremony for the new officers, who though a little embarrassed, received many compliments on their proficiency. The large attendance enjoyed both the work and the refreshments.

THE DEATH OF OPERATIVE FREEMASONRY

In 1717 the Grand Lodge, at its organization in London, received the one comprehensive ceremony or ritual which has been common to all classes of the Operative Freemasons. We may call this ceremony a degree. This they continued to use, with no material change in the operation that is known to us, for the space of two years.

In 1719 the ritual of this degree was broken up and divided into two parts. One part was given to the Entered Apprentices; the other with some additions to the Fellowcraft.

TWO DEGREES

From that time until the year 1723, the system of the Speculative Freemasonry, which was practiced by the Grand Lodge, consisted of two degrees. That of Fellow Craft was deemed the apex of Freemasonry, and there was nothing esoteric beyond it.

During the year 1723 Dr. Desaguilliers and his brethren perfected the system and presented the Grand Lodge with the Third Degree, which they had recently worked up into a satisfactory condition.

ARRANGEMENT ACCEPTED

The arangement of the ceremony was accepted by the Grand Lodge, and being introduced into the ritual, from that time forth Ancient Craft Freemasonry as it has frequently since then been called, has consited of these degrees.

From 1717 to 1722 we find by Anderson's records that the operative Freemasons must have taken an active part in the transactions of the Grand Lodge, for during that period they received a fair proportion of the offices. No one of them, however, had been elected to the chief post of Grand Master, which was always bestowed upon a Speculative member.

But from the year 1732, as it has been shown, the Speculative System had been perfected, we lose all sight of the Operative Freemasons in any further proceedings of the Society. It is impossible to determine whether this was the result of their voluntary withdrawal or whether the Speculative Freemasons no longer desired their cooperation. But the evidence is amply that from the year 1732 Speculative Freemasonry has become the governing and indeed the only feature of the grand lodge.

SYSTEM PRESERVED

Operative Freemasonry, the descendant and the representative of the medieval guilds, ceased then and forever to exist. But though dead, the impress of the signature was left in the implements of the Craft. These were preserved in the new system, but applied to spiritual uses. The technical terms of the building art gave rise to a symbolic language. These and other ineffaceable memorials show that the later association of Speculative Freemasonry has been erected on the foundation laid down for all time by a purely operative society.—Springfield S.R. Magazine.

WYOMING

Every governor of Wyoming, with one exception, has been a Master Mason. The one who was not a Mason was a woman, but she was a member of the Order of the Eastern Star.

Since this article is being written quite awhile in advance of our June Stated Meeting it is impossible to know how many petitions we will receive at that time. Unless there should be an unusual number, however, we will hold only our regular Stated Meetings during the months of July and August—no degree work. This has been a custom of long standing in Wayne Lodge and has proven popular with our membership.

A new plan of Masonic instruction was introduced in the May issue of The Indiana Freemason and discussed at length at the May session of Grand Lodge. It is known as the Mentor Plan and is a method for the systematic instruction of a candidate in those fundamentals of Freemasonry not found or fully explained in the ritual. If we can find enough members to act as Mentors—"men who have an inherent lofe for Freemasonry and a sincere desire to serve the Fraternity to the best of their respective abilities"—we will adopt this plan in Wayne Lodge. Members selected will be provided with a Mentors kit containing enough material to carry this plan to a successful conclusion. This plan can do much in making Master Masons in fact as well as in name.

We have been without the services of our Senior Warden, Bro. Kenneth Goller, most of this month (May). Bro. Goller has been hospitalized because of surgery to his legs but is home at this writing and expects to be back in lodge soon.

Our thanks to Bro. Howard Coblentz for his graciousness in acting as host to a meeting of the Fellowcraft club on the night of May 8, and also to Bro. Paul Elzay for entertaining the club at an earlier date. Two big evenings past with more to come.

Our most sincere sympathy to the family of Bro. Harvey Adair. Bro. Adair, over twenty-five years a member of Wayne Lodge, departed from this life May 10, 1953.

The new officers of Anthony Wayne Court held their first meeting on April 10th. An Easter program was a feature of this meeting. Following the meeting a reception for the new officers was held in the dining room. On April 24 two candidates were initiated into the order. The Grand Lecturer complimented the officers on their work. Following the meeting light refreshments were served. On April 30th a rummage sale was held, this sale was a successful venture and we extend our hearty thanks to all who helped in any way. Our meeting on May 8th was a Mother's Day program. Mrs. Catherine Schel was presented as a great-grandmother and as a typical mother. All mothers present were presented with a beautiful pair of ear rings. Announcement of the program for the Grand Court Session to be held in Fort Wayne on May 24th, 25th and 26th was made by H.L. Hazel Dehler and H.L. Loretta Rippe, convention Chairman and Cochairman. Anthony Wayne Court will be host to the convention which convenes at the Hotel Van-Orman.

May 22nd was Memorial Ceremony for those who have passed on to the Court on High. Memorial service was held for H.L. Edith Hite, H.L. Florence McMillan and H.L. Bertha Pawlish. S.K. Willis Hite presented the court with a new Altar Cloth, new pedestal covers and a new Memorial Cloth, in remembrance of H.L. Edith Hite. They are beautiful and our most sincere thanks go to S.K. Willis for his beautiful gift to the court. Our paraphenalia has all been refininshed, and a new crown has been secured for the Royal Matron. Two more new Honored Ladies were initiated into the Court at this meeting. Light refreshments were served following the meeting.

The Grand Court Session was held on May 24, 25 and 26. Our Court was doubly honored by the Grand Court this year. H.L. Esther L. Cook was elected and installed as Grand Royal Matron, and S.K. Alfred Schell was elected and installed as Grand Associate Patron. We are proud of these new Grand Officers and wish for them much happiness and success in their new offices. Other Grand officers from Anthony Wayne Court are H.L. Georgie Garrett, Grand Truth, H.L. Emma Schell, Grand Crown Bearer, H.L. Florence Geiger, H.L. Doris Thiebolt, H.L. Hazel Dehler, Deputy Grand Royal Matrons, and S.K. Arthur Chevalier, Assistant Grand Lecturer. To all of these Honored Ladies and Sir Knights congratulations and good luck.

To H.L. Dehler and Rippe go our congratulations for a fine job in planning and making all arrangements for the Grand Court Session. You did a swell job. Many folks have told us that it was the best session they ever attended.

Our next meeting will be on June 12, when we have a reception for all of the Grand Officers appointed from Anthony Wayne Court. Saturday 13, we will hold a reception for H.L. Esther Cook, Grand Royal Matron, S.K. Verl Sandifur, Grand Royal Patron, H.L. Wilma Binns, Grand Associate Matron and S.K. Alfred Schell, Grand Associate Patron. The reception will be held at the Hotel Van-Orman, and will be preceded by a banquet.

June 26 will be Men's Night. We expect to initiate a class of men. A special program has been arranged for the men. We cordially invite all members to be present. The men will provide a lunch for the occ asion.

We have a fine Court, with fine members. Friendship and Hospitality prevail. If you do not attend the meetings you are missing something.

The Job's Daughters have been pretty busy little gals in the last month or so. Our work has kept us kind of hopping, but it was the enjoyable kind of work! A wonderful tea was given us recently by our Mother's Club, for which we are grateful for so many things. All the Job's Daughters and their mothers were invited to this tea—and a better party was never held by all. After everyone had arrived they were treated with a wonderful talent show. There were several tap dancers, an accordionist, some vocal soloists and last but not least, a hillbilly band, whose members were composed of some of the members of the Mothers Club. It was really hilarious! I, myself had never seen anything quite so funny and I certainly enjoyed it. All the mothers were dressed in extreme hillbilly style, and they were carrying various assorted instruments, which mostly came from that part of the house called the kitchen. We Job's Daughters can never thank our Mothers Club enough for all the many services it has extended to us, we are truly grateful to them.

Job's Daughters Inspection was held May 5th. The theme was Candyland—and a beautiful Candy land it was, too. All the decorations and the escorts were carried out in this theme and the thing seemed pretty tasty to everyone's eyes, (and mouth—real candy was used in assisting to build up the decorations.) On inspection night we initiated many new candidates, they all looked like wonderful girls and we hope that they will get as much enjoyment out of Job's Daughters as many of us older members have.

On May 6th we performed our opening and closing ceremonies for the Fort Wayne Chapter of Eastern Star. Afterwards we were treated to refreshments, which were really delicious. We hoped they liked our performance, we were very happy to have done it for them.

Some of the Job's Daughters during the past month visited Marion and Kendalville when those two cities held their Inspection. A good time was held by all and the trips were educational as well as enjoyable.

Grand Council will soon be held, so I urge all you Job's Daughters to get in touch with me, or Mrs. Jody Drake as to the details of this trip. Grand Council is always a lot of fun and every year that I have gone makes me wish that I could go many, many more times. You Fort Wayne Job's Daughters will meet many new friends your own age down there, as well as many other new and very nice people who will be attending Grand Council. So, don't be late, make a date—for the Grand Council trip!

I think I have covered enough news for the present, so I think I'll say goodbye for now. Since, however, my term as Honored Queen is coming to an end, I would like to tell you that I have really enjoyed it from the very beginning and until now. I am very proud of this Bethel No. 8, and I will do all in my power to encourage other girls to join our Bethel. I believe in the teachings of Job's Daughters and I think that everyone can profit by them in many ways.

My Guardian Council, my officers, the members of the organization, and the members of my family, home all helped to make my term as wonderful and as nice as I could ever have imagined. Thanks so much, everybody—you'll never truly realize how much your help has meant to me.

Also, before closing, I would like to mention, that on our election night, my sister, Laura Ann Briggs, was voted in as the next Honored Queen of this Bethel. Congratulations sis, from the bottom of my heart. Our newly elected Guide and Marshal respectively, are Faye Ann Mathisen and Judy Hallenback—both of them are wonderful girls and I know that they will make very regal Honored Queen when their time comes. Congratulations, Faye and Judy!

I guess that I have said enough now—so Ill just say onre word—goodbye!

Petitions will be balloted on at the stated meeting of June 19th to give us a class of candidates to start the fall season with. The officers of Thomas R. Marshill have earned a vacation as we have been dark but a few nights during the past season and they seem to have enjoyed their work from the excelent turnouts we have had.

We will be expecting you in the Egyptian Room on the above mentioned nights but especially at the Annual Inspection on Friday June 26 to assist in extending a cordial and fraternal welcome to Lloyd W. Young on this, his first official visit to our Chapter as Grand Lecturer.

The regular meeting Tuesday, June 12th, will be the meeting in which I will report on the business taken care of at Grand Lodge. We, your Junior Warden and I, made many new acquaintances and met some more brothers of the brush.

It seems that several places over the State are having Centennials this year, and all of them are going for beards, etc. We ran the rounds of questions as to where we were from, etc., and also received a lot of attention on the streets of Indianapolis. We got quite a laugh from the experience our new Grand Master had, which he told us about. It seems that a few years ago Kentland had their centennial, and he was appointed as judge for the court which tried the culprits who had not lived up to the rules and regulations. At the end of the trial, a bunch of fellows who were all masked rode up on horses and threw all of the offenders in a big horse tank full of water which was pretty cold, and I knew it was cold for they threw me in also he said. Pretty rough on the judge, and he is also judge of the County Circuit Court.

Last regular meeting night, May 5th, the night of May 8th was set for F.C.° This degree was conferred upon two brothers, Walter and Stanley Love, whose father is our Senior Steward.

We have three brothers who will receive the M.M.° in June and that will finish up our work before vacation, which starts the 1st of July. This will be the last publication you will receive before our vacation starts. My best wishes to you all and may God go with you all and may we all meet again at our first meeting September 1st.

My year at Grand Lodge is over. I've looked forward to that for the past three years. But I have more to look forward to next year. Elmer Forks to be our Grand Master, who raised me just ten years ago this month.

Every member should attend Grand Lodge sometime. There you can see the boys with something on the ball and give you a better understanding of Free Masonry.

Thanks again Bros. Cyrus D. Senyer of Three Rivers Lodge and Duane F. Shidler, our Past Master, on your good job of giving the Lecture and charge.

Remember brothers, Master Mason June 25th. Pot Luck and a good time for fellowship.

The other day I read an article about the life of a very powerful dictator. It told of his greed for power, his ruthlessness, his utter disregard for his fellowmen. If someone stood in his way he was purged. If someone helped him yesterday it was forgotten today. He believes that man should be his servant instead of God's servant. It's the same with all dictators. I couldn't help but compare the difference of his way of life to that of the masonic way of life. We are constantly searching for light and more light. We are always looking for the truth. We are taught to help our fellowmen, not hate them. In fact, everything masonry stands for this dictator opposes, and we oppose everything he stands for.

The work will follow the regular meeting and it is hoped that a large number of members will be present to greet this splendid class.

Following the degree work, refreshments will be served in the kitchen of the temple.

This will be the last ritualistic work for the present officers before the annual meeting in September. Why not join with us on Wednesday evening, June 17 at 7:30 o'clock to attend the stated meeting, witness the degree work and enjoy a social hour with your companions.

THE PROPHETS HAGGAI AND ZACHARIAH

By Rabbi H. Gefien, 32°

Haggai was born in Babylon, and with Zerubbabel and Jeshua aided in the restoration and dedication of the Temple in Jerusalem, B. C. 515. His name is given to the second principal in a Royal Arch Chapter.

When Darius came to power, ascending to the throne of Persia, Haggai strenuously exhorted the Jews to proceed with the work; and assisted by Zachariah, the Jews once more girded their loins and prepared themselves for a vigorous effort to complete the building of the second temple without further delay.

The holy prophet Haggai and principal of the Sanhedrin, or Royal Chapter, insisted that the work of the temple be resumed, when it had been interrupted for nearly fourteen years, due to the intrigues of the Samaritans, and other obstructionists, incited to defeat the edict of Cyrus.

The prophet realized that people were more willing to build and adorn their own dwellings than to labor in the service of God. He told them the unfruitful seasons they had experienced were entirely due to their negligence in erecting God's house.

He then encouraged them with promises of future blessings, and predicted the important revelation of the future—of the kingdom of Zerubbabel.

Haggai was full of hope that Zerubbabel, who was a direct descendant of the seed of David, would become King of Judea. Therefore, he encouraged the people with enthusiastic speeches to build the Sanctuary of the Almighty, and it worked. Under his influence and persuasion they started to build.

Zachariah was incited to concur with Haggai because of a wonderful dream, or vision.

Zachariah was the son of Iddo, born also in Babylon during the captivity. He joined Zerubbabel on his return to Palestine. He was a leader and a man of influence, being both priest and prophet.

Zachariah's dream was as follows: "I saw by night, and behold, a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom; and behind him were red horses, speckled and white. The angel that communed with me, said: 'Cry thou, saying, thus saith the Lord God of Hosts. I am jealous for Jerusalem and for Zion with a great jealousy. I am returned to Jerusalem with mercies; my house shall be built in it, and a line shall be stretched forth upon Jerusalem. The hands of Zerubbabel have laid the foundation of this house; his hand also shall finish it'."

It was a time when the prophets fought the despotic kings and rulers, protecting the oppressed from their persecutors. But Haggai and Zachariah instead of this, started to admire the rulers and the princes, commanding the people not to despise them nor profane their dignity. For in order to build a temple and a state there must be discipline.

The same we must have in our own miniature temples of Masonry, which are the prototypes of Solomon's and Zerubbabel's temples. We must have officers, masters and grand masters in order to have tranquility in our ranks.

Yes, indeed, the first prophets held sacred only the humane ideas, which were their main props to hold up justice and righteousness. The Holy Temple and offerings were of no great importance in their eyes. As Isaiah expressed himself, God said: "Who asked you to trade my courts?"

But there arrived another epoch, and the last prophets of the captivity were faced with serious situations, and they found out that in order to keep together the nation, the other side of the picture should not be neglected. The magic magnificence of the Holy Temple and the services were likely to uplift the spirit of the nation.

The symbolism of both temples in Masonry, together with the allegories and rites about them raised to the highest position and emotional elevation, should become the ideals of all true thinking men and Masons. The Masonic symbolism and allegories about which we learn by a careful study of the ways of the Craft, should be translated in order that we might put them to actual use in our mode of daily living. Our very conscientius and studious Masons could render most valuable assistance in making these lessons clear to men of all nations and cause them to realize that by these wonderful precepts a universal brotherhood is possible.—North Carolina Orphan's Friend and Masonic Journal.

The work is progressing in our new lodge hall. Last week we finished the plumbing on the first floor, and we shall now turn our attention to finishing the kitchen.

No sickness, no deaths to report so all's well as far as we know. Next Square and Compass will be out in September.

THE GREAT LIGHT OF THE LODGE

While we believe that faith in God is the very cornerstone of Masonry, we seek to demonstrate this belief by accepting the book which is the revelation of God as our volume of sacred law and a great light of the lodge. This is the Bible, which is the center of Masonic life and the source of its teaching. The Bible opens when the lodge opens, it closes when the lodge closes. No business is legal, no initiations are valid, without its divine guidance. Thus we see the means and methods of Masonry revolve around this Holy Book.

No one of us can ever forget that among the first things we discovered, on being brought to light in Masonry, was the Holy Bible open upon the altar, supporting the square and compasses. From the altar poured forth upon the East, the South, and the West its white light of spiritual truth, moral law, and immortal hope. Words from the Bible were heard as we entered the lodge in each of its degrees, and its light added luster to every tool and symbol of the craft. Upon it we took our obligations as Masons, sealing our vows with a simple act of effection, an were exhorted to make the old familiar Book the rule of our faith and our guide in the practice of brotherly love, relief and truth.

At each step in our advancement we were reminded that the Bible is the wisest teacher and best friend of man, directing his feet, if he will but follow, to the Temple of Virtue in which alone we can find liberty and peace. To defend, preserve, and obey the Bible is the first duty of every Mason, from the highest officer to the humblest workman.—New Mexico

NEWELL A. LAMB
Grand Master of Indiana Masons.

VISITATION DAY AT FRANKLIN HOME

Judge Newell A. Lamb of Kentand, Grand Master of Indiana Maons, has issued an invitation to all embers of the Masonic Fraternity nd Order of the Eastern Star in this ate to participate in the sixth anual Visitation Day at the Indiana asonic Home in Franklin, which has en set for Sunday, September 27.

Past attendance at this event has een running between five and six housand, and it is predicted that this ear's figure will exceed previous recrds.

This highlight of each Masonic year as two major objectives: to provide n opportunity for good fellowship mong members of the Fraternity and o enable them to se at first hand the Iome which Freemasonry maintains t Franklin for Aged Masons, their idows and orphans.

John E. Baldridge of Columbus, A ast Grand Master of Indiana Maons, is general chairman for this ear's Visitation Day. He will be asisted by members of the Masters and Wardens Association of Marion county, who have served effectively in that apacity in previous years.

An afternoon program of music and ntertainment is being arranged and, n keeping with the day, vesper servces will be held at 4 o'clock. The Rev. Gilbert L. Piker, Grand Chapain, will conduct this portion of the lay's program.

Special committees will provide for he comfort and welfare of all visitors, and everyone will have an opportunity o inspect the grounds and buildings. Ample areas for free parking will be available.

Visitation Day this year also will provide a mutual opportunity to get-acquainted for members of the Fraternity and the new Home Superintendent, Dr. E. M. Dill, who assumed his duties August 1.

The Indiana Masonic Home is located on a 320 acre tract at the south edge of Franklin. It is operated by the Masonic Fraternity and the Eastern Star to provide for indigent members and their immediate families. Started in 1915, it has grown steadily and now houses 300 adults and 57 children.

DeMOLAY STARTED IN ENGLAND

London, England—The Chicksands Square and Compass Club, a club composed of American Master Masons with the United States Armed Forces in the Bedford Area of England, have embarked upon the task of starting DeMolay in England.

The club is sponsoring the first Chapter in England, and plans to assist other Military Masonic Clubs in starting thre other chapters in the near future.

Future plans call for the establishment of a United Kingdom Council of the Order of DeMolay. This council will govern the Chapters in the United Kingdom and will work to spread DeMolay throughout the British Isles. It will also act as a liason between DeMolay in the United Kingdom and the Grand Council of the Order of DeMolay in Kansas City, Missouri.

The Chicksands Club, who have had the assistance during the past month of the V. Wor. Bro. Rev. Edward W. Potts, Past Grand Chaplain of the Grand Lodge of Missouri A.F. & A.M. and Deputy of the Grand Council of the Order of DeMolay, has made great headway on these projects.

The club has applied for the Charter for the first Chapter, and a booklet has been published and is being distributed among the Masons of England to introduce DeMolay to them. Considerable work has been done on establishing the United Kingdom Council. It is hoped that the council will be started and operating within six months, the first Chapter opening by September of this year.

One of the biggest problems at present. due to the economic situation in England, is finance. Initial supplies will have to be purchased in the United States with dollars until the Order has grown to such a size that it can become self-supporting in England. At that time supplies will be procured locally.

Until that time it is costing the Chicksands Club approximately $500 per chapter to establish them. This breaks down to an initiation fee of $12.50 per boy. It is hoped that American Masons interested in helping to spread the wonderful work of this Masonic sponsored youth movement, founded by Frank S. Land, 33°, will assist by sponsoring one or two more boys into DeMolay in England.

All individuals or organizations assisting financially will have their names entered on a scroll which will be placed in the DeMolay Museum in Kansas City, Missouri.

All donations will be gratefully received and acknowledged by the International DeMolay Committee of the Chicksands Square and Compass Club. Checks should be made payable to the club and mailed to Bro. Roger W. Maconi, Secretary, Chicksands Square and Compass Club, APO 193, c/o Postmaster, New York, N.Y.

All individuals or organizations contacting this club on this project will be kept informed of progress with occasional information letters. It is also hoped that the names and addresses of any Masons who might possibly be interested in DeMolay who are residents in England, will be forwarded to this club so that they might be contacted.

Ossian Lodge No. 297 is very glad to become a member of the Square and Compass family of readers and subscribers. Following vacation time this will be a good start on another winter's work.

Our last work before summer vacation was Master Mason degree on July 2. During July and August we had only stated meetings. On July 4th Ossian lodge and Bluffton lodge observed their combined Early Bird breakfast, preceeded by Master Mason degree. Work was begun at 4:00 a.m. with breakfast at 6:30. It is believed by our members that Ossian lodge was one of the first lodges in this state to hold a July 4th Early Bird breakfast with Master Mason degree put on at 4:00 a.m. Several years ago Bluffton was invited to join with us and the breakfast was held their this year. Next year the breakfast will be at Ossian.

Due to the resignation of Brother Verlin Dalrymple, our Senior Deacon, the officers were advanced one station and Brother Dale Taylor appointed Tyler for the rest of this year. They were duly installed at the August stated meeting.

It is hoped that work may be resumed in September on rehearsals for our Masonic play. The parts have been assigned and should be nearing the point where characterization can be established. All are looking forward to the first presentation in our own hall.

By the time this issue of the Square and Compass reaches you we will have started our fall work after our summer vacation.

Stated meetings were held during July and August as usual but no degree work was done.

We start the work in September with Entered Apprentice degree on the 14th followed by Fellow Craft and Master Mason degrees on September 21 and 28 respectively.

We again want to impress on the Craft that when you are assigned the duty and obligation of investigating a petitioner you are required by the Grand Lodge to make an oral report in open lodge in addition to mailing out the written report and turn it in to the Secretary.

In the Stated Meeting in August the committee failed to report in person in open lodge and as a result it was necessary to defer action on the petition to the October Stated meeting, which was unjust to the petitioner. Let each of you when asked to do this service for the good of the craft. Assume your responsibility as promised in your obligation.

Since the last issue of the Square and Compass, four of our Brothers were called out of this world by our Supreme Grand Master. Brothers Edward Dornte, Walter B. Rusher, William H. Morris and Edward F. Yahne. Twilight funeral services were conducted for Brothers Rusher and Morris. We extend our deepest sympathy to the families and friends of these departed brothers. I extend my appreciation to the officers and members of the craft who so faithfully assisted me in these services.

Brother Robert McFerran was operated on, on August 14 at Northwestern Hospital, Minneapolis, Minnesota and is reported as doing well after the operation. Brother Miles and Neuenschwander are very much improved.

Since vacation is behind us as far as our lodge work is concerned, we will be looking forward to seeing you in the lodge rooms as usual. We earnestly solicit your attendance at our meetings the rest of this year.

Be sure to notify us of any change of address.

Brethren: Here we are again in the month of September and ready to resume our labors. We hope that each of you and your families had a very enjoyoble and restful vacation. We will be looking forward to your attendance at our meetings and support of the craft as in the past. Looks like we will have plenty of work for September. With a probable class of five candidates.

On September 12th, Triad Lodge 708 of Toledo, Ohio, honored us with a visitation and conferred the Master Mason degree on one of their candidates. Dinner was served at 6 p.m. and those who were able to be present had a very enjoyable and sociable evening.

Brethren mark your calendar for October 28th as this date has been set aside to honor our Past Masters with a banquet and give them a chance to again show their talent of conferring degree work. Although Past Masters, I am sure you will find they are still Masters of the art of conferring degree work according to the ritual.

September 27th is V day to our Masonic Home at Franklin. Let's all who possibly can, make this journey with your families to see this wonderful monument to Freemasonry, which you have helped to build and are supporting. I would like at this time to appeal to all Maumee members who as yet have not made their contribution of the assessed $1.00 per year per capita tax to the Masonic Home for the years of 1951-1953 to make this payment to the secretary at once.

As of August we have the following members on our sick list. Frederick M. Christopher, Walter B. Shapeland, Luther M. Childers, Judson West at their home. John E. Scott at Irene Byron hospital. Our best wishes for a speedy recovery brethren.

KNIGHTS OF MALTA

A Companion Order of the Templars, the Knights Hospitaliers, known at various times as the Knights of S. John of Jerusalem, Knights of Rhodes, and finally as the Knights of Malta, had its origin in the year 1048, when Jerusalem was in the hands of the Moslems. Its original purpose was to attend to the many sick and wounded of the pilgrims who came to Jerusalem to visit the Holy Sepulchre.

As time went on, and the Crusaders gained a foothold in the Holy Land and finally captured Jerusalem, it became a militant body of knights, much like the Knights Templar, and under its own Grand Master. There was a constant rivalry between these two Orders, and they were often and sometimes violently at variance with each other.

Unlike the Templars, after the Christian evacuation of the Holy Land, the Hospitaliers remained under arms. In 1310, they captured the island and city of Rhodes from the infidel, and remained there for some two hundred years. In 1522 the island of Rhodes was surrendered to the Turks, and the knights were allowed to depart under generous terms of capitulation.

In the year 1530 they were given possession of the island of Malta by Charles V, the Emperor of Germany. They remained in Malta, doing good service for the Christian cause, until 1798, when the island was surrendered to the French under Napoleon Bonaparte. — New Castle Trestle Board.

It looks as though it's time to roll up our sleeves and start to work again. I hope that everyone has had a wonderful and resting vacation. From all the tanned faces it seems that quite a few girls were at the lake this summer.

This term is going to be a short one, but it certainly is going to a busy one. The first meeting is going to be September 1st, 1953. This is the night when we have that wonderful potluck dinner for the officers and their mothers. I'm sure the food will be just as delicious as it was last time. After filling our stomachs to the bursting point, we will have a practice and then our first meeting.

We are going to hold our first initiation at the second meeting. I know that there will be a good class of candidates and my officers will do their work beautifully.

I have been saving the best of my news until last. Here it is—.The Job's Daughters Hayride will be held on September 19th, I know that everyone will want to come and the tickets will be on sale as soon as school starts. We will also have a wonderful square dance and weiner roast.

Have a good time and don't study too hard between now and the next issue.

See you at the hayride.

Be sure to notify us of any change of address.

Hi! Again—Now that summer is over and everyone is getting back into the regular run of things again, DeMolay is also starting.

This year we had an unusually nice summer, plenty of hot weather with everyone getting to do the things he thought about through the cold months of winter.

I imagine many of you thought DeMolay wasn't active at all this summer, but you are mistaken. The DeMolay Hard ball team which was discussed at the last few meetings really began to take shape about the middle of June. The team played in the Junior Federation League and was coached by Robert Griffen, Jack Lewis and Tom Franklin. As in any league a new ball club is never too successful in its first year of competition and so it was with us. In season play the team won 2 and lost 10. In tournament competition being double elimination they faced City Lights in the first game and went down in defeat but facing the Churubusco Merchants in the next game defeated them 5 to 4 in a thrilling game which was won in the ninth inning. The next game was with the Renners Express who were the victors in that game. This completed the season but I am sure everyone had a lot of fun.

The team in the Dwenger League under the leadership of Terry Stoner made a very fine showing and Terry is to be highly complimented on his efforts.

Getting into this year's calendar our first meeting was held September 8 with the new officers presiding and quite a few petitions were presented for membership. A regular meeting will be held on September 28th. DUES ARE NOW DUE as DeMolay year begins, October 1st and all petitions for the October 27th class should be presented by this time.

One of the big events coming up this year will be the annual Fall Maul Hay Ride wihch will be held October 10th at Bullerman Farm. This is always a looked forward to event that should attract a lot of fellows who have not been too regular at Chapter meetings. Tickets can be purchased from different members of the Chapter and again everyone should feel a real welcome. There will be plenty of good food, lots of fun and Square dancing with Paul Geisler supplying the music.

A stated meeting will be held on October 13th. A Father-Son nite is being planned in October, date to be announced later. The entertainment is under the direction of Roger Hosfield and furnished by the Mizpah Shrine. It will be out of the ordinary and of the sort both Fathers and Sons will enjoy. Refreshments will be served and the calling committee will call for your reservations. Details later.

The first initiatory degree will be conferred October 27th in the Chapter room. Talking about the initiatory degree everyone knows that we always want more fellows to join our Order. Last year the Fort Wayne Chapter was considered the leading Chapter in the country and we want to retain thi honor again this year. Last the membership drive was really pushed and made a success by the hard work of Walt McCall and "Dad" Riethmiller. This year let's all try to do it again. The motto for the next six months will be "Each One Bring One." If everyone is able to supply us with one candidate we will be sure to hold our top rating in the country.

Well, that takes care of all the important things coming up for the first month and a half. 'Till we meet again down at the Chapter, from the East to you, Godspeed.

P.S.:- EACH ONE BRING ONE.

Here we are, another summer almost past. We hope everyone had a wonderful vacation.

Now it is time to go back to work. We had our first meeting the first day of September with a pot-luck opening, so everyone could do a lot of visiting before getting down to business. Everybody seemed happy to again take up the yoke of a fast closing year.

Beauceant will hold their Supreme Session at Boston, Mass., starting September 22 to September 25, which your Worthy President, Clara Kreckman will attend.

We are looking forward to a busy and entertaining fall and winter, with a large attendance at our meetings.

Another Summer season has almost me and gone. Vacations are rapidly coming pleasant memories. And we e once again ready to enter into our ll and Winter activities. Looking er our calendar, we find that we ve indeed a very busy schedule ead of us; one in which we hope u will all participate and enjoy.

In this busy world, it oftimes ap- ars that we are setting our course life by a speedometer rather than the compass. I hope, however, t none of us ever become so wrap- d up in this business of living that forget the real purpose of living expressed in the several Masonic tures.

Truly we are approaching the time year which leads the contemplative son to view with reverence and miration the glorious works of the ation and inspires him with the st exhalted ideas of the perfection his Divine Creator. The Autumn son means many things to many ple. To the faithful, it means re- wed opportunities to lose oneself the brotherhood of Masonic fellow- p. To enter wholeheartedly into the tivities of his Lodge, realizing that y are the result of labor expended ely for his benefit. We are told the Holy Bible that a man would d himself, he must first lose him- f in some great purpose.

What greater purpose exists than t embodied in the Masonicj Order? rough the improvement and engthening of the character of the lividual man, Freemasonry seeks to prove the community. Thus, it im sses upon its members the princi- s of personal righteousness and rsonal responsibility, enlightening m as to those things which make human welfare, and inspires them h the feeling of charity and good- l toward all mankind which wil ve them to translate principle and nviction into action.

It has been gratifying to note the mber of our members who have pped me on the street to inform that they have spent a part of their mmer recess improving their pro- iency in the portrayal of the var- s degrees. I have encouraged se brothers to further increase ir enjoyment of the experience by tting this time to even better use participating in the initiatory work s month and each month hereafter. ere is much work to be done this nth and we will need your help it is to be a truly successful one Summit City Lodge.

Don't forget the important date of ptember 26th. That is the day Sum- t City will make a visitation to alter French Lodge in Lansing, ch. Those of you who made the p in 1951 will remember the very joyable experience which was fur- ther enhanced by the return visit made by the members of Walter French Lodge in 1952. We have chartered a bus for the trip and we will leave Fort Wayne about 10:00 a.m. Saturday morning with a stop-over in Marshall, Mich. for lunch at Schullers, famous for serving the best and the most fod for the least money on any restaurant in the country. We will, of course, be the guest of Walter French Lodge for dinner that evening, after which we will portray the Master Mason Degree on our own candidate in Indiana form.

We must notify the Master of Walter French Lodge by September 19 as to the number of Summit City members who will be present so that they can plan their dinner accordingly. Since there is already a number of Brothers, who have indicated their desire to make the trip, I hope those of you who have not already done so will notify one of the officers right away. Brother Histed is in charge of transportation facilities and we can always arrange for a larger bus or even an additional bus if necessary. Needless to say, your worshipful Master would be highly pleased to have a real large turn-out for this trip since it would be evidence of your interest in the activities of your Lodge as well as a source of gratification to your Master. In return, I can guarantee you a most enjoyoble day.

Greetings Companions! Well here it is the first of September already and time again to turn our thoughts from vacation to labor. We all agree that vacation time is all too short as it comes to a close we can still think of a hundred and one things we aimed to do that are still undone. But with the coming of September it is also good to turn our thoughts towards the winter program, to come up to Chapter and meet old friends and to make new ones.

The first thing on the fall program will be our annual meeting Monday, September 21st. Put on a big ring around that date to come to Chapter, to elect and greet the officers that will guide your Chapter for the coming year. Pledge them your support for they can do nothing without your enthusiasm, and interest.

Our robes are now out being repaired, rebuilt, and cleaned and should be back ready for us to properly exemplify the degrees, with the beginning of work this month. We have one candidate to confer the R.A.M. on and several new petitions to start through the degrees.

And now Companions as we approach the date of our annual meeting and the time to hand the "emblem of Authority" to my successor, let me again thank all those who have so graciously given me their time and support to do my little bit in the cause of York Rite Masonry.

Be seeing you all Monday September 21st at 7:30 p.m. in the Egyptian Room.

Everybody ready to go? Are you sure? Put your swim suit away, stow your fish pole in the attic until next summer, file your road maps away for future vacation references, grab your hat, don't forget your pennies for the penny collection, get set cuz here we go . . . it's time for chapter again. After the tales we've heard about all your wonderful vacations, you should all be relaxed and rested and ready for another busy season (which is exactly the kind of season this one will be.) But before we go rushing in to the new fall sessions, let's catch up on what has been going on this past summer.

The male half of the human race seems to have taken the spotlight this summer when it comes to increasing the population for all of the new babies born to our members have been bouncing boys. They were born to Helen Bastress, Eleanor Baker and Josephine Trimm. They are all just as cute as they can be and I think we are just as pleased and proud as the new parents themselves. Despite the happiness they have brought into the world chapter has had more than its share of sorrow. Shortly after our chapter meetings recessed for the summer we lost one of our members. Sister Gladys Fritz who has been so ill for so long died at the home of her son. The officers of our chapter presented twilight services for the deceased. To her bereaved family we send our sincere sympathy. We also extend our sympathy to Oscar Thunberg on the death of his sister and to Erlane Macey whose mother died.

Summer did not deal too kindly with quite a few of our members who have been seriously ill. The long list includes: Harry Haller, Maude Briggs, Yvonne Gudakunst, Verne Baumgarner, Ida Kayser, Eloise Etter, Clyde Woods, Carl Rippe and Betty Clippinger. However most of them have sufficiently recovered to the point where there won't be too many absent faces. As usual, all the illness was not confined to members. Those ill in the families of our members were: the husbands of June Jones and Florence Hosapple; the son of the Wilkersons, and the respective daughters of Vida Woods and Maude Briggs. We hope all of them are their old happy selves again and that they stay that way.

Did we say that this was going to be a busy season? Well, we weren't kidding you one bit so get your calendar and a pencil. Now make it over to coincide with the one we have listed below.

August 31st: Sewing and decorating committee will meet at the home of Willadean Todd with Eugenia Wood as co-hostess.

September 8th: Ways and Means committee will meet at the home of Loretta Rippe with Mary Wright as co-hostess.

September 9th: Cheer committee will meet at the home of Doris Thiebolt with Helen Good as co-hostess.

September 14th: Program committee will meet at the home of Willadean Todd.

September 17th: Social committee will meet at the home of Walladean Todd.

SPECIAL EVENTS SECTION

Stated Meetings: September 4th and September 18th. Be sure and get there so you can get in on the plans for the coming events.

Rummage Sale: September 9th. I think we reminded you last June to look things over this summer and save up for this. Now that you all have big boxes of rummage sitting around that you don't know what to do with, just pick up your phone and contact the following people for the answer to your problem. Louise Wilkerson, A-16031; Blanche Watson, E-5187; Willadean Todd, H-64731.

COMING EVENTS

Friends Night, October 7th. One of the bigest nights of the year. This year will be better than ever. Stellar attraction will be all your old friends of this and other chapters. Added attraction will be a featured program and good eats afterwards.

Square Dance: October 24th. Yes, we've had them before, but we all seem to enjoy them so much that another one seemed mandatory, besides being a good excuse for a lot of fun.

That's all for now. Gotta get busy. See you next month, you know where, same by-line.

Margot J. Kayser, P.C.

PUT OFF THY SHOES

Discalceation is the ceremony of taking off the shoes as a token of respect, whenever one is on, or about to approach, holy ground. It is referred to in Exodus III:5, where the angel of the Lord, at the burning bush, exclaims to Moses: "Draw not nigh hither; put off thy shoes from thy feet, for the place whereon thou standest is Holy Ground." This has deep significance for advancing Masons.—LaPorte Trestle Board.

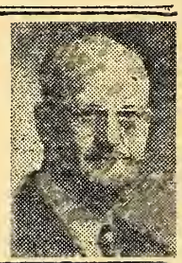
Sorry and happy to mention the following: Sorry the vacation is over and happy that Home Lodge has started the fall session. We have several candidates for this month and I urge everyone one of you to not only attend Lodge yourself but bring that brother, who lives next door or in you neighborhood, with you.

I would like to announce our first event for September which will be on the 22nd and will be Past Master's Night. As you all know on this occasion we honor these men for their services to Lodge and to Masonry down through the years. Your attendance will make these Past Masters very happy I asure you.



The months of June and July have taken a heavy toll on Home Lodge as well as the community. The Supreme Grand Master has called 7 of his servants home. To the widows and families of our deceased brothers, Albert C. Schroeded, George W. Sellers, Edwin G. Meyer, Orin F. Porter, James C. McComb, Walter F. Peters, we extend our deepest sympathy.

Our Jr. Warden, Cles Erb has requested this announcement. To all those that have signed up for the trip to Chicago to attend the Tri State Visitation, he would like your money to be paid by the 22nd of September if posible. We have about 47 signed up to attend this event. Anyone wishing to make this trip contact Bro. Erb. We will travel to Chicago by train, and stay at the Drake Hotel. The meeting will be held at the Scottish Rite Building on the 10th of October. We will arrive back in Fort Wayne Sunday p.m. on the 11th. Brethren this is a trip worth thinking about. I hope to have a good Fort Wayne representation in Chicago on the 10th of October.

Our Home Lodge Craftsman will be needing help with the Degree work. Watch the mail for announcement, or better yet, just attend their meetings which are usually held on the Thursday before the 3rd Degree in the Temple. For further information contact Bro. Dave Mills.

I am also happy to announce the name of the new Chaplain of Home Lodge, Bro. Donald Stoneman, who replaces Bro. Clyde Dawson. Bro. Clyde is covered up with work and was unable to continue his duties as Chaplain. I have appointed Bros. Francis Ray and Carl Loskner to take over the coaching of candidates in place of Bro. Stoneman.

With the change of seasons of the year drawing near it becomes the time of year in Capitular Masonry in Indiana that the Alpha and Omega is forth coming for the officers.

With the election of officers for Thomas R. Marshall Chapter 161 being on the agenda for the stated meeting of September 18th a supper is to be held in the kitchen at 6:15 p.m. to enable the members to enjoy a short period of fellowship before making that journey to the Egyptian room for the Stated Meeting, balloting for the degrees as conferred by this Chapter and the important election of officers. Several years ago the Grand Chapter changed the elections to the September meetings to enable the newly elected High-Priest to obtain his Order of High Priesthood at the Grand Chapter meeting shortly thereafter and thereby derive the benefits of the important lessons which these degrees teach and allow him to inculcate these lessons to the brethren throughout his term of office.

As High Priest of this Chapter I desire to thank the officers and members for the fine work performed on the actual candidates at the Inspection or Visitation by the Grand Lecturer, Lloyd W. Young on June 26th. To quote from a letter received from Mr. F. Gordon Lewis, Grand High Priest, "The Royal Arch Degree was conferred in a very satisfactory manner with your Chapter in charge of the opening and conferring the first section." It is indeed gratifying to receive such a letter according to the high praise of the Grand High Priest, but the Officers and Members have worked faithfully every Friday evening throughout the past season to obtain the perfection of the degree work they presented and as retiring High Priest I again desire to thank all for carrying on during my absence during the Official Visitation by the Grand Lecturer.

With petitions being on the Secretary's desk for balloting on and others to be received at the September meeting it again looks like the lights will be again burning every Friday evening during the forth coming season and many a Brother Mason will witness the completion of the Temple and receive the Long Lost Master's Word.

Thomas R. Marshall Chapter 161 will be looking forward to seeing you at 6:15 p.m. on September 18th in the

We sincerely hope that you all had a pleasant summer and are ready to get back to work.

Sister Eva Magner, 2220 Smith St. was the recipient of her 50 year pin, and was especially honored by her chapter on June 25, 1953. Fifty years ago Sister Eva was initiated into Shiloh Chapter and has served willingly and proudly down through the years. Sister Lettie Dickey, past Grand Matron, was deputized by the Grand Matron to make this award. She was assisted by Brother Ben Bennett, Brother Cecil Sible, Sister Myrtle Morton, District Deputy, and the Worthy Matron. Sister Eva looked stunning in a floor length gown of sheer nylon in a violet shade, while being escorted to the Altar by Sisters Madge Sloan and Leona Shady, whom she had served with in her various appointive offices in the chapter. After the pin was presented by Sister Lettie, the service book was presented by Brother Cecil, and a prayer was offered by Brother Ben. A solo "My God and I" was sung by Sister Ruth Thompson. A very beautiful low garden basket arrangement of 50 yellow roses was sent by her son Glenn, and was presented at the close of the service. To renew the memory of her initiation, she was also presented the story booklet of "The Five Heroines," the same as a new candidate. Sister Jennie Carothers, who has been ill for several months and is confined to room 11, Oceanside Hospital, Oceanside, California, will receive her 50 year pin in the absence of the beautiful service planned by her chapter, however every effort is being made to have her know that we cherish her long and continued membership in our chapter.

Our next stated meeting, September 10, will be Lettie Dickey night.

Vacations are coming to an end and Scottish Rite activities will be accelerated for the fall convocation.

A preliminary rehearsal will be held Thursday September 17, 1953. It is planned to have at least three rehearsals for the council degrees.

The officers of Darius Council are agreed, there should be an understudy for the heavy parts. The brother assigned to the part will work in alternate convocations. It would be unfair to ask a brother to learn a part and then never get to give it.

Darius Council is fortunate in having two officers who have had considerable experience in dramatic art and directing. Senior Warden George Hacker and Junior Warden Zeus Campbell will take active parts in directing the Council degrees.

The members of the casts in the council degrees have in the past been very faithful in attending rehearsals and we hope that we can have their full cooperation in the future.

We trust our sojourners enjoyed a pleasant summer even though it was hot and humid one. Vacation days are about over and suntans are fading fast. The children are back in school and full schedules for most of us are ahead. We'll be looking for you as we embark on our Fall activities in White Shrine.

First of all, we'll report on June activities. June first stated meeting was Noble Prophetess Night. Forty-six officers and guests kindly accepted our invitations to attend from Shrines at Kendallville, Mishawaka, South Bend, Rochester, Kokomo, Logansport, New Castle, Wabash, Muncie, Remington and Indianapolis. Cooling refreshments followed the meeting.

Preceding the June 15th meeting, a fine banquet was served at Macedonian Hall. Our thanks for its success go to Lillian Gocke, chairman, assisted by Clara South and their committee. Table favors were individual potted plants, the gift of the Comincavish Greenhouses, and a book of household hints, courtesy of the Lincoln National Bank & Trust Company.

Sojourner Bessie Smith, Past High Priestess of Mizpah Shrine, Elkhart, installed the following elected trustees: Clarence Comincavish, (3 years); Hazel Dehler (2 years and) Harold Kelsey (1 year). They have been registered and bonded as required by Indiana law.

On July 24th, the officers surprised our Worthy High Priestess, Reuah Bixler, with a birthday potluck at her home on Otter lake.

To the newly initiated sojourners of Faith Shrine, U.D., we extend a sincere fraternal welcome. As your knowledge of the Order increases, we know you will enjoy your privilege of membership.

Beautiful memorial services were held on June 4th for the ten deceased members of Fort Wayne Chapter this past year. A white robed figure knelt at the foot of a cross placed in the East, flanked by two standards of five lighted candles each. As the name of each member was read a taper was extinguished. Josephine Cecil sang the beautiful song, "Faithful Hands," which was followed by a prayer by the chaplain, Ethel Hall.

We were happy to welcome our District Deputy Sister Myrtle Morton at our June 18th meeting. As she was escorted to the East the choir sang to her a parody to the song, "Grandfather's Clock." In her gracious and charming mannner she complimented the officers on their work and especially on the new changes in the ritual.

We are glad to announce that Sister Bertha Kayser has joined the Eastern Star family at the Franklin Home. She was entertained by our past matrons and patrons at the Dellinger cottage on Crooked lake and was presented many gifts as a remembrance from them. The best wishes of each member of Fort Wayne Chapter goes to Sister Bertha that she may have many happy years at Franklin and we may have occasion to visit her often.

The Social Committee announces there will be an Autumn Dessert Luncheon Card Party on the afternoon of September 30th at 1:30 p.m. at the Masonic Temple. Tallies are 50c. Let us all bring our friends and enjoy a pleasant afternoon.

In talking to the Scottish Rite brethren, who in most cases are just leaving for or returning from vacations, we are encouraged in every department about an outstanding fall convocation.

Presiding officers for the four degrees to be presented in the Consistory have already contacted their leading characters and expect to start rehearsals early. You can speak with confidence about the impressive work to be presented in the November Convocation.

The banquet will be sparked by a speaker who created a mild riot by his humor as the banquet speaker for the Indianapolis Valley Convocation this spring.

Early talk about prospective members is encouraging and a few petitions have already been presented. You can help make our Fall Convocation a stand out in every way by encouraging your brethren who may have finished their blue lodge work this year present their petitions now.

A summer filled with activities is rapidly coming to a close, and even though our Court is dark during July and August, these past two months have been filled with action. Committees have met regularly during the summer, and officers have held practice sessions regularly on the second and fourth Fridays of each month.

On June 6, a Reception was given at the Hotel Van-Orman for H.L. Esther L. Cook, Grand Royal Matron, S.K. Verl Sandifur, Grand Royal Patron; H.L. Wilma Binns, Grand Associate Matron; and S.K. Alfred Schell, Grand Associate Patron. Following a delicious banquet, short addresses were given by each of the honored guests. A musical program supplied the entertainment for the evening. The program for the evening was arranged by H.L. Ruby Mowery, program chairman.

On July 6th the Friendship committee met at the summer home of Mary Jones on Webster lake. On Sunday, July 12, the EM-BO club and their families were entertained by H.L. Lulu and S.K. Bruce Farmer at their cottage at Long lake. On July 22 the Fancy-Doers met at the summer home of H.L. Dorothy Wolever at Webster lake. Monday August 3rd the Friendship committee met with H.L. Blanche at Lake of the Woods. On Sunday August 9th, the EM-BO club and their families were entertained by H.L. Merle and S.K. Charles Paul at Webster lake.

Our court was host to the Amaranth State Picnic whcih was held at Hillcrest School on August 16. The picnic was in honor of Grand Royal Matron Esther L. Cook. A basket and lunch at noon was enjoyed by all. The program for the day included athletic events and games for everyone. The committee in charge was President Alfred Schell, Vice-president, Sam Cook, Secretary Frieda Brooks, Treasurer Clifford Thiebolt, assisted by H.L. Florence Geiger, S.K. Glen Geiger, H.L. Doris Thielbolt, S.K. Louis Hopper, H.L. Helen Hopper, S.K. Robert Chevalier, H.L. Esther L. Cook, H.L. Emma Scheell, S.K. Walter Hayes, S.K. Ward Bundy and H.L. Hazel Bundy.

During the summer several of our members were confined to their homes by illness and we were happy to hear that several proud Grandparents annonuced the arrival of new Grandchildren. To the sick we wish you all a speedy and complete recovery, and our heartiest congratulations to the new Grandparents.

We regret very much to announce the resignation of H.L. Ruth Peek as Conductress. Ruth was recently married and intends to make her home in the west. To Ruth we all extend congratulations and wish for you much happiness.

Election of a new conductress and any other officers made necessary by such election will be held on Friday September 11th at our regular court meeting. Officers elected will be installed that evening.

Our Fall activities will start off with a Pot-luck Dinner at 6:30 p.m. on September 11th, preceeding our first meeting for the season. Every member is especially urged to be present at this meeting.

On September 19th the Grand Court of Indiana will give a Banquet Reception for Supreme Royal Matron, H.L. Lillian P. Johns, accompanied by S.K. Meridith Griffith Supreme Royal Patron. This reception will be held at the Hotel Van-Orman beginning at 6:30 p.m. All members are invited and should make their reservation with H.L. Esther L. Cook, Grand Royal Matron before September 11.

Now that the summer is nearly over and our Fall work is starting, may we enter into our responsibilities with a new courage and a firm conviction to do our best that our order may continue to grow and prosper in the coming season.

Summer vacation period is rapidly drawing to a close, and you Rose Croix officers are giving thought and attention to the next convocation, November 10, 11 and 12. We are tremendously interested in the Quimby auditorium recently purchased and only wish that we might exemlify the 18° therein this coming convocation. But we will wait patiently, abide our time, confident in the expectation that before our term expires the happy privilege will be ours to enjoy.

We did the degree the last time considerably different than previously done. Much favorable comment was received. We will do it again the same way. If you did not see the degree this spring, we know that you will want to do so this fall.

Bros.: Vacation is over. Work has picked up, bills to be paid. Come and help your officers. Let's make plans and have a big fall.

Most of us traveled or fished, this summer. So will have tall tales to tel and time for fellowship.

The Ways and Means committee of Leo chapter 278 O.E.S. is giving a card party at Dehler-Hughes Hall on Monday evening, October 12, starting at 8:00 o'clock.

A group of Shriners will present entertainment throughout the evening.

The committee has secured a fine selection of attendance prizes to be given away. If you haven't purchased your ticket yet, contact any chapter member and I'm sure they will have a ticket for you.

BIGOTRY ONCE KNOCKED ON WHITE HOUSE DOOR

Today's commendable campaign against racial and religious prejudices in our society brings to mind earlier days of intolerance in American when anti-Masonic forces attempted to elect a President of the United States.

That they failed, miserably, was not only a triumph of Freemasonry. More important, it was a crushing blow against malignant bigotry which, once it lurches up off all fours and is permitted to stalk abroad unchecked, becomes an insatiable monster of hate and destruction.

It happend back in the 1830's. Andrew Jackson had moved into the White House in 1829 and was running for re-election, opposed by Henry Clay.

Clay had many adherents. Among them was William Wirt, a distinguished attorney and an author of considerable success. He had served as attorney-general of the United States for twelve years before Andrew Jackson came along and appointed a new cabinet. Earlier, he had been one of the government's ace prosecutors of Aaron Burr.

At about this time, 1830, anti-Masonic feeling developed intensely among some of the misinformed and suspicious elements. Andrew Jackson was a Mason and out-spokenly proud of it. Thus he became the target of the first officially recognized "third party" in the history of the United States: The Anti-Masons. They needed a candidate, and they chose Wirt.

It was a rather queer selection. Wirt bore no grudge against Masons. In fact, he had joined the Masons many years earlier and, although his legal and literary pursuits finally demanded so much of his time that he simply lost touch with Masonic activity, he still respected the Order.

But Wirt saw an advantage in the opportunity offered by the anti-Masons. It fitted in nicely with the Whigs, who supported Clay. It was his plan to unite both parties—the anti-Masons and Whigs against his political enemy, Jackson.

He made his stand clear, however. In a letter of acceptance to the anti-Masons he wrote that he considered anti-Masonry as a "fitter subject for farce than tragedy." In his campaign, too, he held the anti-Masons venom in check.

But the entire venture was a fiasco. Aside from establishing political convention procedure which is followed to this day the anti-Masons gained nothing. They would not back Clay; the Whigs would not desert Clay in favor of Wirt. The former attorney-general would have gladly withdrawn his own name, but could not at that critical moment turn his back on the party that had chosen him. Thus he entered the polls an unwilling candidate.

He made a very poor showing. He captured only seven electoral votes. Clay won forty-nine. Jackson was swept into another term on the crest of a 219 electoral vote landslide. The nation had resoundingly rejected the appeal to suspicion and mistrust and intolerance.

Trampled so ignobly, the anti-Masons never regained the fortitude or strength to rise again to such prominence. A few years later their new numbers were swallowed up in political mergers. Wirt, their candidate, was not alive to witness their final retreat from the scene. He died just two years after his defeat at the Polls.—Square and Compass.

The Huntertown Lodge met in stated meetings in July and August and took appropriate action on the curren business of the order. Our W.M. Bro. Rinehold presided at the July meeting. A short time later his doctor suggested a complete physical check-up at the Mayo Clinic in Rochester, Minn. While Bro. Rinehold knew there was something out of gear in his physical machine, very few of his friends and brothers knew that he was not in perfect health. His habit of sharing optimism over shadowed any complain that might have been made.

He has returned from the hospital to his home and is still confined to his bed under the efficient care of his good wife. Every brother of the lodge and all his friends pray that the designs on the Trestle Board prepared by the Great Architect will be translated into a perfect structure and a speedy recovery.

The August meeting was conducted by Bro. Vincent Cook, S.W.

The ballot was spread for one new candidate to become a member by transfer. Several committees presented progress reports that indicate an active fall season. The report of the building committee was carried over until the stated meeting in September.

The Huntertown O.E.S. has been on vacation during July and August in preparation for the big events that are planned for the balance of the ensuing year. Everyone is invited and urged to participate in the constructive programs of both the O.E.S. and your Masonic Lodge.

Be sure to notify us of any change of address.

Brother South Gaters. It does not seem too long since we were working on new candidates. The time has again arrived to begin our Fall activities. I would urge you all to consider taking an active part in your lodge activities. A growing Lodge has increasing responsibilities and is necessary that each member take an acjtive part.

We want each member to take as active a part as he would like in the Degree Work. Other work is also important. We do need workers on our Sick and Veterans Visitation Committee. As you all know Bro. Bunke has done an excellent job on this committee.

There is much work to be done, and a few serious problems to resolve. I would urge you to be present at our first Stated Meeting of the Fall. This will be September 14th.

The Lodge has again lost a staunch supporter and valuable friend. Roy Ratican was called to the Grand Lodge above. Roy made a valient attempt to regain his health, but it was not to be. The Lodge mourns his passing and extends its sympathy to his family.

It may be that the Lodge may adopt the Mentor Plan of Instruction for the new candidates. I believe that it is one of the best ideas, for instructing the newly made Masons yet conceived. Several have volunteered their services for carrying out this good work. There is room for more to help and it is a good way to learn more of the meanings of Masonry.

Don't forget fellows—we will be working in September.

A BIT OF TEMPLAR HISTORY

In the year of 1118, during the time of the first Crusade, nine French knights formed themselves into a military brotherhood for the purpose of affording protection to the pilgrims on their way to Jerusalem to visit the Holy Sepulchre, as these unfortunate people, helpless and undefended, were being constantly harassed and molested by hordes of Arabs, who even when Jerusalem was in Christian ands, constantly infested the roads leading from the sea coast to the Holy City.

Combining the military with the Monastic character, these knights came before the Patriarch of Jerusalem and in his presence took upon themselves the solemn vows of poverty, chastity and obedience, and assumed the title of "Poor Fellow Soldiers of Christ." Baldwin, the king of Jerusalem, assigned to them as a residence a wing of his palace, which stood near the site of the former Temple. The Abbot of the Temple gave them, for an armoury and storehouses, the street which stood between the palace and the Temple, whence they derived the name "Templars;" a title which they ever afterward retained.

These pre iminaries taken, the call to the service of the Cross was sounded, and the youth and blueblood of Christendom—none other need apply—flocked to the Templar banners.

The newly inducted members were subjected to a severe and rigorous training in the use of arms and in the art and scieince of war. A strict and stern discipline was imposed. They were compelled to endure the extremes of physical hardship, and inured to austerity, and on taking the field, they soon became the hard-striking core of the Crusading armies. The way to the Holy Sepulchre became safe for the weary pilgrims; and during their service in Palestine the Templars distinguished themselves on many a stricken field.—J. G. Hanna in "Masonic Light."

MASONRY IN KOREA

The Library of the Supreme Council has recently received a well-written pamphlet reprinted from the Year Book of the Grand Lodge of Scotland for 1953, entitled "Masonry in Korea. The Story of Han Yang Lodge No. 1048." In an attractive type face on good paper, this interesting bit of history can easily be read in ten or twelve minutes.

Beginning in 1907 or 1908, when the few foreign residents in Korea included a number of Masons from various countries, this brief article arries the history of Han Yang Lodge from the issuance of its first Charter in 1908 through two wars, a disastrous fire, and many difficult days to the present time. The manner in which the Lodge circumvented the Japanese law against secret societies, preserved its record from 1940 to 1945, traced many of its members when address lists were lost or destroyed, met and did its work in unheated buildings in winter, are all recorded and described in this brief history of the Craft in an alien and hostile land. What the future may bring forth depends, of course, upon the results of the struggle against Communism in the Far East, and we can only hope that a favorable outcome, followed by renewed activity for the Lodge, will not be too long delayed.

The story of Han Yang Lodge No. 1048 is a worthy addition to the archives of Masonry. —SRNB

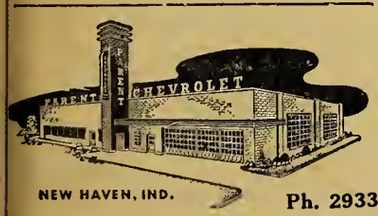
Let us now go into our Fall labors th a new zest and vigor. Our at-ndance before vacation was fair and od at times. Let us try to make it uch better now with the summer ork laid by. cooler weather coming on. Time to brush up on those lines hich have become vague through leness.

Hope to see you all, my Brethren, our coming meetings.

WHAT IS IMPORTANT?



In the work of Masonry there re many fields of endeavor, all part of our plan "to improve urselves in the way of life." One rother may outline in appropriate ords the duties that are ours as lasons. His words inspire us.

Another brother may not have he same ability to put his ideas nto words, but he knows with qual certainty about his duties as man and Mason. If he learns of brother who is sick, or in dis-ress, he understands. and it is nore than an understanding, of luty, it is the understanding of the principles of Love and Brother-nood, which quickens the desire nto action, and sends him to the ick or the distressed.

One brother may be a good rit-ualist, another a student of sym-bolism, and still another a good worker on any committee.

Each brother doing the special task for which he has the greatest ability results in the success of the Lodge and Masonry.

There are no special degrees of importance. Doing what we can in the work assigned to us is the im-portant thing.—Mason's Messen-ger.

Vacations are so short. It seems that only yesterday we were saying to ourselves: "Oh, boy! no more articles to write for two months."

The only newsworthy event in our Lodge activities since the last article appeared in this paper was the pre-sentation of a 50 year pin to Bro. Lloyd Lenhart on June 15. The pre-sentation was made on behalf of Grand Lodge by Bro. Orvis A. Dell-inger, P.G.M. This ceremony was very impressive and brings back many memories of the past events in the life of the recipient and of lodge events.

After the ceremony, the Ladies of the O.E.S. served a very fine lunch, which I am sure everyone enjoyed to the nth degree.

I want to urge all members to at-tend lodge faithfully as we have sever-al candidates to vote upon, and we undoubtedly will have a very full cal-endar of events this coming fall and winter.

Brother Claude Lamb has been dis-charged from the hospital and is now at home. We understand that Brother Otto Ginther is doing very nicely and will soon be home from the hospital.

We hope to have the plumbing in the basement of our Temple com-pleted this Fall and the steps and entrance to the Temple built by the first of the year. We shall be very proud of this Temple building which was erected and finished by the labor of our local Masons and Eastern Stars.

Be sure and be present at our com-ing called meetings.

As this is the month of September we come to the end of our vacations. We hope that you all had a very enjoyable time, and will soon return to lodge and enjoy its good fellowship.

September 27th has been designated by our Grand Master, Newell A. Lamb, as visitation day to our Masonic Home at Franklin.

As we start our fall season, Three Rivers Lodge will be very busy, we have several candidates waiting to receive the degrees.

I have appointed the following brethren as mentors. Mark Sherwin, Albert White, Ivan Hetrick, Horace Russell, Eugene Dunifon and Wendell Richart. The purpose of the new mentor plan is to teach the fundamentals of Freemasonry to every candidate so he may become a Master Mason in fact as well as in name.

CHARACTERS IN MASONIC LORE

In my forty years in Masonry I have seen many degrees exemplified in various forms from the first to the 32nd and it is hard for me to make a choice as to which is the best or portrays the lessons most effectively. I have taken a keen interest in the Super Execellent Degree and made up my mind I would find out something concerning the lives of the characters aside from what information as gleaned from printed programs.

In a series of articles I will try and give some unknown facts concerning the characters, in this beautiful and instructive degree.

GEDELIAH — Incidentally there were five persons in Scripture by the name of Gedeliah. One, the son of Pazhur, was present at the destruction and one of the advisers to King Zedekiah.

Another Gedeliah was the son of Ahikam, a favorite with Nebuchadnezzar. After the destruction of Jerusalem and deportation of Zedekiah, he was appointed Governor of Judah.

It was Gedeliah, the son of Pashur, a wicked man, one of Zedekiah's Princes, that was put to death. He caused the imprisonment of Jeremiah who later was reprieved. The question now arises which one of the two is referred to in the Super Excellent Degree. I think the founders of the degree chose the former, not the latter, the son of Pashur.

Gedeliah, the son of Ahikam, could have been a resident of Jerusalem and that Nebuchadnezzar appointed him Governor of Judah. Moreover he could have been carried away to Babylon in a former siege where he gained the respect of the Chaldean Monarch and came back with the army.

After Nebuchadnezzar made him ruler, and when the captains of the armies heard that he was appointed Governor of Judah at Mizpah where he resided, they came to him in the seventh month, with Ishmael, who was descended from the House of David the son of Nethaniah, the son of Elishama of the seed royal, came and ten men with him, and slew Gedeliah.

ADONIRAM, (Adoram, Hadoram, Adonhiram), son of Abda, chief r ceiver of the tribute during the reig of David, Solomon, and Rheeboa successor of Solomon. The last Mo arch sent him to collect the tribut from the rebellious Israelites, chiefl called the receiver of taxes or Cha cellor of the Exchequer. There i some doubt that this Adoniram wa the same person who served unde three kings, successively holding th same office. Forty years elapse be tween the first and last mention o Adoniram which would lead us to be acter in the building of Solomon' although this might be true as me lived long in these days.

Adoniram was an important char acijter in the building of Solomon' temple, especially at the time when the king made a levy of 30,000 workmen among the Israelites when Adoniram was supervisor, overseeing 10,000 men a month.

He was also chief architect of the temple, while the Hiramites assigned the job to Hiram Abiff, the widow's son. One tradition has it that Adoniram was the brother-in-law of Hiram Abiff, the latter having demanded of Solomon the hand of Adoniram's sister in marriage. It could be that these fanciful legends is without historic authority.

In I Kings xii, 18, and 2nd Chronicles x, 18, we find he was sent to collect the tribute from the discontented and rebellious tribes of Israel who were by now justly indignant and sick and tired of high taxes levied by Solomon which was the real cause of the fall of Solomon's empire which left Israel in a low state of Morality and enthusiasm. Adoniram was given the appellation of Ado, "Lord" or "Master," giving him the name Adonhiram. He was stoned to death in the discharge of his duties by the infuriated tribes who were in a state of rebellion.—Lakewood Masonic Outlook.

Plans for the fall convocation of the Fort Wayne Scottish Rite Bodies are going forward although the vacation season is not yet over. As announced earlier the reunion will be held on November 10, 11, 12 in the Scottish Rite Cathedral. We regret that it is not possible to hold any degree work in the new auditorium this fall. However, arrangements will be made in the near future to have the membership go through the Scottish Rite Auditorium and give them some idea of the fine quarters they will eventually enjoy.

The fall party for the ladies will be held in the new building instead of the cathedral. Many more can be accommodated and no doubt a tour of the auditorium will be made.

Starting the first meeting in September which will be on the first Tuesday, we will again resume the schedule of meeting twice a month on the first and third Tuesdays at 7:30 o'clock in the Lodge of Perfection room.

A number of petitions have been turned in for the fall meeting and it is not too soon to speak to your Blue Lodge friend and get his petition. At the last meeting of the Grand Lodge, the requirement of six months membership before joining either the York or Scottish Rite was done away with. You are again free to ask your Blue Lodge friend to join with you after he has met certain requirements of the Lodge.

The officers hope that you have had a pleasant vacation and are now ready to carry on the work of the Scottish Rite in bringing worthy Master Masons into our ranks.

THE ORDER OF THE TEMPLE

This is the last degree of the York or American Rite of Freemasonry and is conferred in a Commandery of Knights Templar. It is easily one hundred fifty years old in some form or other, and the founders of the degree based the ritual upon the traditions and accomplishments of the Templars of the Crusades. Also those Templars attempted to wrest from the Saracens and preserve to posterity and the Christian world the Holy Sepulcher, and perpetuate the Christian ideal during the times of the Crusades so the Order of the Temple inculcates the cardinal virtues of the Christian religion and the practices of the Christian virtues. The Order of the Temple teaches in the most impressive manner a belief in the birth, life, death, resurrection and ascension of Jesus of Nazareth as the Savior of mankind, and all of the many and beautiful lessons and lectures of the degree are based upon the New Testament.

Those who have taken the various degrees of the several rites of Masonry are almost without exception of the expressed opinion that the Order of the Temple is the most Beautiful and impressive degree in all Masonry, and without it the Masonic structure is indeed incomplete. With the solemn setting in the asylum of a Commandery, with the dignified and respected uniform worn in the ceremonies, with the beautiful music, and the picked ritualists for the several parts, the Order of the Temple is the last word in ritualistic perfection in Masonry or any other fraternity.

The Order of Knights Templar is a national organization in the United States and Canada, England and perhaps several other countries. In this country the Grand Encampment of Knights Templar of the United States of America is the governing body with each state having a Grand and Constituent organization. The various units of Templary, local, state and national, have benevolent and charitable programs carrying into practice the teachings of the degrees, and one of the great constructive Templar activities is the "Educational Loan Foundation of the United States" which has enabled thousands of young men and women to secure a college education.

The Templar wears upon his uniform the Cross of Christ, thus publicly proclaiming himself to be a follower of that Christ and pledged to protect and vindicate the Christian religion. —New Castle Trestle Board.

Our Guest

Rt. Em. Paul G. Smiley, Grand Commander of Grand Commandery of Indiana.

The centennial of our existence was held Saturday afternoon and evening, October 10th. Your officers and committees did everything that they could and we hope that you enjoyed this historic occasion.

First you received a very beautiful program in the mail, then the afternoon started with the ritual being conferred in our asylum by the officers of the Grand Commandery of Indiana. At this same time Mrs. Samuel Geake entertained the visiting ladies in the parlors of the Scottish Rite Cathedral. The banquet committee is to be especially complimented in the lovely meal that was served. We all liked the souvenir fountain pens, which will remind us as we use them of this interesting day. We all enjoyed meeting the officers and their ladies of the Grand Commandery and we only hope that they liked coming to old Fort Wayne, "the Gateway of the West."

Our Host

Em. Sir Carl L. Shroyer, Eminent Commander of Fort Wayne Commandery No. 4, K.T.

SCOTTISH RITE HONORS

At the 141st annual session of the Supreme Council of Northern jurisdiction of the U.S.A., held recently in the Palmer House at Chicago. Brother Dale McMillen of Fort Wayne was nominated to receive the 33rd degree next year at Boston Mass.

Brother McMillen is a member of Summit City Lodge, Thomas R. Marshall Chapter, Fort Wayne Council, Fort Wayne Commandery and the Scottish Rite Bodies of the Valley of Fort Wayne. He has been a very active industrialist not only in Fort Wayne, but in many other states of the union. He is well known for his philanthropic deeds, having given our city the beautiful McMillen Park and contributed heavily in all of the numerous drives for charitable and semi-public buildings, the last being the building of our new First Presbyterian Church.

John R. Young of Bluffton was the other member of the Fort Wayne Valley to receive a 33rd degree appointment. He has been a very active Mason having been elected to preside over Bluffton Lodge No. 145 F&AM; Bluffton Chapter No. 95, R.A.M.; Bluffton Council No. 63, R&SM and Bluffton Commandery No. 38 K.T. He is a member of Indiana Priory No. 8, Knights of the York Cross of Honour and of Gennesaret Tabernacle No. 17, Knights Templar Priests. For years he has been Bluffton ambassador of the Scottish Rite Bodies of the Valley of Fort Wayne.

Two other Fort Wayne Masons were crowned 33rd degree Scottish Rite Masons at the Chicago session. They were Elmer R. Forks, the Deputy Grand Master of the Grand Lodge of Indiana and a Past Sovereign Prince of Darius Council, Princes of Jerusalem and Verlin J. Harrold, the Commander-in-Chief of our Consistory.

WASHINGTON'S PRAYER

"Almighty God: We make our earnest prayer that Thou wilt keep the United States in Thy holy protection; that Thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; and entertain a brotherly affection and love for one another and for their fellow citizens of the United States at large. And finally that Thou wilt most graciously be pleased to dispose us all to do justice, to love mercy; and to demean ourselves with that charity, humility and pacific temper of mind which were the characteristics of the Divine Author of our blessed religion, and without a humble imitation of Whose example in these things we can never hope to be a happy nation. Grant our supplications, we beseech Thee, through Jesus Christ our Lord. Amen.

The Fall and Winter activities of the Lodge have started with the E.A. degree being conferred on Bros. Paul A. Purman and James C. Weaver. We were happy to have some of our Past Masters take part in this degree work. It is always a pleasure to have Past Masters give degree work and no doubt it brings back memories to them of the year that they were in the Masters Chair.

The Lodge has adopted the Mentor Plan, and these two new Bros. are going to be the first ones to benefit by this excellent system of instruction and coaching. Bros. A. Dale Spieth and Lee G. Witte have been appointed Mentors.

Now that the clocks have reverted to Standard time and darkness falls at an early hour, we hope that the attendance at the coming stated and called meetings will grow by leaps and bounds.

ROYAL MASONIC HOSPITAL

Ravenscourt Park, London, W.6.

The Royal Masonic hospital is a Private Nursing Institution of approximately 200 beds, for the benefit of Freemasons, their wives, widows and dependent children. It has been developed over a period of 38 years. The present building was erected in 1932-33, and opened on on the 12th of July, 1933, by His Majesty King George V.

It is primarily a Nursing Home for paying patients of limited means. The ordinary charges are based on a scale adjusted according to the financial position of the patient, with the addition of a very modest payment to a Surgeon or Physician. For patients who are unable to meet these low charges, a Samaritan Fund is provided which places them on the same level as other patients.

The Hospital has been built, equipped and maintained entirely at the cost of the general body of Freemasons and their Lodges at home and abroad. No grant or payment from the State or from any public body or public charitable institution has ever been accepted. Throughout its history, the Board of Management has acted upon the basis that Freemasons wanted a Nursing Institution of their own and were prepared to pay for it. That the Board in so acting has rightly interpreted the wishes of their Brethren in Freemasonry, has been shown by the everincreasing demands for admission and the magnificent financial support given to the Hospital by Freemasons everywhere.

While during the recent war the Hospital maintained at its own expense and without any State grant or financial aid, a large portion of its accomodation for the benefit of the three fighting Services of the nation and nursed over 8,600 patients from those Services, it continued all the time its regular work for Freemasons, and every Masonic patient seeking admission during the war period was accomodated.

The Hospital has been exempted from the National Health Service Act, and will continue the work it has hitherto done as an independent and exclusively Masonic Hospital.

A Training School for Nurses is the latest new development undertaken, and the first class of Student Nurses began their three-year course in the Hospital in August, 1949. Provision of the necessary accomodation and equipment for the Student Nurses has been a costly matter. A new Pathological Department, and other additions are planned for the future. The support which the Hospital has received in the past justifies the conviction that no difficulty whatever should be experienced in financing these and all future developments and requirements from purely Masonic sources, and the Hospital is thus looking to the Craft for still more support now and in the years to come.

FREEMASON WOMEN IN ENGLAND

A correspondent of The "Freemason" wrote:

"I enclose a clipping from "The Manchester (Eng.) Evening News"

Freemason Women at Funeral.—There was a large attendance of women Freemasons at the funeral, at Crewe today, of Mrs. J. Leach, one of the founders of the Crewe Lodge of Women Freemasons.

"Although I was aware there have been a few women Freemasons, I did not know there were any in actual operation. Could you give any information on this clipping? Are they recognized to hold Lodge?"

The editor of "The Freemason" answered the inquiring Brother with the following comment:

"Co-Masonry evidently had its origin in France, Mlle. Maria Desraimes a writer on humanitarian subjects and the rights of women, is said to have been initiated, on January 14, 1882, into the 'Lodge les Libre Penseurs,' at Pecq, in the Department of Seine et Oise.

"In March and April of 1893, this lady, with the planning or assistance of a Dr. George Martin, initiated, passed, and raised 16 female candidates. This was in Paris. The next development was ithe institution of mixed Lodges, and this system was set up in Great Britain in 1902. Some three years later, such organizations took on the titls of Universal Co-Freemasonry.

"Some 20 or more Lodges of this type have been set up in England, and doubtless the clipping refers to one of such bodies. Needless to say, this so-called Masonry is not recognized by the United Grand Lodge of England."

MASONS OF INDIANA PRESENTED HISTORIC WHITE HOUSE RELIC

A stone bearing a Masonic mark, and taken from the walls of the White House in its recent rebuilding, has been presented to the Indiana Grand Lodge of Free and Accepted Masons.

The stone was presented by Carl H. Claudy, past grand master of the District of Columbia, acting as representative of former President Harry S. Truman, one-time grand master of the Grand Lodge of Missouri.

ENGLAND'S QUEEN CONTINUES MASONIC PRECEDENT

Queen Elizabeth II has announced her consent to become Grand Patron of each of the three Royal Masonic Benevolent Institutions conducted by the Grand Lodge of England, one for girls, one for boys, and one for the old folks. It was just 100 years ago that her great-grandmother, Queen Victoria, set the example of royal patronage in 1852. She accepted the title of Patroness of the Royal Masonic Institution for Girls had been established, under the sponsorship of the Duke of Cumberland, Grand Master in 1782-90.

After his accession to the throne in 1831, King William IV continued the royal patronage to the Girls' School as did his Queen, Adelaide. Thus since this time each king and queen of England has continued the royal patronage of the three Institutions. In addition, Queen Alexandra, after the death of King Edward VII, and Queen Mary expressed the desire to give the Girls' School their royal patronage.—New Age.

Brethren, this year is going by too st. I don't believe I am going to get erything completed that I had plan- d to do, but will keep trying.

When you read this article our ip to Chicago for our Tri State eeting will also be a thing of the st. A good time was hed by all. ur thanks to our Jr. Warden, Cles rb, who was the General Chair- an for the trip, for his arrange- ents before the trip and the many tters he had to answer before we ft. Everything went off like clock ork.

We have a Past Master of Home odge that was again honored on e 23rd of September by receiving the 3rd Degree in Masonry. The many onors this Brother has received ould fill up several paragraphs so say to Brother Elmer Forks, from e Officers and Brethren of your lue Lodge we extend our congrat- lations to you.

I have appointed 5 Brothers who xpressed their desire to become Mentors of Home Lodge. I am proud o announce their names at this time. Cedric Mast, Francis Ray, Carl achner, William Wiggs, and Elmer Barcus. Each one has received his Mentor's Kit and is hard at work tudying the material that was sent o him by the Masonic Education Association. Each one has mentioned that what they have learned is helping them answer the questions of new candidates just a little easier.

Our attendance for Degree work is getting better as the vacation season is coming to a close for most everyone. I don't know of anything that makes the Officers and Brethren, that are conferring the work, any happier than to see the seats filled in the Lodge room. It also makes the Candidate feel better too. Hurry down to the Ionic Room on Tuesdays and fill up that vacant chair that we have been saving for you.

Our next social event will be sometime in November, watch for further announcements.

Don't forget your sick Brother, he will be glad to see you and if you are unable to see him contact the Secretary or Sick Committee Chairman Brother Barcus.

The officers and members of the casts of our degrees are now busy rehearsing for the Fall Convocation. We have developed a two platoon system, whereby we have two men for each important part. This gives more members opportunity to take part and we shall feel much safer in case it suddenly becomes impossible for a member to come and do his part.

The cast is asked to report Wednesday noon, November 11th in the robing room, as the degree work will start at about one o'clock.

Make it a point to witness the exemplification of these two essential degrees, as you don't want to miss the new equipment, new faces and new platoons.

Now that autumn is really here to stay, the thoughts of everyone has turned to football and school work. Our first meeting was held September 8th and a swell crowd attended, about 90 fellows. Members who were leaving for college, Don Rife, Louis Mangel and Ron and Don Belbutouski gave short talks and refreshments were served by the Mother's Circle.

On September 5th seven members of our Chapter, Mike Brutton, Bill Willcutts, Jim Frey, John Curtis, Roy Bromelmeier, Chuck Small and Bill Spice attended the Maryland and District of Columbia DeMolay Conclave held at Washington D.C., with "Dad" James Heath a former resident of Baltimore, who was Grand Council representative for Maryland and District of Columbia for DeMolay. He is now a resident of Fort Wayne.

The meeting of September 22nd was also well attended and the high lights were reports on the above trip. Bill Willcutts talked on the more serious aspects and Jim Frey on the social side. Dad Heath also talked on the fine conduct of our members and the fine impression they made.

The first initiatory degree will be given by the new officers on October 27th. There will be 19 candidates in the class eleven short of a year ago. In bringing up the subject of membership I would first like to tell you that in the past 6 years the Fort Wayne Chapter has shown an increase over the year before, we do not want to break the string this year. For the first year increase an Advisor Honor Key is presented to the chapter and a star added for each year that an increase is shown, we now have an Advisors Key with 5 stars.

There are 1675 Chapters of DeMolay in the U.S. and foreign countries here are the ratings as to the Stars.

First, Baton Rouge, La., 8 Stars; Second, Martins Ferry, Ohio, 7 Stars; Third, Fort Wayne, Ind., 5 Stars; Claremore, Okla., 5 Stars, Key West, Fla., 5 Stars; Monterey, Calif., 5 Stars.

So you can see we do want to show another increase.

The last Initiatory Degree this term will be given on November 24th this means that all petitions of candidates who want to join DeMolay before January 1st and take part in the White Christmas Formal Dance must be presented by October 27th meeting. The class of October 27th and November 24th will all receive the DeMolay Degree on December 22nd in the Scottish Rite Auditorium. This is one of the big events of the year.

Let's have a big class for November; at least 32 candidates to come up to last year. Our slogan is "Each one bring one," so every one should try and bring at least one candidate.

The Indiana State Conclave will be held at Gary on October 23-24-25. If any member cares to participate, information can be had from M.C., Bill Pomp or "Dad" Riethmiller.

"SPECIAL ATTENTION" there will be NO MEETING on November 10th because of Scottish Rite Convocation. There will be a called meeting on Thursday November 5th.

DeMolay year begins October 1st so DUES ARE DUE NOW, and prompt attention is requested.

That's about all the important news for this month. Don't forget to attend Chapter. Each one bring one.

At this writing there is the smell of burning leaves in the air. Our neighbors across the way have just finished puttting up their storm windows. I notice by the papers that the younger set is taking off on various hay rides and barn dances. Indian summer, that dreamy, hazy, bittersweet time of year is here for its brief season. So take heed, there is little time left to prepare for the winter season ahead. All of our committees have been busily preparing for the special events to come, so push your chair closer to the fire and talk with us for awhile.

Of first importance are our sick and bereaved—and although the list is short this month we are very much concerned about it. Sherman Noll is convalescing at home. Harry Haller has suffered severe facial burns as the result of a furnace explosion. Clyde Wood has had another bout with his summer long malady. We certainly wish them a swift and complete recovery and we know that you will be just as anxious as we were to drop them a cheerful card—or better yet, drop in and see them. At the same time we wish to send our best wishes and sincere hopes of a better time to come to June Jones whose husband has been seriously ill. To Maudie Miles we send our sympathy on the death of her brother-in-law. We hope all of you will feel up to our heavy calendar coming up soon.

It won't be long now. Friends Night is October 2nd and although this won't be published until after this gala event I feel safe in saying that you who will attend will have had a wonderful time. Friends old and new will be seen and memories will not only be reviewed but made for remembrance in future years. If you haven't attended any of our sister chapter meetings recently you can rest assured that you will see many of your friends from the various chapters in this area and have an opportunity to see them put on the work.

We feel that it is not too soon to call attention to our Inspection. This highlight of the year will roll around on November 6th in the Commandery Room. The opening will take place at 5:00 p.m. to be followed by a banquet at 6:00 p.m. The baby dedication is scheduled for 7:30 and the official inspection will follow at 8:00 p.m. Many months of planning and hard work have culminated in a dream of a succesfsul, colorful evening. Don't miss it.

We always save the best for last, and what better news could we give you than that two more babies have been born in our chapter? Congratulations to Allyn Leeti and Elizabeth Fortmeyer.

CALENDAR

Sewing and Decorating committee will meet at the home of Dawn Gaskill with Florence Amstutz as assisting hostess, October 5th.

The officers will meet at the home of Velma Welch with Doris Thiebolt as assisting hostess, October 26th.

Registration committee will meet at the home of Vida Woods, October 29th. Call E-1425. NeCaWa will have its annual Family Party, October 21st. New members are invited. Place of the party to be announced later.

Ways and Means committee is sponsoring a bake sale at Wolf & Dessauer on October 10th. Donations will be very welcome. You may or may not have heard that only 23 contributions to our rummage sale were received. The fact that it was a success is small solace when one stops to think of what it might have been if more donations had been forthcoming. Don't let the same thing happen to the Bake Sale. Get busy and bake that extra batch of cookies.

If you still haven't found anything going on in the month of October that appeals to you then this might be right up you alley. There is going to be one bang up Square Dance on October 24th. Tickets are available from any of the members of the Ways and Means committee. If you want some real fun, you'll find plenty of it popping that night. If we don't see you there—we'll tell you about it next month. Same time, same column, same by-line.

It takes a little muscle, it takes a little grit,
A little true ambition with a little bit of wit.
It's not the biggest things that count, and make the biggest show
It's the little things that people do, that make this old world go.

A little bit of smiling, and a little sunny chat,
A little bit of courage to a comrade slipping back.
It takes a kindly action, and it takes a word of cheer,
To fill a life with sunshine, and to drive away a tear.
Great things are not the biggest things that make this biggest show;
It's the little things that people do, that make this old world go.

Companions: New officers for your chapter have been elected, appointments have been made, and a new chapter year has started. But filling the stations is not enough to assure a prosperous year for the chapter, important and necessary as that is. You should plan to attend as many chapter meetings as you can. If you care to, there is much that you can do to help. A "Keystone Club" is being organized to assist in conferring the degrees. There are many places to be filled, a few with easily learned talking parts. But if you do not care to assist in the degree work, we will be glad to see you on the side lines.

Are you sure that your Masonic friends who are not members of any chapter of Royal Arch Masons, know what it means to them, to take the Chjapter Degrees. Explain to them that it is a continuation of the Blue Lodge work, and for the first three degrees has the same form and practically the same stations and officers. Explain that the Royal Arch Degree concerns itself with the building of the second Temple after the return from the Babylonian Captivity.

It has been brought to our attention that many Blue Lodge members, have little if any information concerning the additional York Rite Degrees. We are counting you, our chapter members, to help enlighten the Blue Lodge Masons and bring in the petitions.

Plans are already underway for "Past High Priests Night," in January '54. This is an annual affair; watch for further publicity.

Good-bye now; be seeing you in Chapter.

I wish to take this opportunity in behalf of myself and fellow officers to express our appreciation for the wonderful turn out Saturday, September 12th to welcome Triad Lodge 708 of Toledo, Ohio, who were our guests on that day. Over 200 were present to witness the Master Mason degree conferred by the Toledo Craft. Not only did you fill our expectations at the banquet but also the lodge room was once again filled to seating capacity. The degree work was conferred in excellent manner and greatly enjoyed. We were honored by the presence of three District Deputies and the Deputy Grand Master of Ohio. May these pleasant visitations continue thus cementing more closely our Brotherly Love and Friendship which is so important these days.

Again I want to mention October 28th, a date not to be overlooked as that is the day we will honor our Past Masters, those brethren who have guided your lodge activities through the past years, making it what it is today.

Lodge will open at 4:30 p.m. to confer the 1st section of the Master Mason degree followed by a dinner at 6:30. Work of both sections will be conferred by your Past Masters.

On October 31st your Fellow Craft club will hold a Halloween square and round dance in the ballroom from 8 p.m. till 12 midnight. Earl Walker will provide dance music and do the calling. A fee of $1.00 per couple will be charged. Tickets are available from Lodge officers and Fellow Craft members.

Congratulations to our esteemed Brother Judson West who celebrated his 92nd birthday on September 22nd and has been a Master Mason for 65 years.

Our sincere sympathy to the family and relatives of Brother Harvey E. Metzner who was called by the Supreme Architect of the Universe, of September 8th, after a prolonged illness.

We still have several brethren on our sick list who would apreciate a visitor now and then, Frederick M. Christoph, Walter B. Shapeland, John E. Scott and Luther M. Childers. Our best wishes for a speedy recovery.

IRELAND

In 1830, workmen engaged in rebuilding the Baal bridge near Limberick, Ireland, found beneath the foundation stone a metallic square bearing the date 1517 and also the following inscription:

'I will strive to live and love and care, upon the level, by the square.'

This indicates strongly that medieval operative Masons attached to the square the same symbolic meaning we do today.—Exchange.

Recently, one of the members reminded me of an article written earlier this year on Secrecy and asked if I would attempt a short dissertation on the 47th Problem of Euclid. That's quite an order, but here goes.

I must begin by pointing out that, actually, the "47th Problem" is really not a problem but a theorem. A problem in geometry is something to be done, while a theorem is something to be proved. Euclid does not use either term, but calls it "Proposition 47," using the term "proposition" as something to be either done or proved.

In Euclid's "Elements of Geometry" there are thirteen books and this theorem is the 47th proposition of Book I. Each book begins to number its propositions with No. 1 and Book X also has a "Proposition No. 47." The particular Proposition 47 to which we refer is an attempt to prove that in any right-angle triangle, the sum of the areas of the two squares described on the sides containing the right angle is equal to the area of the square on the side opposite the right angle. The sides containing the right angle are called respectively the base and perpendicular while the side opposite the right angle is called the hypothenuse. Hence, the proposition can be restated as: The sqnare of the base plus the square of the perpendicular is equal to the square of the hypothenuse.

To many a Master Mason, this proposition is simply one of the emblems of the Third Degree. A few do not know what it is and some recognize it simply as one of many geometrical propositions, with no knowledge of its practical importance or symbolic significance. Some have said: "What value does the candidate get from the figure of the 47th problem of Euclid as shown on the screen?" The thought of each brother in asking this question seems to be that the candidate receives no benefit whatever and that perhaps a more extended explanation should be given in the lecture. I will attempt to point out the importance of the proposition in a moment, but I would like to answer the matter of the more extensive Lodge Room explanation by reminding ourselves that the lodge room instruction is in no way intended to be complete. The candidate is urged to further his own knowledge either by personal investigation or by conversing with well informed brothers who will always be ready to give instruction. He is given only a few simple explanations and is then urged to search for the deeper truths which only diligent study will reveal.

But back to Proposition 47. In this brief space and time allotted in these pages, I will not attempt an exhaustive research of the proposition, but would like to point out that there is some question as to whether the proposition was entirely original with Pythagoras or whether he simply expanded upon a proposition which was known in part by the Egyptians before him. Most writers both ancient and modern, however, are willing to give him credit for the principle as we know it today. Certainly Pythagoras discovered the demonstration of the principle.

The discovery of the demonstration of the principle was considered such a great triumph because it is of the utmost importance to the science of geometry. The Encyclopedia Britannica says: "On this theroem almost all geometrical measurements depend, which cannot be directly obtained."

But you still say, "What is its significance to Masonry?" Our lectures tell us that it teaches Masons to be lovers of the arts and sciences. Since Proposition 47 is so important in the science of mathematics, we can understand why it should be adopted as a symbol of scientific investigation, and to such an investigation all Masons are pledged in their search for truth, the great object of Masonic study.

But has it not still a deeper meaning? Proposition 47 is the basis of the application of algebra to geometry. Algebra is the application of symbols to mathematics, and Masonry is the application of symbolism in character building. The Britannica says that mathematical measurements which cannot be directly obtained depend upon this proposition. Yes, and as applied to Masonry, the highest truths of morality cannot be directly obtained. They must come to us indirectly through the medium of symbols.

There is no apparent relation between the numbers 9, 40 and 41 but when we raise them to the second power (that is, square them) we obtain 81, 1600 and 1681. In this form, we notice that the sum of the first two squares equals the third, and that the numbers in which we could at first see no relation are the sides of a right angle triangle. So it is with life. Measured on the level of our lower natures, there is no relation between our desires and our brother's needs. It is only when we square our lives by the square of virtue, and our selfish desires raised to spiritual purposes, that we perceive that our own welfare is intimately connected with that of our brother.

As we travel upon the level of time, we must also be traveling upward. Let the base of the triangle represent our earthly nature on the level of time; the perpendicular is the divine spirit striving to manifest

Shortly after you read this article, you will have in your hands your reservation card for our Homecoming Banquet which is to be held this year on October 30. It is extremely important that you sign your card and return it at once so that we can plan accordingly for the number to be in attendance that night. I urge each and every one of you to be there for I know you will enjoy every minute of it. We have planned a fast moving program which will be climaxed by that highly entertaining speaker, Dusty Miller of Wilmington, Ohio. Remember, if you have not sent in your reservation card, we can not guarantee you a seat at the dinner. Please return your card as soon as you receive it for I want you all with me on that occasion.

Brethren: Despite a nice class of four candidates the unseasonable hot weather during the early part of September took its toll upon our attendance. With the return of cooler weather, however, we have noticed an upward trend. We would especially like to have good turnouts for the month of November as all officers will be advanced one station on all degrees, thus giving you a possible preview of your next years lineup. I am informed that the officers have all been making suitable preparation for this event.

Just your presence in lodge means much to your officers and if you should desire some activity it can be provided. More volunteers are needed to serve as mentors under the new Indiana Mentor Plan. The Masonic Service Visitation Committee is looking for more brethren to make calls to the Veterans Hospital. Fellowcraft Club president, Bro. Cleo Crowe could use a lot of help in getting the team in action once again. There are many other possibilities so just come up and make your desires known.

On the night of our M.M. degree (September 24) 50-year emblems were presented to Brothers Ralph E. Chapin and Charles Alexander by P.G.M O. A. Dellinger acting as Special Deputy of the Grand Master. Brother Alexander has the additional distinction of being the oldest living Past Master of Wayne Lodge, having served in that station through the years 1906-07. Brother Chapin made a special trip from his home in Chicago, Ill., to receive the honor. Our most sincere congratulations go to these brothers upon attaining a recognition which comes to but few men. Our thanks also to Bro. Dellinger for his outstanding part in the ceremony.

Be sure the following events are on your social calendar; Friday, October 30, Halloween party and square dance at McMillen Park, Main pavillion 7:30. Saturday, November 14, Annual Dinner Dance at the Temple. Thursday, December 3, Annual Meeting with dinner in dining rooms at 6:30.

Our thanks to P.M. Conrad W. Scott for acting as host to the Fellowcraft Club at his Lake James cottage, Sunday, September 20. Barbecued ribs were a feature of the menu and a hot time was had by all.

Brothers Frank VanDyke and Martin Baral have been recent hospital patients but are both home at this writing. May they both have a rapid recovery.

All members of Ossian Lodge are looking forward to the annual Home Coming and banquet on November 2. There is a fine program in the making and all will have a fine time renewing acquaintances with the Brothers who reside far enough away that they are unable to attend lodge regularly. It is hoped by the Felsowcraft club officers and the director that our Masonir play will be in readiness for this occasion. Practice has been called for each Monday night and all are working hard. There will also be presentation of 25 year pins at this meeting.

We would like to take this opportunity to remind all brothers to attend stated meetings and in this way keep informed of the details of the lodge activities. We look forward to work next month and invite and urge all to be present.

Emerald Chapter of Eastern Star will have initiation on October 2 and presentation of a 50 year pin that evening. Ossian O.E.S. stated meetings are on the first Friday evenings of each month.

Shiloh Chapter has been quite busy with plans for the fall. Its first meeting opened September 10, 1953, when "Letty Dickey Night" was celebrated.

The meeting was preceeded by a pot luck supper and program. This proved to be quite effective as Sister Letty and her husband are leaving September 13, for their new home in Florida. (Add.: 639 Normandy Rd., Maderia Beach, St. Petersburg, Fla.)

The tables were beautifully decorated in yellow and purple in keeping with the station of Ruth.

Preceeding the formal opening of the meeting, Shiloh Choir gave a playlet depicting several instances that took place in General Chapter at Milwaukee, Wisconsin. A duet, "Entreat Me Not to Leave Thee" was very impressively rendered by two Sister Stars, Ann Waechter and Corrine Henry from South Bend. Guests from various outside cities were present with some 150 in attendance.

As a little reminder, lets not forget our card party and bazaar December 7.

September was a busy month for your officers and craft. The entered apprentice degree was conferred on September 14, Fellow Craft on the 21 and Master Mason and dinner on the 28th.

The regular stated meeting for October will be on the 5th at 7:30 p.m. We hope to have candidates to confer the degree upon the follow ing succeeding Monday nights.

The entertaining committee headed by our Junior Warden, Kenneth McGraw is planning a dance and light refreshments during the dance on Friday night, October 23. The admission will be by ticket, which you can obtain from anyone of the officers or members of the Fellow Craft club. Let us make this one of our social events for this fall. Come and bring a couple with you.

On November 23 we will have Past Masters Nite. Keep this date in mind and make a special effort to attend.

Two of our Brothers were called out of this world to the world beyond since my last message to you. Brothers August Thjeodore Voehl and Samuel Siebold. We extend our sympathy to the families and friends of these departed brethren.

At this writing the following brethren were reported on the s ick list, Brothers Irwin Snyder, Charles Fries, Maurice Benward, Elmer Patterson, Everett E. Miles and Wilbur E. Neuenschwander.

If any of you brethren have time to call on these such brothers I am sure the call will be appreciated by them.

MASONIC RULES

There is not too much of importance to report on this month past. Our meetings were matters of business which had to be taken care of. One thing you brothers who could not attend will be interested in. Some things about our building which needed repairing and some fire hazards which need attention were reported to the trustees and will be taken care of at once.

We have many things to thank our Heavenly Father for and let us not neglect it. Do not forget the tenets of our order but practice and carry them through faithfully so as to keep the Great light which graces the altar of Masonry shining brightly.

Masonry could and should have an important part in straightening out this troubled old world of ours. It is up to us to see that the teachings of light are understood and spread. For by our faithful adherence to Brotherly Love, relief and truth there is no room left for false propaganda.

Rehearsal dates are out and work in preparation for presenting the Consistory degrees in the coming Convocation—November 10, 11, 12—will begin at once.

Four degrees will be put on by the Consistory this fall starting with the Grand Pontiff or 19° on Wednesday evening, November 11, at 7:30. Edwin R. Thomas, 33° who has given notable leadership to this strong degree will be presiding and Judge William H. Schannen 33° will enact the Grand Pontiff. Candidates always hold a lasting impression of this very active degree which emphasizes the Masonic lesson, "Pride Goeth Before a Fall."

The Grand Inspector Inquisitor Commander or 31° will go on at 10 o'clock Thursday morning, November 11 with James R. Newkirk presiding. This spectacular degree for which new properties were built two years ago uses a large cast and presents plenty of dramatic action.

Immediately after the candidates luncheon on Thursday the Prince of the Tabernacle or 24° will be presented at 1:30. This stalwart degree using a very large cast has long been in the hands of the Brethren from Huntington county and has always been most ably given. It was last exemplified in 1950. Knowtton H. Kelsey, 33° who has been dramatic leader of the degree for several years will again be presiding with Rev. Robert D. Hutchinson enacting King Solomon.

At 3 o'clock Thursday afternoon the 32° or Sublime Prince of the Royal Secret degree will be given. The lessons implanted through the powerful allegory of this degree are among the most vivid in all the Rite.

Our banquet speaker, for Thursday evening is hailed by the Brethren of the Indianapolis Valley, who heard him in their Convocation last spring, as one of the most entertaining to appear before them.

Let's give a large class the benefit of this outstanding Convocation.

It was a little cloudy on Friday. Everyone hoped that it wouldn't rain the next day. However, to everyone's disappointment it was raining Saturday morning when they got up, and it continued raining all during the day. The faces were really long because today was the day of our hayride. Telephones rang constantly and it was finally decided that the hayride would have to be postponed until Monday. I am sure that everyone who was at the hayride had a wonderful time. It was a simply 'scrumptious night for a hayride. The food tasted real good too. Of course everyone had a good time when they were square dancing. After everyone had ridden in the hay wagon, filled themselves with food, and then danced for a few hours, I am sure all will agree that it was truly a typical Job's Daughters hayride. Simply wonderful. I would like to thank everyone who worked so hard to make this a success. I would especially thank Carol Noll, who was the general chairman.

Our first initiation was held September 15th. I think that the officers really did a good job. I would like to remind the girls that if you know of anyone who wants to become a Job's Daughter, be sure and get a petition to this person.

Our Mother's club has already started its season's activities. The first meeting of the year was held September 23rd, at 1:30 p.m. at the home of Mrs. Charles Masel, 5014 Smith St. The newly elected officers are as follows: Mrs. James E. Bennett, president; Mrs. Frank G. Smith, vice-president; Mrs. Arnett Bickle, secretary-treasurer; Mrs. John H. Hinman, corresponding secretary; and Mrs. Frank Miser, publicity chairman. All mothers of girls in Job's Daughters are invited to attend the meetings of the Mother's club. The wonderful mothers in this club are the ones who do the work behind the scenes. They are a big help to us and I would like to express our appreciation of them.

October 5th is a big day for our bethel. We have the pleasure of having Miss Spencer, the Grand Guardian of Indiana, come and visit our bethel.

The inspection committee members are working like little beavers to get all of the decorations finished on time. We have a delicious menu planned and we think the decorations are real cute. The banquet will start promptly at 6:30 and the meeting, which is to be held in the Colonial Room, will start at 7:30. Thanks to all the girls who worked so hard and faithfully on this committee. Well, I will see you at inspection.

This is the season for changes and alterations. Daylight saving time has now changed back to standard time, with longer evenings to attend lodge and other meetings that demand our time.

Summer has merged into autumn and the trees and shrubbery are in the process, or have already changed their mantle of green for one of gold, red and many other varigated hues that lend an enchantment to the landscape that must be pleasing to the all seeing eye. This is not just another autumn in America. It is a time of thanksgiving for the bountiful harvest of golden grain that will insure against hunger and famine. It is a time when every Mason should pause and give thanks for the privileges of a free people, for the opportunity of participating in the execution of the designs prepared by the Great Architect in making this world a better place in which to live and enjoy life.

It is a season in which we should reflect on our responsibilities and obligations to God and man. There is probably no other time of year when the Creator is more clearly revealed to those that desire to see and understand, than when the life He implanted in the tiny seed is maturing into golden grain, the yellow pumpkin, the blushing apple, the beautiful flowers and the other marvels of nature. Yes, it is a time of change. Let each of us resolve that we will do our part, however small, in working for peace instead of strife, for constructive achievment rather than destruction, and for the shaping of those living stones for that temple not made with hands.

The October stated meeting of the Huntertown Lodge was conducted by Bro. Vincent Cook, S.W. and was well attended. Two petitions for the degrees were received in due form.

Several standing committees gave progress reports that indicate growing interest in the welfare of the lodge. Every member present united in the remembrance and sincere good wishes for our W.M. who is still confined to his home and bed. The entire lodge is praying for his comfort and recovery and hope that he may soon again resume his labors in the temple.

The Bethel of Job's Daughters announce a special meeting in honor of their sponsors on November 2, 1953 at the Huntertown School gymnasium. All Masons and members of O.E.S. together with the parents of the daughters are invited. This will be an impressive meeting. Let us honor their good work by our interest and attendance.

On October 15, the lodge secretary will mail dues notices to all members. The 1954 dues include some special privileges to contribute to the relief of worthy subjects.

SOUTH CAROLINA

South Carolina's biggest Masonic gathering every year is the Wing's Quarry meeting of the 14th Masonic district in Greenville. In an abandoned quarry loaned by C. M. Wing, who isn't even a Mason, degrees of the order have attracted as many as 3,000 Masons from this and 23 or 24 other states. As darkness settles over the quarry, 80 or 90 feet deep on one side, portable lights are turned on, except for the time of the degrees. A picked degree team from the 13 lodges of the district puts on the degrees, and usually one lodge has the opening and closing. Benches are provided for those watching the degrees, although usually there are many standing and many sitting on the edge of the quarry itself. The quarry floor is big enough to handle more than 250 vehicles. Started 12 years ago during the term of Sam Aiken of Travelers Rest as District Deputy Grand Master, the "quarry meeting" has already become a tradition with upstate Masons especially. Light refreshments are sold for the benefit of the Shriners Hospital for Crippled Children. The Grand Lodge officials always attend.—Iowa Bulletin.

NEWS FROM DeMOLAY

The international expansion of the Order of DeMolay in recent months has resulted in two very important developments both to Masonry and to DeMolay. These developments are the launching of chapters in England and in Germany.

Americans at military bases in the Bedfordshire area of England have launched a chapter there and similar American groups elsewhere in England plan to set up at least three to five more chapters as soon as possible. The Bedford chapter is to be sponsored by the Chicksands Square & Compass Club. The club president is the Rev. (Capt.) Paul L. Morgan and the secretary is Roger W. Maconi.

The proposal to launch a chapter was discussed and adopted at a meeting last July 4 in London of American Masons and DeMolays from many parts of the British Isles and Europe. The Rev. Edward A. Potts of Kansas City, Mo., who was in England on an exchange of pulpits with other ministers, attended the London meeting as the personal representative of Frank S. Land, founder and secretary-general of DeMolay. He was the principal speaker at a banquet in London's Freemasons' Hall, and explained the procedure for launching a DeMolay chapter in England.

The chapter in Germany has been started in West Berlin by the Mirror of Truth German Masonic lodge and American Berlin lodge No. 46. The chapter has been given the name Eureka and one of the motivating personalities in launching the chapter was Arno Cobre. The chapter has conducted two initiations thus far.

Elsewhere overseas, Australia and the Philippine islands now are running neck-and-neck in the matter of the most DeMolay chapters. Mr. Land reports that three new chapters have been launched in Australia in the last year to bring the total there up to the same as in the Philippines.

Five new chapters have been launched in the last few months in Canada to make the Dominion a major DeMolay center second only to the United States.

BEST KNOWN CASE OF WOMEN IN MASONRY

The best known case is that of the Hon. Elizabeth Saint-Leger (1693-1775,) who later became Mrs. Aldworth. She was the daughter of Viscount Doneraille, of Cork, Ireland. This Irish nobleman was an enthusiastic Mason and, as was then customary, Lodges were occasionally held in residences of Brethren. Thus Irish affiliates met in the nobleman's home. It is said that in 1710, when Miss Saint-Leger was 17, she hid herself in a room adjoining the the one in which an initiation was to be held. Due to repairs being made in the partitions, the young lady was able to remove a brick from the wall separating the two rooms, and witnessed the entire ceremony of initiation.

In attempting to make her escape she advertently came across the tiler who, armed with a sword, stood barring her exit. Her shrieks caused the members of the Lodge to rush to the spot, when (we quote from Mackey) "after considerable discussion and entreaty on the part of her brother, it was decided to initiate her into the Order," and it is said, in the course of time she became Mistress of the Lodge, which was Lodge No. 95 on the Irish register. This Lodge still meets at Cork, but there is no record existent of her initiation. Yet it is known that she frequently atended entertainments given under Masonic auspices, at which time she wore full Masonic regalia. When she died in 1775, at Cork, she was accorded the honor of a Masonic burial. Haywood states few Masonic authorities question the truth of this story, though there are diferent versions.—E.S.N.

MILITARY LODGES

During the eighteenth century a considerable iumber of military lodges came into existance, possessing the right to meet legally at whatever place the regiment might find itself. The first such lodge was Irish, and was founded in 1732, and was followed by others. Scotland had a military lodge in 1743; while the first English regimental lodge was that of the 8th Regiment of Foot, founded in 1755.

The itinerant military lodges are believed to have exercised a strong influence on the ceremonial development of Freemasonry during the considerable number of military lodges Board.

They say that no news is good news. But this time it wasn't that way. I had a calendar made up for the months of October, but it just didn't work out.

The newer members are sure doing a good job. And many thanks to you fellows and I sure hope to see you in the chairs some day.

We have our deepest sympathy for the E. E. Hollopeter family, for the death of their husband and father E E. Hollopeter.

Thanks brothers for the good turn out for our stated meetings. There will be no work for the next two months. Our business is short and sweet; and a lot of time for fellowship.

STAR AND GARTER
(Masonic Review Digest)

Brethren, do you not remember the occasion when it was stated, "I now present you with a lambskin or white leather apron . . . and when worthily worn, more honorable than the Star and Garter?"

The Order of the Garter was founded by Edward III in 1348. In 1629 the Star was added to the Garter. From the beginning the Order has been under the protection of St. George, and his red cross on a field of white was born by the Knights of the Garter on the left side of the mantle. Various sovereigns over the decades conferred decorations on their favorite Order One of these was the Star, which was formed by surrounding the badge of St. George with eight points of silver. This added brilliance to the insignia. Charles I added the Star.

FIRST USE OF THE NAME FREEMASONRY

It is upon record that the first formal and solemn Lodge of Freemasons, on which occasion the very name of Freemasonry was first publicly made known, was held in Mason's Hall, Mason's Alley, Basinhall, Street, London, in the year 1646. Into this Lodge it was that Ashmole, the antiquary, was admitted. Private meetings there may doubtless have been before; and one at Warrington is mentioned in the life of Ashmole; but the name of Freemason's Lodge, with all the insignia, attributes, and circumstances of a Lodge, first came forward in the page of history on the occasion above mentioned: It is perhaps in the requital of the services at that time rendered in the loan of their hall, etc., that the Guild of Masons, as a body and where they are not individually objectionable, enjoy a precedency of all orders of men in the right of admission, and pay only half fees.—The Ohio Mason.

We wish to report progress in our Temple building. The concrete floor has been poured in the basement kitchen and we are ready to start building the kitchen cupboards. We expect to start in a few days the pouring of the concrete for the outside front steps of the Temple. When these together with the columns and portico over the front door will have been completed, our Temple will have a different appearance.

Our Eastern Star ladies conducted a very financially successful coffee and donut booth at the DeKalb County Fair held recently in Auburn. We certainly appreciate this helpful hand in raising money to pay for the materials to furnish our Temple.

LOW TWELVE

In ancient symbolism, the number twelve denoted completion. Whether this meaning arose from the fact that twelve months completed the year, or twelve signs of the Zodiac, or whether from the fact that what was regarded as the most stable geometrical figure known, the cube is marked by twelve edges, opinions differ. At any rate, it denoted a thing fulfilled. It was therefore an emblem of human life.

Death followed immediately after life, the number thirteen immediately after twelve, it is for this reason that thirteen has long been regarded as an unlucky number. With us the solemn strokes of twelve marks the completion of Oliver Day Street.

DEAR BROTHER

The Declaration of American Independence was simply one incident in the progress of the human race along the lines of Masonic teachings. The organization in the year 1717 of the English Grand Lodge was merely the beginning of an unbroken line of Masonic Government by Grand Lodges and should not be taken in any sense as the origin of Freemasonry.

One of the most striking negations of this theory was brought to light when Cleopatra's Needle, the obelisk now standing in Central Park, New York, was taken down in Egypt, preparatory to its being transported to this country. There was found concealed in its foundation, the emblems of its ancient builders. They consisted of: a rough cube of pure white limestone (rough ashlar). a polished cube of pure white limestone, (Perfect Ashlar); a square, an iron trowel, a lead plummet, a stone bearing the Master's Mark, a stone trestleboard on which were traced parts of designs of the Serpent of Wisdom.

They were all so placed and preserved as to show beyond a doubt that they had the high symbolic meaning.

The obelisk was located in one of the most ancient cities in Egypt and it is said by some to have been founded about 5,000 B.C. When the obelisk given to America with its original foundation and the emblems found in its foundations were brought to New York, they were examined by the Grand Lodge in New York; as well as by many scientific men, all of whom pronounced the emblems to be unmistakably Masonic

In the face of these mute witnesses, what becomes of the contention that Freemasonry originated in 1717, or that Masonic emblems were not looked upon as Symbolic until that time It seems that these silent testimonials prove beyond any question that Symbolic Freemasonry was in existence a thousand years before the building of King Solomon's Temple. What then if any, change took place in 1717 other than the inauguration of the Grand Lodge Government.—B. Tate Dawkins,
The Cabletow.

THE GREAT PILLARS

I've talked to a number of foundrymen about the casting of the two Great Pillars. They agree that Hiram of Lyre must have been, as the Bible says: "Cunning to work all works in brass," for the casting of the Pillars was a tremendous job which would tax the facilities of many modern foundries, and be beyond many others.

The historian lightly passed over this difficult and important part of the work by writing, "They were cast in the clay grounds . . . between Succoth and Zarthan," so we can only speculate about the equipment and the methods used, not only in casting the Pillars, but many of the other great castings described in the Bible.

The Pillars were about 6 feet in diameter, with a wall thickness of about 3 inches, or more. In Kings they are described as being 18 cubits high; in Chronicles as being 35 cubits.

Eighteen cubits would be about 27 feet; 35 cubits would be about 52½ feet.

A pillar 18 cubits high would weigh about 38 TONS while one 35 cubits high would weigh about 75 tons.

In this brief space I can not give a detailed description of the molding pits, or the melting furnaces. The furnaces were probably fired with charcoal and the draft provided by big skin bellows, operated by men pumping in shifts.

To drag a 38 ton casting from the casting pit, get it to the Temple and erect it and then place the 7 ton chapiter on top of it demanded engineering skill, when it is considered that all that was available was a rather crude block and tackle system.

Hiram Abif must have had the metal working artistry of Cellini and the engineering and designing skill of Da Vince. It's too bad his historian didn't give us more details about one of history's great Craftsman.

Fraternally yours,
Samuel R. McIntyre, W.M.

The fall convocation of the Fort Wayne Scottish Rite Bodies will be held on November 10, 11, 12 in the Scottish Rite Cathedral. On account of a large amount of work to be done in the new auditorium, it will not be possible to have the reunion or any degree work there. However, we are planning to have it opened some time during our convocation so that the membership can have an opportunity to go through and see the great possibilities that are in store for the future.

The last date for receiving petitions for the fall reunion will be Tuesday evening, October 27 at 7:30 o'clock. Those coming in at that time will be voted upon at the regular stated meeting the following Tuesday evening.

More than 100 petitions have been turned in at this time and the prospects for a large class are very good. Please remember that the waiting period of six months has been rescinded by the Grand Lodge of Indiana. Your Blue Lodge friend can petition now up to October 27th for this class.

On the afternoon of October 27th, a ladies party will be held in the new auditorium on west Berry St. for the wives of Scottish Rite Masons. Admittance will be by courtesy card only.

Rehearsals for the degree work are being held and if you desire to take a part large or small, please contact the office and a place will be found for you.

Final arrangements are being made for the fall convocation of the Fort Wayne Scottish Rite bodies which will be held on November 10, 11, 12. The degree work will start at 1:15 o'clock on Tuesday afternoon and continue through Thursday afternoon when the 32° will be presented followed by the reunion banquet at 6:30 o'clock.

A class of three hundred candidates will be present on the first day. This will be one of the largest groups to receive the degrees that we have had in a number of years.

Three of the five degrees to be given by the Lodge of Perfection will be portrayed by members from different parts of our jurisdiction including Jay county, Huntington county and Fairmount.

The annual children's Christmas party will be held in the new auditorium on west Berry street on Sunday afternoon, December 13, at 2:30 o'clock. The seating capacity will be much larger and arrangements are being made to take care of a much larger crowd than in former years. A good show is being brought here for the party and Santa will be present to give favors to the children.

During the convocation we are planning to have the auditorium opened so that members can visit there and get some idea of a part of their new home.

The 1954 dues cards are now ready for those who want to avoid the rush during the days of the reunion.

An excellent variety show was given for the ladies of our members in the auditorium on Tuesday afternoon, October 27th. Many favorable comments have been expressed and from the success of this first venture, we will probably have another party just for the ladies in the future. Mrs. Byard H. Smith headed a committee of officers wives in presenting this delightful afternon of entertainment.

We are anticipating having one of greatest and most inspiring Fall Convocations in the history of the Fort Wayne Valley Scottish Rite bodies. It will be produced by the faithful practice of our enthused old and new workers. We shall have a physical drawback in seating our three hundred member cclass and the other members who desire to witness the degrees. As much of the work as possible will be presented from the stage so that extra chairs can be placed on the floor.

The need for the enlarged seating capacity of our new Scottish Rite Auditorium with its more that 2100 comfortable seats was apparent. We all want to get into action in our new Berry street building as soon as possible.

We will have an opportunity to see the first Scottish Rite degree work given in our new auditorium on Saturday evening, November 21, when the Milwaukee Consistory will confer the 25th degree.

This will be a rare privilege because the Milwaukee vvalley has been a proving ground for the Supreme Council, and its Consistory was chosen to produce the 25th degree before the Supreme Council when changes were made in that ddegree a few years ago.

It has been many years since the 25th degree was given in our valley and the majority of our members have never witnessed it. There will be 42 workers in the cast who will make the trip to Fort Wayne in large busses.

You wll want to see how degree work is presented on the large stage of our nes Auditorium and to enjoy the performance by a cast that is rehearsing non to put on an outstanding dramatic work. Plan now to be among those present.

Well, football season is almost over and we can turn our thoughts to basketball. Mid-semester is also coming up, which means that everyone is going to be busier than usual with their homework. I know that so many of the girls have a lot of homework, but I think that too many of you girls stay away from too many meetings. I think you could manage a meeting every two weeks.

Our inspection is over, and I think that we did a real swell job. The officers were practically letter-perfect in their work. I think our choir is really something to be proud of. They added a great deal to our inspection meeting. Janet Sauers did a superb job as soloist. Miss Spencer and Mr. Simpson, who are both quite charming and delightful, thought that our Bethel was doing beautifully. The theme of our banquet was nursery rhymes. This idea was also carried out in the escorts. The girls who formed the escorts were Marlene Masee, Gloria Johns, Sharon Simmers, Janeen Longworth, and Kay Perrin.

The Mother's club, which is always busy, had a wonderful party for their daughters. This was a Halloween party. It was held at the east end of McMillen park pavillion, October 28, at 7:00 p.m. I am sure that everyone will agree that we had a good time. We certainly appreciated all that our mothers do for us. The next meeting of Mother's club will be a dessert luncheon on November 18 at 1:30 p.m. at the home of Mrs. Frank Miser, 1326 Maple Ave. Mrs. R. L. Flightner will be the assisting hostess.

Our last meeting was Past Guardian's, Past Associate Guardian's and Past Queen's night. The Past Queen's club sent me a beautiful white corsage for the occasion. I sincerely thank them for it. We were very happy to have these dear friends with us and we hope that they will feel welcome to come to all of our meetings. The next meeting is Mom and Dad's night. This is another one of our favorite meetings. We love to meet each other's parents and we always have a good time. The following meeting will be election. We hope that all the girls will be at this meeting, because it is vitally important to have the person of your choice at the head of our organization.

Hello again:-It's time again for me to report on the activities that took place the last few weeks in DeMolay. The month of October continued more outstanding events than any other month so far.

To start things off we honored our Fathers by having our Father-Son night on October 7th. We had a nice crowd and I am sure everyone had a real good time. The main speaker of the evening was Harry Geisel, Potentate of the Murat Shrine of Indianapolis. His speech was very interesting as he spoke on some of the incidents that took place when he was umpiring in the American League. Quartettes from Mizpah Shrine Chanters also entertained. There were representatives from the different American Baseball Leagues in Fort Wayne present as guests of DeMolay.

The next important event. Over 600 attended the annual Fall Maul hayride and square dance which was held at Bullerman Farm on October 10th. Everyone had a good time and some of the fellows who are away at college made it home for the big event.

On October 27th the Initiatory degree was given for the first time by this group of officers. There were seventeen candidates in the class. In reporting on the officers they all did a real good job. The next degree work will be held on November 24th, when the Initiatory degree will be given for the second time. Refreshments will be served by the Mothers Circle. We would like a large class so every one should get out and try to secure a new member. We are ranked as one of the top chapters in the country and we sure want to keep this rating but we can not do this without the support of all the members.

The election of officers will be held on December 8 and every one who wants to be called a DeMolay should be present, so he may take part in electing the fellows who will lead his organization for the last-half of the DeMolay year.

The DeMolay degree will be conferred on a large class of candidates from the chapters in the Firt District of Northern Indiana, of which "Dad" Riethmiller is District Deputy. It will be held in the Scottish Rite Cathedral on Tuesday night December 22nd at 7:30.

White Christmas Formal Dance sponsored by the Scottish Rite will be held Saturday night, December 26th Woody Neff's orchestra will play for dancing 9-12. "Dad" Riethmiller has been appointed as general charman. The Scottish Rite officers and their wives will assist as Chaperones at the dance. All active and senior members of DeMolay and their dates are invited to participate. No charge for admittance this is your Christmas gift from Scottish Rite. "1954 dues card" or Senior membership card required.

The installation of the newly elected and appointed officers and the conferring of the Chevalier degree will be held on Tuesday, December 29th.

"Petitions" deadline for membership petitions to go in the DeMolay class of December 22nd has been extended to November 24th. The Initiatory degree will be conferred by a chapter in the district outside Fort Wayne. Don't forget dues are due and 1954 card is necessary to attend Holiday dance.

This is about all for this time but remember to try and attend chapter and also aid the chapter in getting new members. "Each one Bring one." From the East to you. Godspeed.

Be sure to notify us of any change of address.

Council degree rehearsals for the 1953 fall Convocation are completed. The casts have taken an extraordinary interest in attending rehearsals and portraying the various characters, including all the so called minor and non-speaking parts.

Our two directors Bros. S. W. George Hacker and J. W. Zeus Campbell have done a splendid job ironing out rough spots and getting the degrees running smoothly.

Within a few days the 1953 Fall Convocation will be history. We hope that our portrayal of the Council degrees will be edifying to the large class of candidates and to the craft in general.

This past month has certainly been a busy one for chapter activities and while the big nights are nothing more than pleasant memories for most of us, there are some who must still remember the hard work and long hours they put in to make them the successes they were. To all of these people(whose names never seem to be mentioned) our worthy matron expresses her deepest thanks and appreciation with this observation: "It isn't only our hard working committees who had a job to do and did it well but the true friends who didn't have to do anything but pitched in with helping hands where they were most needed anyway." All of us, I'm sure, will remember our inspection as an encouraging test of our chapter progress and our square dance as a gala night made all the more so for the surprise celebration of our worthy mtaron's birthday. The bake sale did well for itself too, despite the fact that it suffered the same fate as the rummage sale; namely, lack of donations promised by various members.

Enough of the past—it's time we mentioned our coming events. On November 20th has been set aside as Master Masons and Family night. That means that this is the time to be sure that our husband members will be free to participate in the fun, the program, and refreshments we have in mind. There will be a program comprised of the talent displayed by the children of our members. Then on December 4th we will have initiation of new members.

Of course we always have our sick and bereaved with us but we hope that good care coupled with our best wishes will see them up and around again in time to enjoy chapter again in the near future. Eloise Pitzer is home from the hospital on the final lap of recovery while Mary Chappell still remains in Lutheran Hospital. The husband of Ruth Beauchamp is still seriously ill in the Lutheran Hospital. The mother of Beulah Gratz has passed away just recently. We want them all to know that we are thinking of them in their trials and hope for happier days to come. We would love to extend our congratulations to new parents and grandparents but guess what — NO NEW BABIES THIS MONTH! The world must be going to pot in general. Oh well, such is life. And speaking of life, there's plenty of living to be done in the month to come so get out your calendar and match it up to the one we give you below!

CALENDAR FOR NOVEMBER

November 2: Sewing and Decorating will meet at the home of Clara Belbutoski with Esther Thunberg as assisting hostess.

November 4: Program will meet at the home of Coletta Barnett with Donna Mitchell as asisting hostess.

November 10: Ways and Means will meet at the home of Margaret Hartsing with Betty Smith as assisting hostess.

November 11: Cheer will meet at the home of Mildred Farlow with Lucille Beatty as assisting hostess.

November 16: Choir will meet in the Colonial Room at the Masonic Temple.

November 19: Social will meet at the home of Pauline Farrar with Edlin Hutchinson as assisting hostess.

November 19: Registration will meet at the home of Pearl Beatty in LaOtto, Indiana.

November 18: NeCaWa Club will meet at the home of Katherine Robb. There will be an important business meeting.

November 23: Officers will meet at the home of Mabel Beghtol with Mary Wright as assisting hostess.

Got it all down- Fine. We'll see you there. Don't forget to read us again next month—same time, same column, same by line,

Brethren: Our Senior Warden, Bro. Kenneth Goller, paid a visit to the Masonic Home in Franklin recently and reports that the three members of Wayne Lodge residing there, Brothers George McDonald, Victor C. McFarland and Homer P. Moses, are all in good spirits and are very much satisfied with the care they are receiving. Brother McFarland or Mac will be remembered as Tyler of Wayne Lodge for many years. I join Bro. Goller in urging every member of the lodge to make a special effort to visit these good brethren who are our guests at Franklin and to see at first hand the Home which Freemasonry maintains for aged Masons, their widows and orphans. May I further suggest that we all, now—while we think of it, add the names of the above mentioned brothers to our Christmas mailing list.

Brother Kenneth Rayl reports that in addition to himself the following brethren formed the committee that visited the Veterans Hospital recently: Jess Rayl, Paul Scott, Cless Platt and Bill Schmidt. He also reports that Wayne Lodge will make its next visitation the night of November 30 and asks that all interested persons get in touch with him before that time. Our thanks to Bro. Rayl and his committee for this worthwhile work.

As the budding of trees signifies the approach of summer, so the mailing out of dues statements and the election of officers signifies the approach of events for the final month of 1953. Brother Good informs me that the statements are ready for mailing and should be in your hands before this article appears. Please give this matter your prompt attention and if for any reason you are unable to do so please notify Bro. Good before the first of the year.

The Annual Meeting and election of officers will be held December 3rd and as usual will be preceded by a dinner at 6:30 p.m. in the Temple dining room.

The only illness reported to your officers this month is that of Bro. Oliver Clark who has undergone surgery at the St. Joseph's hospital. He is doing very well at this writing and hopes to be home in time to celebrate his 74th birthday. Happy birthday Bro. Clark.

MASONRY THE OLDEST

In this country are more than 700 different fraternal organizations. Masonry is NOT just one of them. Masonry is the oldest and has the largest membership. Membership selection is the first basic difference. It is the only one that seeks no members, never asking anyone to join. Secondly, Masonry is based upon the Fatherhood of God and the Brotherhood of man. This it endeavors to plant in the hearts and lives of its members.

It should be borne in mind that Freemasonry builds its temples in the hearts of men. It is ancient rituals and ceremonies, in Symbolic Lodges, and the Scottish and York Rites, dwell upon these truths, and any man who petitions for the degrees of Masonry should do it only with a desire to aid his fellowmen. — Kansas Masonic Digest.

By the time this article reaches you it will be time to think of our annual stated meeting. This is one of the most important meetings of the year, as that is the time we elect officers for the coming year. At the October stated meeting a letter was read in which Brother Scott explained why he will be unable to continue as secretary after this year. I only mention this now, so you will be prepared when it comes time to vote. Brother Scott has been very faithful and has served his lodge well. I'm sure the lodge joins me in saying "Thanks Scottie for a job well done."

October the 20th a number of members visited South Whitley lodge and watched the conferring of Master Mason degree. A very enjoyable evening was had by all.

Another important date for Three Rivers is December 16th, the night of our Grand Lecturer's visit. Plan to attend as Three Rivers is the host lodge this year.

The cornerstone of the Smithonsian Institute was laid by the Masons May 1, 1847 and present were President James K. Polk and Vice President George M. Dallas.

The centennial celebration of Fort Wayne Commandery No. 4 Knights Templar reached a climax when the Order of the Temple was conferred by the officers of the Grand Commandery of Indiana, and a turkey dinner was served in the Masonic Temple Saturday October 10, to the Sir Knights and their ladies. At least one-half of the Sir Knights and their ladies who participated in the banquet were visitors from out of Fort Wayne.

A total of 443 dinner plates were served, to the Sir Knights and their guests.

Eminent Sir Knight Samuel S. Geake, a past Commander of Fort Wayne Commandery and now the Grand Generalissmo of the Grand Commandery of Indiana was Master of Ceremonies, and introduced the officers of the Grand Commandery, and their ladies and other distinguished Sir Knight Guests and their ladies. He also introduced Em. Sir Knight Carl L. Shroyer, our Eminent Commander and requested him to introdue his officers and their ladies, all of whom were present.

The Scottish Rite Choir were guests, and sang several sacred and humorous in their usual excellent entertaining manner. Sir Knight J. Luther Seng, pastor of St. Luke's Lutheran church, delivered the principal address, in which he emphasized the Christian characteristics of the Commandery, especially in the Order of the Temple. Eminent Sir Knight Robert T. Beck, Past Commander of Washington Commandery and pastor of the First Christian Church in Fort Wayne offered the invocation and asked the Divine Blessing before the banquet and pronounced the benediction following the program.

The Commandery was opened at 2:30 p.m. by the Officers of the Grand Commandery of Indiana, who conferred the Order of the Temple on two of our candidates. The first section of the Order of the Temple was conferred and the second section of Knighting one candidate was completed before the banquet. Following the banquet, Fort Wayne Commandery opened the Commandery in full form on the Order of the Temple, formed the lines for the reception of distinguished guest, and received the Most Eminent Sir Knight Paul G. Smiley, Grand Commander of the Grand Commandery of Indiana and the Grand Commandery line officers; the Most Eminent Sir Knight Lachlan M. McDonald, Past Grand Commander of the Grand Commandery of Ohio, who was the personal representative of the Most Eminent Grand Master of the Grand Encampment of Knights Templar of the United States of America, Most Eminent Sir Knight William Catron Gordan, who had been invited to our centennial, but could not attend on account of a previous egagement.

Following the presentation of our Grand Commander Sir Knight Smiley by our Eminent Commander Carl L. Shroyer, who tendered him a sword and ask that hep reside over Fort Wayne Commandery No. 4, and present the distinguished guests, the Grand Commander presented the line officers of the Grand Commandery of Indiana the Most Eminent Sir Knight McDonald and other distinguished guests who were, Em. Sir Knight William J. Adams, Past Grand Illustrious Master of the Grand Council of Royal and Select Masters of Indiana, Em. Sir Knight Everette E. Miles Past Grand Illustrious Master of the Grand Council of Royal and Select Masters of Indiana, Em. Sir Knight Wilbur E. Neuenschwander, Past Grand High Priest of the Grand Chapter of Royal Arch Masons of Indiana, and our own Sir Knight Elmer C. Forks, Deputy Grand Master of the Grand Lodge of Free and Accepted Masons of Indiana. Several of the Past Grand Commanders of the Grand Commandery of Indiana were also presented, all of whose names I do not have available at this time.

Following the presentation of Guests, the Grand Commandery Officers occupied their stations, knighted the second candidate and completed the Order of the Temple by giving the instructions to the candidates, including the lectures. After the Grand Commandery Officers had finished the Order of the Temple our Oficers were requested to take their stations. Grand Commander Paul G. Smiley made a short talk and the representative of the Grand Master of the Grand Encampment brought the greetings from the Grand Master, before the commandery was closed.

During the afternoon the wives of Grand Commandery Officers, wives of the Past Grand Commanders, wives of the visiting distinguished guests and the wives of the Past Commanders of all commanderies were entertained at a tea by Mrs. Samuel S. Geake, in the social room of the Scottish Rite Cathedral. Following the banquet all the ladies of the Sir Knights were entertained by a committee from the ladies of Assembly of the Social Order of the Beauceant, whose chairman was Mrs. Harold Utterback.

Sir Knights, please remember that although we have had our centennial banquet, the centennial year does not end until December 31st. Orders will be conferred in November. Get out and secure that petition from your Royal Arch Masonic friend to be presented at the November stated to be counted in the Centennial year, as a member of the Sol D. Bayless class.

Our Commander wishes to thank all of the Sir Knights who served on the Centennial Committees and the members of the Commandery Drill Corps for the work performed to make the Commandery Centennial Celebration a success.

As our Thanksgiving Season draws near let us be mindful of the many blessings we share.

Thank Thee, God, for love that crowds each busy day,
And thank Thee, too, for simple things we find along Life's way
For friends to great, loved ones near,
For songs to share—perchance a tear;
For strength to work, for gift to play,
For fireside at the close of day
Thank Thee, God, for all the lovely simple things
Our each day brings.

Fort Wayne Chipter was entertained on September 17th by the Satellites who gave a little comic skit on school days which was enjoyed by everyone.

On October 1st we were happy to welcome new and old friends as we observed our Friends Night. The theme of the meeting was "Adventures in Friendship." The decorations in the Chapter Room were pirate motiffs, with a pirate chest placed in the East. After our Worthy Matron Hope Dumford declared Chapter at ease she recited an appropriate poem. The officers and choir then donned pirate hats while the choir sang a pirate song.

Distinguished guests who were introduced and escorted to the East were Sister Sonoma Woodruff, Past Grand Matron, Brother Cecil Seibel, Past Grand Patron, Sister Myrtle Morton, Deputy of District 14 and Sister Fara Lee Baidinger Deputy of District 21. The guest officers who gave the initiatory work were:

Worthy Matron, Margaret Bacon, Ashley Chapter; Worthy Patron, Raymond Collins, Decatur Chapter; Associate Matron, Madlyn Swartz, Markle Chapter; Associate Patron, Arthur Hardy, Auburn Chapter; Secretary, Charlotte Boxell, Mt. Etna Chapter; Treasurer, Edna Neirieterer, Poe Chapter; Conductress, Helen Deam, Ossian Chapter; Associate Conductress, Adella Davison, Star of the East Chapter; Chaplain, Mabel Carpenter, Roanoke Chapter; Organist, Nella Cowens, Bluffton; Adah, Rosemary Jones, Warren; Ruth, Delores Gustin, Harlan; Esther, Thelma Cole, Pennville; Martha, Twylo Monce, Geneva; Electa, Goldie Henschen, Columbia City; Marshall, Arbutus Stellhorn, Columbia City; Warder, Florence Berndt, Butler; Prompter, Pauline Barker, Huntington; Soloist, Mildred Troutman, Bluffton.

At the close of Chapter gifts from the treasure chest in the East were presented to the guest officers and after Chapter a delicious lunch was served in the dining room to about 300 members and guests.

October 15th was Nonpareil night. Albert Krueper showed excellent movies of the recent trip of the Elex girls to Europe. These pictures were thoroughly enjoyed by all of us.

The Officers of the four Chapters will sponsor a Card Party on Monday afternoon November 16th at 1:30 o'clock at the Masonic Temple. Tallies ares 50c, lunch and prizes are included.

One of the highlights of the year is Inspection Night, which comes Saturday, November 7th Shiloh and Fort Wayne Chapter will be honored by a visit from our Worthy Grand Matron Aldine Klingman. The meeting will open at 5 p.m. in the Commandery Room with a banquet at 6 o'clock and baby dedication at 7:30.

October 16—Stated meeting was well attended with all oficers present. After usual business, reports were given by Excellent Companions Bradley and Jones and Companion Martin.

October 23—The M. E. M. degree was masterfully conferred by Raymond McKibben, our King, assisted by officers and companions on sidelines. This degree, as you will remember, is where we invite all to assist us.

October 30—The R. A. degree was conferred by your High Priest, A. Paul Staight and all the officers.

By the way, Thomas R. Marshall Chapter was joined with Fort Wayne Chapter in promoting the coming Past High Priest's night which is to be January 23rd. We will give you exact details in the future.

To our Brothers in the Blue Lodges, now is the time to seek further light in Masonry. You have two nights to choose from, Monday night Fort Wayne Chapter number 19 meets, Friday night Thomas R. Marshall 161 meets. I am sure you will find one of these nights convenient. So petition either one of the Chapters and plan to attend the coming Past High Priest night.

Did you know every Sunday there is a Masonic calendar in the morning paper?

Since my most recent attempt to explain the position and importance of the 47th Problem of Euclid in the Master Mason Degree, I have now received a similar request relative to the Perfect Ashler. Had I more fully realized my responsibilities as Worshipful Master in this regard, I am sure I would have assumed the office with many more misgivings than I actually experienced. However, let it never be said that your Master ever wilfully shirked his duty. Soooo, here we go again; I can only hope you will be charitable in your evaluation of this effort.

Our modern monitors describe the perfect ashlar as a "stone made ready by the hands of the workmen, to be adjusted by the tools of the fellowcraft." But they do not say what it is to be made ready for, nor to what purpose it is to be adjusted. To learn these facts, we must study the old monitors in which we do not find the term "perfect ashlar," but we do find the rough ashlar and, associated with it, the perfect ashlar. This latter term is defined by the STANDARD DICTIONARY as "An ashlar long enough to reach through a wall and show a fair face on both sides."

There are many forms of this word, such as parpen, parpend, parpent, parpine, parpin, parping, etc. but they all mean the same thing. Other dictionaries add the further thought that it is the same "as what is now usually called a bonder or bondstone."

Thus it is seen that the perpend ashlar was a binding stone, whose purpose was to hold the other stones in the wall together. All its faces must be smooth and its edges square.

The workman must know the nature of the wall in which it is to be placed, and must make it ready accordingly. In adjusting it to its place, the exposed faces must be perpendicular, its other faces at right angles to the wall, and its upper and lower surfaces level. In other words, it must be adjusted to its place by plumb, square and level.

It should be noted that as one of the jewels of the lodge, it has not yet been adjusted to its place in the building, but it has been made ready and is to be adjusted. Because it has been made ready for its final resting place, it is now called the perfect ashlar. Yet, keep in mind that it is perfect only because it is completely adapted to the purpose for which it was named, namely, to fit into its place in the building and act as a binder for the other stones.

In order that it may do this, it must possess certain attributes, and through these attributes, and we are reminded "of that state of perfection at which we hope to arrive by a virtuous education, our own endeavors and the blessing of God." It has two faces to be exposed, and both must be absolutely upright. It does not have one standard for the world and another for the home; the same fair face, square and true, is presented to both the world and the lodge, and it teaches that we should not have one code of morals for one place, and another for another, but that right is the same wherever we are and under whatever circumstances we may be placed.

In becoming the perfect ashlar, the nature of the stone has not been changed. The workman cannot take a poor stone from the quarries and make it perfect; Masonry cannot take a base man and make him good. The rough can be made smooth, but the stone must be capable of taking polish or the work will be in vain. The lodge should, therefore, be careful of the material which it accepts. Masonry can give a man what he has not, but it cannot make him what he is not. The Order can bring out the good that is in a man, but unless he has the germ within him, Masonry can add nothing. Only the grace of God can transform the material, but, given the proper material, the working tools of the Fraternity will render valuable assistance in bringing it into perfect form.
